**Household ID**

_____________________________

What is the gender of the household head?
- [ ] Female
- [ ] Male

**Marital status**
- [ ] Married
- [ ] Single
- [ ] Other

If the marital status is other, please give details

_____________________________

How old is the household head (years)?

_____________________________

How many members does the household have?

_____________________________

For how long have you been growing Moringa (years)?

_____________________________
Species
- Moringa arborea
- Moringa borziana
- Moringa concanensis
- Moringa drouhardii
- Moringa hildebrandtii
- Moringa longituba
- Moringa oleifera
- Moringa ovalifolia
- Moringa peregrina
- Moringa pygmaea
- Moringa rivae subsp. longisiliqua
- Moringa rivae subsp. rivae
- Moringa ruspoliana
- Moringa stenopetala

Why do you plant Moringa?
- Food
- Medicine
- Shade
- Ornament
- Shelterbelt
- Feed
- Green manure
- Other

Additional comment on reasons of growing Moringa

How do you use the different parts of Moringa tree for food?

How do you use the different parts of Moringa tree as medicine?
Moringa samples collected

☐ Mature leaves
☐ Young leaves
☐ Green pods
☐ Seeds
☐ Roots
