A Unit Owner so consolidating or subdividing shall thereby in the case of removal, acquire the exclusive right to use and enjoy the space previously occupied by such wall. No consolidated Condominium Unit shall lose its identity, characteristics or percentage interest factor by consolidation, and the Unit Owner of consolidated Condominium Units shall be deemed the Owner of each constituent Condominium Unit, severally and independently. While two (2) Condominium Units may be consolidated to form a larger Condominium Unit, no Condominium Unit except one previously consolidated may be subdivided into smaller Condominium Units.

ARTICLE VII

**Section 1. Termination and Waiver of Regime.** The Condominium established by the recordation of this Declaration and the Condominium Plat may be terminated by Agreement of Termination executed by all of the Unit Owners, and in the manner provided in Section 11-123 of the Condominium Act. Any such termination shall be effective only upon the Recordation of an Agreement of Termination among the Land Records of Anne Arundel County, Maryland.

ARTICLE VIII

**Section 1. Expansion -- Additional Phases.**

a. Pursuant to the provisions of Section 11-120 of the Maryland Condominium Act, the Declarant, whoever is the record owner of the land, shall have the absolute right, but not the obligation, to be exercised within seven (7) years from the date of this Declaration, to annex to the land and improvements described in Article II, Section 1 hereof, and thereby to submit to each and every one of the provisions of this Declaration, the land generally shown on the original Condominium Plat, together with the improvements heretofore or hereafter constructed upon any of such land, as each parcel of land and improvements are delineated in general terms, on the Condominium Plat. Subject to the limitations herein and in the Maryland Condominium Act, the Declarant shall have the absolute right, but not the obligation, to annex any or all of said parcels to the land and improvements generally shown on the original Condominium Plat. Any such expansion or annexation shall be accomplished by the recordation among the Land Records of Anne Arundel County, Maryland, of an amendment to this Declaration and the Condominium Plat, including the detail and information concerning the new Phase as required in the original Condominium Plat, as required by the provisions of Section 11-120 of the Maryland Condominium Act, as amended from time to time. Improvements located within expandable Phases shall be substantially completed prior to annexation, and shall be substantially consistent with the initial improvements in terms of quality of construction.

The Declarant reserves the right to annex any or all of the property generally shown on the Condominium Plat, in any order as the Declarant may choose, and reserves the right to change the building type, foot print, to consolidate or divide each parcel, provided all prior approvals have been obtained from Anne Arundel County.

b. Upon the recordation of an amendment to this Declaration and to the Condominium Plat for the purpose of annexing to the land and improvements comprising Phase 1 of this Condominium, the parcels of land and improvements comprising Phases 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13 and 14, together with the improvements then constructed thereon, each Unit Owner, by operation of law, shall have the undivided percentage interest in the Common Elements, common expenses and common profits, and shall have the number of votes, entitled to be cast appurtenant to that Condominium Unit set forth in Exhibit "C" attached hereto and made a part hereof and upon the recordation of such amendment, reallocated as set forth in Exhibit "C". Any deed for any Condominium Unit in the Condominium shall be delivered subject to a conditional limitation that the

percentage interest appurtenant to such Condominium Unit shall be automatically reallocated pro tanto upon the recordation of such amendment or amendments. Upon the expansion of the Condominium pursuant to this Article VIII, the interest of any mortgagee shall attach, by operation of law, and pursuant to Section 11-120 of the Maryland Condominium Act, to a new percentage interest in the Common Elements appurtenant to the Condominium Unit on which it has a lien.

c. There is hereby reserved unto the Declarant, its successors and assigns, an irrevocable power of attorney, coupled with an interest, for the purpose of reallocating the percentage interest and voting rights appurtenant to each of the Condominium Units in the Condominium in accordance with the provisions of this Declaration and to execute, acknowledge and deliver such further instruments as may from time to time be required in order to accomplish the purposes of this Article VIII. Each Owner and each mortgagee of a Condominium Unit in the Condominium, its mortgagee and the Council of Unit Owners of Oakleaf Villas Garden Condominium, shall be deemed to have acquiesced in the amendments to this Declaration and in the amendments to the Condominium Plat for the purpose of adding additional Condominium Units and Common Elements to the Condominium in the manner set forth in this Article and shall be deemed to have granted unto the said Declarant, its successors or assigns, an irrevocable power of attorney, coupled with an interest, to effectuate, execute, acknowledge and deliver any such amendments and each Unit Owner and mortgagee shall be deemed to have agreed and covenanted to execute such further instruments, if any, as may be required by the Declarant, its successors or assigns, to properly accomplish such amendments.

d. Upon the recordation of an amendment to this Declaration, all newly added Condominium Units and Common Elements shall automatically be subject to this Declaration and the By-Laws and other Exhibits and house rules, all as amended from time to time.

**Section 2. Description of Phases.** The outlines of the land, buildings and common elements of each successive Phase that may be added to the Condominium as provided for hereunder, are shown in general terms on the Condominium Plat.

**Section 3. Non-Completion And/Or Non-Expansion.** In the event that any improvement in any Phase of the Property is not completed, or, if the additional Phase is not added to the Condominium Regime described in the Declaration, the Declarant, its successors or assigns, shall not make any conveyance of any portion of the Expandable Property shown on the Condominium Plat not in the Condominium Regime described in the Declaration until it shall have made such conveyances and taken all other actions as may be required in order to assure that all Phases of the Property are in compliance with the applicable laws and regulations of Anne Arundel County, Maryland, and of the State of Maryland.

#### ARTICLE IX

**Section 1. Condominium Units Subject To Declaration.** All present and future owners, tenants and occupants of Condominium Units shall be subject to and shall comply with the provisions of the Maryland Condominium Act, this Declaration, and the By-Laws, as they

may be amended from time to time and decisions and resolutions of the Council of Unit Owners. The acceptance of a deed or conveyance or the entering into of a lease covering a Condominium Unit shall be deemed to be an affirmative acceptance of the provisions of the Maryland Condominium Act, and the provisions of this Declaration and the By-Laws, as they may be amended from time to time, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Condominium Unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof.

#### ARTICLE X

**Section 1. Amendment Of Declaration.** Except for amendments to expand the Condominium and subject to Section 11-103 of the Maryland Condominium Act, as amended from time to time, this Declaration may be amended only with the written consent of eighty percent (80%) of the Unit Owners listed on the current roster. Any such amendment shall be effective only upon recordation of a Declaration of Amendment among the Land Records of Anne Arundel County, Maryland.

**Section 2. Amendment of Declaration by Declarant.** The provisions of Article X, Section 1, notwithstanding, the Declarant shall have the right, but not the obligation, and without the consent of other Unit Owners or their mortgagees, to amend this Declaration for the sole purpose of meeting any requirements of any County, State or Federal agency.

#### ARTICLE XI

**Section 1. Declarant's Right To Rent Or Sell Condominium Units.** Anything contained in this Declaration or the By-Laws of the Council of Unit Owners to the contrary notwithstanding, the Declarant shall have the right to transact any business on the Property (including the Common Elements) which is necessary or desirable to consummate sales or rentals of Condominium Units owned by it, including, but not limited to, the right to maintain employees in the sales or rental office, and to show Condominium Units for sale or rent. The sales or rental office, the furniture and furnishings in the model Condominium Units, signs and all items pertaining to the sale or rental of Condominium Units by the Declarant shall not be considered Common Elements but shall remain the property of the Declarant.

#### ARTICLE XII

**Section 1. Construction And Enforcement.** The provisions hereof shall be liberally construed to effectuate the purpose of creating a uniform plan for the development and operation of a condominium. Enforcement of these covenants and restrictions shall be by any proceedings at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain or enjoin violation or to recover damages, or both, and against any Condominium Unit to enforce any lien created hereby; and the failure or forbearance by the Council of Unit Owners or the Unit Owner of any Condominium Unit to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

There shall be and there is hereby created and declared to be a conclusive presumption that any violation or breach or any attempted violation or breach of any of the within covenants or restrictions cannot be adequately remedied by an action at law or exclusively by recovery of damages.

**Section 2. Notice to Mortgagee Holders, Insurers, or Guarantors.** The holder, insurer, or guarantor of the mortgage on any Unit shall have the right to timely written notice of:

a. Any condemnation or casualty loss that affects either a material portion of the project or the Unit securing its mortgage.

c. A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Council of Unit Owners.

d. Any proposed action that requires the consent of a specified percentage of eligible mortgage holders.

To be entitled to receive this information, the mortgage holder, insurer, or guarantor must send a written request to the Council of Unit Owners stating both its name and address and the Unit number or address of the Unit on which it has (or insures or guarantees) the mortgage.

