	Can children write their own address?														
	Can children describe where they live?														

PlanBee Geography Assessment : Around The World : KS1

Around The World Geography

Group:

Year:

Term:

Lesson 1	Do the children know that the world is split into seven continents?																		
	Can children locate Europe on a world map?																		
	Can children describe some of the features and characteristics of France?																		
Lesson 2	Can children locate Asia on a world map?																		
	Can children identify China on a world map?																		
	Can children describe some of the features and characteristics of China?																		
Lesson 3	Can children locate Australia on a world map?																		
	Do children know that Australia is a country and not a continent?																		
	Can children describe some of the features and characteristics of Australia?																		
Lesson 4	Can children locate Africa on a world map?																		
	Can children identify Kenya on a world map?																		
	Can children describe some of the features and characteristics of Kenya?																		
Lesson 5	Can children locate North America on a world map?																		
	Can children identify the United States of America on a world map?																		
	Can children describe some of the features and characteristics of the USA?																		
Lesson 6	Can children locate South America on a world map?																		
	Can children identify Brazil on a world map?																		
	Can children describe some of the features and characteristics of Brazil?																		
Lesson 7	Can children locate Antarctica on a world map?																		
	Can children describe some features and characteristics of Antarctica?																		
	Can children locate the seven continents of the world on a map and identify a country in each one?																		

PlanBee Geography Assessment : The Four Seasons : KS1

Group:

Year:

Term:

--	--	--	--	--	--	--	--	--	--	--	--	--	--	--

Lesson 1	Do children know that weather patterns change throughout the year?													
	Do children know that there are four seasons in a year?													
	Can children name the months of each season?													
Lesson 2	Do children know when spring is?													
	Can children describe what the weather is like in spring?
