

400 CHILDREN FOLLOWED PETROKIMIA GRESIK FREE CIRCUMCISION EVENT

Events : Free Circumcision Event
Location : Tri Dharma Multipurpose Building
Day / Date : Wednesday, June 26th, 2019

PT Petrokimia Gresik (PG) again held a free public circumcision at Tri Dharma Multipurpose Building on Wednesday (6/26). A total of 400 children became participants in the 34th public circumcision held by this subsidiary of PT Pupuk Indonesia (Persero).

PG President Director, Rahmad Pribadi who was present at the opening of this event delivered, this free public circumcision was held during commemoration of the 47th PG's Anniversary and Celebration of the 74th Republic of Indonesia Independence.

"The whole series of activities carried out is an expression of our gratitude of PG's new age which will be 47 years old on July 10th", Rahmad said.

This year's public circumcision participants came from villages around the company, 100 of them were villagers along Babat (Lamongan) and Gunungsari (Surabaya) water pipes. Every participant got a complete circumcision package starting from the circumcision process, treatment, control, sarong and allowance of Rp 200 thousand. Therefore, total assistance given by PG in this activity reached Rp. 394 million.

In its implementation, PG collaborated with a team of doctors and paramedics from Petrokimia Gresik Hospital (RSPG).

In his speech, Rahmad Pribadi expressed his gratitude for the enthusiasm and participation of the surrounding community, especially parents of participants who were willing to drive from far away to accompany their children to be involved in this activity.

Over the past 34 years, PG had circumcised around 8,260 children. This was part of Corporate Social Responsibility (CSR) and a manifestation of the company's concern for the community around.

"Such activities are focus of Petrokimia Gresik to continue to improve its usefulness for the surrounding community. Hopefully it can ease their burden, maintain relationship and increase community pride to the company", said Rahmad.

On this occasion, Rahmad also asked for prayers and support from the community so that PG is able to carry out the government's mandate properly, in order to realize national food security as well as being a leading agroindustry solution company in Indonesia.

"We are aware that without prayer and support from the surrounding community, PG will not be able to exist until the age of 47 in this year. For that we ask for prayer that PG is always given ease, prosperity and increasing positive contribution to Indonesia", Rahmad concluded.
