

VARIABLE DESCRIPTION

variable	type	label	variable label	description/comments
cluster_newid	float			Sample cluster randomly renumbered
m1	byte	sex1	Gender	
m14	byte	m14	Current marital status	
prb1	int	prb1	What percent of male youth your age are employed	Asked about youth of the same age and sex in the community (Wording for male respondent; gender reversed for females)
prb2	int	prb2	What percent of male youth are tobacco smokers	" "
prb3	int	prb3	What percent of male youth take alcohol	" "
prb4	int	prb4	What percnet of male youth use drugs	" "
prb5	int	prb5	What percent of unmarried male youth have sexual relations	" "
prb6	byte	prb6	Three people closest: how many are married	Asked about the three people closest to respondent, of same age and sex.
prb7	byte	prb7	Three people closest: how many are smokers	" "
prb8	byte	prb8	Three people closest: how many take alcohol	" "
prb9	byte	prb9	Three people closest: how many use drugs	" "
rb1	byte	rb1	Do you use tobacco (e.g. cigarettes, shisha/Goza)	Currently use tobacco
rb8	byte	yesno	Taken an alcoholic drink such as beer,wine	Ever had alcohol
rb10	byte	yesno	Do you currently take alcoholic drinks	Asked if ever had alcohol
rb19	byte	yesno	Have you every tried marijuana or hashish	
rb21	byte	yesno	Have you tried amphetamine or trip pills	
rb23	byte	yesno	Have you tried inhaled or smelled substances as drugs	
rb25	byte	yesno	Have you tried cocaine or heroine	
rb29	byte	yesno	These days, do you take drugs	Asked if ever used any of above drugs
rb36	byte	yesno	Have you every had any sexual activity with a female	"Have you ever had any sexual activity with a female? By this I mean romantic kissing, touching private body parts, or sexual intercourse". (For male respondent; gender reversed for females)
rb37	byte	yesno	Have you ever had sexual intercourse with a female	Asked if ever had any sexual activity (For male respondent; gender reversed for females)
areatype	byte	area1	type of area urban=1, rural=2, camp=3	
urban	byte		areatype==Urban	
rural	byte		areatype==Rural	
refugee_camp	byte		areatype==Camp	
age18plus	float			
age_group3	float	age_group3		
age_groupALL	float	age_group3ALL		
current_smoke	float			Variables for analysis created from 'rb' variables above, with No Answer and Don't Know responses (998,999) converted to missing.
ever_drink	float			" "
current_drink	float			" "
ever_drugs	float			" "
ever_married	float			" "
ever_sex_activity	~y float			" "
ever_intercourse	~e float			" "
female	float			
male	float			
unmarriedabove18	18 float			
age15_19	float			
age20_24	float
