1st September 2003

Prof. PL Ariyananda,
Department of Medicine,
Faculty of Medicine,
Galle

Dear Prof. Ariyananda,

A study to investigate the circumstances and survival following ingestion of paraquat in Sri Lanka

The Ethics committee at its meeting on 12th August 2003 reviewed your letter in response to our queries and was satisfied with your clarifications and explanations.

The committee has now granted ethical clearance for your study.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Nelun de Silva'.

Dr. Nelun de Silva

Chairperson
