

## ▶ Coming **ATTRACTIONS**

**T**HE 5TH ANNUAL **OUTSOURCING IN CLINICAL TRIALS EAST COAST CONFERENCE** will convene in Philadelphia in May 13-14, 2014.

The 2014 event will focus on how companies from the region can implement effective clinical outsourcing strategies. With the agenda split to allow for a specific focus on challenges faced by big and small to mid-sized companies, the conference is a great platform for discussion into the challenges faced by the industry.

The agenda for OCT East Coast has been designed in close collaboration with industry experts to ensure that relevant and timely topics are covered in-depth at the conference. With plenary sessions, panel discussions and roundtables, this event is the perfect forum for in-depth discussion into current issues within vendor selection, clinical trial agreements and service-provider management.

As a new addition for 2014, the conference includes a new medical device stream to explore the specific challenges faced by this fast-moving sector and for attendees to form strategies to work cohesively with service providers.

With more than 24 senior-level speakers from companies of varying size and reach, this established event provides a platform for companies of all sizes on the East Coast to network with their peers, competitors, and service providers to generate best practice methods to implement their outsourcing strategies.
