## CHARACTERISTICS OF PEOPLE BORN IN AYILYAM/ASLESHA NAKSHATRAM

They are mysterious and clingy as their name suggests. Secrecy and skillful handling are their weapons which makes them a great fit to be successful politicians.

The natives of Ashlesha Nakshatra are some of the sharpest, responsible, and efficient people you will find. However, they could end up manipulative and deceptive sometimes.

People born under this star are often astute observers. They sense danger quickly and are protective toward family and friends.

They have a touch of healing and transformation . They also exhibit practical wisdom.
