

S3 Figure. Convergence plot of trial simulations: all mortality

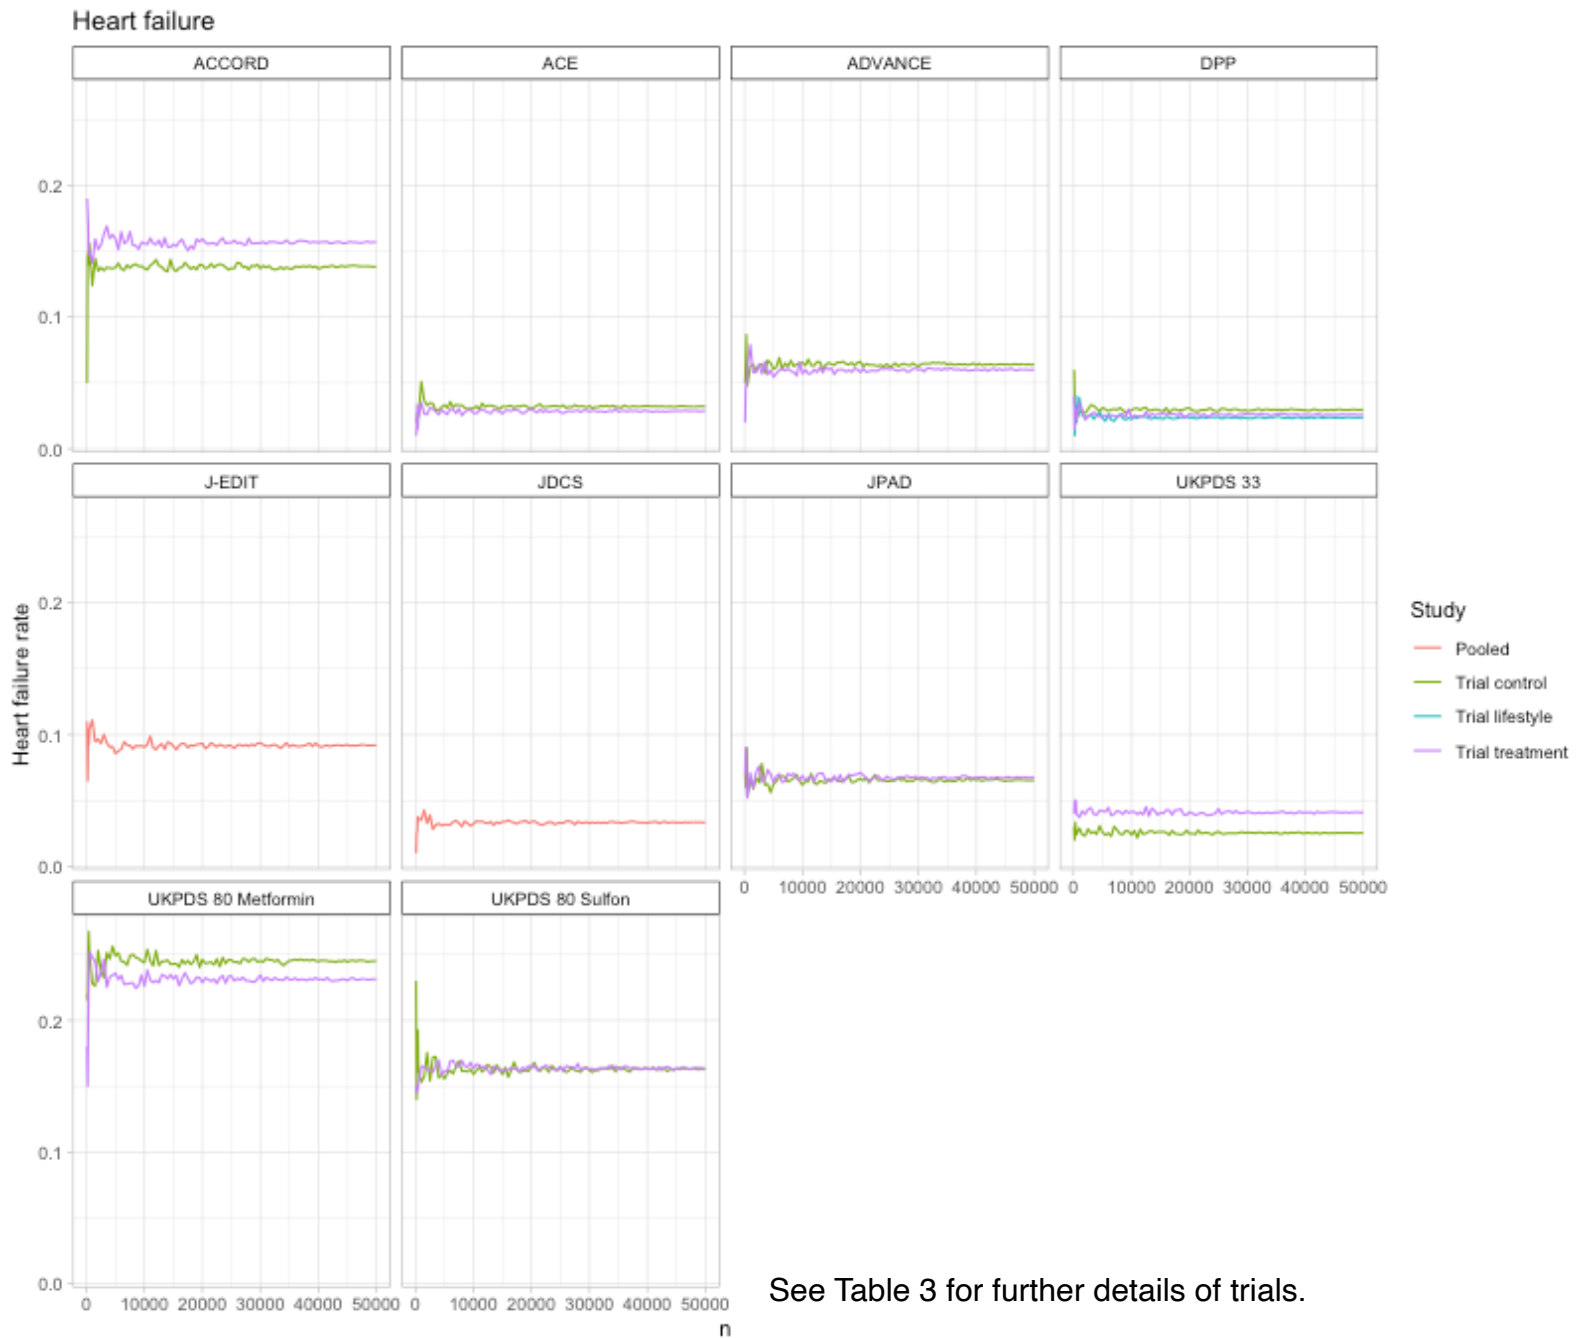

See Table 3 for further details of trials.

