

PETROKIMIA GRESIK GIVES RP 882.6 MILLION SACRIFICIAL ANIMAL ASSISTANCE FOR LOCAL COMMUNITIES

Number: 37/SP/PG/VII/2022

Day / Date: Sunday, 10 July 2022

During Eid al-Adha 1443H/2022, Petrokimia Gresik distributed sacrificial animals in the form of 16 cows and 98 goats valued at IDR 882.6 million for mosques, prayer rooms, communities, and related institutions, as well as the community around the company. The main director of Petrokimia Gresik, Dwi Satriyo Annurogo, symbolically handed over the sacrificial animals to the Chairman of the Takmir Nurul Jannah Mosque, Rohmad, in Gresik, East Java, Sunday (10/7).

Dwi Satriyo said that before distributing the sacrificial animals, both the cows and goats had been confirmed by a veterinarian for their health, so they were safe for consumption.

"Outbreaks of FMD (mouth and foot disease, ed) are still occurring in East Java, so to avoid risks when consumed and prevent transmission of this virus, we have ensured the health of the sacrificial animals that are distributed," said Dwi Satriyo

This sacrificial animal assistance is part of the company's Social and Environmental Responsibility (TJSL) program which is a routine agenda every Eid Al-Adha, and this year it also coincides with Petrokimia Gresik's 50th Golden Anniversary.

"This year's assistance with sacrificial animals has a very big meaning because it is a form of the company's gratitude for the community's support for Petrokimia Gresik for 50 years. So that the company can meet, even exceed targets in supporting national food security and realizing sustainable agriculture," said Dwi Satriyo.

The 16 sacrificial cows of Petrokimia Gresik were distributed to the Nurul Huda Mosque (Dsn. Meduran, Roomo Village); Roudlotul Abror Mosque (Roomo Village); Roudlotul Jannah Mosque (Kel. Tlogopojok); Karamah Mosque (Kel. Lumpur); Bale Susuukan (Ex. Mud); Maslakul Hidayah Mosque (Kel. Ngipik); Nurul Huda Mosque (Kel. Karangturi); and the Hidayatur Rohman Mosque (Kel. Karangpoh).

Then, the Baitul Muttaqin Mosque in Trepan Village; Nurul Huda Gunungsari Mosque (Surabaya); Al Inabah Mosque (Gresik Regency Government); Islamic Boarding School KH. Nur Muhammad; Al Ikhlas Mosque, Daninteldam V Brawijaya; Kodam V Brawijaya; Kodim 0817 Gresik; and the Gresik Police

Meanwhile, 98 sacrificial goats were distributed to mosques, prayer rooms, fisherman centers, non-governmental organizations (NGOs), non-governmental organizations (NGOs), and the media or the press.

The caretaker of the Maslakul Hidayah Mosque in Ngipik Village, Suistono, expressed his appreciation and gratitude because Petrokimia Gresik routinely pays attention to the community around the Maslakul Hidayah mosque through the assistance of sacrificial cows every year.

"Alhamdulillah, we have again received assistance from sacrificial cows. The condition of the animals is very healthy and the meat is good. As for the distribution, we will distribute the meat to the residents of Ngipik Village. Hopefully, Petrokimia Gresik will continue to develop," he said.

Finally, Dwi Satriyo revealed that this activity also provided double benefits for the community. Because, in addition to being a form of active company participation in religious activities around the company, the donation of hundreds of sacrificial animals can indirectly support the progress of Micro, Small, and Medium Enterprises (MSMEs) in the livestock sector.

"For that, I hope that the community can continue to provide support to Petrokimia Gresik so that the company can provide more benefits," he concluded.
