Dr. Phe Thong

Project: Request for continuation and amendment of the protocol entitled “Surveillance of antimicrobial resistance among consecutive culture isolates in tropical settings. Version N° 2.0, dated 20th January, 2012”

Reference: 17th February, 2012 NECHR meeting minute

Dear Dr. Phe Thong,

I am pleased to inform you that your request for continuation and amendment of your study protocol entitled “Surveillance of antimicrobial resistance among consecutive culture isolates in tropical settings. Version N° 2.0, dated 20th January, 2012” has been approved by National Ethic Committee for Health Research (NECHR) in the meeting on 17th February, 2012. This approval is valid for twelve months after the approval date.

The Principal Investigator of the project shall submit following document to the committee’s secretariat at the National Institute of Public Health at #2 Kim Il Sung Blvd, Khan Tuol Kok, Phnom Penh. (Tel: 855-23-880345, Fax: 855-23-881949):

- Annual progress report
- Final scientific report
- Patient/participant feedback (if any)
- Analyzing serious adverse events report (if applicable)

The Principal Investigator should be aware that there might be site monitoring visits at any time from NECHR team during the project implementation and should provide full cooperation to the team. *SL*

Regards,

Chairman

Prof. ENG HUOT
