THE PHARMAVOICE 100 CELEBRATION, to be held Sept. 17, at the Apella Event Space Riverpark Tom Colicchio Restaurant located at The Alexandria Center for Life Science, convenes the most influential and inspirational leaders from across all sectors of the life-sciences industry. PharmaVOICE's unique positioning allows us to bring together these leaders in a unique format allowing for much-needed collaboration through sharing ideas, insights, and business perspectives, while enjoying the opportunity to expand personal and professional networks. This Celebration event includes an Executive Forum panel comprised of several PharmaVOICE 100 and Red Jacket honorees, who will address the challenges of providing inspired leadership and driving innovation during an era of intense change within the healthcare sector. Directly following the panel, as part of the Networking Event, several PharmaVOICE 100 and Red Jacket honorees will lead Curated Table discussions on the challenges facing leaders today. Against the backdrop of New York City's elegant and high-tech Alexandria Center for Life Science, attendees will have the opportunity to network in an intimate setting, allowing for meaningful dialogue, enjoy an open bar, passed hors d'oeuvres, and culinary stations in addition to Red Carpet interviews and photo opportunities. It is the one event of the year not to be missed!