**Section 3. Severability.** Invalidation of any one or any portion of one of these covenants or restrictions by judgment, decree or order shall in no way affect any other provisions hereof, each of which shall remain in full force and effect.

**Section 4. Captions.** The captions contained in this Declaration are for convenience only and are not a part of this Declaration and are not intended in any way to limit or enlarge the terms and provisions of this Declaration.

IN WITNESS WHEREOF, the Declarant has caused this writing to be executed and delivered in its name on its behalf on the day and year first above written.

**Section 1. Place of Meeting.** Meetings of the members and/or Unit Owners or Unit Co-Owners shall be held at the principal office of the Corporation or at such other suitable place convenient to the membership as may be designated by the Board of Directors.

**Section 10. Regular Meetings.** Regular meetings of the Board of Directors may be held at such time and place as shall be determined by a majority of the Directors, but at least

two (2) such meetings shall be held during each year. Unless a certain day and time of each meeting is selected as the meeting day, notice of regular meetings of the Board of Directors shall be given to each Director, personally or by mail at his last known address or at the address shown on the roster referred to in Article III, Section 3 of these By-Laws, or by telephone or telegraph at least six (6) days prior to the day named for such meeting. If the Directors designate the same day and time of each month for the regular meetings, prior notice need not be given. Meetings shall be held in compliance with Section 11-109.1 of the Maryland Condominium Act, as amended from time to time. Notice of meetings of the Board of Directors shall be mailed to Unit Owners at least annually.

**Section 11. Special Meetings.** Special meetings of the Board of Directors may be called by the President on three (3) days' notice to each Director, given personally or by mail at the address set out in Section 10 above, or by telephone or by telegraph, which notice shall state the time, place (as hereinabove provided) and purpose of the meeting.

**Section 12. Waiver of Notice.** Before or at any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board of Directors shall be a waiver of notice by him of the time, place and purpose thereof. If all the Directors are present at any meeting of the Board of Directors, no notice shall be required and any business may be transacted at such meeting.

**Section 13. Quorum.** At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and the acts of a majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If at any meeting of the Board of Directors there shall be less than a quorum present, the majority of those present may adjourn the meeting to a later time, and not less than forty-eight (48) hours from the time of the original meeting. At such later meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

**Section 14. Action Without Meeting.** Any action by the Board of Directors required or permitted to be taken at any meeting except adoption of the budget, may be taken without a meeting if all of the members of the Board of Directors shall individually and collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board of Directors and may be signed in counterparts.

**Section 15. Registration of Directors and Officers.** Following the first annual meeting of the Condominium, the Council of Unit Owners shall register with the Department of Assessments and Taxation and shall provide the names and addresses of the officers and directors and shall update this information periodically as provided by Section 11-119 of the Maryland Condominium Act, as amended from time to time.

**ARTICLE VI**  
**Officers**

**Section 1. Designation.** The principal officers of the Council of Unit Owners and/or the Corporation shall be a President, Vice President, Secretary and Treasurer, all of whom shall be elected by the Board of Directors. The officers of the Corporation need not be members of the Corporation. The Directors may appoint an assistant secretary and an assistant treasurer and such other officers as in the Board's judgment may be necessary. The offices of secretary and treasurer may be filled by the same person.

**Section 2. Election of Officers.** The officers of the Corporation shall be elected annually by the Board of Directors at the organizational meeting of each new Board and shall hold office at the pleasure of the Board of Directors. Nominations and ballots shall be in accordance with Section 11-109 of the Maryland Condominium Act.

**Section 3. Removal of Officers.** Upon an affirmative vote of a majority of the members of the Board of Directors, any officer may be removed either with or without cause, and his successor may be elected at any regular meeting of the Board of Directors, or any special meeting of the Board of Directors called for such purpose.

**Section 4. President.** The President shall be the Chief Executive Officer of the Corporation. He shall preside at all meetings of the members and of the Board of Directors. He shall have all of the general powers and duties which are usually vested in the office of President of the Corporation including, but not limited to, the power to appoint committees from among the membership from time to time as he may, in his discretion, decide is appropriate to assist in the conduct of the affairs of the Corporation.

**Section 5. Vice President.** The Vice President shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If neither the President nor the Vice President is able to act, the Board shall appoint some other member of the Board to do so on an interim basis. The Vice President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

**Section 6. Secretary.** The Secretary shall keep the minutes and resolutions of all meetings of the Board of Directors and the minutes and resolutions of all meetings of the members of the Corporation. Unless otherwise assigned to some other office by the Board of Directors, the Secretary shall count all votes at meetings of the Council of Unit Owners; he shall have charge of the membership roster and of such other books and papers as the Board of Directors may direct; he shall, in general, perform all the duties incident to the office of Secretary.

**Section 7. Treasurer.** The Treasurer shall have responsibility for corporate funds and securities and shall be responsible for keeping full and accurate accounts of all receipts and disbursements in books belonging to the Corporation. He shall be responsible for the deposit of all monies and other valuable effects in the name, and to the credit of, the Corporation, in such depositories as may from time to time be designed by the Board of Directors.

**Section 8. Compensation.** The officers shall serve without compensation.

**ARTICLE VII  
Liability and Indemnification of Officers and Directors**

**Section 1. Liability and Indemnification of Officers and Directors.** The Council of Unit Owners and/or the Corporation shall indemnify every officer and director of the Corporation against any and all expenses including counsel fees actually and reasonably incurred by or imposed upon any officer or director in connection with any action, suit or other proceeding, including the settlement of any such suit or proceeding if approved by the then Board of Directors of the Corporation to which he may be made a party by reason of being or having been an officer or director at the time such expenses are incurred. The officers and directors of the Corporation shall not be liable to the members of the Corporation for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. The officers and directors of the Corporation shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Corporation or the Condominium, except to the extent that such officers and directors may also be Unit Owners, and the Corporation shall indemnify and forever hold such officers and directors of the Corporation free and harmless against any and all liabilities to others on account of such contracts and commitments. Any right to indemnification provided for herein shall be in addition to any other rights to which any officer or director or former director or officer may have under the laws of the State of Maryland.

**Section 2. Common or Interested Directors.** The Directors shall exercise their powers and duties in good faith and with a view to the interests of the Corporation. No contract or other transaction between the Corporation and one or more of its directors, or between the Corporation and any corporation, firm or association, including the Declarant, in which one or more of the directors of this Corporation are directors or officers, or are pecuniarily or otherwise interested, is either void or voidable because such director or directors are present at the meeting of the Board of Directors or any committee thereof which authorizes or approves the contract or transaction, or because his or their votes are counted for such purpose, if any of the conditions specified in any of the following subparagraphs exist:

- a. The fact of the common directorate or interest is disclosed or known to the disinterested directors or an affirmative majority thereof or noted in the minutes, and the Board authorizes, approves, or ratifies such contract or transaction in good faith by a vote as above even if the disinterested Directors constitute less than a quorum; or
- b. The fact of the common directorate or interest is disclosed or known to the members, or a majority thereof, and they approve or ratify the contract or transaction in good faith by a vote of a majority of the members excluding those who would benefit from the transaction; or
- c. The contract or transaction is fair and commercially reasonable to the Corporation at the time it is authorized, ratified, approved or executed.

Common or Interested Directors may be counted in determining the presence of a quorum of any meeting of the Board of Directors or committee thereon which authorizes, approves, or ratifies any contract or transaction, and may vote at such meeting to authorize any contract or transaction with like force and effect as if he were not such Director or officer of such other corporation or is so interested.

