

English Assessment Grid : Cloud Busting : Year 5

<h2>Cloud Busting</h2>																			
Group: <input type="text"/>		Year: <input type="text"/>		Term: <input type="text"/>															
<h3>English</h3>																			
Lesson 1	Do children understand what 'verse' is?																		
	Can children discuss what they know, and what they can infer, about the characters from the text?																		
	Can children express their knowledge and understanding of a character through their written work?																		
Lesson 2	Can children share their perceptions of different characters?																		
	Can children explore and discuss the effect that the presentation of verse has on their understanding of characters and events?																		
	Can children deduce and infer a character's thoughts and feelings?																		
Lesson 3	Can children answer questions using evidence from the text?																		
	Can children make predictions based on evidence from the text?																		
	Can children justify their views?																		
Lesson 4	Can children recall and discuss events in the text and predictions made in the previous lesson?																		
	Can children compare and contrast the reactions of different characters to an event in the text?																		
	Can children relate events in the book to experiences they might have had themselves?																		
Lesson 5	Can children use given extracts from the text to justify their answers to questions?																		
	Can children identify how the two main characters have changed?																		
	Can children suggest and explain reasons for these changes, with reference to the text?																		
Lesson 6	Do children understand what a 'theme' is?																		
	Can children identify and discuss some of the themes within the book?																		
	Can children share and explain their own thoughts and feelings about the events and themes within the book?
