Geography Objectives | KS1 | Curriculum Pack OPTION 2

	Year 1				Year 2		
Objective		Around the World	Life in the City		Where do I live?	Let's go to the Arctic	Map Makers
name and locate the world's seven continents and five oceans							
name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas							
understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country							
identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles							
use basic geographical vocabulary to refer to key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather							
use basic geographical vocabulary to refer to key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop							
use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage							
use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map							
use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key							
use simple fieldwork and observational skills to study the geography of their school and its grounds and the key human and physical features of its surrounding environment		_				_
