

Pharmaceutical **POOL**

Dr. Ann **MILLER**
Steven **SEMBLER**

Eisai Appoints Two Senior VPs

Eisai Inc. has expanded its leadership roster with the hiring of two senior VPs.

Ann Miller, M.D., joins Eisai as senior VP, primary care and specialty business unit. Dr. Miller has more than 20 years of experience in the biopharmaceutical industry, with leadership roles at companies such as Amgen and Merck. Before joining Eisai, she was engaged in commercialization and marketing consulting.

Dr. Miller received an M.D. from Duke University School of Medicine, with membership in Alpha Omega Alpha, the medical honor society.

In other moves, Eisai has named Steven Sembler senior VP, oncology and institutional care, where he is responsible for all aspects of the U.S. commercial business for the oncology and institutional care therapeutic arenas. Most recently he served as Roche's VP, specialty care commercial operations.

Biotechnology **POOL**

Kenneth **MOCH**

Chimerix Appoints First Operating Chief

Chimerix, a biotechnology company developing orally available antiviral therapeutics,

has named Kenneth Moch to the newly created position of chief operating officer. Mr. Moch brings to Chimerix more than 25 years of experience in managing and financing biomedical technologies and has played a key role in building several life-sciences companies.

Before joining Chimerix, Mr. Moch founded Euclidean Life Science Advisors. He received an MBA from the Stanford Graduate School of Business.

Dr. Mark **ROLFE**

Facet Taps Millennium Veteran as Scientific Chief

Oncology-focused Facet Biotech has appointed Mark Rolfe, Ph.D., senior VP and chief scientific officer. He is responsible for leading the company's research efforts, including target validation, translational medicine, and protein engineering technologies.

Dr. Rolfe joins Facet after a decade at Millennium: The Takeda Oncology Company, where he most recently served as VP, oncology discovery. He earned a Ph.D. from the National Institute for Medical Research, London, and an M.A. from the University of Oxford's Brasenose College.

Biopharmaceutical **POOL**

Scott **BYRD**

Lilly Veteran Joins Cadence as Commercial Chief

Cadence Pharmaceuticals has named Scott

Byrd senior VP and chief commercial officer, with responsibility for sales, marketing, and supply operations. Cadence is a biopharmaceutical company focused on in-licensing, developing, and commercializing proprietary product candidates principally for use in the hospital setting.

Mr. Byrd joins Cadence after 17 years at Eli Lilly, where he was most recently U.S. brand leader, Prasugrel. He holds an MBA from Harvard Business School.

Paulette **DILLON**

Dr. Tito **SERAFINI**

Nuon Adds Business, Scientific Chiefs

Nuon Therapeutics, a clinical stage, privately held biopharmaceutical company focused on novel therapies for autoimmune and inflammatory diseases, has named Paulette Dillon chief business officer. Ms. Dillon joins Nuon Therapeutics from Anacor Pharmaceuticals, where she was chief business officer.

The company also has appointed Tito Serafini, Ph.D., as chief scientific officer. Dr. Serafini joins Nuon Therapeutics from Renovis, where he was a co-founder. He received a Ph.D. in biochemistry from Stanford University and was a postdoctoral fellow at the University of California, San Francisco.

Dr. Lorianne **MASUOKA**

Nektar Therapeutics Promotes Medical Chief

Nektar Therapeutics, a biopharmaceutical company developing novel therapeutics based on its PEGylation and advanced polymer conjugation technology platforms, has promoted Lorianne Masuoka, M.D., to chief medical officer from VP of clinical development.

She received an M.D. from the University of California, Davis, completed a fellowship at Yale University, and is board-certified in neurology.

Dr. H. Michael **SHEPARD**

Pioneering Researcher Joins Halozyme as Discovery VP

Halozyme Therapeutics, a biopharmaceutical company developing and commercializing

products targeting the extracellular matrix, has named H. Michael Shepard, Ph.D., VP, discovery research.

During his 25-year career, Dr. Shepard has been a recipient of numerous biotechnology patents and scientific awards for his contributions to the development of innovative therapies. Most recently, he served as founder and president of Receptor BioLogix.

Dr. Shepard received a Ph.D. in molecular, cellular, and developmental biology from Indiana University, where he was a Damon Runyon Cancer Research Foundation Fellow.

Emerging POOL

Duncan HIGGONS

Dr. David SCHENKEIN

Agios Pharmaceuticals
Establishes Leadership Team

Agios Pharmaceuticals has announced the creation of an executive leadership team as it enters the next stage of its development as a biopharmaceutical company focused on discovering and developing novel drugs in the field of cancer metabolism.

Duncan Higgs has joined Agios as chief operating officer from Archemix, where he served as chief operating officer, president, and interim CEO. He received an M.Sc. (Econ) from London Business School.

David Schenkein, M.D., has been named CEO of Agios, succeeding interim CEO Kevin Starr, partner, Third Rock Ventures. Dr. Schenkein was most recently senior VP, clinical hematology/oncology, for Genentech. He received an M.D. from the State University of New York Upstate Medical School.

Agency POOL

Donald BROGAN

Lorna WEIR

Vox Medica Strengthens Leadership Team

Independent healthcare communications company Vox Medica has added two executives to its leadership team.

Donald Brogan has rejoined Vox as senior VP/practice leader, education and adult learning. Mr. Brogan leads the team of training, promotional education, and event practitioners and oversees the in-house speakers' bureau. Mr. Brogan was most recently VP and director of Jack Morton Healthcare.

Vox also has named Lorna Weir to the newly created position of executive VP/chief marketing strategist. Ms. Weir is responsible for working with Vox clients to discover brand-building opportunities and lead strategic marketing program development, as well as overseeing Vox's PEER proprietary method.

Previously, Ms. Weir was president of Dudley. She is a graduate of the University of Maine School of Law and was admitted to the Bar of Pennsylvania.

Don MARTINY

VMS Bolsters Management

VMS has added four top industry executives to help provide strategic direction as the biomarketing company seeks to expand its marketing support and solutions offerings for clients in the life-sciences and healthcare industries. As part of this shift, VMS has altered the company name from Virtual Meeting Strategies to Virtual Marketing Strategies. As part of reinventing the brand, VMS has also developed a communications platform to better articulate its value proposition.

As VP of client services, Kerry Aubin plays an instrumental role in driving strategic planning and program development for VMS clients. Ms. Aubin has more than a decade of experience in marketing and sales for pharmaceutical and highly regulated international businesses, including Eli Lilly, where she held various roles in marketing, sales, and finance and developed strategic marketing programs for osteoporosis therapeutics.

Dana Ennis brings 15 years of sales and marketing experience at companies such as Merck and GlaxoSmithKline to his role as VP of sales and corporate development. Mr. Ennis is responsible for driving new business efforts for VMS and offering clients counsel on sales-related initiatives.

Nancy Lonsinger serves as VP of strategy and chief compliance officer, driving strategic planning and compliance programs for clients in bio-related industries. Ms. Lonsinger has more than 20 years of experience as a business leader with extensive experience in marketing and sales for healthcare and consumer brands, most recently as VP of consumer marketing for Polymer Technology Systems. She earned an MBA in marketing from Indiana University.

As senior VP of strategic marketing and client services, Andrea Heslin Smiley is responsible for leading VMS' strategic marketing and brand development business groups. Before joining the agency, Ms. Smiley spent 18 years in the pharmaceutical industry, including a stint as the leader of Eli Lilly's osteoporosis business

TALENT pool

unit. She completed the Harvard Executive Business Program in 2005 and is certified as a Black Belt in the Six Sigma process.