S3 Figure. Convergence plot of trial simulations: cataract

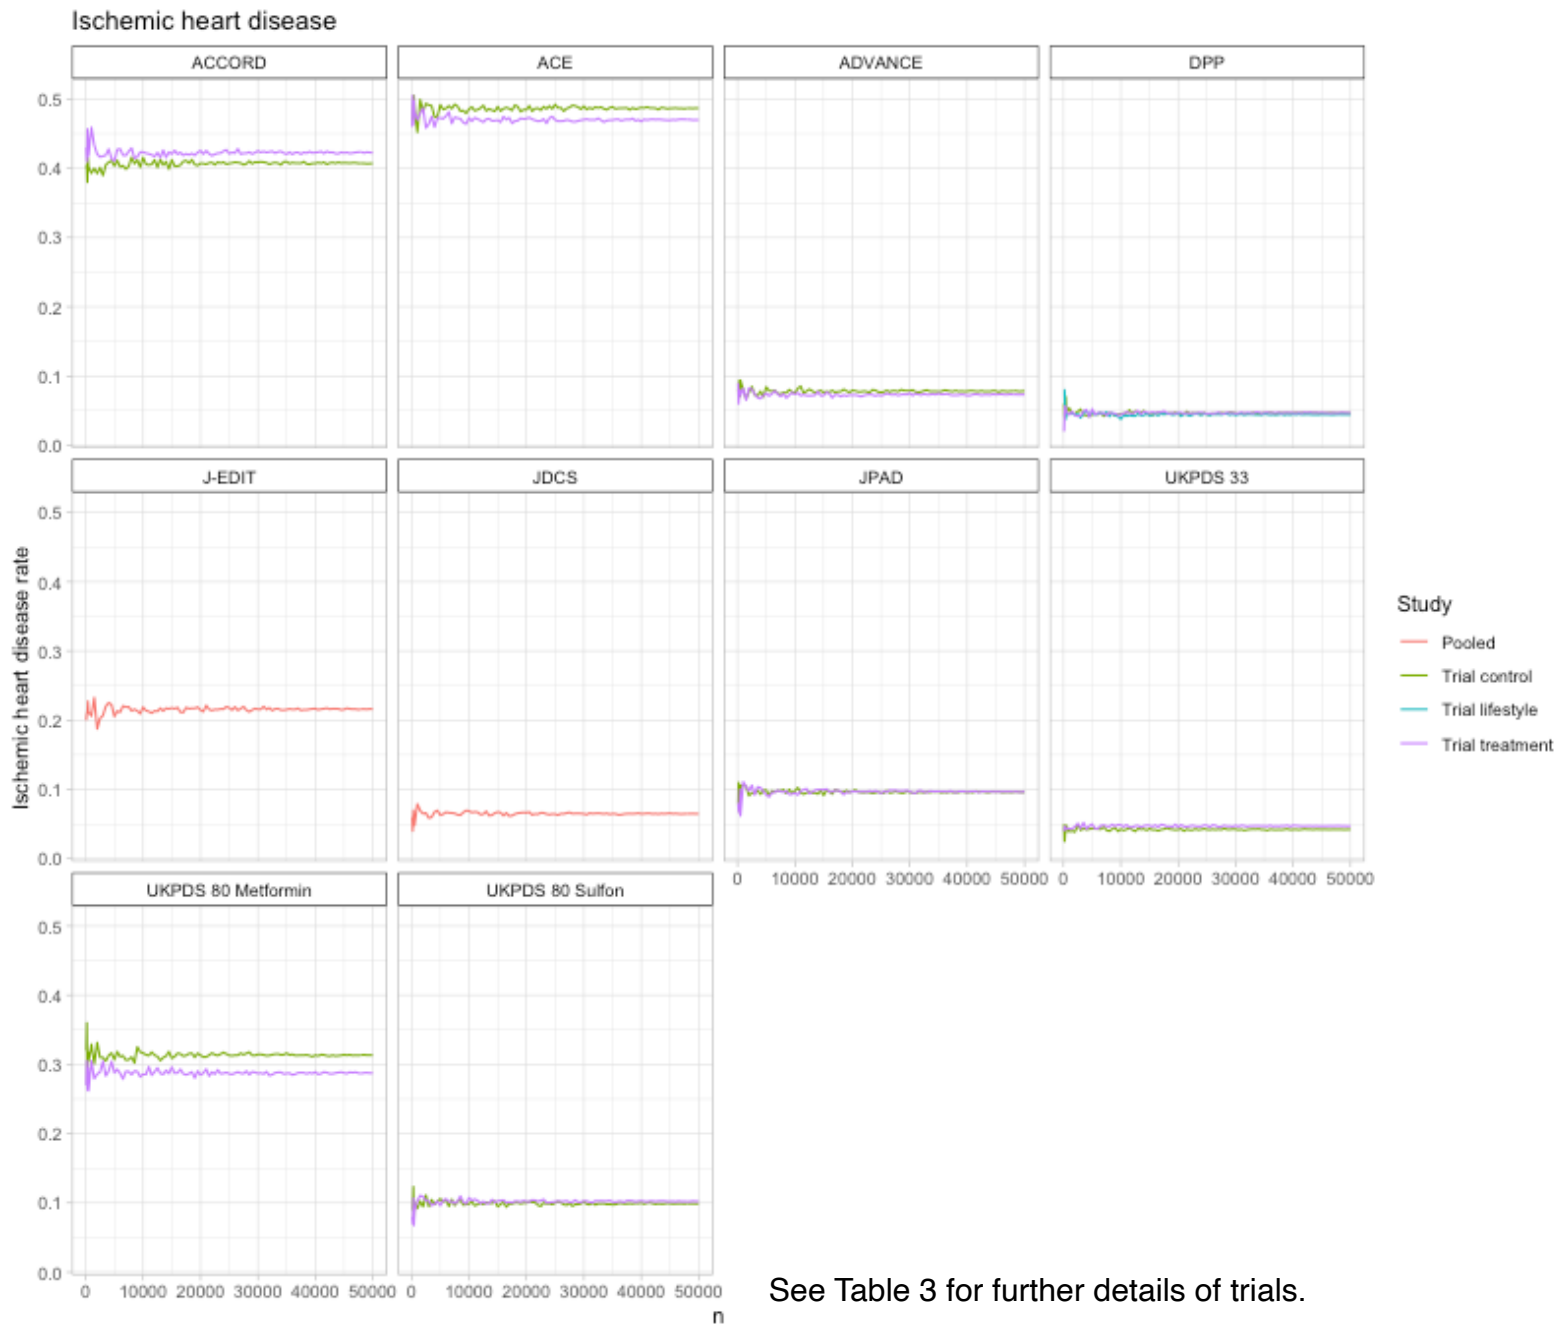

S3 Figure. Convergence plot of trial simulations: heart failure

See Table 3 for further details of trials.