#### ARTICLE VIII Management

**Section 1. Management and Common Elements.** The Council of Unit Owners and/or the Corporation shall manage, operate and maintain the general common elements in the Condominium project, shall enforce the provisions hereof and may pay out of the common expense fund herein elsewhere provided for, the following:

a. The cost of extended liability insurance on the general common elements and the cost of such other insurance as the Corporation may elect.

b. The cost of the services of a person or firm to manage the general common elements to the extent deemed advisable by the Corporation.

c. In general, the cost of maintaining, replacing, repairing and landscaping the general common elements and such other furnishings and equipment for the general common elements as the Board of Directors shall determine are necessary and proper, provided, however, that nothing herein contained shall require the Corporation to repair, or otherwise maintain any Condominium Unit, or any fixture, appliances, or equipment located therein or any limited common elements appurtenant to any Unit or Units as set out in this Declaration.

d. The cost of any and all other materials, supplies, labor services, maintenance, repairs, taxes, assessments, or the like which the Corporation is required to secure to pay for by law, or otherwise, or which in the discretion of the Board of Directors shall be necessary or proper for the operation of the common elements; provided, however, that if any of the aforementioned are provided or paid for the benefit of a particular Condominium Unit or Units, the cost thereof shall be specially assessed to the Owner or Owners thereof in the manner provided in Subsection (e) of Section 1 of this Article.

e. The cost of the maintenance or repair of any Condominium Unit in the event such maintenance or repair is reasonably necessary in the discretion of the Board of Directors to protect the common elements or to preserve the appearance or value of the Condominium or is otherwise in the interest of the general welfare of all Owners of the Condominium Units; provided, however, that no such maintenance or repair shall be undertaken without a resolution by the Board of Directors and not without reasonable written notice to the Owner of the Condominium Unit proposed to be maintained and provided further that the cost thereof shall be assessed against the Condominium Unit on which such maintenance or repair is performed and, when so assessed a statement for the amount thereof shall be rendered promptly to the then Owner of the Condominium Unit

at which time the assessment shall become due and payable and shall constitute a continuing lien and obligation of said Owner and Unit in all respects as provided in Article IX of these By-Laws.

f. Any amount necessary to discharge any lien or encumbrance levied against the Condominium, or any portion thereof, which may, in the opinion of the Board of Directors constitute a lien against any of the common elements rather than the interest of the Owner of any individual Condominium Unit.

**Section 2. Management Agent.** Upon the majority vote of the members, the Corporation may delegate any of its duties, powers or functions to a Management Agent. The Corporation and Board of Directors shall not be liable for any omission or improper exercise by the Management Agent of any such duty, power or function so delegated if the Director reasonably believes the Management Agent to be competent.

Any management contract entered into by the Corporation prior to passing of control to the Unit Owners other than the Declarant and/or Developer, shall include a right of termination by the Corporation without cause, at any time after the transfer of control. This right of termination shall not require the payment of any penalty or an advanced notice of more than ninety (90) days.

**Section 3. Easements of Utilities, Related Purposes and Other Purposes.** The Corporation is authorized and empowered to grant, and shall from time to time grant, such licenses, easements and/or rights-of-way for service lines, water lines, electrical cables, telephone cables, gas lines, storm drains, underground conduits, cable TV, and such other purposes related to the provision of public utilities as may be required for providing utility service to the Units and the common elements, as well as licenses, easements and rights-of-way for such other purposes deemed appropriate by the Corporation, provided the necessary approvals for such grants are obtained as required by Section 11-125 of the Maryland Condominium Act as amended from time to time.

**Section 4. Limitation of Liability.** The Corporation shall not be liable for any failure of water supply or other services to be obtained by the Corporation or paid out of the common expense funds, or by any Owner of any Condominium Unit, or any other person or resulting from electricity, water, snow or ice which may leak or flow from any portion of the general common elements. Unless the Condominium has insurance to cover such an event, the Corporation shall not be liable for damages resulting from the flow of any water from any roof or downspout into any Unit or limited common element. No diminution or abatement of common expense assessments as herein elsewhere provided shall be claimed or allowed for inconvenience or discomfort arising from the making of repairs or improvements to the general common elements or from any action taken by the Corporation to comply with the law, ordinance or with the order or directive of any municipal or other governmental authority, except to the extent covered by insurance.

**Section 5. Corporation as Attorney-in-Fact.** The Corporation is hereby irrevocably appointed as attorney-in-fact for the Owners of all Condominium Units, and for each of them, to manage, control and deal with the interests of such Owners in the general common

elements of the Condominium as to permit the Corporation to fulfill all of its powers, functions and duties under the provisions of the Maryland Condominium Act, the Declaration, and the By-Laws, and to exercise all of its rights thereunder. The foregoing shall be deemed to be a power of attorney coupled with an interest and the acceptance by any person or entity to any interest in any Condominium Unit shall constitute an appointment of the Corporation as attorney-in-fact as aforesaid.

**Section 6. Duty to Maintain.** Except for maintenance requirements hereinabove imposed upon the Corporation, if any, the Owner of the Condominium Unit shall, at his own expense, maintain and carry all necessary insurance for the upkeep, repair and replacement of his Unit and any and all equipment, appliances, fixtures, windows, fireplaces, or doors therein situate, and its other appurtenances. He shall maintain his Unit in good order, condition, and repair, in a clean and sanitary condition, and shall do all redecorating, painting, and the like which may at any time be necessary to maintain the good appearance of his Condominium Unit, and such appurtenances. In addition to the foregoing, the Owner of any Condominium Unit shall at his own expense, maintain, repair or replace any plumbing and electrical fixtures, heating and air conditioning equipment, whether within or without the Unit so long as it serves his Unit, light fixtures, refrigerators, freezers, dish washers, disposals, range and/or other equipment that may be in or appurtenant to such Condominium Unit. The Owner of the Condominium Unit shall also, at his own expense, maintain any other limited common elements which may be appurtenant to such Condominium Unit, and reserved for his exclusive use, in a clean, orderly and sanitary condition. Each Unit Owner shall be responsible for the maintenance and repair of any pipes and drains feeding from fixtures within his Unit to a central collection pipe or drain. All obligations created by or arising out of provisions of this Article VIII, Section 6, shall be personal with the Owners of the Units and, upon the discretion of the Board of Directors, may result in a lien or charge upon any of the Units owned by the violating Owners.

Structural repairs, whether within a Unit or in the common elements, shall be the responsibility of the Corporation as a common expense, unless the same shall be caused by the negligence or deliberate act of the individual Unit Owner or other persons residing in the Unit with the Unit Owner's actual or implied consent or permission, in which case such expenses of repairs relating to such common elements shall be borne by and assessed against the individual Unit Owner, less the amount of any insurance benefits received by the Corporation on account thereof.

**Section 7. Access at Reasonable Times.** The Council of Unit Owners, through its Board of Directors or Management Agent, shall have an irrevocable right and easement to enter the Condominium Units for the purpose of making repairs to the general and limited common elements when the repairs reasonably appear necessary for public safety or to prevent damage to other portions of the Condominium project. Except in cases involving manifest danger to public safety or property, the Council shall make a reasonable effort to give notice to the Owner of any Condominium Unit to be entered for the purposes of such repairs. No entry by the Council for the purposes specified in this section shall be considered a trespass.

**ARTICLE IX**  
**Assessments, Carrying Charges and Annual Budget**

**Section 1. Annual Assessments, Carrying Charges and Annual Budget.** Each member shall pay to the Council of Unit Owners or the Corporation in advance on or before the first day of each month, an annual sum payable monthly (herein elsewhere sometimes referred to as "assessments" or "carrying charges") equal to one-twelfth (1/12th) of the member's proportionate share of the sum required by the Corporation as estimated by the Corporation as estimated by its Board of Directors, to meet the annual common expense, including, but in no way limited to the following:

- a. The cost of all services furnished, including charges by the Corporation for facilities and maintenance of the general common elements.
- b. The estimated cost of necessary management, repairs, maintenance and administration of the general common elements.
- c. The amount of all taxes and assessments levied against the Corporation or upon any property which it may own or which it is otherwise required to pay, if any.
- d. The cost of extended liability insurance on the general common elements and the cost of such other insurance as the Corporation may incur.
- e. The cost of furnishing water, electricity, heat, and other utilities to the extent furnished by the Corporation, if at all.
- f. The cost of funding contributions to the "Paid-in-Surplus" account and all necessary replacements established by the Corporation, including, when appropriate, general operating allocation and/or replacement disbursements, if required to be so kept by the Corporation.

The Board of Directors shall determine the amount of the assessment annually, but may do so at more frequent intervals should circumstances require. Upon resolution of both the Board of Directors and the members representing more than fifty percent (50%) of the total votes of the Condominium, installments of annual assessments may be levied and collected on a quarterly, semi-annual or annual basis rather than on the monthly basis hereinabove provided for. For administrative convenience, when and if the annual assessments are increased in accordance with the procedures set forth herein, the increases shall be rounded off to the next higher dollar amount.

The Board of Directors shall determine the amount of the assessment annually, and shall submit a copy of the annual proposed budget to the Unit Owners at least thirty (30) days before its adoption at a meeting of the Council of Unit Owners scheduled for that purpose. Assessment shall be made against the Unit Owners in proportion to their percentage interest in the common expenses and common profits. The budget shall be adopted at an open meeting of the Council of Unit Owners.

