Replacement Cost Schedule
Version 1.0.0 - Effective Date 9th November 2026

This Replacement Cost Schedule forms part of the Terms of Service of PlayerData Inc (US) and PlayerData Limited (UK), as applicable to the Customer's Order. Capitalized terms have the meanings given in the Terms. Charges are payable in the currency of the Customer's Order and are exclusive of applicable taxes. The charges that apply are those in this schedule on the date PlayerData issues the relevant invoice. PlayerData may update this schedule, and updates take effect 30 days after PlayerData publishes them, in accordance with the Terms. No charge applies for fair wear and tear arising from normal use.

Prices below are Replacement Charges per item.

Non-Return Charge: two times the Replacement Charge for each item not returned in accordance with section 16.1.2 of the Terms.
