UNIVERSITY OF SOUTH ALABAMA BOARD OF TRUSTEES

The University of South Alabama, operating as a state institution of higher learning and financed in part by public funds, is governed by a Board of Trustees composed of sixteen members: three (3) from Mobile County; nine (9) from the State at large; three (3) from the United States at large; and the Governor, who shall be *ex officio* President of the Board and who shall appoint members to serve on the Board of Trustees, by and with the advice and consent of the Alabama Senate.

In its discretion, the Board of Trustees, as a public body corporate, may prescribe courses of instruction and rates of tuition and fees; set salaries or compensation; confer such academic and honorary degrees as are conferred by institutions of like character; and may do all that is necessary and considered in the best interest of the Institution in carrying out its mission. The Executive Committee is authorized to transact business on behalf of the Board, as set forth in the Board bylaws. The Board vests with the University President full management authority over institutional operations and maintenance. Authority vested with administrative officers, faculty, student committees and internal political bodies is granted by the Board of Trustees to the Executive Committee and President, and from the President to respective individuals or constituencies.

USA Spirit

There are certain pervading animating principles that are essential for a community of scholars to maintain if they are to be dedicated to personal and academic excellence.

Becoming a member of the University of South Alabama's community necessitates that the spirit of a truly civilized community be fully embraced.

As a member of the University community...

I will practice the spirit of integrity, which embraces the personal and the academic.

...a commitment to this ideal means I do not cheat or plagiarize in class, games, or sports; lying, deceit, excuse making, and infidelity or disloyalty in personal relationships will not occur.

I will respect the spirit of equality, which upholds the dignity of all persons.

...a commitment to this ideal means I will not compromise or demean the dignity of individuals or groups, including hazing, intimidation, teasing, baiting, insulting, harassing, and discrimination. Instead, I will uphold the worth of all individuals.

I will respect the spirit of privacy, which protects the property and personal rights of all persons.

...a commitment to this ideal means I will not steal, destroy, misappropriate, damage, or desecrate property which is not my own. One's right to privacy supports giving all persons the right to go wherever they lawfully would like to go and express themselves freely.

I will uphold the spirit of diversity, which celebrates differences and discourages bigotry.

...a commitment to this ideal affirms support for equal rights regardless of one's age, sex, race,

religion, disability, ethnic heritage, socio-economic status, political, social or other affiliation.

I will demonstrate a spirit of service, which compels concern for others.

...a commitment to this ideal means I will give of my time to others without thought of personal gain or recognition and that on occasions, I will find the needs of others more important than my own.

I will practice the spirit of stewardship, which seeks to conserve the earth's resources and to properly use all resources at my disposal.

...a commitment to this ideal means I will conserve the campus' environment and will use the resources provided me wisely, not wasting where I can conserve, not expecting others to pick or clean up.

I will exercise a spirit of involvement, which necessitates the application of talents and knowledge.

...a commitment to this ideal means that I will be a member of the University community by helping it solve its problems, working with other students to improve campus life, rather than complaining about, criticizing, or attacking those who are involved.

When one embraces the Spirit of South Alabama by joining the community, it behooves that person to exemplify and encourage behavior that promotes integrity, equality, privacy, diversity, service.

Campus History

The University of South Alabama was founded in 1963 without a single building to call its own. More than 60 years later, the University continues to grow as the academic, research and healthcare Flagship of the Gulf Coast.

USA's story began in the early 1960s. Mobile's civic leaders realized that the region had outgrown its small university extension program downtown. They formulated plans for a four-year, degree-granting institution. On May 3, 1963, a bill creating a new, independent university passed the Alabama Legislature. USA was born.

Classes began in June 1964 at a new, \$1 million building in west Mobile. Initial enrollment totaled 276. The pent-up demand for education became obvious when the first fall semester began. Enrollment leaped to 928. Today, USA enrolls more than 14,000 students.

That first building is now the Frederick Palmer Whiddon Administration Building, named after USA's first president. Whiddon retired in 1998. His successor, longtime faculty member and administrator V. Gordon Moulton, oversaw a new era of growth into the 21st century. Dr. Tony G. Waldrop, president from 2014 to 2021, continued the USA tradition of visionary leadership focused on discovery, health and learning.

Waldrop's successor, President Jo Bonner, enthusiastically promotes a South education as a "first-class ticket to a brighter future." Fall 2024 boasted consecutive years of enrollment growth and a continued expansion of USA Health.

Almost from the moment USA accepted its first students, its leaders ambitiously worked toward establishing a medical school. The College of Medicine charter class began in 1973. The College of Nursing and the Pat Capps Covey College of Allied Health Professions later complemented USA's focus on health education.

Today, USA provides high-quality education in business, the liberal arts, education, engineering, computing, the sciences and healthcare. It offers more than 115 undergraduate, graduate and doctoral degrees through its 10 colleges and schools.

A charter member of the Sun Belt Conference, USA fields teams in 17 Division I sports, including baseball, softball, basketball, soccer, volleyball, tennis, golf, cross country and track and field. In 2020, the football team played its first game in the new Hancock Whitney Stadium.

USA Health is the University of South Alabama's academic health system. With its hospitals and physician practice sites throughout the area, the health system integrates clinical care, research and healthcare education to deliver the most advanced medical care in the region. The recently acquired Providence Hospital joins University Hospital, Children's & Women's Hospital and the Mitchell Cancer Institute as major healthcare centers. USA Health also includes the region's largest multispecialty practice and the only academic physicians group on the upper Gulf Coast.

Work is underway on a new Frederick P. Whiddon College of Medicine building that will allow South to increase its physician class size. After more than six decades, the University continues to grow to serve the needs of the Gulf Coast.

Traditions

ANNUAL CAMPUS EVENTS

Homecoming

The most celebrated and spirited event of the year... Homecoming encompasses all facets of University life during one week in the Fall semester. The spirit contests, Homecoming Court elections, Junk the Jungle, a major step show, and more all lead to Saturday's big football game at Hancock Whitney Stadium. It's impossible not to get caught up in the excitement!

Oozeball

"Get Down and Dirty" with The Southerners, the official University ambassadors, during Oozeball, a co-ed volleyball tournament played in mud. The event originated in 1989 making it one of the oldest Oozeball tournaments in the nation and the oldest tradition at South. Every spring, hundreds of Jags form teams with creative team names like "How I met your Mudder." Then, in April, Jags spike, serve, and bump their way to victory. South Alabama students, faculty, staff and alumni are eligible to participate. Applications are available in March at the Office of Alumni Relations. For more information, contact the Office of Alumni Relations at 460-7084.

"Js Up!"

Using the thumb and index finger of the left hand, members of the University of South Alabama community form a "J" that stands for Jags. Jags always put their "Js up" when the Alma Mater is played as a form of respect to the University.

National Engineers Week

National Engineers Week is an annual event to bring public attention to the work and contributions of the nation's engineers. The College of Engineering celebrates the week by introducing local middle school students to engineering concepts during Open House, where students participate in hands-on demonstrations and experiments. Engineering students end the week by participating in E- Day, where there are activities such as a career fair with local companies, a cookout, and competitions between the various disciplines.

Get on Board Day

Get on Board Day is an opportunity for USA's 270+ student organizations to reach out to new and returning students letting them know about each organization's purpose and goals. Held in both the early Fall and Spring semesters in the Student Center, the day is sponsored by the Office of Student Involvement. Organizations reserve tables, set up displays, and have the opportunity to recruit new members. USA students are able to visit with club officers and advisors, ask questions, and learn about the many opportunities to get involved in student life.

Student Organization Leadership Day

The Student Organization Leadership Day (SOLD) event is an opportunity for USA's 270+ registered student organizations' leaders to develop their leadership abilities. These leaders meet with University administration and other RSO leaders, learning about the SGA allocation of funds, University policies and more. The SOLD event is held during the fall semester of each academic year and is hosted by the Office of Student Organizations & Leadership Development.

Basic democratic operational procedures are expected of all student organizations.

Membership in University of South Alabama student organizations is open to all regularly enrolled students. Accordingly, no person may be excluded from membership or leadership in a Registered Student Organization due to race, color, religion, national origin, age, gender (unless exempt under Title IX), sexual orientation, disability or veteran status; provided, however, that registered student organizations may limit their membership to students who, upon individual inquiry, affirm that they support the organization's religious, political, or other legally protected views, consistent with the First Amendment.

Student organizations must have a faculty or full-time staff advisor and be approved by the Student Organization Committee before they can function as Registered Student Organizations. The Office of Student Involvement and the organization advisor are available to advise and assist organizations, but the final responsibility for performance rests with the members themselves. The Office of Student Involvement is responsible for the overall facilitation of student organization policy and registration.

To be registered as a student organization at the University, all student organizations must:

1. Demonstrate that the group does not duplicate an existing organization.
2. Maintain a membership roster with a minimum of 10 current, regularly enrolled USA students members. Of those 10 student members. The only exception to this policy is for Honor Societies as 10% of the membership may include honorary members such as faculty, staff, and community members.
3. Maintain at least one advisor who is either faculty or full-time staff member of the University.

4. Submit the following information to the Office of Student Involvement by the designated deadline:
 - Annual Registration/Application
 - Advisor Agreement Form, completed by the organization advisor
 - Constitution, following the Constitution Guide available at: southalabama.edu/departments/studentorganizations/handbook/
 - Updated Membership Roster including the names and Jag Numbers of each member
5. Consult with the Office of Student Involvement and follow the procedures outlined to become a Registered Student Organization.
6. Any student organization that does not properly complete the registration or re-registration/renewal process is considered a Non-Registered Student Organization (NRSO), and is not entitled to the benefits and privileges of an RSO.

Benefits and Privileges for Registered Student Organizations

Registered Student Organizations (RSO) are eligible for benefits and privileges including but not limited to:

1. Access to student Involvement staff, training, programing, and advisement necessary for development
2. Promotion opportunities for participation in academic, recreational, social, service, and other group events
3. Access to campus facilities via reservation request of meeting spaces on campus
4. Eligible for services such as mass marketing, catering, request for use of an “@southalabama.edu” email address for the RSO, and presence on official USA webpages
5. Eligible to apply for SGA funding, after three consecutive semesters of RSO status
6. Access to the RSO Catering Guide and RSO Discounted Menu

New Organizations

USA is committed to the development of student organizations and organizational leaders and members. The addition of new student organizations enhances the campus community and provides more opportunities for students to become involved and participate in activities that support their interests. The process for becoming a new student organization is consistent among all organizations. In order to establish such an organization, students are permitted a grace period in which they have temporary access to the privileges extended to Registered Student Organizations.

