**PETROKIMIA GRESIK DISTRIBUTES 1,000 PACKAGES OF FOOD PACKAGES FOR  
VICTIMS OF FLOOD IN JOMBANG AND PATI DISTRICT**

Number : 12/SP/PG/II/2021  
Day / Date : Thursday, 18 February 2021

Petrokimia Gresik is an Agroindustry Solution company and member of [Pupuk Indonesia](#) holding company, again distributed aid of *Corporate Social Responsibility* (CSR) in the form of 1,000 food packages worth IDR 100 million for flood victims in Jombang (East Java) and Pati (Central Java), Tuesday (16/2).

"We distribute this aid in two regions, each with 500 packages for flood victims in the regency of Jombang and Pati," said the Corporate Secretary of Petrokimia Gresik, Yusuf Wibisono, Thursday (18/2).

Each food package contains rice (5 kg), cooking oil (1 liter), sugar (1 kg), and instant noodles (3 packs). CSR's aid was symbolically handed over by representatives of Petrokimia Gresik to the local District Government for further distribution to flood victims in several areas

Yusuf said, in recent times, Indonesia has been grieving a lot because of natural disasters that have hit several regions in the country. For this reason, the "**Petrokimia Gresik Cares & Share**" program is here to help ease the burden on the community as well as efforts to restore the economy of residents after a disaster.

"Even though the company's operational area is in Gresik, Petrokimia Gresik has empathy with what our relatives, victims of natural disasters have experienced in various regions in Indonesia," said Yusuf Wibisono.

This is because this condition causes the people's economy to be disrupted, especially since the Covid-19 outbreak is still around us, so we need help to survive and recovery efforts.

Previously, Petrokimia Gresik also provided a number of aid to victims of natural disasters in Indonesia, including 1,300 victims of the earthquake in Mamuju (West Sulawesi), flood victims in 35 villages in Lamongan Regency, 1,000 packages of food packages, flood victims in Gresik Regency, flood and landslide victims in Bogor.

Meanwhile, flooding in Jombang Regency has occurred since early February 2020 due to a broken embankment in the Konto River, which is upstream from Mount Kelud. There are approximately 5,480 people who were affected by the flood and some were been evacuated.

While floods in the district. Pati due to overflowing of the Juwana River. The total affected houses reached 3,938 houses, while those that were flooded reached 2,931 houses spread across six sub-districts.

"We hope these aid can motivate disaster victims to recover soon, because there are still many of their relatives who care," he concluded.
