

Giving BACK

The PharmaVOICE 100 honorees share a sincere desire to pay it forward.

Philanthropy is a big part of what makes our inspired leaders tick. They generously give of their time and resources.

Deirdre BeVar
Nektar Therapeutics

One of the most rewarding things Ms. BeVar has ever done is the **Susan G. Komen** three-day breast cancer walk

Sandra Chase
Continuum Clinical

P.E.O. International is a philanthropic organization with a mission of promoting educational opportunities for women

Jean Chitwood
INC Research

The Fresh Air Fund has long been dedicated to giving inner city kids a chance to spend time in the country. Ms. Chitwood grew up on a dairy farm, and she remembers a boy from the city coming to visit several summers, which has inspired her to help give other kids a similar experience.

Amy Dowell
HCB Health

Cancer is public enemy No. 1 for Ms. Dowell, who is a big believer in **caring for the community at the local level**. Most of her charitable contributions go directly to family, friends, and strangers in the community who've been stricken by this thief.

Gregg Fisher
The Stem

PATH is an international nonprofit charity that focuses on saving lives and improving health in third-world countries through vaccines, drugs, diagnostics, devices, and service innovations.

Brian Goff
Baxalta

Pathways to College is an organization that helps give opportunities for underprivileged students to go to college.

Dr. Jesús Gómez-Navarro
Takeda Pharmaceuticals

Doctors Without Borders is an international humanitarian-aid non-governmental organization (NGO) and Nobel Peace Prize laureate, best known for its projects in war-torn regions and developing countries facing endemic diseases.

Adele Gulfo
Mylan

Volunteers of America is a national, faith-based human services organization that helps some of the most vulnerable men, women, and children lead safe, healthy, independent and productive lives.

Chris Perkin
Altasciences

West Island Palliative Care Residence is a group of professionals and volunteers dedicated to preserving dignity at the end of life.

Julie Ross
Advanced Clinical

Formed in 1980, the **Alzheimer's Association** advances research to end Alzheimer's and dementia while enhancing care for those living with the disease.

Dr. Catherine Sohn
Sohn Health Strategies

Classroom Champions connect Olympic and para-Olympic champions with kids in under-privileged schools to focus on goal setting, planning, relentless preparation, and performance.

Dr. Stuart Sowder
Pfizer

Food banks are the recipients of Dr. Sowder's charitable work.

Lisa Stockman
inVentiv Health

The Seeing Eye Foundation is where Ms. Stockman's family fosters and nurtures a puppy until he/she is about 16 months old and ready to be trained as a guide dog for a blind person.