When the organization has met the criteria for registration, members must submit an application and required materials (listed above), which will be reviewed by the Student Organization Committee before the organization can become Registered. Registration applications may be submitted by currently enrolled students, only; applicants submitted by non-students will not be accepted.

Existing Organizations

Registered Student Organizations are required to register with the Office of Student Involvement annually. Registration for existing Registered Student Organizations may be submitted by currently enrolled students, only; submissions made by non-students will not be accepted. If a

student organization is inactive or does not register with the Office for one academic year, the organization is subject to the policies and procedures required of new student organizations as mentioned above.

Organization Dissolution

In the event that a Registered Student Organization fails to maintain Registered status for three consecutive academic years, the organization shall be deemed as dissolved. Upon dissolution, all remaining funds belonging to the student organization will either be donated to a non-profit organization/agency of the student organization's choosing, as listed in the student organization's constitution, or will be assumed by the Dean of Students Office.

Finances

Sound fiscal management procedures must be in place for all student organizations. These procedures must be provided for within the organization's constitution. With the assistance of the advisor, student organization leaders should strive to conduct all financial business of the organization in a responsible and ethical manner. All accounts are subject to audit and review by the University of South Alabama.

On-campus Accounts

Every student organization may open an on-campus account for managing funds. Please visit our website for more information on opening an on-campus account.

The advantages of using an on-campus account include:

- Support from University staff in regulating the use of funds
- Limited risk of misuse
- No annual fees or other material costs
- Easy to maintain when organizational leadership changes
- Tax exempt status

Off-campus Accounts

In the event that a student organization decides to open an off-campus account, the following requirements must be met:

- The account must have two signatories, one of which must be the organization advisor
- The account name cannot include "USA" or "University of South Alabama".
- Use of the University's Tax ID number is prohibited
- Remove outgoing and add incoming signatories promptly

Other Tips for Off-Campus Accounts

- Use of an ATM or credit card is not recommended.
- Use a central mailing address, such as a USA Mail Hub Box to receive bank statements and notifications.
- Allow all organization members access to financial records.
- Designate a secondary individual who is separate from the organization purchaser to reconcile the bank statements.

Conduct in Group Activities

1. Any University of South Alabama student guilty of disorderly conduct at any function

sponsored by the University or by any University organization is required to leave the function immediately.

2. Any person not a student at the University of South Alabama who violates these regulations is also required to leave the function immediately. If he or she is from another school, a report of his or her actions is forwarded to the appropriate officers at his or her school.
3. Responsibility for the enforcement of these regulations rests with the officers or appointed representatives of the organization sponsoring the function.
4. The attendance of an organization's faculty/staff advisor is desirable at organization functions.

Student Organizations and Political Activities

Registered student organizations in support of specific political candidates may:

- Use USA space consistent with USA's policy on Speech, Expressive Activities, and Use of University Space, Facilities, and Grounds ("Use Policy")
- Reserve USA facilities, including lecture halls, outdoor reservable space, and any other space available to all registered student groups, to conduct organizational meetings or to host, sponsor and/or publicize an event on behalf of a candidate.
- However, USA facilities (for purposes of this policy, individual student rooms in University housing facilities are not considered to be "University facilities") may not be used to raise funds through admissions, fees, contributions, donations, or sale of materials or services to benefit a political party, campaign, or candidate except as provided in the Use Policy.
- USA must charge a fee for the use of the space equal to the greater of (1) the normal rental rate for the space or (2) the incremental cost attributable to the use.
- The RSO must make it clear both in written materials and at the event that neither the group nor its members speak on behalf of USA, that USA is not a sponsor of the event, and that USA does not endorse or oppose any political candidate.
- Distribute campaign literature/paraphernalia consistent with Use Policy
- Hold non-partisan debates on campus
- Promote voter education/registration on campus
- Conduct opinion polls to gauge community sentiment
- Receive organization advisory support by University staff and/or faculty
- Use University email for organization related-correspondence
- Submit materials for posting on the University listserv
- The RSO must add the following disclaimer to such listserv postings – "USA does not endorse or oppose any political candidate".

Registered Student Organizations in support of a specific candidate may not:

- Solicit donations for a candidate, sell campaign paraphernalia, or make direct monetary contributions to a particular campaign other than as allowed in the Use Policy and never in the name of USA
- Use University property for the placement of signs (including flyers, banners, posters, stickers, and chalking) of endorsement of, or opposition to, candidates for public office contrary to the Use Policy.
- Campaign for, endorse, or otherwise promote a candidate in the name of University of

South Alabama (USA)

- Utilize University resources other than as discussed above for a campaign, including providing mailing lists

Social Probation and Withdrawal of Recognition

An RSO may be placed on social probation and/or recognition may be withdrawn for any of the following reasons:

- The RSO fails to maintain compliance with initial requirements for registration.
- The RSO ceases to operate as an organization.
- The RSO requests withdrawal of registration.
- The RSO operates or engages in any activity in violation of rules and regulations of the University or federal or state laws.
- The RSO fails to submit any required reports.
- The RSO fails to send two (2) representatives to the mandatory educational program— Student Organization Leadership Day (SOLD) event.
- The RSO violates acceptable standards of behavior which are attributable to the group rather than to the individual, depending upon the severity of the violation.
- The Dean of Students may refer such cases to the appropriate disciplinary body for a hearing. However, the Dean may determine the extent to which an RSO has violated regulations and notify the organization, through its president, that the RSO is on social probation.

A Registered Student Organization that is placed on social probation may continue to hold meetings but may not sponsor any activity or program or participate in any activity or program sponsored by another organization. Where registration of an organization is withdrawn, it shall cease to exist as a Registered Student Organization.

Code of Student Conduct
University of South Alabama

Student Rights and Responsibilities

The University of South Alabama (USA) is a community of scholars in which the ideals of freedom of inquiry, freedom of thought, freedom of expression, and freedom of the individual are sustained. The University is committed to supporting the exercise of any right guaranteed to individuals by the Constitution and the Code of Alabama and to educating students relative to their responsibilities.

1. PHILOSOPHY AND PURPOSE

The primary purpose of the Code of Student Conduct is to protect and preserve a civil and safe educational environment. The University is not designed or equipped to rehabilitate students who will not abide by this Code. The disciplinary actions prescribed are meant to protect and preserve a quality educational environment, and if students, by their behavior, threaten that environment, it may be necessary to remove them from the community as provided in this Code.

The University's Code of Student Conduct is set forth in writing in order to give students a general notice of non-academic prohibited conduct. The Code should be read broadly and is not designed to define non-academic misconduct in exhaustive terms.

2. JURISDICTION AND AUTHORITY

The Code of Student Conduct is the University's policy regarding non-academic discipline of students. The Code of Student Conduct applies to all student conduct matters other than those involving allegations of sexual misconduct and academic misconduct. University jurisdiction and discipline attaches to conduct that occurs on University premises or conduct that adversely affects or is detrimental to the University community and the pursuit of the objectives of the University, which can occur on or off campus. A student will be subject to the Code of Student Conduct for any action in violation of this Code that either occurs on University premises or, in the University's sole discretion, occurs off campus and has an effect on or is detrimental to the University community and/or pursuit of University objectives.

Sexual misconduct matters are covered under the section of the Lowdown labeled "Sexual Misconduct Policy and Complaint Resolution Procedures." Academic discipline is covered under the section of the Lowdown labeled "Student Academic Conduct Policy."

- Jurisdiction – A person or registered student organization is subject to the University Judicial System if they are alleged to have violated a University Conduct regulation while attending any University orientation program; following admission of a student to USA but prior to the first day of class; during any semester that they are registered, including, but not limited to, non-completion of the semester; intervals between semesters of registration; co-op students.
- Inherent Authority – The University reserves the right to take necessary and appropriate action to protect the safety and welfare of the campus community and students' physical and emotional safety and welfare; therefore, the University reserves the right to suspend students on an interim basis pending an investigation pursuant to this Code of Student Conduct.

Those accused of violations are subject to the University disciplinary proceedings outlined in the Code even though similar proceed-

ings of a criminal nature are pending, have been terminated, or have not yet been adjudicated in municipal, state, or federal court. Such fact of other proceedings or pendency of same will not be an appropriate challenge to the disciplinary proceedings outlined in this Code.

5. PROHIBITED CONDUCT

The following non-academic misconduct is subject to disciplinary action:

a. **Physical Harm**

1. Intentionally or recklessly causing physical harm to any person.

b. **Harassment**

The term “harassment” means conduct that, in the aggregate, is sufficiently pervasive, persistent, or severe that a reasonable person with the same characteristics of the victim of the conduct would be adversely affected to a degree that interferes with their ability to participate in or to realize the intended benefits of an institutional activity, employment, or resource. It is also defined as using abusive language, including electronic communication, tending to incite an immediate breach of the peace to any person, persistent following or stalking of a person, or engaging in a course of conduct or repeatedly committing acts that cause mental or physical harm to another person.

“Stalking” means a course of conduct (including electronic stalking) directed at a specific person that is so pervasive, persistent, or severe that it would cause a reasonable person to fear for their or others’ safety, or to suffer substantial emotional distress. Electronic Stalking occurs when a person, without the consent of the owner or except as otherwise authorized by law, places any electronic tracking device on the property of another person, with or without the intent to surveil or for any other unlawful purpose. Such behavior must be unwelcomed and sufficiently pervasive, persistent, or severe that a reasonable person with the same characteristics of the victim of the conduct, in the aggregate, would be adversely affected to a degree that interferes with their ability to participate in or to realize the intended benefits of an institutional activity, employment, or resource.

d. **Violation of the Sexual Misconduct Policy**

The term “sexual harassment” includes, but is not limited to, verbal or non-verbal conduct that a reasonable person would find intimidating, demeaning, hostile, or offensive with an inappropriate focus on sex, sexual history, individual gender-based characteristics, or sexual orientation; unwelcome verbal or physical advances; attempts to subject a person to unwanted sexual attention or to coerce a person into sexual relations; and/or retaliation for a refusal to comply with sexual demands. Said conduct must be unwelcome and must be so severe and pervasive that it has the

6. ORGANIZATIONAL PROHIBITED CONDUCT

Inherent in University recognition of student organizations is the obligation of each organization to conduct activities in accordance with University rules and policies and with applicable laws. Registered student organizations are required to comply with the written rules and policies of the University.

