

## ▶ Coming **ATTRACTIONS**

**I**R'S 23RD ANNUAL PARTNERSHIPS IN CLINICAL TRIALS, March 30 - April 2, 2014, in Las Vegas, features more than 65 sessions and workshops covering a diverse range of perspectives appropriate for all levels within an organization, including voices from payers, patients, academia, and finance.

The conference will feature new ways to collaborate and develop relationships, including a new marketplace hub for ideation, technology, and discovery. Additionally, attendees can take advantage of partneringONE, which is a tool to help efficiently engage with potential partners and conduct more face-to-face meetings, saving countless hours and dollars while jumpstarting your next big strategic partnership. In the new Tech Pavillion, attendees will find the latest tech, chat with gurus, and develop business relationships to take your clinical trials to the next level inside this specialized pavilion.
