

# Bucket LIST

## The PharmaVOICE 100 honorees have a wide range of interests.

They are interested in travel, adventure, and giving back.

**Gregory Skalicky and Cindy Cetani** want to cage dive with great white sharks — watch the chum

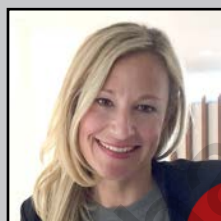

**Dr. Brian Nightengale** would someday like to land a 400-pound blue marlin — now that's a fish

**Heather Torak's** travel list is eclectic: visit Japan, sample wines in Tuscany, and take an African Safari

**Dr. Robert Willenbacher** has water adventure in mind — diving the Great Barrier Reef and sailing the British Virgin Islands

**Valerie Kobzej** wants to don whites while attending Wimbledon

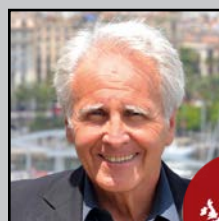

**Dr. Lorence Kim** would like to race a Formula One car — zoom zoom

**Kerrie Brady** is setting her sights on seeing the Aurora Borealis and visiting Australia

**Dr. Bill Trombetta** aspires to live and work in Western Europe

**Elisa Cascade** would like to travel the countries she is yet to visit — a list that grows shorter every year

# 50%

of the PharmaVOICE 100 honorees have traveling on their bucket list.

**Nancy Berg** would like to ride in — and complete — America's Most Beautiful Bike Ride around Lake Tahoe for the Leukemia & Lymphoma Society; the 72-mile ride circumnavigates the highways clockwise around Lake Tahoe in both Nevada and California
