

2nd MEETING EU CHAPTER

Organized by INTERNATIONAL SOCIETY
ON FLUORESCENCE GUIDED SURGERY

8th & 9th
December 2022
Future4care - PARIS

ORGANIZERS :

Pr David Fuks
Dr Nicolas Golse
Dr Ugo Marchese
Pr Eric Vibert

Antoine de Baïf
75013 Paris

PROGRAM

THURSDAY, 8 DECEMBER 2022

11:00am-1:00pm: Private ISFGS members board

2 pm - 2:15 pm

WELCOME ADDRESS

Luigi Boni (IRCCS - Ca' Granda - Policlinico Hospital and University of Milan - Italia) & **Eric Vibert** (Hepatobiliary Center, Paul Brousse hospital, Villejuif - France)

2:15 pm - 4:00 pm

Fluorescence in Digestive Surgery

Chairs: Sylke Schneider (Klinikum Südstadt Rostock - Germany), **David Fuks** (Cochin Hospital, France) and **Luigi Boni**

- Liver Surgery: ICG patterns in liver surgery - **Concepción Gómez-Gavara** (Vall d'Hebron Barcelona Hospital Campu, Barcelona - Spain)
- Tips and tricks in fluorescence liver surgery - **Ugo Marchese** (Cochin Hospital, Paris - France) and **Eric Vibert**
- Cholecystectomy: indications and results of fluo cholangiography. Dose and Timing - **Patrick Pessaux** (Hôpitaux Civils de Strasbourg - France)
- Colon: ICG in Colonic Surgery - **Frederic Ris** (Hôpitaux universitaires de Genève - Switzerland)

4:00 pm - 4:45 pm

COFFEE BREAK

4:45 pm - 6:00 pm

Future of fluorescence

Chairs: Nicolas Golse (Hepatobiliary Center, Paul Brousse hospital, Villejuif - France) and **Alexander Vahrmeijer** (Leiden University Medical Center - The Netherlands) and **Jean-Marc REGIMBEAU** (Service de Chirurgie Viscérale et Digestive, CHU Amiens)

- Interest of Intravenous Cholangiography With Indocyanine Green in the Context of Laparoscopic Cholecystectomy for Grade 1 and 2 Acute Gallstone Cholecystitis (VIFCAL) - **Hugo DEFIVES** (Service Chirurgie Viscérale et Digestive, CHU Amiens)
- Optical imaging for clinical pathology and surgery in oncology: A 15-year experience at Gustave Roussy - **Muriel Abbaci** (Gustave Roussy Institute, Villejuif - France)
- Mathematical interpretation of dynamical fluorescence - **Irene Vignon Clementel** (INRIA - France)

PROGRAM

FRIDAY, 9 DECEMBER 2022

9:30 am - 11:30 am

Fluorescence in Miscellaneous Indications #1

Chairs: Daniel Rosenthal (*Neurochirurgische Praxis Bad Homburg - Germany*), **Rutger Schols** (*Maastrich University - The Netherlands*) and **Tomas Carus** (*Elisabeth-Hospital - Germany*)

- Thyroid - **Gianluca Donatini** (Poitiers, France)
- Urology: ICG in Urologic Surgery - **Ronney ABAZA** MD, FACS (Central Ohio Urology Group & Mount Carmel Health System Prostate Cancer Program, Columbus, Ohio, USA)
- Pediatric surgery - **Stefano Giuliani** Great Ormond Street Hospital for Children NHS Foundation Trust, London - UK)
- Plastic and reconstructive: Electronic - **J R Van Der Vorst** Leiden University Medical Center, Leiden - The Netherlands)
- Gynecologic - **Nicolas Bourdel** (CHU Estaing and Faculty of Medicine, Clermont-Ferrand - France)

11:30 am - 1:00 pm

LUNCH BREAK

Chairs: Ludovica Badari (*Policlinico di Milano - Italia*) and **Manish Chand** (*University College London Hospital - UK*)

- New fluorophores and targeted agents - **Alexander Vahrmeijer** (Leiden University Medical Center - The Netherlands)
- Rectum - **Laurents Stassen** (Maastricht Universitair Medisch Centrum - The Netherlands)
- Pancreas - **Alexandre Doussot** (Hôpital de Besançon, France)
- Laparoscopic Hepatobiliary and Pancreatic Surgery - **Takeaki Ishizawa** (Osaka Metropolitan University - Japan)

3:00 pm - 3:30 pm

Arthrex Symposium

- Clinical impact of liver and bile duct fluorescence-guided surgery

Eric Vibert (co-founder of the BOpA Innovation Chair - surgeon at the Hepato-Biliary Center of the Paul-Brousse hospital | Greater Paris University Hospitals) and **Daniel Cherqui** (Paul-Brousse Hospital, Paris, France)

3:30 pm - 4:00 pm

COFFEE BREAK

4:00 pm - 5:45 pm

Fluorescence in Miscellaneous Indications #2

Chairs: Delia Cortés Guiral, (Director of Institute Viamed of Advanced Surgical oncology - IVOQA, Spain) and **Eric Vibert**

- Thoracic surgery - **Ilies Bouabdallah** (Saint Joseph Hospital, Marseille, France)
- Peritoneal Carcinomatosis - **Delia Cortés Guiral** (Director of Institute Viamed of Advanced Surgical oncology - IVOQA, Spain)
- Breast - **Vasileios Pitsninis** (School of Medicine Ninewells Hospital and Medical School NHS Tayside - Scotland)
- Head and Neck - **Fares Benmiloud** (Hôpital Européen, Marseille, France)
- Multispectral camera - **Sylvain Gioux** (Imaging Research, Aubonne - Switzerland)

5:45 pm - 6 pm

CONCLUSION OF THE CONGRESS

Raul Rosenthal (Cleveland Clinic, Weston - Florida) and **David Fuks** (Cochin Hospital, Paris - France)