The annual budget shall provide for at least the following items: (1) income; (2) administration; (3) maintenance; (4) utilities; (5) general expenses; (6) reserves; (7) capital items. In addition, the initial budgets shall include the contributions equal to two (2) months assessments paid by each Unit Owner at the time of the settlement on each Unit between the Declarant and the initial purchaser of each Unit. This sum is not an advance payment of assessments. Until control of the Condominium is transferred from the Declarant, the working capital shall be deposited into a segregated fund without interest to the Condominium. While Declarant is in control of the Council of Unit Owners, it shall not use any of the working capital funds to defray its expenses, reserve contributions, or construction costs or make up budget deficits.

The omission of the Board of Directors, before the expiration of any assessment period, to fix the assessments hereunder for that or the next period, shall not be deemed a waiver or modification in any respect of the provisions of this Article, or a release of any Unit Owners from the obligation to pay the assessment, or any installment thereof, for that or any subsequent assessment period, but the assessment is fixed until the procedure set forth above is complied with. No Unit Owner may exempt himself from liability for assessments or carrying charges by a waiver of the use or enjoyment of any of the common elements or by abandonment of any Condominium Unit belonging to him. Declarant shall be entitled to deduct from any assessments owed by it for Units it has legal title to, any sums expended by it on account of the budgeted items for which the assessments are being collected.

**Section 2. Special Assessments.** In addition to the regular assessments authorized by this Article, the Corporation may levy in any assessment year subsequent to the first year, a special assessment or assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement, of a described capital improvement located upon the general common elements, including the necessary fixtures and personal property related thereto, or for such other purpose as the Board of Directors may consider appropriate provided that any such assessment shall have the assent of the members representing a majority of the total of the Council of Unit Owners. A meeting of the members shall be duly called for this purpose, written notice of which shall be sent to all members at least ten (10) days but not more than thirty (30) days in advance of such meeting, which notice shall set forth the purpose of the meeting. The Declarant shall not be responsible for, or to pay any special assessment so levied until such time as a Unit to which he retains legal title becomes occupied for residential use, not including use of any Units as a model or demonstrator.

**Section 3. Non-Payment of Assessments - Statement of Condominium Lien.** Any assessment levied pursuant to the Declaration or these By-Laws, and any installment thereof, which is not paid on the date when due shall be delinquent and shall entitle the Corporation to claim the amount of such assessment, together with interest thereon, late charges as set out below, the actual costs of collection thereof, and reasonable attorney's fees as a lien on the Condominium Unit against which it is assessed; provided, however, that such lien shall be effective only after a Statement of Condominium Lien is recorded among the Land Records of Anne Arundel County, Maryland, after notice of the amount due and of the Unit Owner's right to a hearing, all pursuant to Subsection 11-110(d) of the

Condominium Act, and Subsection 14-201, et. seq., of the Real Property Article of the Annotated Code of Maryland (Maryland Contract Lien Act), both as amended from time to time, and further provided that the Statement of Condominium Lien states the description of the Condominium Unit, the name of the Unit Owner of record, and the amount due. Any such Statement of Condominium Lien shall be in substantially the following form or as may otherwise be required by Title 14, Subtitle 2, Real Property Article of the Annotated Code of Maryland, as amended from time to time.

**STATEMENT OF CONDOMINIUM LIEN**

**THIS IS TO CERTIFY** that the property described as Unit No. \_\_\_\_\_, in "Oakleaf Villas Garden Condominium", is subject to a lien under Title 14, Subtitle 2 of the Real Property Article, Maryland Annotated Code, in the amount of \$\_\_\_\_\_. The property is owned by \_\_\_\_\_.

**I HEREBY AFFIRM** under the penalty of perjury that notice was given under Section 14-203(a) of the Real Property Article, and that the information contained in the foregoing Statement of Condominium Lien is true and correct to the best of my knowledge, information and belief.

\_\_\_\_\_  
Name of Party Claiming Lien

The Statement of Condominium Lien shall be signed and verified as required in Title 14, Subtitle 2, Real Property Article of the Annotated Code of Maryland, as amended from time to time by any officer of the Council of Unit Owners, or any duly authorized agent, attorney, or other person duly authorized by the Board of Directors of the Council of Unit Owners for such purpose.

Upon recordation of the Statement of Condominium Lien as aforesaid, the Lien shall bind the Condominium Unit described in the Statement of Condominium Lien in the hands of the Unit Owner, his heirs, successors, devisees, personal representatives and assigns. In a voluntary grant, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor for his share of the common expenses up to the time of the voluntary grant for which a Statement of Condominium Lien is recorded, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee for such assessments. The personal obligation of the Unit Owners to pay the assessment shall, however, remain his personal obligation for the statutory period and a suit to recover a money judgment for non-payment of any assessment levied pursuant to the Declaration or these By-Laws, or any installment thereof, may be maintained without foreclosure or waiving the lien established by the Statement of Condominium Lien to secure payment of such assessment. Upon full payment of the amount for which the lien is claimed, including payment of a fee for preparation and recording of the lien or order of satisfaction, the Unit Owner shall be entitled to a recordable satisfaction of the lien.

Any assessment levied pursuant to the Declaration or these By-Laws, or any installment thereof, which is not paid within fifteen (15) days after it is due, shall be subject

to a late charge of Fifteen Dollars (\$15.00), or one-tenth (1/10th) of the total amount of any delinquent assessment or installment, whichever is greater, or for any other greater sum authorized by the Maryland Condominium Act as amended from time to time. If the monthly or other periodic installments of annual assessments are not paid when due, the Council of Unit Owners may demand payment of the remaining annual assessment coming due within that fiscal year provided it does so in compliance with Section 11-110(e)(3) of the Maryland Condominium Act, as amended from time to time. All unpaid assessments shall bear interest at the rate not to exceed eighteen percent (18%) per annum or such higher rate as permitted by the Maryland Condominium Act, as amended from time to time, and the Corporation may bring an action for damages against the member personally obligated to pay the same, or foreclose the lien against the member in the manner now or hereafter provided for in the foreclosure of mortgages, deeds of trust, or other liens on real property in the State of Maryland, and subject to the same requirements, both substantive and procedural, or as may otherwise from time to time be provided by law, in either of which events interest, costs and reasonable attorney's fees shall be added to the amount of each assessment. Suit for any deficiency following foreclosure may be maintained in the same proceeding.

In the event any proceeding to foreclose the lien for any assessment due the Corporation pursuant to this Article is commenced with respect to any Condominium Unit or Units in the Condominium, then the Owner of such Condominium Unit or Units, upon resolution of the Board of Directors, may be required to pay a reasonable rental for such Unit or Units, and the Corporation shall be entitled to the appointment of a receiver to collect the same.

The Board of Directors may post a list of members who are delinquent in the payment of any assessment or other fees which may be due the Corporation, including any installment thereof which becomes delinquent, in any prominent location within the Condominium.

**Section 4. Assessment Certificates.** The Corporation shall, upon demand at any time, furnish to any member liable for any assessment levied pursuant to these By-Laws (or any party legitimately interested in the same) a certificate in writing signed by an officer or agent of the Corporation, setting forth the status of said assessment, i.e., whether the same is paid or unpaid. Such certificate shall be conclusive evidence of the payment of any assessment therein stated to have been paid. A charge not to exceed Thirty Dollars (\$30.00) may be levied in advance by the Corporation for each certificate so delivered except that no charge shall be levied against any institutional mortgagee of any Condominium Unit in the Condominium which requests such a certificate.

**Section 5. Acceleration of Installments.** Upon default in the payment of any one or more monthly installments of any assessments levied pursuant to the Declaration and/or these By-Laws, or any other installment thereof, except as to the Declarant as set forth in Section 1 of this Article IX, the entire balance of said annual assessment may be accelerated at the option of the Board of Directors and be declared due and payable in full, provided the Board of Directors complies with the procedures for acceleration set forth in the Maryland Condominium Act, as amended from time to time.

**Section 6. Priority of Lien.** The lien established by the Corporation by a Statement of Condominium Lien as hereinbefore provided, shall have preference over any other assessments, liens, judgments or charges of whatever nature, except the following:

a. General and special assessments for real estate taxes on the Condominium Unit, and

b. The lien of any bona fide deed of trust, mortgage, or other encumbrance duly recorded and encumbering the Condominium Unit prior to the recordation of the Statement of Condominium Lien, or duly recorded on the Condominium Unit after receipt by the holder of any such mortgage (or the holder of the indebtedness or note secured thereby) of a certificate or statement in writing signed by an officer or agent of the Corporation stating that the payment on account of all assessments levied by the Corporation against the Condominium Unit were current as of the date of recordation of such deed of trust, mortgage instrument or other encumbrance.