It is the responsibility of the officers of each organization to ensure that the organization complies with the Code of Student Conduct and to actively oppose and prevent any planned organizational activity that may violate the Code. It is also the obligation of the officers to advise and counsel individual members of their organization whose conduct could lead to misconduct charges against the organization. In the event that a registered student organization is alleged to have violated this Code, the President and Faculty/Staff Advisor on record shall serve as the primary contact on behalf of the organization.

A student organization will be held responsible for its own acts when:

- a. The organization fails to comply with a duty imposed by a written University policy, including, but not limited to hazing; violation of the Fraternity and Sorority Life Policy, if applicable; failure to comply with applicable health and safety regulations; misuse of University property, facilities, and equipment; violations of University Alcohol Policy; and violations of any other rule or policy applicable to organizations.

- b. When one or more officers' refuse or neglect to perform their duties hereunder. A student organization will be held responsible for the actions of one or more of its members that violate the Code of Student Conduct when actions arise in the course of or derive from the activities of the organization, or there is a clear connection or link between the transgressor's action and the organization. Examples of such violations include, but are not limited to, offenses against either persons or property of other organizations and alcohol violations.
- c. When particular actions by an organization (or specific members) prove to be a cause for concern, the Office of Student Involvement or Student Conduct may notify the organization in writing that further occurrences of the specified action(s) within a specific period of time will result in misconduct charges.
- d. Any member having knowledge of or participation in a violation(s) of the Hazing Policy.
- e. Any officer or member that intentionally or recklessly misuses organizational funds, SGA appropriations, resources or other organizational/university assets.

7. DISCIPLINARY PROCEDURES

Complainants, victims, witnesses, and respondents play specific roles within the student conduct process at the University of South Alabama. Complainants, victims, witnesses, and respondents who are unable to meet in person (e.g., online students) for meetings, hearings, or appeals may arrange a web-conference, telephone conference, or another form of synchronous communication approved by the Dean of Students.

a. Temporary Disciplinary Actions

1. Holds – Student Conduct may place a hold on a student's academic record at any point during the student conduct process to ensure compliance with conduct outcomes and/or pending the resolution of the student conduct process. The hold will be released when the terms and conditions of the conduct outcomes have been satisfied and/or the student conduct process has been completed. In cases in which a student is expelled from the University, the hold will permanently remain on the student's academic record to ensure the student does not re-enroll.
2. No Contact Directive – The Student Conduct Administrator (SCA) or the Vice President for Student Affairs/Dean of Students or their designee may issue a “no contact” order between two or more parties. The “no contact” directive instructs the parties to refrain from:
 - a) approaching one another at any time;
 - b) calling one another at any time;
 - c) sending via email, campus, or regular mail anything to one another;
 - d) contacting or communicating with one another, including through social media or a third party, in any way at any time.
 - e) Contacting the immediate family of the other party in any way at any time.
3. Interim Suspension/Restriction – The Dean of Students or their designee may suspend or restrict a student from specific areas of the University, or from the entire University, for an interim period of time pending disciplinary proceedings, criminal proceedings, or a medical evaluation, effective immediately and without prior notice, whenever there is an indication that the continued presence of the student poses a substantial and immediate threat to themselves, to the safety and well-being of members of the University community, to the preservation of University property, or of interference with the normal operation of the University.
4. RSO Cease and Desist Order- The Dean of Students or their designee may issue a cease

and desist directive requiring a group, or organization to immediately stop specific actions or behaviors that may violate University policies or pose a threat to the safety, security, or well-being of the campus community. A cease and desist order may include, but is not limited to, restrictions on communication, event participation, organizational activity, or access to certain areas of campus. Failure to comply may result in further disciplinary action.

In the event a student is suspended or restricted on an interim basis pending an evaluation, the University will conduct an individualized assessment of the student that relies upon current medical knowledge or the best available objective evidence, to ascertain:

(1) the nature, duration, and severity of the risk justifying the student's exclusion from the specific area of the University;

(2) the probability that the potential injury will actually occur; and

(3) whether reasonable modifications of policies, practices, or procedures or the provision of auxiliary aids or services will mitigate the risk presented by the student. The individualized assessment will be conducted by the University with the student's consent. If the student does not consent to an individualized assessment, the University will conduct a limited evaluation of whether, based upon the information available to it and in its reasonable judgment, an individual poses a direct threat to the health or safety of others.

A student suspended or restricted on an interim basis shall be given a prompt opportunity to appear before the Dean of Students or their designee, and the University Behavioral Assessment Team in order to discuss only the reliability of the information concerning the student's conduct, including the matter of their identity, or whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on University premises poses a substantial and immediate threat. This opportunity should be offered within seventy-two (72) hours of the interim suspension/restriction being issued. An interim suspension/restriction may be lifted through this process.

By law, parents of college students may not be notified of most violations of the Code of Student Conduct without permission of the involved student(s). However, by law, the following exceptions are permitted:

- For students under the age of 21, there may be a notification of parents with every responsible finding of:
 - 5q Controlled Substances
 - 5r Intoxication
 - 5t Violation of the University Alcohol Policy

In all cases, notification will come only from the Dean of Students or their designee. If a student under the age of 21 can verifiably demonstrate that they have been emancipated from their parents, and the Registrar's records show that the student's and the parents' home addresses are different, parental notification may not be necessary.

b. Filing a Complaint

Any member of the University community may initiate a complaint against a student or student organization for an alleged violation of the Code of Student Conduct. To file a complaint, you can fill out the incident report form available on the Student Conduct [webpage](#), call 251-460-6172, or visit the Office of Student Affairs.

c. Review of Alleged Charges

The decision to pursue charges is made by the SCA or the Vice President for Student Affairs/Dean of Students or their designee. A decision not to pursue charges may be appealed to an ad hoc com-

mittee (appointed by the Dean of Students) of the University Disciplinary Committee (UDC). The SCA may issue a written warning to the respondent, even if charges are not pursued. The UDC, appointed annually by the University President or their designee, is the body that hears and makes recommendations regarding charges of violation of the Code of Student Conduct when the charges are not resolved in the informal process discussed below. This committee of two to five students and a faculty or staff/administrator (except in charges of sexual misconduct office where the UDC will have two to five students and two to four faculty or staff/administrators) is chaired by the non-voting SCA or a designee of the Dean of Students.

No individual or organization can force charges to be filed, and while participation by complainants, witnesses, or victims is encouraged, their participation is not necessary for charges to be filed and an action pursued.

d. Notification of Alleged Charges

Should the information available be sufficient to issue charge(s), the SCA will send a notice of charge(s) to the accused party, who upon the sending of a notice of charges becomes a respondent. Notice of charges shall include formal written notification of alleged violations, including the alleged behavior and the policies alleged to be violated.

In cases involving more than one respondent or an organization in the same fact pattern, an SCA may permit a facilitated informal conference or a hearing concerning the involved parties to be conducted either separately or jointly. In cases where the victim is not the complainant, the Student Conduct Office will notify the victim that a complaint has been filed and offer for that person to participate in the process.

Upon the notification of charges, a complainant shall be named. In many cases involving individual student behavior, the original complainant is the victim.

The Student Conduct Office may assist in identifying a member of the University community to serve as the complainant under one or more of the following conditions:

- There are multiple acts by the same party that form a pattern of behavior that could constitute a violation.
- There are multiple complainants or multiple complaints regarding the same party that arise out of the same fact pattern. In this instance, the SCA may select one of the complainants or another member of the University to represent the case.
- The SCA determines it is in the best interest of the university community to charge a student/student organization and a complainant has not been identified.
- When a complainant withdraws due to coercion or intimidation.
- When a charge of Sexual Misconduct may be involved.

A University official who is appointed to serve as the complainant may not otherwise be involved in the case (e.g., as an investigator, Hearing Panel member, Appeals Panel member, etc.).

e. Postponing or Dismissing Alleged Charges

Student conduct proceedings and actions are not subject to challenge or postponement on the grounds that criminal or civil charges involving the same incident have been dismissed, reduced, or are pending. No individual can force student conduct charges to be dropped.

f. The Student Conduct Hearing

Prior to any disposition of charges, either through the informal or formal processes discussed below, separate meetings will be scheduled with the SCA for any responding student/student orga

nization and the complainant or victim to review key facts and issues that will be presented at the hearing, to exchange information as to witnesses likely to be called, and to answer questions. These meetings will not be used to resolve the alleged Code violation.

g. Limited Amnesty

The University recognizes that an individual who has been drinking alcohol or using drugs may be hesitant to report misconduct arising from the same setting where the alcohol or drugs were consumed. To encourage reporting, the University will not take disciplinary action for drug or alcohol use against an individual who makes a good faith report of misconduct, either as the reporter/complainant or as a witness, provided that these conduct violations did not and do not place the health or safety of any other person at risk.

The University's commitment to amnesty in these situations does not prevent action by local police or other legal authorities against an individual who has illegally consumed alcohol or drugs; however, the University will not report the drug or alcohol use to local law enforcement unless such use places the health or safety of any other person at risk.

Participating as a Respondent

A student charged with violating the Code of Student Conduct has two hearing options. In most instances of minor violations where the responding student agrees that the complainant's charges are basically correct and both parties agree, Option 1 may be utilized. In more serious incidents or when facts are disputed, Option 2 may be utilized.

Option 1 is an informal proceeding and includes a discussion between the respondent and the SCA, after the SCA has met with the complainant. Witnesses are not called; however, the complainant may be asked to be present at the meeting. The SCA, at their sole discretion, may obtain information from other sources prior to this proceeding. Cases will be investigated and may be determined in absentia based on information gathered and/or submitted when a student and/or organization does not respond to a notification letter.

Option 2 is a formal hearing before the UDC and is chaired by a non-voting, non-deliberating SCA. A formal hearing may involve the presentation of witness testimony by both the complainant/victim and the respondent. Both the complainant/victim and the respondent may question all witnesses presented. If the UDC, after deliberations, finds that the responding student is responsible for violating the Code of Student Conduct, the UDC will make recommendations to the SCA regarding the sanctions to be imposed.