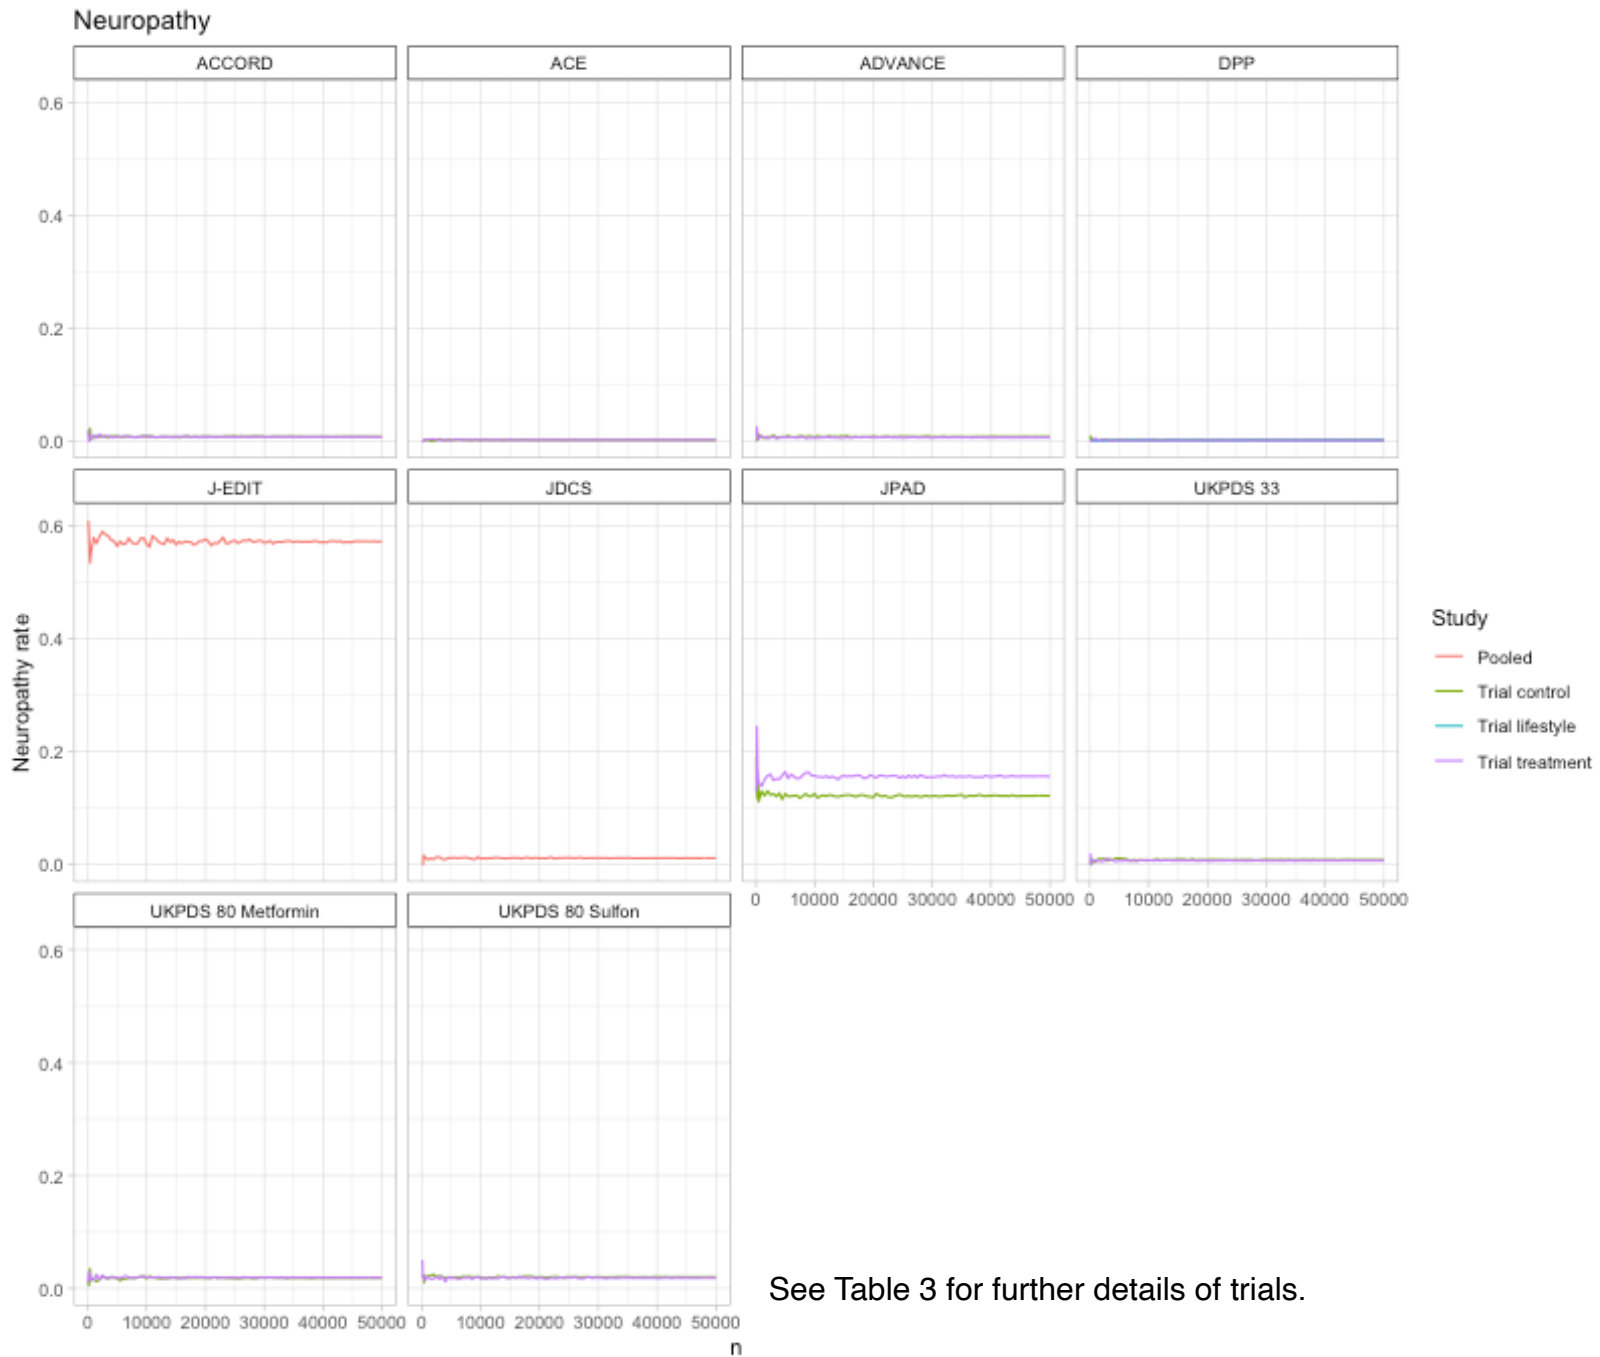

S3 Figure. Convergence plot of trial simulations: ischemic heart disease

See Table 3 for further details of trials.

