In this role, Mr. Ros is responsible for directing and operationalizing Epizyme's launch readiness efforts for tazemetostat.

Mr. Ros comes to Epizyme from Sanofi, where he was most recently chief operating officer/global head of the oncology business unit.

Dr. Tarek Sahmoud H3 BIOMEDICINE APPOINTS CHIEF MEDICAL OFFICER

H3 Biomedicine, a biopharmaceutical company specializing in the discovery and development of precision medicines for oncology, has appointed Tarek Sahmoud, M.D., Ph.D., as chief medical officer.

Dr. Sahmoud has more than 20 years of experience in oncology drug development and medical affairs. Before joining H3 Biomedicine, Dr. Sahmoud most recently served as VP, oncology clinical development and medical affairs for the U.S. business at Boehringer Ingelheim.

Tim Smith CLEAVE BIOSCIENCES NAMES CHIEF BUSINESS OFFICER

Tim Smith

Cleave Biosciences, a biopharmaceutical company focused on the discovery and development of drugs that target protein homeostasis systems, has announced Tim Smith has joined the company as chief business officer. In this newly created executive position, Mr. Smith is responsible for business development, corporate development and investor relations as Cleave advances its novel protein homeostasis inhibitors currently under development for the treatment of cancer.

Mr. Smith has more than 15 years of experience in the life-sciences industry. Before joining Cleave, he was executive director, business development at Celgene.

Dr. Chris Storgard FATE THERAPEUTICS APPOINTS CHIEF MEDICAL OFFICER

Fate Therapeutics, a biopharmaceutical company dedicated to the development of programmed cellular immunotherapies for cancer and immune disorders, has appointed Chris Storgard, M.D., chief medical officer. Dr. Storgard leads the design and execution of the company's clinical trials for its programmed cellular immunotherapies.

Dr. Storgard has more than 20 years of experience in clinical drug development, most recently serving as an integral member of the executive team at Ardea Biosciences, a member of the AstraZeneca Group.

► EMERGING POOL

Amit Munshi

ARENA PHARMACEUTICALS NAMES PRESIDENT AND CEO

Arena Pharmaceuticals has appointed Amit Munshi as president, CEO, and interim principal financial officer. Mr. Munshi also joins Arena's board of directors.

Mr. Munshi brings to Arena more than 25 years of global pharmaceutical industry experience in executive management, business development, product development, and portfolio management.

Most recently, Mr. Munshi served as president, CEO, and a director of Epirus Biopharmaceuticals, a publicly traded biopharmaceutical company.

► SPECIALTY POOL

Dr. Adrian Rabinowicz

SANCILIO PHARMACEUTICALS NAMES CHIEF MEDICAL OFFICER

Sancilio Pharmaceuticals has appointed Adrian Rabinowicz, M.D., as chief medical officer, responsible for SPCI's clinical development, clinical strategy, and operational activities to advance the company's pipeline.

Before joining Sancilio Pharmaceuticals, Dr. Rabinowicz spent more than 18 years in different global pharmaceutical and biotechnology companies, holding roles of increasing responsibility covering clinical development and medical affairs in a variety of therapeutic areas and was involved in numerous NDA submissions. Most recently, Dr. Rabinowicz was senior VP, clinical development and medical affairs at Acorda Therapeutics.

Kevin Scott

ACLARIS THERAPEUTICS NAMES SALES VP

Aclaris Therapeutics, a clinical-stage specialty pharmaceutical company, has appointed Kevin Scott, an experienced sales executive within the field of dermatology, as VP of sales.

Mr. Scott brings more than 20 years of pharma-

ceutical commercialization experience to Aclaris. He has substantial experience with specialty dermatology companies and has successfully led sales, sales training, operations, and managed markets teams.

Mr. Scott joins Aclaris from Novartis Pharmaceuticals, where he served as the northeast regional sales director.

► CRO POOL

Dr. Mark Chang VERISTAT STRENGTHENS STATISTICAL CONSULTING

Veristat, a full-service clinical research organization (CRO), has strengthened its statistical consulting and adaptive design expertise with the appointment of Mark Chang, Ph.D., to the newly created position of senior VP of strategic statistical consulting. Dr. Chang helps clients evaluate and implement strategic, operational and technical efficiencies to advance products through the clinical trial and regulatory submission process.

Dr. Chang joins Veristat with more than 20 years of experience as a statistician at both bio-pharmaceutical firms and CROs, including AMAG Pharmaceuticals, Millennium/Takeda Pharmaceuticals, Parexel and MTRA.

Cheryle Evans Sheri Madrid ADVANCED CLINICAL EXPANDS CLINICAL OPERATIONS LEADERSHIP

Cheryle Evans

Sheri Madrid
