

COMING ATTRACTIONS

CNS SUMMIT 2015 will take place Oct. 8 – Oct. 11 at the Boca Raton Resort & Club, Boca Raton, Fla. The CNS Summit is committed to collaboration among all stakeholders, with the objective of advancing drug development. It is in this spirit of collaboration that all CNS Summit attendees are encouraged to actively participate in the networking meetings. The summit is highlighted by high-impact panels, topped off by Sunday's pharma talks, where different pharma leaders discuss how their programs are progressing and sharing their lessons learned.

Unlike academic or commercial meetings, the CNS Summit is organized by the leaders in drug development and is truly focused on collaboration between the stakeholders, innovation, and technology. This is a great opportunity to make meaningful connections with other drug development leaders in pharma, biotech, and investigative sites.

For more information and to register for CNS Summit 2015, visit www.cnssummit.org or call 858-324-1823.