S3 Figure. Convergence plot of trial simulations: neuropathy

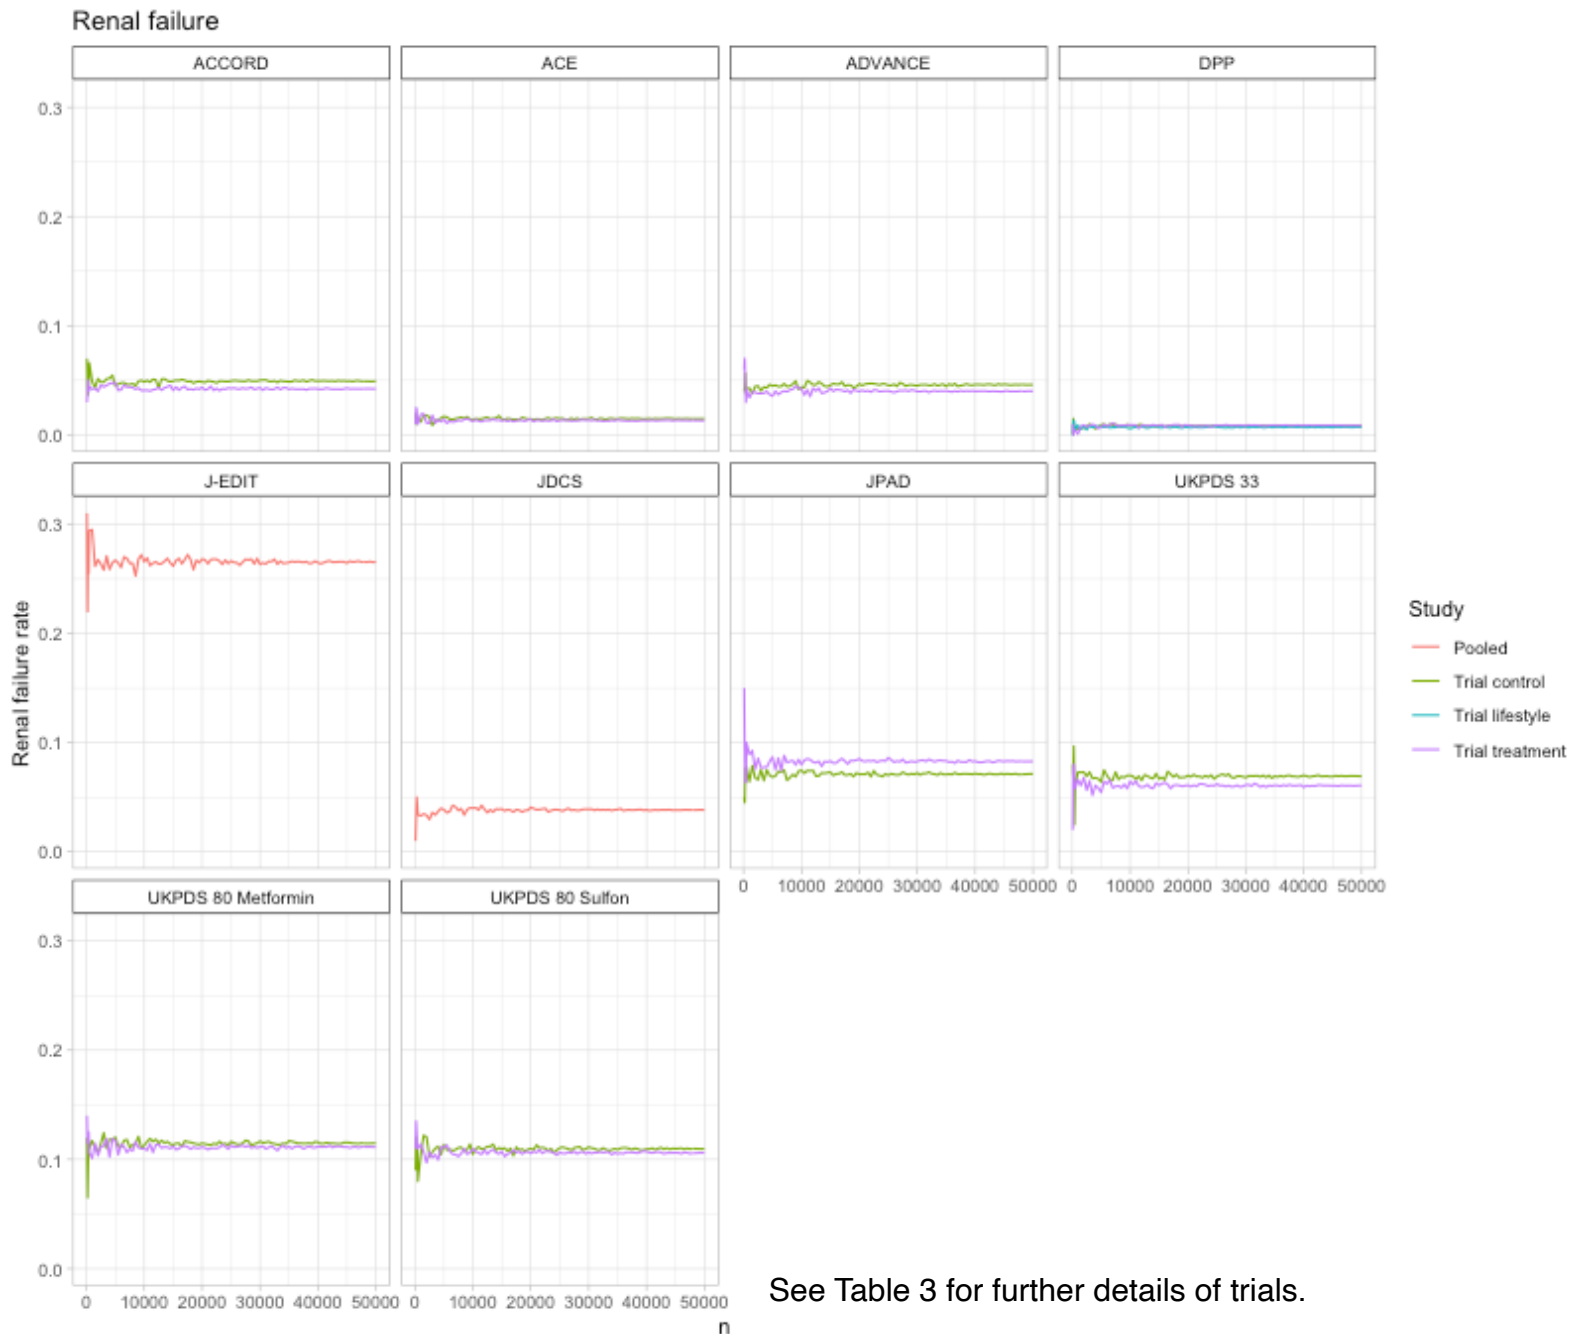

See Table 3 for further details of trials.

