

**"PETROKIMIA GRESIK MENGAJAR"
ESTABLISH THE NEXT GENERATION OF DREAM-FILLED NATIONS
IN TEN ELEMENTARY-LEVEL SCHOOLS**

Number : 71/SP/PG/IX/2022
Day / Date : Sunday, September 25, 2022

Petrokimia Gresik, an Agro-industrial Solutions company and holding member of the Pupuk Indonesia is committed to producing the next generation of the nation full of dreams through the **Petrokimia Gresik Mengajar** program which was held in ten elementary schools around the company. Support was also provided in the form of scholarship assistance and teacher coaching money worth IDR 135 million.

President Director of Petrokimia Gresik, Dwi Satriyo Annurogo said that the teaching program with the theme "A Day of Sharing Dreams, Forever Inspiring" is a form of Petrokimia Gresik's concern to improve the quality of education for people in the country so that they are resilient in facing all challenges.

"The key to educational success is not enough to only master all the material in the curriculum, but it must also be seen from how strongly motivated students are to strive to realize their goals. As a part of BUMN with a role as development agents, are to inspire and strengthen the enthusiasm of children who are still in school," said Dwi Satriyo.

Petrokimia Gresik Teaching is a series of commemorations of "50 Years of Petrokimia Gresik". The ten schools targeted are Madrasah Ibtidaiyah Swasta (MIS) NU Lumpur, MIS Poemusgri, SD Negeri 3 Gresik, SD Negeri 15 Gresik, and MIS Futuhatul Ulum.

Next, Petrokimia Gresik Mengajar was also held at SD Negeri 4 Gresik, SD Negeri 12 Gresik, SD Negeri 2 Gresik, SD Negeri 44 Gresik, and MIS Miftahul Ulum. Where each school received assistance worth Rp12 million to Rp15 million.

"Education is not only the responsibility of the government, schools, and teachers. Education is a movement to educate the nation and must involve all parties, including Petrokimia Gresik. Therefore, we will continue to expand the reach of Petrokimia Gresik Mengajar activities," he said.

In the future, the Petrokimia Gresik Mengajar activity, which is an annual program, will also be carried out in several high schools / vocational schools in Gresik, Magelang, Yogyakarta, and Bali.

Meanwhile, this activity started by Petrokimia Gresik before the Covid-19 pandemic in 2019, which at that time was packaged in the "PG Millennial Teaching" program with the target of elementary schools on Bawean Island.

Finally, Dwi added, Petrokimia Gresik Mengajar is not only to improve the degree of education in the country but also to become a medium for learning leadership and social awareness for Petrokimia Gresik Personnel who are dominated by the Millennial generation so that in carrying out business operations the company also has concern for the world of education.