Participating as a Witness

Witnesses to alleged violations of the Code of Student Conduct are contacted by one of four parties: the respondent, the complainant, the alleged victim, or the SCA. When contacted, witnesses will be given a time, date, and location of the hearing. A witness may refuse to participate or may participate in the following manner:

- In writing, by providing a statement of fact before the hearing.
- In writing, by answering written questions posed during the hearing.
- In person, by attending the hearing and answering questions during the proceeding.

Participating as a Complainant

Complainants of alleged violations of policy have specific rights. They may choose to participate, or not, as a complainant and/or witness. They also have the option of scheduling a pre-hearing conference prior to either the informal or formal hearing. In this conference, the SCA will fully explain the judicial pro-

cess, answer questions the complainant may have, discuss options for participating in the hearing, and help coordinate possible hearing dates and times. The complainant is also given an opportunity to provide an impact statement to be placed in the respondent's disciplinary file, should the respondent be found responsible, with the understanding that the respondent has the right to review such information. The complainant shall have the right to be visually screened from the respondent. The complaint may request to be provided the determination of the informal hearing during their pre-hearing conference.

Victim's Rights in Student Conduct Hearings

Victims of alleged violations of the Code of Student Conduct have the following rights with respect to either hearing option 1 or option 2.

- The right to a prompt, fair, and impartial process from the initial investigation to the final result.
- The right not to attend a formal hearing.
- The right to have an advisor, as defined in Hearing Procedures (7g) Option 2, accompany them during any conduct proceeding.
- Prior to the student conduct hearing, the right to request immediate on-campus housing relocation (based on availability), transfer of classes or other steps to prevent unnecessary or unwanted contact or proximity to the accused, and enforcement of orders of protection such as "no contact" orders when such contact is likely to place the victim in danger of bodily injury and/or cause the victim severe emotional distress. The University will maintain confidentiality of any accommodations or protective measures provided to a victim, to the extent that maintaining such confidentiality would not impair the ability of the institution to provide the accommodations or enforcement of protective measures.

h. Hearing Procedures

1. Option 1 is an informal hearing and includes a discussion between the respondent and the SCA after the SCA has met with the complainant. Witnesses are not called; however, the complainant may be asked to be present at the meeting. The SCA, at their sole discretion, may obtain information from other sources prior to this proceeding. Cases will be investigated and may be determined in absentia based on information gathered and/or submitted when a student and/or organization does not respond to a notification letter.

2. Option 2 is a hearing before the UDC and is chaired by a non-voting, non-deliberating SCA. Whenever a formal hearing is to be held regarding an alleged incident of non-academic prohibited conduct, the respondent and the complainant shall be given ten (10) business days written notice of the charges alleged against the respondent and of the date, time, and place of the hearing. The terms "notify in writing" or "transmit in writing" mean to email written notice to the student's-university email account. Every effort shall be made to set a hearing date that is convenient to all parties concerned. Once the date is set, the SCA, the respondent, or the complainant/victim may request either a new time or date due to changing circumstances; however, the decision to approve any requested change is solely the prerogative of the SCA.

The hearing shall be conducted by the SCA and be casual in nature, and legal rules of evidence shall not apply. The hearing shall be closed to everyone except the SCA, members of the UDC, the respondent, the complainant and/or victim, and advisors to the respondent and the complainant and/or victim. Witnesses will be present only during their own testimony. The complainant/victim and the respondent, have the right to:

- Be present at the hearing. However, if either or both the complainant/victim and the respondent fail to appear at the hearing, the hearing may be held in the absence of either or both of those individuals.

- Present evidence by witness or by affidavit if a witness is unable to attend the hearing. It is the responsibility of the respondent and the complainant/victim to notify their witnesses of the date, time, and place of the hearing. If witnesses fail to appear, the hearing shall be held in their absence.
- Be assisted by an advisor of their choice, at their own expense. The advisor must be a member of the University community. “Member of the community” is defined as any student, faculty, or staff member who is currently attending or working at the University and who is able to abide by the confidentiality requirements of the hearing process.
- The complainant/victim and respondent are responsible for presenting their own information; therefore, advisors are not permitted to speak or to participate directly in the hearing. Advisors may speak quietly to the individual they have accompanied if it does not impede the flow of the hearing, as determined by the SCA. Delays in hearing dates will not be allowed due to the scheduling conflicts of an advisor. If the complainant/victim or the respondent is a party to criminal indictment arising out of the same circumstances, each is allowed to have an attorney serve as their advisor, at their own expense. As with any other advisor, attorneys may not address the UDC unless invited to do so by the SCA, nor may attorneys participate in the examination of witnesses or presentation of materials or information.
- Question all witnesses. In the case of multiple participants in code violations, the SCA may decide to hear the cases separately or collectively.
- Offer pertinent records, exhibits, and written statements for consideration by the SCA at their discretion. After the hearing, the UDC shall meet in private to determine whether the evidence/information presented or received by the UDC during the hearing proved that it is more likely than not that the respondent violated one or more sections of the Code.
- There shall be a single verbatim record, such as a tape recording, of all formal hearings. This record does not include deliberations of the UDC. This record, along with any evidence or transcripts, is the property of the University. A complainant/victim or respondent may review the contents of their file through the Dean of Students Office.

i. Hearing Decisions

In determining whether or not a violation of the Code of Student Conduct has been committed, the UDC, SCA, or other appropriate hearing committee will base its determinations on the standard of preponderance of evidence. The respondent and complaint/victim will receive a written statement of finding with sanctions, if applicable, within ten (10) business days. Pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA), student disciplinary hearing records are protected as education records and may not be disclosed without the student’s consent. However, the purported victim of the alleged conduct may be notified of the final result of the disciplinary hearing if it is alleged that the respondent committed a crime of violence or a non-forcible sex offense. Additionally, the final result of the disciplinary hearing may be released to anyone – not just the alleged victim – if the respondent is found responsible for committing a crime of violence or a non-forcible sex offense. Subject to these requirements, the respondent will receive a written statement of findings with sanctions, if applicable, within five (5) business days of the conclusion of the hearing. The complainant / alleged victim will only receive the final result of the disciplinary hearing, which may include only the respondent’s name, the alleged violation, the determina-

tion, and any applicable sanctions.

j. Disciplinary Sanctions

If the hearing decision is that the respondent has committed conduct prohibited in Section 5, the SCA shall consider the recommendation of the UDC and impose one or more appropriate disciplinary measures. Disciplinary sanctions may include, but are not limited to, the following:

- Community Service – A specified number of hours that a student works for a community service agency or a department on campus. Under direct supervision, the student performs their community service hours without compensation. Hours performed in this fashion may not count towards organizational service hours.
- Conduct Probation – A student on conduct probation is deemed not to be in good judicial standing with the University and conditions may be imposed at the time the student is placed on conduct probation. If the student is found in violation of the Code another time prior to the completion of the probationary period, they may be subject to either suspension or expulsion from the University through the above-described disciplinary procedures. The duration of the probation period and conditions imposed will be commensurate with the degree of seriousness attached to the misconduct. Beginning and ending dates will be specified.
- Educational Program or Assignment – Participation in educational programming, reflection pieces, or other activities that are designed to develop and/or expand a student’s understanding of a University rule or policy and/or support the student’s learning in relation to the rule or policy that was violated.
- Expulsion – Permanent deprivation of the respondent’s opportunity to continue as a member of the University community. Individuals who return to University property, buildings, or facilities after notice of expulsion may be subject to criminal trespassing charges.
- Fines – Monetary fines may be levied against the student for violations of certain policies and procedures at the discretion of the SCA.
- Registration – Registration for subsequent terms, the conferral of the degree, and/or the release of transcripts may be withheld until all disciplinary measures have been concluded and any conditions imposed by the University have been fulfilled.
- Removal from University Housing – Requires that the respondent move off campus. Beginning and ending times will be specified. Individuals who enter University Housing facilities after notice of removal may be subject to criminal trespassing charges.
- Restitution for Damages – In addition to the penalties described above, a student may be required to pay compensation for damage to University property; however, such compensation shall be limited to the actual cost of repair or replacement of such property. Failure to comply with this sanction by a specified date may result in placing a “hold” on the student’s records and further disciplinary action.
- Restrictions – Limiting of certain privileges or practices of the individual(s) involved in the offense (e.g., restriction from representing the University in any official function or leadership position; or issuing a restriction for a particular building or space to the individual(s)).
- Room Transfer – Requires the respondent to move rooms or areas to reduce the chances of additional problems. Conduct probation will accompany such a move.

- Suspension – Removal of an individual or RSO from the University for a period of time. The duration of the period of suspension shall be commensurate with the degree of seriousness attached to the misconduct. A suspension may be imposed for a given period. Individuals who return to University property, buildings, or facilities after notice of suspension may be subject to criminal trespassing charges.
- Written Reprimand – A formal and official recognition of misconduct. Its intent is to declare that the behavior displayed in the subject incident was inappropriate within the University community. Actions in violation of the Code of Student Conduct in the future may result in a more severe disciplinary sanction.

In each case where the hearing decision results in separation from the University, the Office of the Dean of Students shall notify the dean of the academic unit in which the student has been enrolled.

8. APPEALS

a. Filing an Appeal

If the respondent, complainant, or victim is not satisfied with the disciplinary decision rendered in hearing option 1 or option 2, the decision may be appealed to the Dean of Students or their designee. A request for appeal must be based on at least one of the following:

- Violation of procedural rights.
- Severity of disciplinary action.
- Evidence not available at the time of hearing.

In order to request an appeal, the student must submit a written request of appeal to the Dean of Students within five (5) business days of the hearing decision. The appeal may either be submitted on an appeal request form, which is available from the SCA, or in the form of a letter from the student to the Dean of Students. The desired outcome of the appeal should be included in the form or letter.

b. Appeal Decision

The person(s) considering the appeal (as designated by the Dean of Students) shall have the authority to:

- Sustain the decision of the SCA or UDC, including the penalty imposed.
- Sustain the decision of the SCA or UDC, but impose a different penalty.
- Remand the case to a new SCA for further consideration.
- Reverse the decision.

The decision shall be transmitted in writing to all parties and, if the Dean of Students was not the person who considered the appeal, to the Dean of Students within ten (10) business days of the date of the appeal hearing. This decision is final. If the alleged conduct was a crime of violence or a non-forcible sex offense, the purported victim of the alleged conduct should also be notified of the final result of the appeal.

