

Coming ATTRACTIONS

This year marks the **50TH ANNIVERSARY OF THE DIA ANNUAL MEETING**, the largest multidisciplinary event that brings together a global network of life-sciences professionals to foster innovation that will lead to the development of safe and effective medical products and therapies to patients. With this year's theme, Celebrate the Past — Invent the Future, the annual meeting is the best opportunity to meet with people from around the world, share your views and knowledge, network, and build new relationships.

This year's conference features more than 260 educational opportunities across 21 tracks, more than 450 exhibitors, and dozens of networking opportunities.

For more information on the conference and news related to select DIA exhibiting companies, please turn to the DIA Preview article in this issue.

▼ For more information about the conference, please visit www.diahome.org. Stop by Booth No. 1037 to visit with PharmaVOICE.

3RD ANNUAL

Annual Clinical Operations in Oncology Trials East Coast 2014

July 15th - 16th 2014, Boston, USA

"Spearheading clinical operation excellence and the development of strategic partnerships"

Following the success of previous years, the Clinical Operations in Oncology Trials East Coast conference is back and returns for its third annual event in Boston, USA on 15th – 16th July 2014.

Oncology trials make up over 30% of the U.S clinical trials highlighting the importance and lucrative nature of successful development of treatments. Despite this, there are a number of operational challenges facing the industry and limiting success.

This exclusively tailored event promises to deliver suggestions and solutions on how companies can differentiate themselves from competitors, optimise their oncology trials and achieve operational excellence.

The **3rd Annual Clinical Operations in Oncology Trials East Coast 2014** event prides itself on providing vast opportunities for extensive networking and allowing attendees to share best practice and develop solutions to critical challenges facing the industry as a whole through the use of speaker hosted roundtable sessions.

Key topics at this year's event include:

- Enhancing patient recruitment and retention in oncology trials
- Supporting the development of partnerships in oncology trials
- Improved operational strategies
- Global site selection, feasibility assessment, operations and site management
- Delving into key regulatory and review board guidelines

High calibre speakers include:

- **Fiona An**, Director, Global Oncology Development, **Pfizer**
- **Pablo Lapuerta**, Executive Vice President of Clinical Development and Chief Medical Officer, **Lexicon Pharmaceuticals**
- **Giovanni Abbadessa**, Vice President, Clinical Development, **ArQule**
- **Robert Arbeit**, Vice President, Clinical Development, **Idera Pharmaceuticals**
- **Heather DiBenedetto**, Head, Clinical Operations Group, **Novartis**
- **Howard Fingert**, Senior Medical Director, Clinical Intelligence, **Takeda**

Secure your place today by quoting reference code MK-SRPV
Free bookings for the two day conference for VP/Director/C level Executives!

Latin America is one of the fastest growing regions for the pharmaceutical industry. Brazil alone accounts for more than 14 billion dollars* of this market.

- Demand for pharmaceutical products in Brazil grows approximately 10% per year
- Brazil still relies on foreign raw materials and imports more than 2 billion dollars worth of active pharmaceutical ingredients per year.
- The pharmaceutical industry in Brazil has increased its production by 50% within 5 years
- Obtain the latest industry information during the co-located conferences

CPhI South America offers a platform for international visitors to smoothly enter the South American market.

- **Get informed** on the dynamics of the Brazilian market by attending presentations given by Abrifar and Anvisa
- **Attend seminar sessions** brought to you by exhibitors
- **Join the day conference programme**, get educated on the challenges and opportunities in the Brazilian market, Innovation and Technological Advances in Manufacturing of Natural Extracts or Dry Powder Inhalation Systems
