CHARACTERISTICS OF KRITHIKA/KARTHIGAI NAKSHATRAM

The third of 27 is the nakshatra of **Krithika** also called **Karthigai** in Tamil. It belongs to the **Aries – Taurus zodiac sign**. It spreads from **26°-40 to 30 - 0' Aries to 30°00' to 40°00' Taurus**.

In the night sky, Krithika nakshatra is visible as a cluster of six stars known as the Pleiades

Sanskrit Name: कृत्तिका (Krithika) comes from the Sanskrit word कृत् (to cut). One meaning of Krithika is “the cutter,” indicating perceptivity, power, and a discerning nature.

DEITY ASSOCIATED WITH THE NAKSHATRAM :
SRI SARAHANA BHAVA

SRI SARAHANA(SARAVANA) BHAVA

**Om Saravana bhavaya

Lord Murugan is worshiped with the “6 letter mantra: Sa Ra Va Na Ba Va”. Each of the 6 syllables is dedicated to the 6 faces of Lord Muruga. Each night of the 6 Days of Muruga will be dedicated to invoking the power and energy of one of the syllables.

SA – Attracts the perfect people you need to your door

RA – Brings Instant Material Wealth you desire

**VA – (Va is also said as “Ha”)
– Destroys competition, diseases and debts**

NA – Dissuades enemies, completely stops problems before they arise

BA – Magnetic Attraction through Charm and Charisma

VA – Stops Negativity Altogether and influence from all bad planets

Sarahana Bhava also commonly known as Muruga, Subramanya, Karthikeya, Shanmuga or Skanda, is the son of Lord Shiva and his consort, Goddess Parvati.

Legend has it that He is known as Saravana bhava because he is the one who has emerged out from the powerful divine energy (Tejas) of Lord Shiva that was initially held by Agni (Fire God) and dropped into the holy Ganga (Ganges) that was later pushed into a lake called Saravana and shoved to the reedy bushes on its bank.

Saravana lake is believed to be the makeover of the divine mother Goddess Parvathi. Saravana Bhava means one who was born in reeds or near tall woody perennial grasses.. Bhava means born.

He is a unique Godhead, who is a rare combination of matchless valor and supreme, divine intelligence. He remains as the core of all the divine energies and is believed to lead one towards spiritual evolution.

Sometimes, he is shown with six faces and 12 hands, carrying different weapons, which include sword, mace, javelin, discus, bow, etc. His mount peacock and a snake always accompany him. At times, he is also depicted along with his two consorts – Deivanai and Valli..

Benefits of Performing Pooja Karthigai Nakshatra Devatas

- 1. The sacred temple that resonates with the Karthigai nakshatra is Sri Ghatra Sundareswarar Temple located in a village called Mayiladuthurai in Tamil Nadu, India.**
- 2. Those born under Krithika star should visit this temple as frequently as possible.**

3. Shiva emerged as Sri Kathra Jyoti Peruman and Goddess Parvati arose from the gold tender coconut as Sri Tungabala Sthanambighai. Karthika Sundareswarar has the ability to produce six brilliant lights known as Karthigam light, through which Lord Muruga originated.

4 Those born under Krittika nakshatra should offer ghee lamps in earthen pots and silk clothes to the poor people at the temple. As the star Krittika gained its brightness at this shrine, offering prayers on the Krittika star day brings prosperity.

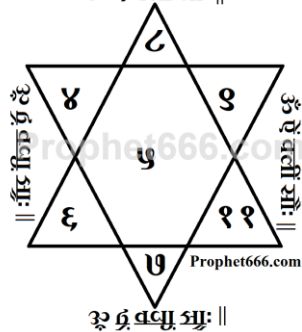

Karthigai natives, your incense is made with the herb Fig as prescribed by the Vedas.

Burning one of these pillars is like performing a mini fire ritual for that particular star formation. For your specific Birthstar, you will be able to connect inwardly to your planet of energetic origin and gain support with the positive aspects that are you.