The rules and regulations contained in this section are subject to change. Between printings of *The Lowdown*, an updated version will be presented to any responding student or organization before any hearing.

9. RECORD KEEPING

All student disciplinary records are confidential and subject to the privacy protection granted by the [Family Educational Rights and Privacy Act \(FERPA\)](#). FERPA gives certain rights to parents regarding these records. These rights are transferred to students who are enrolled in postsecondary education. Generally, the University must have written permission from the eligible student before releasing any information from their conduct records. However, FERPA allows schools to disclose records, without consent, to certain individuals or organizations, including but not limited to the following:

- University officials within the institution determined by the institution to have a legitimate educational interest in the information (e.g., it is necessary for that official to a) perform their job; b) perform a task related to the student's education; c) perform a task related to the discipline of the student; d) provide a service or benefit relating to a student or the student's family, such as health care, counseling, job placement or financial aid).
- Certain government officials in order to carry out lawful functions.
- Individuals who have obtained court orders or subpoenas, though the student must be given notice before such records are released.
- Accrediting organizations.
- Circumstances listed in [Victim's Rights](#).

The complete written policy and procedures for compliance with FERPA are available from the SCA. Student disciplinary records will be kept on file in the Office of the Dean of Students and the SCA. When necessary, notices of decisions and sanctions will also be sent to University Police and the Director of Housing.

Files will be kept for ten (10) years from the student's last violation of the Code of Student Conduct. These records will then be shredded unless otherwise required by law or University policy. In cases involving suspension or expulsion or in which all sanctions have not been satisfactorily completed, files will be kept permanently.

Academic Disruption Policy

The University of South Alabama respects the right of instructors to teach and students to learn. Maintenance of these rights requires an academic environment that does not impede their exercise. To ensure these rights faculty and staff members have the responsibility to:

- Establish and implement academic standards
- Establish and enforce reasonable behavior standards in each academic setting
- Document and report incidents of academic disruption
- Refer for disciplinary action those students whose behavior may be judged to be disruptive under the Code of Student Conduct

Disruptive academic behavior is defined as individual or group conduct that interrupts or interferes with any educational activity or environment, infringes upon the rights and privileges of others, results in or threatens the destruction of property, and/or is otherwise prejudicial to the maintenance of order in an academic environment. An academic environment is defined as a classroom, laboratory, library, study hall, field trip or similar setting in which formal learning is taking place.

Though dependent upon the size and nature of the academic setting, disruption refers to behavior a reasonable person would view as substantially or repeatedly interfering with the conduct of an activity. Disruptive behavior may range from the mildly annoying (which would be tolerated as much as possible) to clearly disruptive, dangerous and/or violent behavior which would never be tolerated.

Common Disruptive Behavior

Common examples of disruptive student behavior include (in part from Gerald Amada “Coping with the Disruptive Student”) are:

- Threatening, stalking, intimidating, or harassing of anyone in an academic setting, such as another student, instructor, librarian or other academic staff person in an attempt to address grievance
- The formation of close and sometimes erotic attachments to a professor resulting in shadowing or persistent and unwanted phone calls or letters
- The badgering of an instructor with questions with the intent to interrupt lectures and gain attention (this problem is even more severe if related to alcohol or substance abuse)
- Sleeping in class
- Routinely entering class late or departing early
- Personal hygiene problems that impacts others
- Repeatedly talking in class without being recognized, talking while others are talking, or dominating class discussion
- Loud keyboarding or playing computer games
- Physical display of anger (such as throwing books or other items)
- The use of cell phones or pagers
- Tampering with equipment, altering computer software or hardware, or damaging furnishings in any academic setting
- Excessive noise in a quiet setting

University Procedures for Dealing with Disruptive Behavior

All incidents must be documented and reports (Classroom Disruption/Behavior Concern Report) must be routed promptly. The instructor should provide a copy of any report to the appropriate administrator (e.g., Dean of Libraries) or academic department chairperson. The administrator or department chairperson (who may possess other reports filed against a particular student) will then choose one of the following three options:

1. If the instructor and/or administrator/chairperson believe that the situation is salvageable, a conference between the instructor and the student – possibly involving others such as the administrator/chairperson, the Student Conduct Administrator, the University Police – may be held. The consequences of continued improper behavior and strategies for ending such behavior should be discussed at this meeting. The student needs to articulate why his/her behavior was inappropriate for the meeting to be successful. If the student cannot do this, further action is necessary.
2. If the department cannot resolve the situation, the report should be forwarded to the Student Conduct Administrator and charges should be brought against the offending student. There must be a complainant for this to occur. The complainant may be the involved instructor or academic staff person, the administrator or department chairperson, a witness to the event, campus police, or any other knowledgeable third party, including students. The report or written statement by the complainant must be given to the Student Conduct Administrator, who will then notify the accused student that he/she is being charged with violating the Code of Student Conduct. The Student Conduct Administrator will follow necessary procedures in dealing with the student as explained in the Code of Student Conduct section of the student handbook, “The Lowdown.” The Student Conduct Administrator may take unilateral action or the involved parties may be asked to appear before the University Disciplinary Committee, a group made up of students and faculty charged with deliberating upon non-academic Code of Student Conduct violations and issuing appropriate sanctions.
3. If there is a perceived threat or act of violence, or if disruptive behavior violates federal or state laws, the report should be forwarded to University Police who have arrest powers and may issue trespass warnings when appropriate. Once the University Police action or investigation is completed, they will share the report with the Student Conduct Administrator or the University Behavioral Assessment Team for consideration or additional action.

The Behavioral Assessment Team is chaired by the Vice President for Student Affairs and Dean of Students. Members of the team include the Executive Vice Provost, University General Counsel, Chief of Police, and the Director of the University Counseling & Testing Services Center. Other members of the University community, including the individual of concern, may be requested to meet with the team, depending upon the nature of the disruptive behavior being reviewed. The team does not make disciplinary rulings, but rather provides recommendations to the appropriate University officials to effectively manage behavioral concerns within applicable University policies and procedures.

UNIVERSITY OF SOUTH ALABAMA
DRUG AND ALCOHOL ABUSE PREVENTION PROGRAM
STATEMENT OF POLICY

The University of South Alabama recognizes that substance abuse is a major issue affecting all aspects of our society. The University views the abuse of alcohol and other drugs as harmful to the life, safety, and orderly progress of the academic community.

Responsible conduct and accountability is expected from each individual on campus. The University will address this ongoing concern through an institution-wide commitment to appropriate education, prevention, and counseling services. The University recognizes, through this policy and the programs developed to prevent illicit use of drugs and abuse of alcohol, its goals and commitments to a drug-free academic and employment environment, in accordance with the Drug-Free Schools and Communities Act Amendment of 1989 and the Drug-Free Workplace Act of 1988, and The Americans With Disabilities Act of 1990.

Federal regulations governing the confidentiality of records shall be carefully observed (Section 523 of the Public Health Service Act). These laws provide specific requirements for maintaining the confidentiality of client records.

As a part of the University's Institution-Wide Substance Abuse Education/Prevention Program, and also in accordance with the Drug-Free Workplace Act of 1988, the following are prohibited:

1. Use, possession, manufacture, distribution, dispensation or sale of illegal drugs or drug paraphernalia on University premises or while on University business, or in University vehicles either during or after working hours;
2. Unauthorized use or possession or any manufacture, distribution, dispensation, or sale of controlled substances, as defined by state law, on University premises, or while engaged in University business, or in University vehicles, either during or after working hours;
3. Unauthorized use, manufacture, distribution, dispensation, or possession or sale of alcohol on University premises or while on University business as set forth in the policy, or in University vehicles, either during or after working hours;
4. Storing on University premises any illegal drug, drug paraphernalia, any controlled substances, of which use is unauthorized, or any alcohol on University premises unless specifically authorized in accordance with University policy;
5. Use of alcohol off University premises that adversely affects the employee's work performance, his own or others' safety;
6. Possession, use, manufacture, distribution, dispensation, or sale of illegal drugs off University premises that adversely affects a University employee's work performance, his own or others' safety;
7. Any act leading to conviction under any criminal drug statute;
8. Failure of a University employee to notify the University of any arrest or conviction under any criminal drug statute within five days of the arrest or conviction, in accordance with the Drug-Free Workplace Act of 1988.

A Summary of Federal and State Laws

The University pledges to support and enforce all laws and ordinances pertaining to the use, possession, sale, and distribution of alcohol and other drugs. Below is a summary of Alabama laws relating to illegal possession, etc., of alcohol and illegal drugs. Relevant Federal laws are included as an Appendix to this document.

State Law - Drinking Age

The legal age in Alabama for consumption or possession of alcoholic beverages is defined as twenty-one (21) years (Ala. Code Section 28-31-5).

Minors may not lawfully attempt to purchase alcoholic beverages [Ala. Code Section 28-3A-25 (18)]. Those found in violation are subject to a fine of not less than \$50.00 to \$500.00 and at the discretion of the judge, up to three months at hard labor or imprisonment.

Those who furnish alcoholic beverages to a minor are subject to a civil suit by the minor's parents or guardian (Ala. Code Section 6-5-70).

Sale or Gift to an Intoxicated Person

The Alabama Alcoholic Beverage Control Board regulations prohibit the sale or gift of alcohol to persons who "appear, considering the totality of the circumstances, to be intoxicated." (ABC Regulation 20-X-6-.02)

Dram Shop Liability

A civil action for damages may be initiated by persons injured by intoxicated individuals against the one who sold, gave, or otherwise caused the intoxication of the individual in violation of the law (Ala. Code Section 6-5-71).

Related Laws

State law defines controlled substances or drugs in Ala. Code Section 20-2-1, et seq. Drugs which are illegal in the state of Alabama are included therein and include marijuana, morphine, heroin, cocaine, codeine, peyote, mescaline, and other similar substances.

The Drug Crimes Amendment Act of 1987 establishes that it is a crime to unlawfully distribute controlled substances if, except as otherwise authorized, the person sells, furnishes, gives away, delivers, or distributes a controlled substance enumerated in Schedules I-V of the Act. Such unlawful distribution is defined as a Class B felony. Class B felonies provide sentences for a definite term of imprisonment, which imprisonment includes hard labor for not more than twenty years or less than two years. In addition, there may be certain fines imposed, related to felonies. (Ala. Code Section 13A-5-11).

