Lakshmi Narayana that is Lord Narayana along with his consort Lakshmi usually resides in his heavenly abode, Vaikunta.

As the protector of the universe, the Lord takes upon himself the responsibility of safeguarding the lives of people and ensuring their peaceful existence.

For achieving this end, the Lord himself incarnates on earth from time to time, to annihilate evil, protect people from cruelties and to establish dharma, the ultimate righteousness.

While Goddess Lakshmi, who is inseparable from him, remains part of him in all these Avatars (incarnations), she also incarnates in a human form and joins the Lord in some such Avatars, and together as Lakshmi Narayana, they fight evil, establish righteousness and ensure the well-being of the people.

**I always meditate on Lakshmi and Narayana who are peaceful,
Who wear gem studded crowns with shining ear globes.
Who are the basic axis of the world, sitting on the tortoise,
Which leads to endless pleasures and are located on a lotus,
Which has a main petal which is like the goad over the,
Pericarp of the lotus sitting on it like Mount Meru.**
