

Petrokimia Gresik Sharing & Caring  
**PETROKIMIA GRESIK DISTRIBUTE 1.000 FOOD PACKAGE AID  
FOR MALANG EARTHQUAKE VICTIMS**

Number : 25/SP/PG/IV/2021  
Day / Date : Sunday, April 11, 2021  
Place : Malang, East Java  
Event : The handover of aid in the form of 1.000 food packages for Malang earthquake victims

Petrokimia Gresik is an Agroindustry Solution company and member of the [Pupuk Indonesia](#) holding company, as well as Coordinator of the East Java SOE Disaster Response Task Force was giving Corporate Social Responsibility (CSR) aid in the form 1.000 food packages for Malang earthquake victims, through Malang Government, Sunday (11/4).

President Director of Petrokimia Gresik, Dwi Satriyo Annurogo, explained that 6.1 magnitude Malang earthquake causing the stuck of community activity, so that the victims need quick help.

"Therefore, through this CSR program "Petrokimia Gresik Sharing & Caring", we want to ease the burden on the victims as well as efforts to recover from the post-condition disaster," said Dwi Satriyo.

The contain of food packages are rice (5 kg), cooking oil (1 liter), sugar (1 kg), and instant noodle (3 packs). This CSR's aid was handed over to the local government then will be distributed to the victims.

"Although, Petrokimia Gresik is located in Gresik, we are very concerned about what experienced by earthquake victims in Malang and its surroundings," said Dwi Satriyo.

Like we already know, the shake of earthquake in Malang regency which was happened in Saturday afternoon not only felt in East Java, but also in some area like Yogyakarta until Bali and Lombok. The epicentre of the earthquake was at sea at a distance of 96 km to south of Kepanjen City, Malang Regency at a depth of 80 km. Despite the earthquake it is declared that there is no potential for a tsunami, but has caused damage to the building in some areas.

"Hopefully the aid we provide can ease the burden on the victims, and we hope the condition will recover soon, "he said.

### **Action Plan**

At the other side, Petrokimia Gresik as well as Coordinator of the East Java SOE Disaster Response Task Force has quick move in arranging the action plan for handling Malang earthquake. Dwi Satriyo explained that this step was taken so that disaster management could be implemented immediately in the field and the recovery process can also be completed immediately.

The 6 (six) action plan that would be carried by SOE Task Force are send medical team, build post and open volunteer, send aid (food packages, medicines, and emergency needs), help repair public facilities that have suffered material damage, coordination with the CSR team of all East Java SOEs for aid consolidation, and coordinating with Regional Disaster Management Agency around the location.

"We have coordinated with all SOEs who are members of the East Java SOE Task Force and ready to assist the government in handling the Malang Earthquake disaster. We hope the victims remain optimistic," said Dwi Satriyo.

Finally, Dwi Satriyo ensures all fertilizer warehouses and official kiosks in Malang area was not affected by the disaster, so the operational distribution and distribution of fertilizers subsidized will continue to run smoothly.