Persons are deemed to commit a crime of unlawful possession of a controlled substance if, except as otherwise authorized, the person possesses a controlled substance enumerated in Schedules I-V, or the person obtains by fraud, deceit, misrepresentation or subterfuge or by the alteration of a prescription or written order, or by the concealment of a material fact or by the use of a false name or giving a false address, a controlled substance enumerated in Schedules I-V or a precursor chemical enumerated in Ala. Code Section 20-2-181. Such unlawful possession is deemed to be a Class C felony, which may carry with it a penalty of not more than ten years, or less than one year and one day, plus potential fines. (Ala. Code Section 13A-5-11, 13A-5-6, 13A-12-212).

Additionally, a person commits the crime of unlawful possession of marijuana in the first degree if, except as otherwise authorized, the person possesses marijuana for other than personal use or possesses marijuana for his/her personal use only after having previously been convicted of unlawful possession of marijuana in the second degree or unlawful possession of marijuana for his personal use only. That unlawful possession is deemed to be a Class C felony. (Ala. Code Section 13A-12-213).

A person commits the crime of unlawful possession of marijuana in the second degree if, except as otherwise authorized, the person possesses marijuana for his/her personal use only. Unlawful possession of marijuana in the second degree is a Class A misdemeanor. Class A misdemeanors may require imprisonment in the County jail or hard labor for the County of not more than one year. (Ala. Code Section 13A-12-21).

In addition, if an offender is over the age of 18, and the offense consists of selling, furnishing or giving Schedule I-V controlled substances to a person under the age of 18, the offender is guilty of a Class A felony. The imposition or execution of THE SENTENCE SHALL NOT BE SUSPENDED, AND PROBATION SHALL NOT BE GRANTED. (Ala. Code Section 13A-12-215)

There are certain specific offenses for drug trafficking set forth in Ala. Code Section 13A-12-231, et seq. Also there is a specific penalty for individuals who sell on or near school campuses, as found in Ala. Code Section 13A-12-250, as follows:

“In addition to any penalties heretofore or hereafter provided by law for any person convicted of an unlawful sale of a controlled substance, there is hereby imposed a penalty of five years incarceration in the state corrections facility, with no provision for probation if the situs of such unlawful sale was on the campus or within a three mile radius of the campus of any public or private school, college, university, or other educational institution in the state.”

There are also offenses for possession, use, delivery and sale of drug paraphernalia set forth in Ala. Code Section 13A-12-260, as well as other significant offenses relating to illicit use, sale, distribution, manufacture, possession, or consumption of dangerous drugs, narcotics, or other controlled substances. When made aware of activities that violate any of these or other drug laws the University of South Alabama will work with appropriate authorities in order to assure that the University is a drug-free environment for its students, faculty, and staff.

Counseling and Treatment Services

1. Employees are eligible for free substance abuse assessment and counseling services from the University Employee Assistance Program Counselor, 461-1346. Students are eligible for free substance abuse assessment and counseling services from the Counseling and Testing Services – Substance Abuse Program, 460-7051. Services are provided confidentially to the extent allowed by relevant laws and ethical guidelines. Employees and students who are concerned about their alcohol and other drug use are encouraged to self-refer.
2. When an employee or student requires treatment beyond what can be provided by the EAP Counselor or Substance Abuse Program staff, he/she will be referred to an outside provider. The selection of that treatment provider will be based on a number of considerations including type of treatment needed (e.g., inpatient vs. outpatient), insurance coverage, accessibility of program, and employee/student openness to available options.

Substance Abuse Education and Training

1. University Counseling and Wellness Center takes a primary role in planning and conducting alcohol and other drug prevention activities for students. These include but are not limited to substance abuse educational programs, distribution of educational materials, conducting screenings for alcohol problems, development and implementation of social norm marketing campaigns, and maintaining on-line resources such as alcohol assessment and personalized feedback programs.
2. University Counseling and Wellness Center provides training for faculty, staff, and student leaders on alcohol and other drug issues, particularly how to recognize and intervene with someone who is suspected of having a substance abuse problem. The Employee Assistance Counselor provides training for hospital supervisory personnel on recognizing and intervening with impaired health professionals.
3. University Counseling and Wellness Center staff and the Employee Assistance Program Counselor are available to consult with students and employees about substance abuse related issues.

Health Risks Associated with Alcohol and Other Drug Use

Alcohol - Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car safely, increasing the likelihood that the driver will be involved in an accident. Low to moderate doses of alcohol also increase the incidence of a variety of aggressive acts, including spouse and child abuse. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person's ability to learn and remember information. Very high doses can cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to dependence. Sudden cessation of habitual alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life threatening. Long-term health risks of heavy drinking include hypertension, stroke, cirrhosis of the liver, heart problems, brain and nerve damage, and sexual dysfunction.

Pregnant women who drink alcohol may give birth to infants with Fetal Alcohol Syndrome. These infants have irreversible physical abnormalities and mental retardation. In addition, research indicates the children of alcoholic parents are at greater risk than other children of becoming alcoholics.

Marijuana - Marijuana use increases the heart rate, impairs coordination, and reduces short-term memory. Use of marijuana during pregnancy may result in premature babies and low birth weights. Women may have irregular menstrual cycles and both men and women may have a temporary loss of fertility.

Cocaine - Cocaine use can ulcerate the mucous membrane of the nose if snorted and cause hepatitis or other infections if injected.

Cocaine abuse may be associated with severe depression, anxiety, and/or psychotic episodes. Overdose deaths can occur when the drug is injected, smoked or snorted. Deaths are a result of multiple seizures followed by respiratory cardiac arrest.

Amphetamines - Use of amphetamines may increase heart and breathing rates and blood pressure, cause blurred vision, dizziness, loss of coordination, and even physical collapse. An amphetamine injection creates sudden increases in blood pressure that cause death from stroke, very high fever, or heart failure.

Hallucinogens - Hallucinogen use (LSD, mescaline, mushrooms) may cause organic brain damage, such as impaired memory and attention span, mental confusion, and difficulty with abstract thinking.

Barbiturates - Use of barbiturates in large doses (Amytal, Nembutal, Seconal) may cause slurred speech, staggering gait, poor judgment, and slow, uncertain reflexes. These effects make it dangerous to drive a car or operate machinery. Unconsciousness and death may also occur from large doses.

The University Office of Student Conduct Medical Assistance Policy

The health, safety, and welfare of University of South Alabama students are of the utmost importance. As such, all students are expected to alert appropriate emergency officials to the existence of potentially serious or life-threatening situations. The Medical Assistance Policy empowers students and student organizations to seek medical assistance for individuals who may be experiencing health-related complications from alcohol, drugs, or other substances. The policy aims to reduce barriers to seeking medical assistance and to encourage students and student organizations to make responsible decisions in potentially serious or life-threatening situations. Except as set forth below, students that abide by this policy and its protocols will be granted an exemption from disciplinary proceedings (i.e., the incident will not appear on his/her student disciplinary record). In addition, a student organization's compliance with this policy and its protocols may serve as a mitigating factor if the incident results in disciplinary proceedings against the student organization.

This policy does not preclude or prevent action by police or other legal authorities.

Medical Assistance Protocol (MAP)

In potentially serious or life-threatening situations, students and student organizations are expected to follow all steps noted below:

1. Immediately contact emergency officials by calling 911 to report the incident;
2. remain with the individual(s) needing medical assistance, so long as it is safe to do so;
3. cooperate with emergency officials;
4. meet with appropriate university officials after the incident; and,
5. cooperate with any university and/or law enforcement investigation(s).

Additional and/or elevated disciplinary outcomes may be applied for students and student organizations that fail to follow the Medical Assistance Protocol in potentially serious or life-threatening situations.

Who is covered by the Medical Assistance Policy?

The Medical Assistance Policy applies to: students seeking medical assistance on their own behalf or who obtain medical assistance under this policy, students seeking and obtaining medical assistance on behalf of another individual, and student organizations seeking and obtaining medical assistance on behalf of a member or guest.

Who is NOT eligible for a disciplinary exemption under the Medical Assistance Policy?

A student or student organization will not be considered eligible for exemption under this policy if the incident is first discovered by a University employee or public safety official (i.e., USAPD, faculty, administrative staff, residence hall staff, etc.) acting within the scope of his/her responsibilities.

What University policy violations are NOT eligible for disciplinary exemption under the Medical Assistance Policy?

Certain University policy violations are not eligible for disciplinary exemptions due to the severity of the incident. This policy does not protect flagrant or serious violations of the Code of Student Conduct or other university policies, including, but not limited to, the following: physical abuse or violence, sexual misconduct, hazing, harassment, theft, or vandalism.

University Firearms

1. Purpose

The purpose of this Policy is to maintain a safe educational environment for students, employees, and visitors, free of dangerous weapons and firearms, except as otherwise authorized by law or this Policy.

2. Applicability

This Policy applies to all members of the campus community, including students, employees, visitors, and contractors, and on all properties owned or operated by the University or a University affiliate.

3. Definitions

Service and Assistance Animals

1. Purpose

The University of South Alabama (USA) is committed to providing reasonable accommodations to qualified students with disabilities, and recognizes that some members of the USA community with disabilities may require the use of service or assistance animals while at USA. This policy serves to set forth guidelines concerning the appropriate use of and protocols associated with service animals and assistance animals. USA reserves the right to amend these guidelines as needed, with or without prior notice.

2. Applicability

This policy applies to faculty, staff, students and visitors on all campuses of the University other than those of USA Health. Students who have questions about the use of a service or assistance animal should contact the Center for Educational Accessibility and Disability Resources (CEADR) at (251) 460-7212. Members of the USA community who are faculty and staff and have questions about the use of a service animal should contact USA Human Resources at (251) 460-6133.

3. Definitions

Service Animal: A service animal is defined as any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability.

- Miniature horses may be considered service animals in some cases;
- The work or task that a service animal has been trained to provide must be directly related to the functional limitations of the person's disability;
- Other species of animals, whether wild or domestic, trained or untrained, are not service animals;
- An animal whose sole function is to provide comfort or emotional support does not qualify as a service animal.

Assistance Animal: An assistance animal (therapy, comfort, or emotional support animal) is an animal that provides emotional support which alleviates one or more identified symptoms or effects of an individual's disability.

Pet: A pet is defined as an animal that is kept for ordinary use and companionship.

