

**WON 19 AWARDS
THE PERFORMANCE OF PETROKIMIA GRESIK IS RECOGNIZED BY INTERNATIONAL**

Number : 53/SP/PG/X/2019
Day & Date : Saturday, October 19, 2019
Event : International Business Award (IBA) 2019
Place : Vienna, Austria

Petrokimia Gresik as a producer of fertilizer and chemical substance for agroindustry solution, received recognition again for the good performance in International by won the 19 awards at the 2019 International Business Award.

Production Director of Petrokimia Gresik, I Ketut Rusnaya, represented the company received the awards at gala event in Vienna, Austria, Saturday (19/10). The 19 awards are consist of five gold, two silver, eleven bronze, and the top awards of IBA is crowned as the winner of 2019 Grand Stevie Awards.

“We are very grateful because the performance of Petrokimia Gresik receives recognition from International stakeholder. This is a form of a real result from business transformation program,” said Ketut.

It was the third year Petrokimia Gresik enrolled in the prestigious event International Business Award. The awards that received by the subsidiary company of PT Pupuk Indonesia (Persero) is always increase year by year.

This year, Petrokimia Gresik successfully defended the predicate gold “Company of the Year” for Chemical-Large category. Besides that, I Ketut Rusnaya also crowned as Production Director and Chief of Innovation Program.

The other gold awards are new method findings in quality testing "New Quality Testing Method" disfosforus pentaoksida (P2O5), Petro Agrifood Expo (PAE) 2018, and Skills Training (LOLAPIL).

The silver category, Petrokimia Gresik received awards for good performance of Public Relations in Communicaations Department of The Year category and implementation of the National Occupational Health and Safety (K3).

Meanwhile the predicate bronze were awarded to Muhammad Ihwan F as Public Relations Manager, 2017 Annual Report: Building Our Nation’s Hope by Strengthening Food Independency, Petrokimia Gresik Internal Printed Magazine (GEMA), program of "I Dare You" Challenge: A CEO’s Initiative to Boost Millennial Engagement, PAE 2018: Delivering Sustainable Innovations to Indonesia’s Agriculture Sector, Website CGM: New System for Effective Cost of Goods Manufactured (CGM) Evaluation, dan five awards for Empowering Our Youth Entrepreneurship program.

Ketut expect, this award does not make the employee of Petrokimia Gresik satisfied, but become a motivation to keep increasing the performance through Innovation so that it will make Petrokimia Gresik become market leader and dominant player in agroindustry sector.

“This achievement becomes new standard for Petrokimia Gresik to improve the performance to give many benefits and contribution for national economic development and surrounding community,” said Ketut.

IBA is an international award that aimed to give appreciation to companies/organizations which show strong dedication to the employee, commitment to client and innovation.

IBA puts various categories for recognition of achievement in every aspect Working Life, Includes Management Award, New Product Award, Marketing Award, Public Relations Award, Customer Service Award, Website Award, and much more. The determination of gold, silver, and bronze Stevie Award in IBA is determined by hundreds of professionals in the world.