The lien established by the recordation of a Statement of Condominium Lien, as in this Article provided, shall be subordinate to the lien of any deed of trust, mortgage or other encumbrance duly recorded on the Condominium Unit and made in good faith and for value received, provided, however, that such subordination shall apply only to assessments and installments thereof which have become due and payable prior to taking title under a sale or transfer of the Condominium Unit pursuant to a foreclosure or any deed, assignment or other proceeding or arrangement in lieu of foreclosure, and any other purchaser who acquired title, shall take the Condominium Unit free of any claims for unpaid common expense assessments and carrying charges levied against the Condominium Unit which accrued prior to the time such holder comes into possession of the Condominium Unit or prior to the foreclosure sale, except for claims for a proportionate share of such unpaid common expenses assessments and carrying charges resulting from a re-allocation of the Condominium Units in the Condominium. Such foreclosure shall not relieve the mortgagee in possession or the purchaser who acquires title from any liability for any common expense assessments and carrying charges thereafter becoming due or from the lien established by the recordation of a Statement of Condominium Lien with respect to any common expense assessments and carrying charges thereafter becoming due.

No amendment to this Section shall affect the rights of the holder of any such deed of trust, mortgage, or other encumbrance recorded prior to the recordation of such amendment unless the holder of such deed of trust, mortgage, or other encumbrance shall join in the execution of such amendment.

**Section 7. Additional Rights of Mortgagees - Notice.** The Corporation shall promptly notify the holder of the first mortgage on any Condominium Unit for which any assessment levied pursuant to the Declaration or these By-Laws, or any installment thereof becomes delinquent for a period in excess of thirty (30) days and the Condominium Unit with respect to which any provisions of the Declaration or these By-Laws remains uncured for a period in excess of thirty (30) days following the date of such default. Any failure to give any such notice shall not affect the priorities established by this Article, the validity of any assessment

levied pursuant to the Declaration or these By-Laws or the validity of any lien to secure the same.

No suit or other proceeding may be brought to foreclose the lien for any assessment levied pursuant to the Declaration or these By-Laws except after ten (10) days written notice by first class mail, mailed to the holder of the first mortgage on the Condominium Unit which is the subject matter of such suit or proceeding. For the purpose of this Section 7, a notice shall be deemed mailed when it is postmarked and not when it is received.

#### ARTICLE X Use Restrictions

**Section 1. Residential Use.** All Condominium Units shall be used for private residential purposes exclusively except for such non-residential uses as may be permitted by the Board of Directors, such as licensed home day care where deemed appropriate, the applicable zoning ordinance and recorded covenants and restrictions. Because of market conditions or for any other reason, the Declarant may lease in lieu of selling any Unit which it owns. Nothing in this Section, or herein elsewhere, shall be construed to prohibit the Declarant from the use of any Condominium Unit which Declarant owns for promotional display purposes as "model Units" or from leasing any Unit or Units which Declarant owns except that Declarant shall nevertheless be bound by the provisions of Section 2 of this Article.

**Section 2. Leasing.** No portion of a Unit (other than the entire Unit) may be rented, and no transient tenants may be accommodated therein. Any Owner of any Condominium Unit who shall lease such Unit shall, promptly following the execution of any such lease, forward a conformed copy thereof to the Board of Directors. Any such lease shall contain a provision to the effect that the rights of the tenant to use and occupy the Condominium Unit shall be subject to and subordinate in all respects to the provisions of the Declaration and these By-Laws and to such other reasonable rules and regulations relating to the use of the common elements or other "house rules", as the Board of Directors may from time to time promulgate. No Unit may be leased or rented for less than thirty (30) days. A copy of the Declaration and these By-Laws and any other "house rules" shall be retained in the leased Condominium Unit. The provisions of this Section shall not apply to any institutional mortgagee of any Condominium Unit who comes into possession of the Unit by reason of any remedies provided by law, in such mortgage, or as a result of a foreclosure or other judicial sale or as a result of any proceeding, arrangement, or deed in lieu of foreclosure.

**Section 3. Prohibited Uses and Nuisances.** Except for the activities of the Declarant and its agents in connection with the original construction of the Condominium, and except as may be reasonable and necessary in connection with the repair or reconstruction of any portion of the Condominium by the Corporation:

a. No part of the Property shall be used for other than housing and the related common purposes for which the Property was designed. Each Unit shall be used for residential purposes and for no other purpose, except that a Unit may be used as a professional office upon the written consent of the Board of Directors provided that such

use is consistent with all valid laws, zoning ordinances and regulations of all governmental agencies having jurisdiction in respect of the Property, and provided further, that as a condition for such consent each such Unit Owner agrees to pay and pays any increase in the rate of insurance for the Property which results from such professional use. Any Owner may use his Unit for home day care or he may use a portion of his Unit for an office or studio provided that the activities therein shall not interfere with the quiet enjoyment or comfort of any other Owner, and provided further that in no event shall any part of the Property be used as a school or music studio, and further provided that such uses are previously approved by the Board of Directors, and do not violate applicable zoning ordinances or other provisions of law. Any home day care provider shall notify the Board of Directors in writing a minimum of sixty (60) days before opening a family day care home in a Unit. The use of a Unit for home family day care may, at any time, be permitted or prohibited, (even if previously operating), by a simple majority of the total eligible voters of the Condominium at a special or annual meeting. The Board of Directors may regulate and charge appropriate fees for providers of home day care in Units in accordance with the provisions of Maryland law, as amended from time to time.

b. No noxious or offensive trade or activity shall be carried on within any Condominium Unit nor shall anything be done therein or thereon which may be or become an annoyance to the neighborhood or the other Owners. No nuisances shall be permitted within the Condominium, nor shall any use or practice be permitted which is or becomes a source of annoyance to the members or which interferes with the peaceful use and possession thereof by the members. By way of example and not limitation, examples or nuisances include loud music or noise; loud, frequent and late night parties; use of electrical equipment which interferes with normal television or radio reception.

c. There shall be no obstruction of any common elements. Nothing shall be stored upon any common elements excepting those areas designated for storage of personal property by the Owners of the Condominium Units, without the approval of the Board of Directors. Vehicular parking upon general common elements may be regulated by the Board of Directors. Parking spaces and bicycle storage upon the general common elements may be assigned by the Board of Directors for use by the Owners of particular Condominium Units.

d. Nothing shall be done or maintained in a Condominium Unit or upon any common elements which will increase the rate of insurance on any of the common elements, or result in the cancellation thereof, without the prior written approval of the Board of Directors. No waste shall be committed upon any common element.

e. No modifications, alteration, construction, addition or removal of any Condominium Unit or common elements shall be commenced or conducted except in strict accordance with the provisions of these By-Laws.

f. Except for uses permitted by the Declaration or these By-Laws, no industry, business, trade occupation or profession of any kind, commercial, religious, educational, or otherwise, designed for profit, altruism, exploration, or otherwise, shall be conducted, maintained, or permitted on any part of the Property. No Unit Owner may post any

advertisement, poster or sign of any kind on the exterior of his Unit or in the windows of his Unit, except (i) as permitted by the Board of Directors; (ii) in the event the Board of Directors gives its consent to the professional use of a Unit, a suitable sign may be displayed upon the written consent of the Board of Directors; or (iii) when required by law. The right is reserved by the Declarant or its agents to use any unsold Unit or Units for display purposes and to display "For Sale" or "For Rent" signs for unsold Units.

g. There shall be no violation of any rules for the use of the common elements or other "house rules" which may from time to time be adopted by the Board of Directors and promulgated among the membership by them in writing, and the Board of Directors.

h. No unlawful use shall be made of any Condominium Unit or any portion of the common elements and all laws, zoning and other ordinances, regulations of governmental and other municipal bodies and the like shall be observed at all times.

i. No recreational vehicles, boats, boat trailers, camping trailers, trucks or motor vehicles of any kind except passenger cars, passenger van-type vehicles, and other vehicles approved by a majority of the Board of Directors shall be parked or stored in or on any Condominium Units or common elements except in the area designated for such vehicles and/or boats by the Board of Directors, if any. Nothing herein shall be construed to prevent the Unit Owners from parking such vehicles at the Unit for purposes of servicing, loading or unloading and except as may be permitted by regulations adopted by the Board of Directors. In the event parking spaces are assigned to Unit Owners, visitors parking shall be restricted to those assigned spaces and violating vehicles may be towed away upon the direction of the Board of Directors, provided the Board of Directors is assigned the enforcement authority over parking areas.

j. No motorized vehicle may be used or maintained on the yard or sidewalks of any Unit and no unlicensed vehicles are allowed on the Property.

