Grip-Tite's sole obligation with respect to such warranty shall be limited to repairing or replacing the part or parts shown to have been defective. Grip-Tite may require return of the product to establish a claim. Any variance from recommended applications, system design, installation and service practices shall be considered as abuses and render this warranty null and void. In no event shall Grip-Tite's liability exceed the wholesale dealer price paid for the products claimed to be defective and under no circumstances will Grip-Tite be liable for any consequential, resulting or special damages arising from a breach of this warranty. The express warranty given by Grip-Tite shall be exclusive and given in lieu of all other warranties (including without limitation, the implied warranties of merchantability and fitness for a particular purpose), which warranties are hereby disclaimed and excluded from all sales of System components to our dealers. Performance warranties provided by Dealer are separate and in addition to Grip-Tite's warranty.
