

**PETROKIMIA GRESIK HAND OVER AIDS
FOR 10 VILLAGES AND 17 EAST JAVA SOEs POSTS**

Number : 36/SP/PG/VI/2020
Day & Date : Thursday, 4 June 2020
Place : Gresik
Event : The handover of aid in 10 villages and 17 East Java SOEs Posts

Petrokimia Gresik is Agroindustry Solutions company and holding member of Pupuk Indonesia as well as the Coordinator of East Java SOEs Task Force of Covid-19 handed over aid in the form of sinks for 10 (ten) villages around company and Personal Protective Equipment through East Java SOEs Task Force of Covid-19 in any region of East Java.

The aid was symbolically handed over by Command Center Head Team of East Java SOEs Task Force of Covid-19, Bachronsyah, at Tri Dharma Petrokimia Gresik, Thursday(4/5).

The 10 villages around the company that received aid were Roomo, Kebomas, Sukorame, Tlogopojok, Lumpur, Karangturi, Ngipik, Kroman, Karangpoh, and Tlogopatut Villages.

Corporate Secretary of Petrokimia Gresik, as well as Spokesperson for the Task Force, Yusuf Wibisono, explained that this aid was provided to welcome the implementation of New Normal in the communities surrounding the company.

This Pandemic already bring a lot change in community activity. So that there were some things that should be become new behavior to prevent the contagion of Covid-19 in community.

While, to help minimalizing Covid-19 contagion in East Java which always increasing, Petrokimia Gresik provided aid in the form of PPE again to 17 East Java SOEs Task Force of Covid-19 Posts in Magetan, Ngawi, Bojonegoro, Tuban, Lamongan, Sidoarjo, Bangkalan, Sampang, Pamekasan, Sumenep, Situbondo, Bondowoso, Banyuwangi, Pasuruan, Probolinggo, Surabaya.

The PPE which is handed over in the form of isolation coverall (200 pieces), surgical mask (10 boxes), 20 pieces of googles, nitril gloves (12 pairs), boot shoes (10 pairs), and plastic apron (20 pieces).

"This aid is one of Petrokimia Gresik's commitment to support government in fight against Covid-19 at East Java," Yusuf said.

Based on data from the East Java Provincial Government, Covid-19 confirmation cases in East Java reached 5,310 per Wednesday (3/6). In a day on the same date, positive cases of Covid-19 increased by 172 people. The biggest addition was from Surabaya City (55 cases), Kediri District (35 cases), and Sidoarjo (19 cases).

This aid is further complementing the aid provided by Petrokimia Gresik in supporting the government to prevent Covid-19 contagion. Furthermore, Yusuf said that his parties would continue to increase their commitment in helping the government break the chain of Covid-19 contagion, particularly in East Java.

"We invite all levels of society to remain discipline in implementing health protocols so that the spread of covid-19 can be more controlled," ended Yusuf.
