

**Improving Port Quality  
PETROKIMIA GRESIK SIGNS PORT SERVICE AGREEMENT**

Location : Gresik  
Day / Date : Friday, August 30<sup>th</sup>, 2019

PT Petrokimia Gresik (PG), a member of PT Pupuk Indonesia Holding Company, along with Kesyahbandaran Office and Port Authority (KSOP) class II Gresik was signing agreement of port service and water use for building and other activities in the Terminal for personal needs (TUKS) of PG. The signing was done by the President Director of PG, Rahmad Pribadi and Head of KSOP class II Gresik Office, R. Totok Mukarto in Kemuning Room, Head Office of PG, Friday (30/8).

Rahmad said that the port management supported the company in strengthen the commercial product (fertilizer and non-fertilizer), for domestic and foreign consumers. Especially, at this time PG is doing business transformation become solution for agroindustry and one of the targets is become the market leader and dominant player at commercial market.

“The role of port become more vital because at this time Petrokimia Gresik exports a lot, as we can see in the middle of August we have been export 45.000 ton of urea to India,” Rahmad said.

Rahmad further explanation that TUKS of PG itself has unloading and loading capacity until 7,5 million tons/year, with 825 meters long and a ship with 30-60 thousand tons weight can leaned on it.

“This year PG set many new records in fertilizer export. This can be happen because of the support of KSOP class II Gresik in the company port event,” Rahmad added.

Therefore, Rahmad said thank you to KSOP class II Gresik who had been giving any suggestions in PG TUKS operation. The port process in PG run smoothly and appropriate with the applicable laws and regulations.

Meanwhile, as a form of obedience, PG always pays the non-tax revenue (PNBP) in water use. Through this cooperation, PG also helped increase state revenue.

“Through this agreement, we expect the operational activity of unloading and loading in TUKS of Petrokimia Gresik can work safely, well-order, and smooth. In the future, this cooperation is expected become better. Over the last few years, we are satisfy with the service from KSOP class II Gresik,” Rahmad.
