

Petrokimia Gresik 50th Anniversary
**RECORDED PERFORMANCE AND POSITIVE CONTRIBUTION TO THE COUNTRY THROUGH
THE SPIRIT OF "BEYOND INFINITY"**

Number : 38/SP/PG/VII/2022
Day / Date : Monday, 11 July 2022

Commemorating the company's 50th anniversary, President Director of Petrokimia Gresik, Dwi Satriyo Annurogo, Monday (11/7) said that Petrokimia Gresik had provided positive performance and contributed more to Indonesia throughout 2021.

This achievement cannot be separated from the spirit of "Beyond Infinity" which was later carried as the theme of Petrokimia Gresik's golden anniversary. Where every member of Petrokimia Gresik must be able to overcome challenges, and must not be satisfied with mere targets and responsibilities.

"In 2021, Indonesia was still facing the second wave of the Covid-19 pandemic due to the emergence of the Delta variant. Some countries are also still limiting their trade access to prevent the transmission of Covid-19. Thank God, during this challenge, Petrokimia Gresik is still able to provide a satisfactory performance," said Dwi Satriyo.

Petrokimia Gresik managed to record a profit of IDR 1.94 trillion or 175% compared to the Company Work Plan and Budget (RKAP) of IDR 1.11 trillion with unqualified financial reports

Likewise, the realization of the Company's Health level obtained a score of 81.50 with the AA Healthy predicate or higher than the RKAP score of 76.00 A Healthy predicate.

This achievement could be achieved by Petrokimia Gresik because it was supported by breakthroughs from the company's employees. Throughout 2021 Petrokimia Gresik's innovations were able to create added value or real value creation of IDR 240.68 billion. This achievement is the contribution of 82% of employees who continue to think about improvement.

A number of these innovations have also attracted the world's attention through the four "3 Stars" or the highest category at the international innovation convention "26th Asia Pacific Quality Organization (APQO).

"This means that Petrokimia Gresik's innovative work does not only have an impact on profit for the company but also inspires and can bring achievements to the international level," said Dwi Satriyo.

It is an honor that Petrokimia Gresik has been able to take on a big role beyond what it is responsible for, during the Covid-19 pandemic. Petrokimia Gresik was entrusted with being the Coordinator of the BUMN National Disaster Response Task Force for the East Java Region. In carrying out its duties, Petrokimia Gresik succeeded in becoming a solution when

the medical oxygen crisis occurred in several health facilities, by reactivation of the Oxygen Production Unit – Air Separation Plant (ASP).

"We have proven together that Petrokimia Gresik is very capable of being an initiator in supporting the government in preventing the transmission of Covid-19 and mitigating its impacts," said Dwi Satriyo.
