

## Coming ATTRACTIONS

**M** **HEALTHSUMMIT** — where technology, business, research, and policy connect. The largest event of its kind, the fifth annual mHealth Summit, December 8-11, 2013, Gaylord National Resort and Convention Center, Washington, D.C., brings together leaders in government, the private sector, industry, academia, providers, and nonprofit organizations from across the mHealth ecosystem to advance collaboration in the use of wireless technology to improve health outcomes in the United States and abroad.

The mHealth Summit, the largest mobile health event in the world, brings together providers, leaders, influencers, and visionaries in wireless and mobile health technologies and integration as well as those in different stages of this transition to discuss hands-on strategies, examine success stories, and explore challenges and innovations. This year's general program provides the broadest and deepest coverage of the ecosystem in the world under one roof.