k. No antennas, except installed by the Declarant, that are visible from the exterior of any Unit may be erected or maintained except upon the written consent of the Board of Directors.

l. The limited common elements and all yards must be kept in an orderly condition so as not to detract from the neat appearance of the community. In this regard, no motorcycles, no mopeds or other motor driven vehicles may be parked on the patios, balconies, front entrance ways or the yards. The board of Directors, in its sole discretion, may determine whether or not limited common elements are orderly. If an owner shall fail to keep his limited common elements orderly, the Board of Directors may have any objectionable items removed from the limited common elements so as to restore its orderly appearance, without liability therefore, and charge the Unit owner for any costs incurred in the process.

m. The maintenance, keeping, breeding, boarding and/or raising or animals, livestock, or poultry of any kind, regardless of number, shall be and is hereby prohibited within any Unit or upon any common elements, except that this shall not prohibit the

keeping of a small, orderly house pet provided that it is not kept or maintained for commercial purposes or for breeding. Pets shall not be permitted upon the common elements except in those areas designated by the Board of Directors. All pets shall be accompanied by an adult and are to be carried or leashed. Any member who keeps or maintains any pet upon any portion of the Property shall be deemed to have indemnified and agreed to hold the Association, and each of its members free and harmless from any loss, claim or liability of any kind or character whatever arising by reason of keeping or maintaining such pet within the Property. The Board of Directors shall have the right to order any person whose pet is a nuisance, to remove such pet from the Property.

n. No structure of a temporary character, trailer, tent, shack, barn or other out-building shall be maintained upon any common element at any time. Outdoor clothes dryers or clothes lines shall not be maintained upon any common element at any time. No clothing, laundry or the like shall be hung from any part of any Unit or upon any of the common elements or from or upon any balcony or patio.

## ARTICLE XI Architectural Control

**Section 1. Architectural Control Committee.** Except for the original construction and except for purposes of proper maintenance and repair or as otherwise in these By-Laws provided, it shall be prohibited to install, erect, attach, apply, paste, hinge, screw, nail, build, alter, paint, remove or construct any lighting, screen, awnings, patio covers, decorations, fences, hedges, landscaping features, walls, aerials, antennas, radio or television broadcasting or receiving devices, slabs, sidewalks, curbs, gutters, patios, balconies, porches, driveways, walls, or to make any change or otherwise alter (including any alteration in color) in any manner whatsoever to the exterior of any Condominium Unit or upon any of the common elements within the project or to combine or otherwise join two or more condominium Units, or to partition the same after combination, or to remove or alter any windows or exterior doors or door or windows trim of any Unit, or to make any change or alteration within any Unit which will alter the structural integrity of the building or otherwise affect the property interest or welfare of any other Unit Owner, materially, increase the cost of operating or insuring the Condominium, or impair any easement, until the complete plans and specifications, showing the location, nature, shape, height, form of change (including, without limitation, any other information specified by the Board of Directors or its designated committee) shall have been submitted to and approved in writing as to safety, the effect of any such alterations on the cost of maintaining and insuring the Condominium and harmony of design, color and location in relation to surrounding structures and topography, by the Board of Directors of the Corporation, or by an architectural control Committee designated by it.

**Section 2. Architectural Control Committee - Operation.** The Architectural Control Committee shall be composed of three (3) or more natural persons designated from time to time by the Board of Directors of the Corporation and such persons shall serve at the pleasure of the Board of Directors. In the event the Board of Directors fails to appoint an Architectural Control Committee then the Board of Directors shall constitute the Committee. The affirmative vote of a majority of the members of the Architectural Control

Committee shall be required in order to adopt or promulgate any rule of regulation, or to make any finding, determination, ruling or order, or to issue any permit, consent, authorization, approval or the like pursuant to the authority contained in this Article. In no event shall the powers and duties herein provided in any way alter or effect the ultimate control or powers of the Board of Directors as provided in these By-Laws.

**Section 3. Approvals, etc.** Upon approval of the Architectural Control Committee of any plans and specifications submitted pursuant to the provisions of this Article, a copy of such plans and specifications as approved shall be deposited among the permanent records of such committee and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. In the event the Architectural Control Committee fails to approve or disapprove any final plans and specifications which may be submitted to it pursuant to the provisions of this Article within sixty (60) days after such final plans and specifications (and all materials and information required by the Architectural Control Committee) have been submitted to it in writing, then approval will not be required and this Article will be deemed to have been fully complied with.

**Section 4. Limitations.** Construction or alterations in accordance with plans and specifications approved by the Architectural Control Committee pursuant to the provisions of this Article shall be commenced within six (6) months following the date upon which the same are approved by the Architectural Control Committee (whether by affirmative action or by forbearance from action as provided in Section 3 of Article XI) and shall be substantially completed within twelve (12) months following the date of commencement, or within such longer period as the Architectural Control Committee shall specify in its approval. In the event construction is not commenced within the period aforesaid, then approval of the plans and specifications by the Architectural Control Committee shall be conclusively deemed to have lapsed and compliance with the provisions of this Article shall again be required. There shall be no deviation from plans and specifications approved by the Architectural Control Committee without the prior consent in writing of the Architectural Control Committee. Approval of any particular plans and specifications or design shall not be construed as a waiver of the right of the Architectural Control Committee to disapprove such plans and specifications are subsequently submitted for use in other instance.

**Section 5. Certificate of Compliance.** Upon the completion of any construction or alterations or other improvements or structures in accordance with plans and specifications approved by the Architectural Control Committee in accordance with the provisions of this Article, the Architectural Control Committee shall, at the request of the Owner thereof, issue a certificate of compliance which shall be *prima facie* evidence that such construction, alteration or other improvements referenced in such certificate have been approved by the Architectural Control committee and constructed or installed in full compliance with the provisions of this Article and with such other provisions and requirements of these By-Laws as may be applicable.

**Section 6. Rules and Regulations, etc.** The Architectural Control Committee shall from time to time adopt and promulgate such rules and regulations regarding the form and

content of plans and specifications to be submitted for approval and may publish such statements of policy standards, guidelines, and/or establish such criteria, relative to architectural styles or details, or other matters, as it may consider necessary or appropriate. No such rules, regulations, statements, criteria, or the like shall be construed as a waiver of the provisions of this Article or any other provisions or requirement of these By-Laws. Until such time as the initial rules, regulations and standards for their decision making process are adopted, the Architectural Control Committee shall apply those standards necessary to maintain the physical integrity and aesthetic consistency of the Condominium. The Architectural Control Committee may charge and collect a reasonable fee for the examination of any plans and specifications submitted for approval pursuant to the provisions of this Article. The decision of the Architectural Control Committee shall be final except that any member who is aggrieved by any action or forbearance from action by the Architectural Control Committee may appeal the decision of the Architectural Control Committee to the Board of Directors of the Corporation, and, upon request of each member, shall be entitled to a hearing, before the Board of Directors. Disapproval by the Architectural Control Committee shall not be arbitrary or capricious.

**Section 7. Enforcement.** In addition to any other remedies provided by law or the Declaration or these By-Laws, the Council of Unit Owners by resolution of the Board of Directors may commence in any court of law a proceeding necessary to enforce the decision of the Architectural Control Committee including damages and the seeking of injunctive relief compelling the violator to remove any violation of a decision of the said Board and to reconstruct in accordance with any decision of the Board or to a condition in conformity with the original plans for the Condominium.

