

Coming **ATTRACTIONS**

The 2013 **Pharmaceutical Market Research Group (PMRG) ANNUAL NATIONAL CONFERENCE**, March 10-12, 2013, at the Gaylord National Hotel, National Harbor, M.D., will focus on the intrinsic value that an evolved healthcare marketing researcher must bring to today's global brands and organization — value as a forward-thinking consultant, who not only provides the insight, but the foresight to make those “now what?” recommendations and to thrive in any challenging environment.

Attendees will walk away from the 2013 PMRG annual meeting with a more complete understanding of workplace dynamics, revolutionary techniques, and how they can add value and creativity to their positions and organizations. Attendees will not only learn how to evolve in today's global healthcare world, but to thrive in it.
