

Where they were born?

Christine Pierre and **Steve Collis** were born 10,532 miles (16,945.99 kilometers) apart, but they share a global perspective on improving healthcare. **Dr. Dominic Behan**, **Tim Davis**, **Jamie Heywood**, **Joanne Kamens**, **Dr. Daniel Kraft**, **Andrea McGonigle**, **Mike Rea** have their roots in the 243,610 square kilometers that make up the United Kingdom. Jersey Girls — **Amy Ellis**, **Doreen Lechner**, **Ann Mohamadi**, **Dr. Robin Winter-Sperry** — share a dedication to paying it forward through mentoring the next generation of leaders. The **PharmaVOICE 100** may come from all over, but what they have in common is a sincere desire to improve the lives of patients everywhere.

Born in the USA
