

## Coming **ATTRACTIONS**

Attendees interested in maximizing their clinical trial performance by bridging the gap between identifying and implementing metrics, learning about best practices on processing data and on-site performance to improve patient recruitment and study time, and hearing an investigator's perspective on working with a sponsoring company that uses metrics and how it affects the relationship, should think about attending **EXL PHARMA'S 7TH ANNUAL CLINICAL PERFORMANCE METRICS & BENCHMARKING SUMMIT**, which provides professionals with the right knowledge and tools to drive improved performance and efficiency of clinical development. This conference is co-located with **EXL'S PHARMA'S 3RD GLOBAL CLINICAL BUDGETING & CONTRACTING CONFERENCE**.

These two events will share coffee breaks, continental breakfast, and lunch, which allows for increased networking opportunities filled with senior-level professionals which helps build relationships through memorable and relevant shared experiences. The two meetings will be held in Philadelphia, **Dec. 8-9, 2011**.
