PETROKIMIA GRESIK HAS BEEN AWARDED SEVERAL NATIONAL LEVEL AWARDS FOR SUSTAINABLE INNOVATION AT THE 26TH NATIONAL WORK MEETING AND NATIONAL PRODUCTIVITY (TKMPN)

Number : 101/SP/PG/XI/2022
Date : Tuesday, November 29, 2022

The continuous innovation implemented by Petrokimia Gresik and its subsidiary recently received national-level appreciation by winning 30 awards at the 26th National Work Meeting and Productivity National (TKMPN) event in Lombok. 11 of these awards were in the Diamond category, which is the highest level award in the innovation convention.

Petrokimia Gresik's President Director, Dwi Satriyo Annurogo, stated that this achievement is proof that Petrokimia Gresik and its subsidiary have never stopped creating various breakthroughs in creating more effective and efficient business systems, as an effort to make Petrokimia Gresik a leader in the domestic commercial market and to encourage Pupuk Indonesia as the holding company to go global.

"The innovation DNA is always present in the body of Petrokimia Gresik employees. Alhamdulillah in recent years, the quality of the innovations presented has been getting better. This can be seen from the awards won at TKMPN every year, which also continues to increase," said Dwi Satriyo.

Over the past three years, TKMPN award wins have continued to increase. In 2020, amidst the Covid-19 pandemic, Petrokimia Gresik already won 22 awards and then increased again in 2021 to 25 awards. The same goes for Diamond awards, where in 2021 they managed to win 5 Diamonds and this year they brought home a total of 11 Diamonds.

Of the Diamond awards this year, 8 were won by the Petrokimia Gresik innovation group and 3 by the subsidiary innovation group. The Petrokimia Gresik innovation group that won Diamonds are GIO Lingfos, GIO Faba, GIO ErPort, GIO HCDev, GIO DTMS, GIO New Crossbar, SS Helem, GIO Jet High Tech. Meanwhile, the subsidiary innovation group that won Diamonds are SS Commorbid (Petrokopindo Cipta Selaras/PCS), SS Girobo (Petrokimia Gresik Employee Family Cooperative/K3PG), and SS PG Checking (K3PG).

The next award is six Platinum awards won by SS Si Makmur (Petrokimia Gresik), SS Exacc (Petrokimia Kayaku), SS StarPlus (Petrokimia Kayaku), SS Max (Petrokimia Kayaku), GIO Medipack (Petro Graha Medika), and GIO Sidang (Graha Sarana Gresik/GSG).

The next two awards are Gold awards won by SS SiK3ling (Aneka Jasa Grhadika/AJG) and SS Pekabis Daan (Petrokimia Kayaku). Lastly, there are other awards, six Best Performance awards for Gio ErPort, GIO DTMS, GIO Jet HighTech, GIO Faba, SS Girobo, and SS PG Checking; three Best Presenter awards for GIO Lingfos, SS Starplus, and GIO Medipack; and two Most Favorite awards for Gio ErPort and SS Exacc.

"Petrokimia Gresik in TKMPN this year sent 19 innovation groups, nine from Petrokimia Gresik and ten from anper. All of them successfully brought home achievements without exception," said Dwi Satriyo.