## ARTICLE XII Insurance

**Section 1. Insurance through Board of Directors.** The Board of Directors shall obtain and maintain to the extent reasonably available, and pay for with assessments, for the benefit of the respective Owners and the mortgagees as their interest may appear, and shall provide for the issuance of certificates of insurance to the holders of any blanket mortgage on the Condominium or any individual Unit mortgages, and in accordance with the Maryland Condominium Act, Section 11-114, as amended from time to time, insurance to include at least the following:

a. Property insurance on the common elements and Units, exclusive of improvements and betterments installed in Units by Unit Owners, insuring against all risks of direct physical loss commonly insured against, in amounts determined by the Council of Unit Owners. The casualty or physical damage insurance shall be in an amount equal to the full replacement value (i.e., 100% of the replacement cost, exclusive of land, foundation, and excavation) of the common elements and Units (including all Unit service equipment and the like) with an "Agreed Amount Endorsement," or its equivalent, a "Condominium Replacement Cost Endorsement," or its equivalent, and a "Increased Cost of Construction Endorsement," or its equivalent, and a "Contingent Liability from Operation of Building Code Endorsement," or any equivalent for said endorsements without deduction or allowance or depreciation (as determined annually by the Board of Directors and with the

assistance of the insurance company or companies affording such coverage), such coverage to afford protection against at least the following:

- (i) Loss or damage by fire or other hazards covered by the standard extended coverage endorsement; and
  - (ii) Such other risks as shall customarily be covered with respect to common elements and Units within projects similar in construction, location, and use, including, but not limited to, cost of demolition, vandalism, malicious mischief, windstorms, machinery explosion or damage, and flood insurance coverage if the property is in an area identified as having special flood hazards and the sale of flood insurance is available under the National Flood Insurance Act of 1968, and such other insurance as the Board of Directors may from time to time determine; and
  - (iii) The maximum deductible for individual Units shall be the lesser of \$1,000.00, or 1% of the Unit's replacement cost. Funds to cover the deductible amount shall be included in the Corporation's operating reserve account; and
  - (iv) All policies shall name the Corporation as the named insured, or an Insurance Trustee, if appropriate; and
  - (v) The insurance policies shall require the insurer to notify in writing the Corporation (or Insurance Trustee, if appropriate), and each first mortgage holder named in the mortgage clause at least ten (10) days before it cancels or substantially changes the Condominium's coverage.
- b. Comprehensive general public liability insurance including medical payment insurance, in such amounts (but not less than \$500,000.00 with respect to any individual, and \$1,000,000.00 with respect to any one accident or occurrence, and \$100,000.00 with respect to any claim for property damage), and in such forms as may be considered appropriate by the Council of Unit Owners, including, but not limited to, occurrences commonly insured against for water damage, legal liability, hired automobile, non-owned automobile, liability for property of others, death, bodily injury and any and all other liability incident to the ownership, use of maintenance of the common elements or any portion thereof; and
- c. Workman's Compensation insurance to the extent necessary to comply with any applicable law; and
- d. A "Legal Expense Indemnity Endorsement" or its equivalent, affording protection for the officers and directors of the Corporation for expenses and fees incurred by any of them in defending any suit or settling any claim, judgment or cause of action to which any such officer or director shall have been a party by reason of his or her services as such; and
- e. The Board of Directors shall maintain adequate fidelity coverage to protect against dishonest acts on the part of officers and directors of the Corporation, trustees for the Corporation and such employees and agents of the Corporation who handle or are responsible for the handling of funds of the Corporation. The fidelity bond shall cover the

maximum funds that will be in the custody of the Corporation or its Management Agent, and at a minimum, the fidelity coverage shall at least equal the sum of three (3) months' assessments on all units in the Condominium.

f. Flood insurance, if required.

g. The Council of Unit Owners is hereby irrevocably appointed agent for each Unit Owner, mortgagee of a Unit, and for each Owner of any other interest in the Condominium to adjust all claims arising under insurance policies by the Council of Unit Owners, and to execute and deliver releases upon the payment of claims.

h. The Board of Directors may determine that Unit Owners shall obtain their own insurance for their individual Units, in which case the provisions of Section 2 of Article XII shall apply.

**Section 2. Insurance by Unit Owners.** If determined by the Board of Directors, each Unit Owner shall obtain and maintain to the extent reasonably available, at least the following:

a. Casualty or physical damage insurance in an amount equal to the full replacement value (i.e. 100% of the replacement cost, exclusive of land, foundation, and excavation) of the Condominium Unit (including all unit service equipment and the like) with an "Agreed Amount Endorsement," or its equivalent, a "Condominium Replacement Cost Endorsement" or its equivalent, and an "Increased Cost of Construction Endorsement" or its equivalent, and a "Contingent Liability from Operation of Building Code Endorsement" or any equivalents for said endorsements without deduction or allowance for depreciation (as determined annually by the Board of Directors with the assistance of the insurance company or companies affording such coverage), such coverage to afford protection against at least the following:

(i) Loss or damage by fire or other hazards covered by the standard extended coverage endorsement; and

(ii) Such other risks as shall customarily be covered with respect to Units within projects similar in construction, location, and use, including but not limited to, cost of demolition, vandalism, malicious mischief, windstorm, machinery explosion or damage, and flood insurance coverage if the property is in an area identified as having special flood hazards and the sale of flood insurance is available under the National Flood Insurance Act of 1968, and such other insurance as the Board of Directors may from time to time determine.

Each Unit Owner shall provide the Board of Directors written evidence annually of having obtained the required insurance.

**Section 3. Improvements and Betterments.** Each Unit Owner shall be responsible to obtain insurance for the protection of the improvements and betterments within his or her Unit and personal contents. Unit Owners may purchase at their own expense excess insurance coverage respecting their own individual Unit for public liability and personal

**ARTICLE XIII**  
**Casualty Damage - Reconstruction Or Repair - Condemnation**

**Section 1. Use of Insurance Proceeds.** Except as otherwise provided by the Maryland Condominium Act, in the event of damage or destruction by fire or other casualty of a Unit or of any of the common elements, the same shall promptly be repaired or reconstructed in substantial conformity with the original plans and specifications with the proceeds of insurance available for that purpose, if any.

**Section 2. Proceeds Insufficient.** In the event that the proceeds of insurance are not sufficient to repair damage or destruction by fire or other casualty, or in the event such damage or destruction is caused by any casualty not insured against, then the repair or reconstruction of the damage shall be accomplished promptly by the Corporation at its common expense, pursuant and subject to such conditions as defined in Section 4 of this Article, and subject to such controls as the mortgagees may require. The ratable share of the expense of such repairs or reconstruction may be assessed and, in the event any Statement of Condominium Lien is recorded with respect to such assessments, then the lien shall have all the properties provided for in Article IX of these By-Laws. In the event that the proceeds of casualty insurance are paid to any Insurance Trustee pursuant to the requirements of Sub-Section 11-114(d) of the Maryland Condominium Act, then all funds collected from the Unit Owners of the Units pursuant to this Section 2 shall likewise be paid over to such Insurance Trustee and shall be disbursed by such Insurance Trustee in accordance with the provisions of Sub-Section 11-114(d) of the Maryland Condominium Act.

**Section 3. Restoration Not Required.** In the event more than two-thirds (2/3rds) of the entire project is substantially damaged or destroyed by fire or other casualty and eighty percent (80%) of the Unit Owners and their mortgagees, including all of the Unit Owners and their mortgagees of the Units so destroyed, do not promptly resolve to proceed with repair or reconstruction, then, and in that event the Condominium shall be deemed to be owned in common by the Owners of all the Units in the same proportion as that previously established for ownership of appurtenant undivided interests in the common elements and the Condominium shall be subject to an action for partition at the suit of any Unit Owner or the holder of any mortgage thereon, in which event the net proceeds of sale, together with the net proceeds of any insurance paid to the Corporation or its members in common, shall be considered as one fund and shall be divided among the Owners of all of the Units in the same proportion as that previously established for ownership of appurtenant undivided interests in the common elements, after first paying out of the share of the Owner of any Unit, to the extent such share is sufficient for the purpose, all liens upon said Unit in accordance with the priority of interests in each Unit.

**Section 4. Reconstruction.** Notwithstanding anything contained herein to the contrary, if the improvements constructed upon any Unit are destroyed by fire or other casualty to the extent that such improvements are rendered uninhabitable, the Unit Owner may, at his option, elect to use the insurance proceeds from such loss to replace the improvements of such Unit with improvements of like quality, subject to the restrictions and limitations set

out in these By-Laws. The plans and specifications for the proposed replacement improvements shall be submitted to the Architectural Control Committee established in Article XI of these By-Laws and shall be reviewed and approved in accordance with the restrictions, limitations, and guidelines set out therein.

**Section 5. Condemnation.** In the event of condemnation or eminent domain of any or all of the Condominium, the provisions of Section 11-112, or any amendments thereto, of the Maryland Condominium Act shall apply. For condemnation of Common Elements the Council of Unit Owners shall represent the Unit Owners in the proceedings or in negotiations, settlements and agreements and Unit Owners, by virtue of taking a deed to a Unit, grant such power of attorney to the Council of Unit Owners.

Fiscal Year.** The fiscal year of the Council of Unit Owners of the Corporation shall begin on the first day of January every year, except for the first fiscal year of the Corporation which shall begin at the date of incorporation or the date of recording of the Declaration, whichever occurs last. The commencement date of the fiscal year herein established shall be subject to change by the Board of Directors should condominium practice subsequently dictate.

