

Coming ATTRACTIONS

In May 2014, the **HEALTHCARE BUSINESSWOMEN'S ASSOCIATION** is celebrating the 25th anniversary of its prestigious Woman of the Year (WOTY) award. The HBA is proud to announce that three visionary women across the healthcare spectrum will be honored at this event: Shideh Sedgh Bina, a founding partner of Insigniam; Annalisa Jenkins, executive VP and head of global research and development for Merck Serono; Patricia Maryland, DrPH, president of healthcare operations and chief operating officer of Ascension Health. These remarkable leaders, as well as the Honorable Mentor, STAR volunteer, almost 100 Rising Stars, and new this year, 25 HBA Luminaries, will be honored at the HBA's refashioned and inspiring luncheon program.

2014 marks a year of celebration for the HBA — the 25th anniversary of WOTY and 35th anniversary of HBA, as the industry's premiere organization committed to the advancement of women in healthcare worldwide.