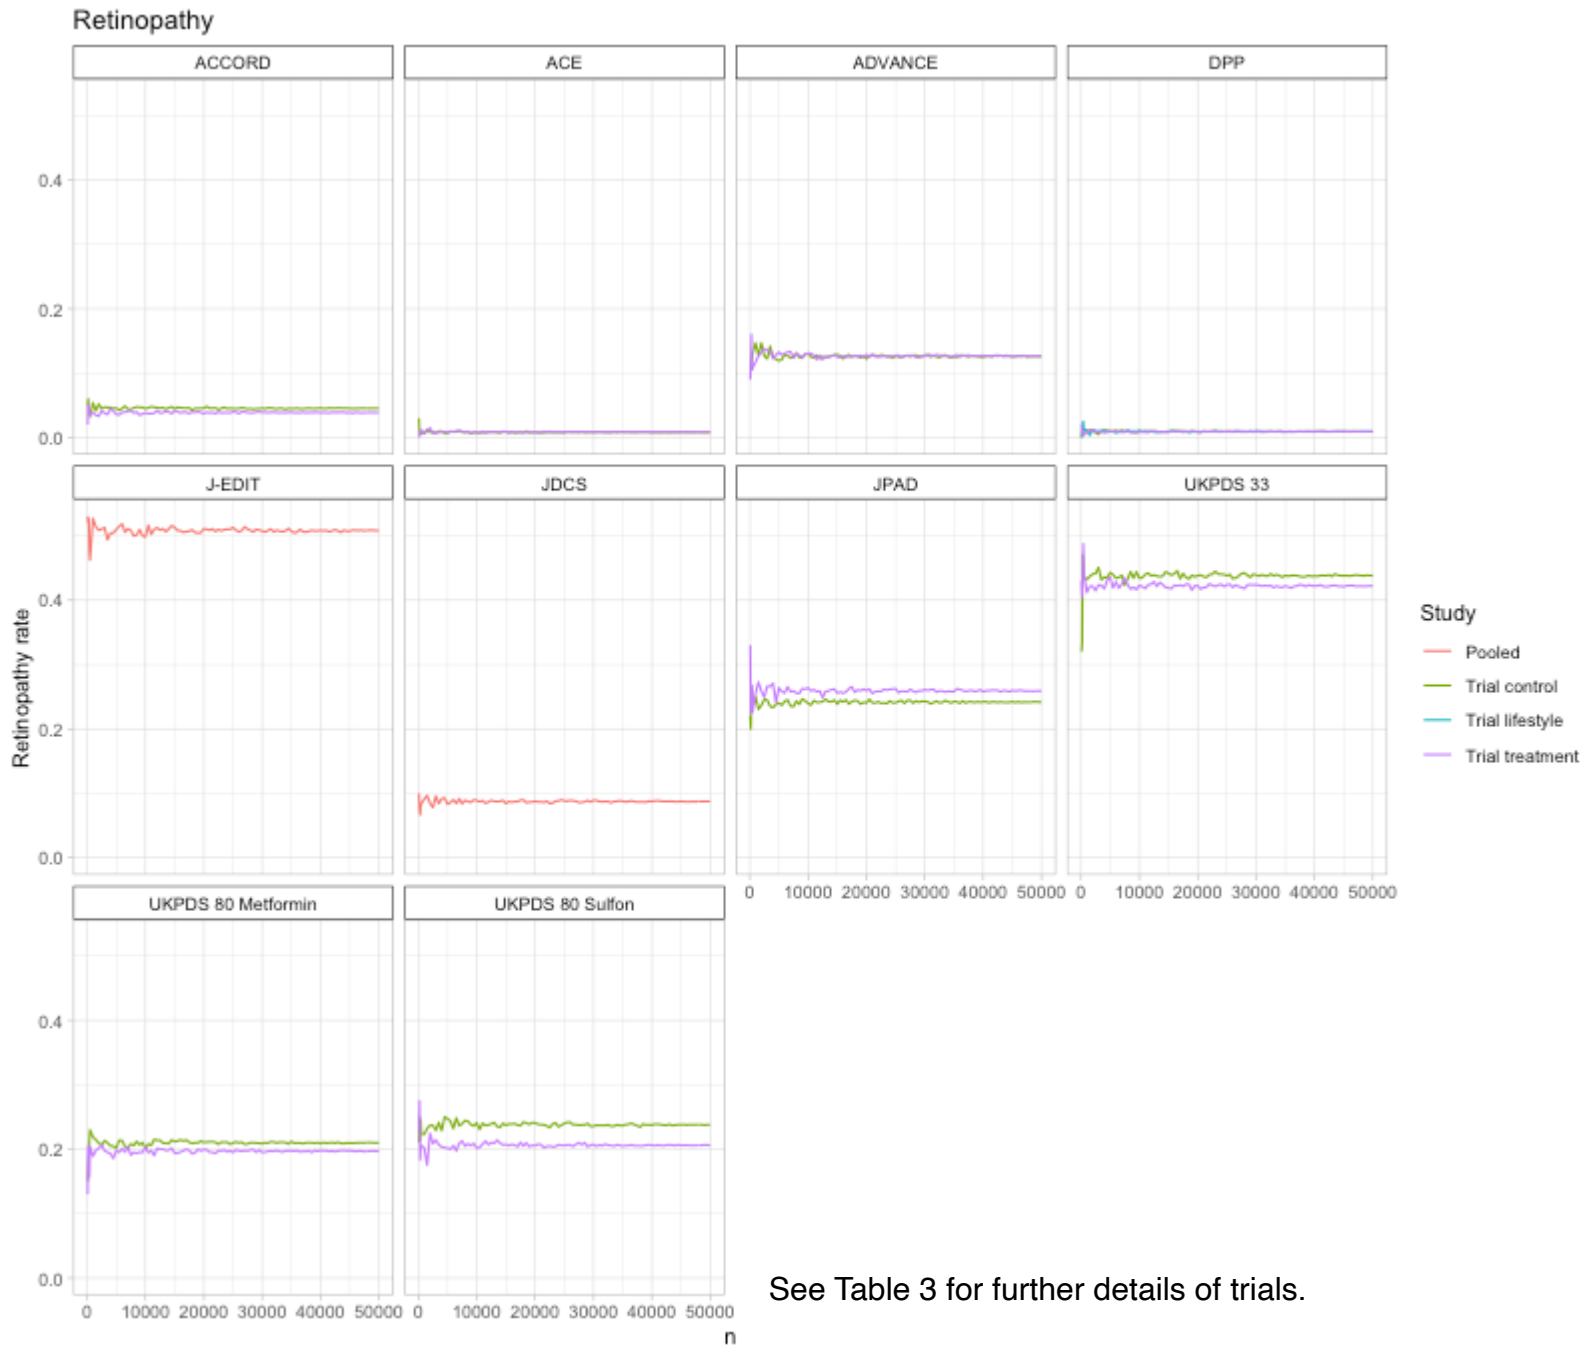

S3 Figure. Convergence plot of trial simulations: renal failure

See Table 3 for further details of trials.