4. Policy Guidelines

4.1 Service Animals

A service animal is allowed on campus in all areas of the University's facilities where members of the public, participants in services, programs, or activities, or invitees are allowed to go, such as academic buildings, libraries, and on-campus dining establishments. There may be areas of the USA campus where it is considered unsafe for an animal to be present or where the animal may need protective wear to be present, such as laboratories; the Director of Safety and Environmental Compliance may be consulted in making this determination. If an area is determined to be unsafe, reasonable accommodations should be provided to assure the student equal access to the activity taking place there.

While a student who requires the use of a service animal is not required to register the animal with the Center for Educational Accessibility & Disability Resources, they are encouraged to do so in order for the University to be aware of the authorized presence of the service animal on campus.

4.2 Assistance Animals

Assistance animals are prescribed to an individual with a disability by a mental health professional. An assistance animal must be regarded as an integral part of a person's treatment process to be considered for approval. Species other than dogs or domestic cats will be considered on a case-by-case basis. Animals that may pose an animal-to human infectious disease threat, such as monkeys, reptiles, and hedgehogs, will not be approved.

Assistance animals are not service animals and do not accompany an individual at all times. Assistance animals are only permitted in the individual's assigned living space, and designated outdoor spaces, if appropriate, under proper handling of the owner. These animals are not allowed in any other campus buildings. Students living off campus should note that assistance animals ARE NOT allowed in campus buildings.

4.3 Pets

A pet is not considered a service or assistance animal. Individuals are not permitted to keep or bring pets into campus residence assignments or any other campus buildings.

5. Procedures

5.1 Procedures for the Approval of Assistance Animals

A student who will be living in University Housing (residence hall or Central House on Stadium) and who is seeking to bring an assistance animal must make a formal request to CEADR for an accommodation on the basis of a qualifying disability. To make this formal request, the student must submit a completed application for accommodations which may be found on the CEADR website (www.southalabama.edu/CEADR). The request for an accommodation concerning an assistance animal and approval should be made prior to the date the student would like to bring the animal into campus housing.

Students bringing an assistance animal to live in University Housing or Central House on Stadium without prior approval may face disciplinary action and/or eviction.

The request for an assistance animal may be denied if proper documentation is not presented or if such an accommodation is deemed unreasonable. Examples of an unreasonable accommodation include one which presents an undue financial or administrative burden on the University; poses a direct threat to the health or safety of others that cannot be reduced or eliminated by another reasonable accommodation; the animal in question would cause substantial physical damage to the property of others that cannot be reduced or eliminated by another reasonable accommodation; or constitutes a fundamental alteration of the nature of the service or program. If a requesting student is denied a request for an assistance animal, the student may appeal the decision, in writing, to the Vice President for Student Affairs and Dean of Students (VPSA), within 5 business days. The decision of the VPSA is final. Requests for an assistance animal require complete documentation to be submitted before review and rendering of a decision and/or recommendation. Documentation must be dated within the last 12 months. Detailed documentation requirements are available on USA's CEADR website at www.southalabama.edu/CEADR.

Documentation of the need for an assistance animal should follow the CEADR guidelines for documentation of a disability, and should include the following information:

- The credentials and contact information of the evaluator(s);
- A diagnostic statement identifying the disability;
- A description of the diagnostic methodology used;
- A description of the current functional limitations;
- A description of the expected progression or stability of the disability;
- A description of current and past accommodations, services and/or medications;
- Statement on how the animal serves as an accommodation for the verified disability;
- Statement on how the need for the animal relates to the ability of the resident/student to use and enjoy the living arrangements provided by the University.

Any student approved for an assistance animal while on campus must:

- Follow all established University policies as outlined in The Lowdown and Housing Community Standards;
- Register the animal with CEADR prior to moving into campus housing each year (dead lines noted above);
- Ensure that at the start of each academic year the animal is licensed pursuant to applicable local (i.e. Mobile County) laws and is in good health;
- Review and sign appropriate forms as requested at the start of each academic year.

5.2 Owner Responsibilities for Service and Assistance Animals

The owner of the service/assistance animal is expected to accept the following responsibilities:

- Comply with applicable local, state, and federal laws concerning the ownership of an animal;
- The owner, not the University or another student/resident, is responsible for the care and conduct of the animal;
- Animals must be kept clean, healthy and under the control of the owner at all times. While outdoors on campus, the animal must be on a leash;
- All required immunizations must be up to date;
- All license(s) required under applicable law or regulations must be current and up-to-date;
- Dogs or cats must wear a collar with appropriate tags (i.e. vaccinations, contact information) at all times;
- Animals must be fed on a regular and healthy feeding schedule;
- Animals and their accoutrements (i.e. Heat Lamp) must not pose a direct threat to the safety of others. All electrical accouterment must be approved by the University Fire Marshall prior to use;
- The owner is responsible for prompt clean up and disposal of the animal's waste;
- Owners with cats must properly maintain litter boxes. In consideration of the health of the cat and the occupants of the apartment or residence hall room, cat litter box contents must be changed with new litter regularly in accordance with manufacturer recommendations;
- The animal's waste must be taken to an appropriate residence hall or apartment dumpster. No waste is to be disposed of in any trash receptacle inside any building, or through any sewer system inside buildings (sinks and toilets);
- Animals must sleep in the owner's room or apartment;
- Animals must not be disruptive to other students including excessive noise;
- USA is not responsible for an animal during a fire alarm, fire drill, or natural disaster/building emergency;
- Whenever the owner is away from the room, the animal must be contained in a cage/crate. Should a USA employee (i.e., maintenance worker) enter the room and an uncaged animal escape, USA will not be held responsible. Crated/caged animals should not be left alone for more than 24 hours;
- Owner is responsible for finding appropriate accommodations for the animal when he/she will be leaving for a period of more than 24 hours;
- An emergency contact number for an alternate caretaker should be on file with the CEADR office and the Housing Office;
- The owner is responsible for any bodily injury or property damage caused by the animal, as well as any related charges;
- The owner must notify CEADR, in writing, as soon as an assistance animal is no longer present in the residence or no longer needed for the owner's disability;
- If a student is seeking to replace an assistance animal with another, the student should

notify CEADR;

- For assistance animals, approvals are only good for the academic year in which the approval is made. A new request must be filed prior to occupancy at the beginning of each subsequent academic year;
- It is the owner's responsibility to ensure that the animal is free from fleas or other pests;
- The owner will be responsible for the cost of eliminating any pest infestation as a result of the animal. In the event of infestation, the University or Central House on Stadium will contract an appropriate pest control company and bill the student directly for charges;
- At the end of a contract period, the University or Central House on Stadium will inspect and clean the residential unit. The owner will be responsible for the fees associated with cleaning the unit above a standard cleaning and will be billed accordingly.

Failure to comply with any of the above policies may result in the removal of the animal and/or the owner of the animal from the assignment.

5.3 Housing Requirements

Students bringing approved assistance animals will be required to complete and sign an Assistance Animal Registration and Agreement with Housing. The form includes provisions related to the above policy to which the student must adhere in order to maintain the animal. Students bringing service animals are requested to register the animals so that the University will be aware of the authorized presence of the service animals on campus.

Students who are adversely affected by the presence of animals (i.e. respiratory diseases, asthma, severe allergies) are asked to contact CEADR. Affected students may be eligible for an accommodation when living in proximity to a service/assistance animal. The CEADR Director and the Housing Director or Central House on Stadium General Manager will collaborate, as needed, to help resolve any conflicts related to a service/assistance animal.

All staff members will consider the needs and/or the appropriate accommodations of all residents involved. Students who do not wish to live with an assistance or service animal may be reassigned to a different room.

If an assistance animal owner is found to be in violation of the assistance animal agreement, then the assistance animal and/or the owner may be removed from University Housing or Central House on Stadium. Similarly, a service animal and/or the owner may be removed from campus if the service animal is out of control and its handler does not take effective action to control it, if the service animal is not housebroken, or if the service animal poses a direct threat to the health or safety of others.

5.4 Emergency Responders

USA Police Department officers will make every reasonable effort to keep the animal with its owner in the event of an emergency evacuation. However, the emergency responder's first

effort will be toward the student and this may necessitate leaving an animal behind in certain emergency evacuation situations.

5.5 Visitors

While visitors may bring service animals to campus, they may not bring assistance animals. All visitors with service animals must adhere to the same service animal control, behavior and safety guidelines as students attending the University.

6. Enforcement

6.1 University Sanctions.

6.1.1 Potential violations of this policy by a student will be addressed, pursuant to the Student Code of Conduct, policies and procedures of the Department of Housing, or other applicable policy or procedure.

6.1.2 Potential violations by faculty, staff and administrators will be addressed pursuant to policies applicable to the appropriate classification of employee, including the Faculty Handbook or Staff and Employee Handbook as applicable.

6.2 Alabama Law: Misrepresentations regarding Assistance or Service Animals.

6.2.1 Under Alabama law, misrepresenting that a person has a disability or a disability-related need for the use of an assistance or service animal, making materially false statements for the purpose of obtaining documentation for the use of an assistance or service animal, or misrepresenting an animal as an assistance or service animal shall be subject to a civil penalty of \$500 or deemed a Class C misdemeanor.

6.2.2 A second or subsequent offense is deemed a Class B misdemeanor.

Children of Employees and Students in Campus Facilities

1. Purpose

The University of South Alabama (USA) values its employees and students and acknowledges the important role that families play in our lives. This policy addresses the circumstances under which it is appropriate to bring non-student, minor children to the workplace or classroom. This policy is intended to foster respect for the needs of all parties impacted by the presence of non-student, minor children on the campus, in the workplace, or in the classroom.

2. Applicability

This policy applies to the University General Division (all campus-based units), and pertains to all individuals doing work for or on behalf of the University, including faculty, administrators, staff, and students.

3. Definitions

Non-Student; Minor Child: A minor child (under the age of 19) who is not enrolled in classes at USA.

Parent: Any employee or student who has responsibility for a Non-Student, Minor Child while in the workplace or classroom regardless of the employee's or student's relationship to the child.

4. Policy Guidelines

4.1. Typically, Non-Student, Minor Children should not be present in the workplace or the classroom on a frequent or continuing basis.

4.2. Exceptions to this general rule include:

4.2.1. Minors who are enrolled as students at USA.

4.2.2. Programmatic activities for non-students and minor children with appropriate adult supervision that are officially sponsored or approved by the University (e.g., recruitment visits, campus tours, athletics events, etc.).

