

3T- IBHSc International Course In Bioethics for Healthcare Professionals Hawler Medical University, Erbil, Iraq: Overall Course Feedback

This Course Feedback Form is intended to record your reactions to the training that you have just completed. It is not intended as an evaluation tool. Your feedback is vital to us for a number of reasons:

- Your feedback will assist us in understanding effectiveness of the training and /or special circumstances that may have influenced this particular workshop/ training.
- The feedback helps us to better plan our transfer of learning (TOL) activities following training.
- Your response will provide information about the use of training methodologies and will supply suggestions to further improve future programs.
- Your responses will assist us in providing support and better development of trainer faculty.
- Your responses will assist us in identifying barriers to curriculum/future training programs.

Thank you for your thoughtful appraisal and for your commitment to providing quality training in Bioethics.