**Section 2. Books and Accounts.** Books and accounts of the Corporation shall be kept under the direction of the Treasurer in accordance with sound accounting practices, consistently applied. The same shall include books with detailed account in chronological order, of receipts and of the expenditures affecting the Condominium project and its administration and shall specify the maintenance and repair expenses of the general and limited common elements and service and any other expenses incurred. The amount of any assessment required for payment on any capital expenditures of the Corporation may, in the discretion of the Board of Directors, be credited upon the books of the Corporation to the "Paid-in-Surplus" account as a capital contribution by the members.

**Section 3. Inspection of Books.** The books and accounts of the Corporation, vouchers accrediting the entries made thereupon and all other records maintained by the Corporation shall be available for examination by the Unit Owners and they duly authorized agents or attorneys, and to the institutional holder of any first mortgage on any Condominium Unit and its duly authorized agents or attorneys, during normal business hours and for purposes reasonably related to their respective interests and after reasonable notice.

**Section 4. Execution of Corporation Documents.** With the prior authorization of the Board of Directors, all notes and contract shall be executed on behalf of the Corporation by either the President or Vice-President, and all checks shall be executed on behalf of the Corporation by such officers, agents or other persons as are from time to time so authorized by the Board of Directors.

A description of any proposed amendment shall accompany the notice of any regular or special meeting at which such proposed amendment is to be voted upon.

**ARTICLE XVI  
Mortgagees**

**Section 1. Notice to Council of Unit Owners.** An Owner who mortgages his Unit shall notify the Council of Unit Owners (through the Management Agent, if any, or the President of the Council of Unit Owners in the event there is no Management Agent) of the name and address of his mortgagee; and the Council of Unit Owners shall maintain such information in a book entitled "Mortgagees of Units." "Mortgagees" as used herein and in Section 9.2 of this Article XVI shall be constructed to include any lender whose indebtedness is secured by a Deed of Trust or Mortgage recorded among the Land Records of Anne Arundel County, Maryland.

**Section 2. Rights of Mortgagees (FHLIC Requirements).** Except as provided by Statute in case of condemnation or substantial loss to the units and/or common elements of the Condominium regime, unless at least two-thirds (2/3) of the first mortgagees (based upon one vote for each first mortgage owned) or owners (other than Developer) of the individual condominium units have given their prior written approval, the Council of Unit Owners shall not be entitled to

- a. by act or omission seek to abandon or terminate the Condominium regime;

- d. by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the common elements. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the common elements by the Condominium shall not be deemed a transfer within the meaning of this clause.);

e. use hazard insurance proceeds for losses to any Condominium property (whether to units or to common elements) for other than the repair, replacement or reconstruction of such Condominium property.

**Section 3. Additional Rights of Mortgagees (FNMA Requirements).**

a. In addition to the above, no amendment of a material nature of the Declaration, Plats, these By-Laws (including any House Rules adopted pursuant to law or these By-Laws or other Condominium Documents) may be made unless approved by at least sixty-seven percent (67%) of the total votes appurtenant to all units in the Condominium (unless a greater vote is required by law, in which case the greater vote shall be required) and approval is obtained from eligible mortgage holders representing at least fifty-one percent (51%) of the votes of unit estates that are subject to mortgages held by eligible holders. (xv) Any action to terminate the legal status of the project after substantial destruction or condemnation occurs; or

(xvi) Any provisions that expressly benefit mortgage holders, insurers, or guarantors.

b. When Unit Owners are considering termination of the legal status of the Condominium regime for reasons other than substantial destruction or condemnation of the property, the eligible mortgage holders representing at least sixty-seven percent (67%) of the votes of the mortgaged Units must agree.

c. "Eligible mortgage holders" means those holders of a first mortgage on a Unit estate who have requested the Council of Unit Owners to notify them on any proposed action that requires the consent of a specified percentage of eligible mortgage holders.

d. If an addition or amendment is not considered as a material change -- such as the correction of a technical error or the clarification of a statement -- approval may be assumed when an eligible mortgage holder fails to submit a response to a written proposal for an amendment within thirty (30) days after the proposal is made, provided the notice was delivered by certified or registered mail, with a "return receipt" requested.

e. The holder, insurer or guarantor of the mortgage on any Unit in the project is entitled to timely written notice of:

**Section 4. Unpaid Assessments.** The Council of Unit Owners may report to a mortgagee of a Unit any unpaid assessment due from the Owner of the Unit, and take such other steps as it may deem reasonable to give notice of the nonpayment of such assessment. Further, upon the request of any mortgagee or a Unit, the Council of Unit Owners shall give written notification to the mortgagee of any default by the mortgagor of such Unit in the performance of such mortgagor's obligations under the Declaration, these By-Laws, and the related Condominium documents, which default is not cured within sixty (60) days.

**Section 5. Examination of Books.** Owners, first mortgagees, insurers and guarantors of first mortgages of Units shall have the right to examine the books and records of the Council of Unit Owners during normal business hours or under other reasonable circumstances.

**Section 6. FHLMC Notice.** Upon request, the Council of Unit Owners will give the Federal Home Loan Mortgage Corporation ("FHLMC") notice (care of Servicer or Servicer's address) in writing of any loss to, or taking of, the common elements of the Condominium if such loss or taking exceeds Ten Thousand Dollars (\$10,000.00).

**Section 7. Compliance With Law.** Whenever in the Declaration or these By-Laws approval of a mortgagee or mortgagees is required, such approval shall be necessary only to the extent it is required by or consistent with the Maryland Condominium Act.

All parking areas within the Property shall be considered part of the general common elements. Parking may be regulated by the Board of Directors and may initially be assigned by the Declarant and thereafter by the Board of Directors. No Unit Owner shall be assigned more than one (1) parking space by either the Board of Directors or the Declarant.

No Unit Owner shall invite, encourage or permit the use by his guests of parking spaces assigned to Units other than his own. Notwithstanding the foregoing, unassigned spaces or spaces designated for general use may be used on a "first come, first serve" basis. No vehicle belonging to any Unit Owner, or to any guest or employee of any Unit Owner, shall be parked in a manner which unreasonably interferes with or impedes ready vehicular access to any parking space assigned to any other Unit Owner.

Each Unit Owner shall comply in all respects with such supplementary rules and regulations which are not inconsistent with the provisions of these By-Laws which the Board of Directors may from time to time adopt and promulgate with respect to parking and traffic control within the Property, and the Board of Directors is hereby, and elsewhere in

these By-Laws, authorized to adopt such rules and regulations. The location of any parking space assigned to any Unit Owner may be changed by the Board of Directors, at any time and from time to time, upon reasonable notice thereof in writing.

EXHIBIT "C"

TO THE DECLARATION OF  
OAKLEAF VILLAS GARDEN CONDOMINIUM

PERCENTAGE INTERESTS IN COMMON ELEMENTS AND  
PERCENTAGE INTERESTS IN COMMON EXPENSES AND  
COMMON PROFITS AND VOTING RIGHTS

A. Each Condominium Unit Owner shall have the percentage interest in the Common Elements and in the common expenses and common profits of the Condominium as shown on the following tables. The Phases described below are as shown on Sheet 1 of the Condominium Plat as defined in the Declaration, and includes the initial Condominium and all Phases of expansion described in the Declaration. During the initial Phase 1 (Building No. 2 at 202 Juneberry Way), each Condominium Unit Owner of each Condominium Unit shall have an undivided percentage interest in the Common Elements, Common Profits and Common Expenses as follows:

| <u>Section I, Phase 1</u>                                                                                                                                           | <u>Percentage Interest Per Unit</u> |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|
| Building No. 2 at 202 Juneberry Way<br>Condominium Units 202-1A, 202-1B, 202-1C, 202-1D; Units 202-2A, 202-2B, 202-2C, 202-2D; Units 202-3A, 202-3B, 202-3C, 202-3D | 1/12 per unit                       |

B. As each subsequent Phase is added to the Condominium, the Percentage Interest in the Common Elements, Common Profits and Common Expenses shall be calculated as follows:

The Percentage Interest in the Common Elements, Common Profits and Common Expenses for each Condominium Unit shall be a fraction, the numerator of which shall always be the number one (1), and the denominator of which shall be the number of Condominium Units in all Phases that have been subjected to the Condominium Declaration including the number of Condominium Units in the Phase currently being added to the Condominium.

For example, if Phase 8, Building No. 8 at 306 Juneberry Way, with twelve (12) Condominium Units is the second Phase to be added to the existing Condominium of twelve (12) Condominium Units, for a total of twenty-four (24) Condominium Units, the Percentage Interest in the Common Elements, Common Profits and the Common Expenses of each Condominium Unit shall be 1/24.

In the event all anticipated 168 Condominium Units are added to the Condominium, then each Condominium Unit would have a Percentage Interest in the Common Elements, Common Profits and Common Expenses of 1/168.
