

## COMING ATTRACTIONS

**T**HE HEALTHCARE BUSINESSWOMEN'S ASSOCIATION'S (HBA) Annual Conference — Influence and Impact: Imagine the Possibilities — will take place November 3-5, 2015, at the Marriott Marquis in Atlanta. More than 1,200 executives — women and men — will convene to engage in meaningful dialogues, have access to more than 30 workshops that align to critical skill building competencies along business and industry acumen, career, leadership, and an Executive Women's Forum; network with peers and colleagues; and partake in an interactive exhibit hall.

This year's keynote speaker is Robyn Benincasa, who will provide inspired ideas about how to raise teams to the next level (against all odds), both personally and professionally. With a background in marketing, Ms. Benincasa was previously in corporate sales with Baxter and Allergan and is currently a full-time firefighter, world champion eco-challenge adventure racer, CNN Hero, founder of the Project Athena Foundation (Survivors to Athletes!), 3x Guinness World Record distance paddler, and author of the New York Times best-selling book *How Winning Works*.
