Dear Dr Varalli,

I am pleased to confirm that your article

Alessandra Varalli et al. : Ricostruzione dei pattern alimentari e delle pratiche di allattamento e svezzamento dal Neolitico alle età dei metalli tramite analisi multi-isotopiche della dentina incrementale e del collagene osseo

has been accepted for publication and will be included in the following volume which is in the final stages of preparation by:

Fabio Negrino, Vincenzo Tiné (Eds) - LIII Scientific Meeting of the Italian Institut for Prehistory and Protohistory. Prehistory and Protohistory In Liguria. Rivista di Scienze Preistoriche (2020).

I am expecting the submission of the final manuscript very soon. Publication will then follow quickly.

Publication will be in print and e-format.

Yours sincerely

Prof. Fabio Negrino