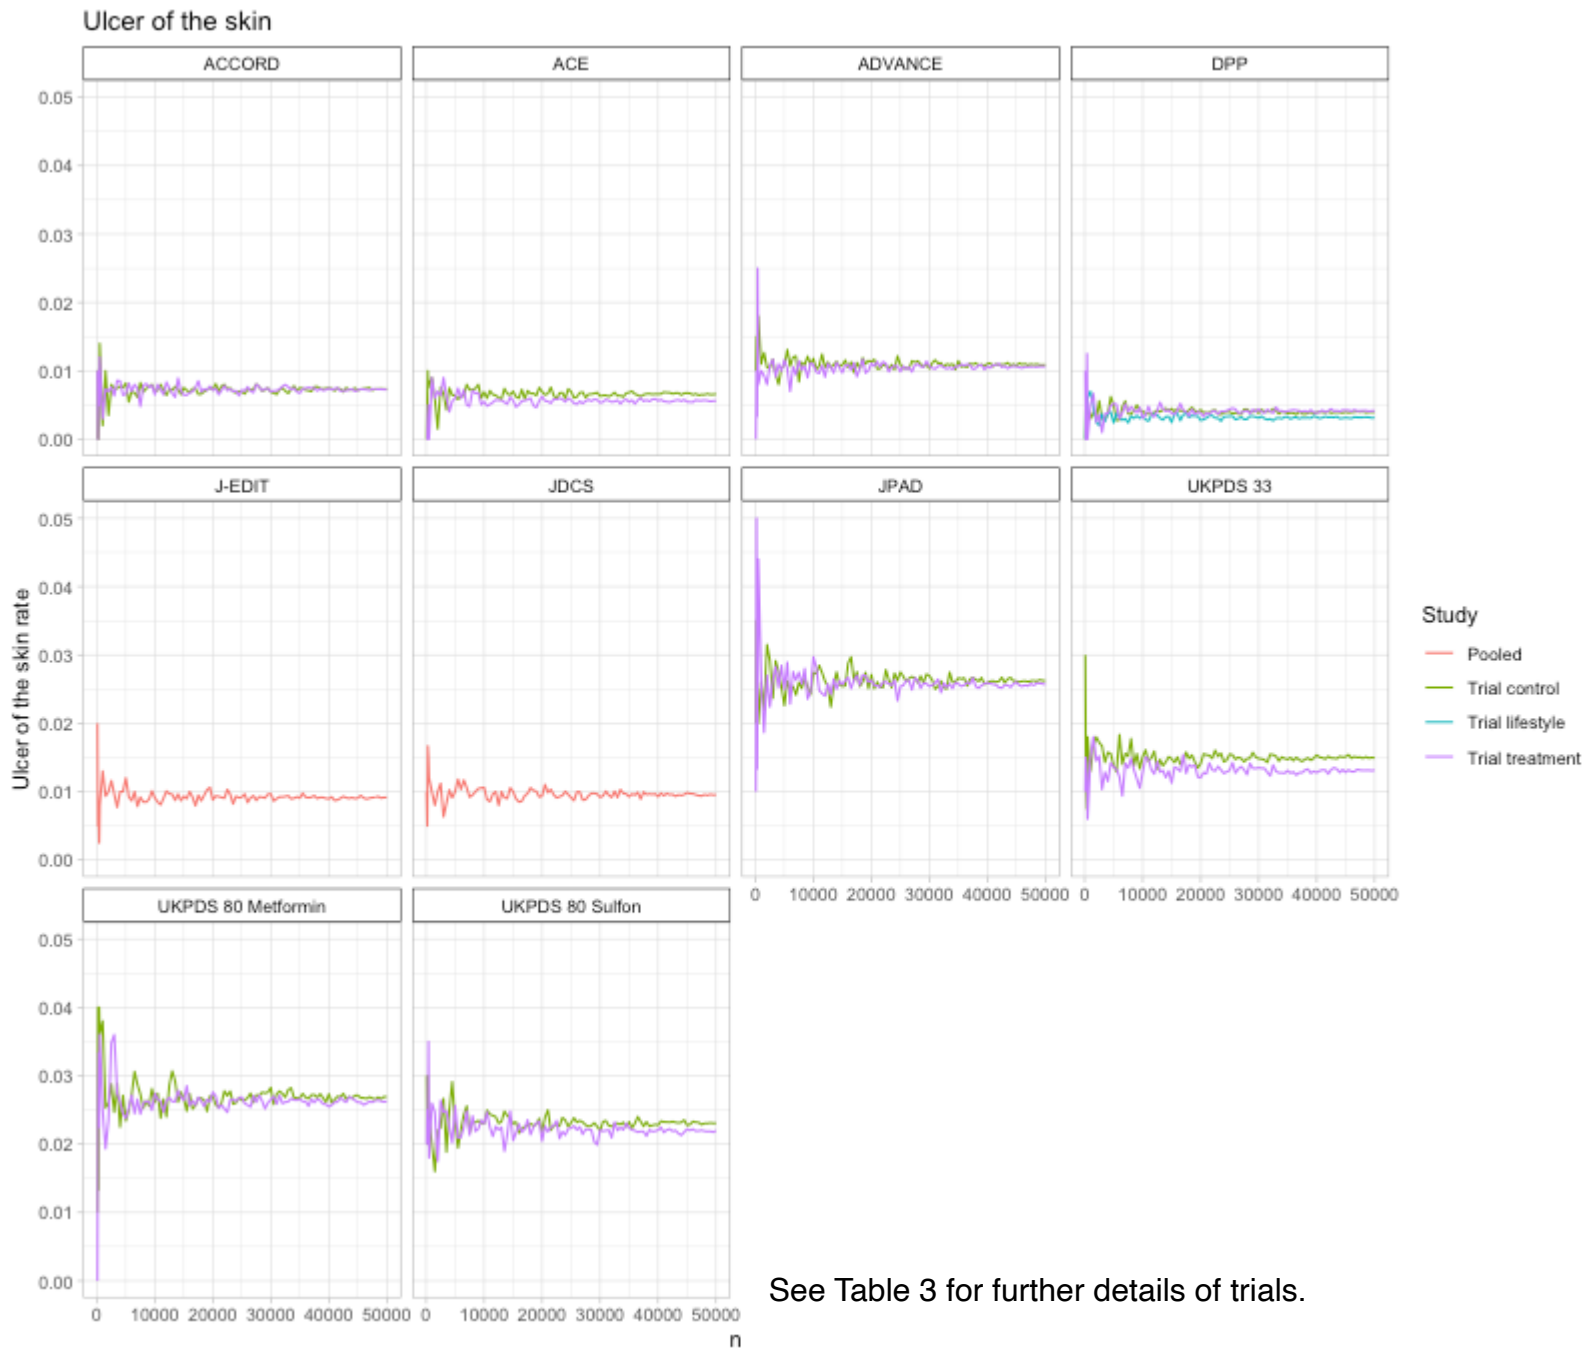

S3 Figure. Convergence plot of trial simulations: retinopathy

See Table 3 for further details of trials.

S3 Figure. Convergence plot of trial simulations: ulcer of the skin

See Table 3 for further details of trials.