4.2.3. Brief visits (e.g., an employee brings his/her child, grandchild, or other minor relative in to introduce that child to co-workers), provided the employee supervises the child(ren) at all times during the visit.

4.2.4. Special employer-sanctioned occasions that are coordinated with and approved by the employee's supervisor where attendance by children is encouraged. Conditions set forth in section 4.3 (below) must be properly addressed and the employee's work schedule should also be considered.

4.2.5. Visits coordinated with and approved by the employee's supervisor after considering and satisfactorily addressing the factors set forth below (section 4.3). Any such approved visits must be brief and occur only in exceptional times. The parent employee must supervise the child(ren) on such visits and ensure that the child(ren) is not disruptive to the work environment. It is not appropriate for non-student, minor children to be in the workplace on a regular basis, such as after school each school day or on regularly scheduled school holidays.

4.2.6. Visits coordinated with and approved by the student's instructor after considering and satisfactorily addressing the factors set forth below (section 4.3). Any such approved visits must be brief and occur only in exceptional times. The parent student must supervise the child(ren) on such visits and must ensure that the child(ren) is not disruptive to the classroom environment. It is not appropriate for Non-Student, Minor Children to be in the classroom on a regular basis, such as after school each school day or on regularly scheduled school holidays.

4.2.7. In the event of an emergency, and only if there are no other reasonable alternatives, parent employees may have children present in the workplace for brief periods of time. Ideally, the immediate supervisor's approval should be obtained beforehand. Similarly, in the event of an emergency, and only if there are no other reasonable alternatives, parent students may have children present in the classroom for brief periods of time, with the instructor's approval. Such arrangements are only to be temporary in nature and may be granted, in the supervisor's and instructor's discretion, only in circumstances where the employee and supervisor or the student and professor have considered and satisfactorily addressed the factors set forth in section 4.3 below. When authorized, the parent employee/student must supervise the child(ren) at all times and should not leave the child(ren) in the custody of another University employee or student, even for brief periods of time.

4.2.8. Any child with an illness that prevents the child from going to a childcare facility or from attending school should not be brought to the

workplace or into the classroom. No child with an infectious disease should be brought to the workplace or into the classroom under any circumstances. If employees or students must attend to their children and short-term care cannot be arranged, employees should record time off in accordance with the University policies, as appropriate, to accommodate their children during working hours and students should converse with their instructor to discuss alternatives to class attendance.

4.3. The exceptional circumstances under which non-student, minor children may be brought into a particular workplace or classroom setting should be established in a discussion between the employee and supervisor or the student and instructor, respectively, considering the following factors:

4.3.1. Whether the parent is willing to accept full responsibility for the child's safety and for any damage to property or injury to persons that is caused by the child's presence.

4.3.2. The extent to which the child's presence in the workplace or classroom environment creates a potential danger to the child (or USA students or employees) or exposes the University to liability.

4.3.3. The extent to which the child's presence in the workplace or classroom environment poses a risk of breach of confidentiality with respect to information in the workplace.

4.3.4. The extent to which the child's presence in the workplace or in classroom environment disrupts or has the potential to disrupt the work or classroom environment and/or creates an atmosphere that is not conducive to achievement of the specific goals and objectives of the workplace or classroom.

4.3.5. Such other factors as the supervisor or instructor deems appropriate.

4.4. Non-Student, Minor Children are not permitted as visitors in work or classroom areas where safety and/or confidentiality factors exist unless prior permission has been received from the appropriate University authority. The exceptions set forth in section 4.3 are not applicable to such work or classroom areas. Please refer to the [Minors in Laboratories, Shops, and Hazardous Areas](#) policy.

Sexual Misconduct Policy & Complaint Resolution Procedures

Sexual Misconduct Policy

Executive Summary

It is the policy of the University to comply with Title IX of the Education Amendments of 1972 and its implementing regulations, which prohibit discrimination based on sex in the University's educational programs and activities. Title IX and its implementing regulations also prohibit retaliation for making complaints of sexual misconduct.

1. Purpose

The University of South Alabama (the "University") is committed to establishing and maintaining an environment where individuals, regardless of gender, gender identity, gender expression, or sexual orientation, are free from sex discrimination, sexual harassment, sexual violence, sexual coercion, domestic violence, dating violence, stalking, electronic stalking, and retaliation (collectively "sexual misconduct").

The University considers sexual misconduct to be a serious offense because it undermines the atmosphere of trust and respect that is essential to a healthy University Community. As such, sexual misconduct violates the standards of our University Community and constitutes a violation of this policy.

Retaliation against any person who reports or assists in making a report of sexual misconduct or who participates in the investigation and resolution of a complaint in any way would violate the University's Non-Retaliation Policy.

Complaints of retaliation may be subject to the same grievance procedures as complaints of sexual misconduct. The Non-Retaliation Policy can be found at: <https://www.southalabama.edu/departments/compliance/policylibrary/policy.html?doc=B5C676F7-6EF9-48B6-8EC3-F4DE87B0DF94>.

The University will promptly and thoroughly investigate and resolve all formal complaints of sexual misconduct in accordance with this policy and the Complaint Resolution Procedures. If the University determines that sexual misconduct occurred, the University will take prompt and effective remedial action to prevent the recurrence of the sexual misconduct, eliminate any hostile environment, and address the effects of misconduct on the complainant and others, if applicable.

While University employees, as described in Section 4.2.1.1 of this policy, are required to report sexual misconduct that they observe or learn about, the University takes seriously reports of sexual misconduct from any interested person.

The University has a designated Title IX Coordinator, Dr. Deidra Byas, who shall oversee the implementation and enforcement of this policy, compliance with applicable rules and regulations, and coordination of communications between campus and community partners. The Title IX Coordinator may be reached at (251) 460-7280 or deidrabyas@southalabama.edu. The Title IX Coordinator's office is in the Athletic Annex Building, Suite 50. For detailed directions, please visit the Title IX Office website <https://www.southalabama.edu/departments/studentaffairs/titlenine/>.

2. Applicability

Subject to Section 5.6 hereinbelow, this policy applies to all University employees, including administrators, faculty, adjunct faculty, and staff; employees of USA affiliates including but not limited to the University of South Alabama Health Care Authority and its subsidiaries (collectively, “USAHCA”) and USA HealthCare Management, LLC (“USAHCM”); students; applicants for employment; customers; third-party contractors; and all other persons who participate in the University’s educational programs and activities, including third-party visitors on campus (the “University Community”). This policy does not apply to students, faculty, or staff participating in Study Abroad program activities that are facilitated outside of the United States.

3. Definitions

Advisor: An individual who is assigned to a party participating in a formal or informal process to provide private advice and guidance to the party he/she is supporting. An Advisor attends all scheduled Title IX-related meetings with the party, may cross-examine the opposing party and other witnesses during any hearing process, reviews investigation reports and other documents with their assigned party, and provides support and guidance through the Title IX process.

Complainant: An individual who is alleged to be the victim of conduct that could constitute sexual misconduct.

Consensual Relationship: A consensual relationship is any relationship, past or present, that is romantic, intimate, or sexual in nature to which both parties give consent.

Effective consent may not exist when there is a disparity in power between the parties. An example is when one is in a supervisory or evaluative role over the other, such as a faculty member teaching a student or an administrator supervising an employee.

In addition, the appearance of a compromising conflict of interest or of coercion, favoritism, or bias is prejudicial to the interests of the University. Because of the significant power differential that exists between faculty and students, faculty members are prohibited from participating in sexual and/or romantic relationships with students enrolled in their classes or with students whom they otherwise evaluate, grade, or supervise. Similarly, faculty members have an obligation to avoid situations that may require them to evaluate, grade, or supervise students with whom they have or have had sexual and/or romantic relationships. If such a situation arises, the faculty member must report the situation immediately to their immediate supervisor upon becoming aware of such a situation. For purposes of this policy, “supervise” means direct oversight, authority, or influence over a student’s grades and/or academic and professional activities.

Likewise, University personnel may not participate in evaluating or supervising any other employee with whom such personnel currently have or have had a sexual and/or romantic relationship. If such a situation arises, the supervisory employee must report it immediately to their immediate supervisor upon becoming aware of it.

Consent: Consent is defined as conduct that a reasonable person would understand to indicate agreement to the sexual conduct at issue. Under this policy, consent must be informed, freely given, and mutually understood. Lack of consent is a critical factor in determining whether sexual violence has occurred.

Under Alabama law, lack of consent for criminal purposes “results from either of the following: (1) forcible compulsion; or (2) being incapable of consent.” Ala. Code § 13A-6-70(b). “Forcible compulsion” means:

Use or threatened use, whether expressed or implied, of physical force, violence, confinement, restraint, physical injury, or death to the threatened person or to another person. Factors to be considered in determining an implied threat include, but are not limited to, the respective ages and sizes of the victim and the accused; the respective mental and physical conditions of the victim and the accused; the atmosphere and physical setting in which the incident was alleged to have taken place; the extent to which the accused may have been in a position of authority, domination, or custodial control over the victim; or whether the victim was under duress. Forcible compulsion does not require proof of resistance by the victim.

Ala. Code § 13A-6-60(1). Furthermore, under Alabama law, “[a] person is deemed incapable of consent if he or she is either: (1) less than 16 years old; or (2) incapacitated.” Ala. Code § 13A-6-70(c). A person is “incapacitated” if he or she is: (1) “suffer[ing] from a mental or developmental disease or disability which renders the person incapable of appraising the nature of his or her conduct;” (2) “temporarily incapable of appraising or controlling his or her conduct due to the influence of a narcotic, anesthetic, or intoxicating substance and the condition was known or should have been reasonably known to the offender,” or (3) “unable to give consent or...unable to communicate an unwillingness to an act because the person is unconscious, asleep, or...otherwise physically limited or unable to communicate.” Ala. Code § 13A-6-60(2).

In addition to Alabama law, the following are essential to understanding what constitutes effective consent under the policy:

- If coercion, intimidation, threats, and/or physical force are used, there is no consent.
- If a person is incapacitated by alcohol or drugs such that the person cannot understand the fact, nature, or extent of the sexual situation, there is no consent even if the person self-administered the alcohol or drugs.
- Consent to one form of sexual activity does not imply consent to other forms of sexual activity.
- Consent can be withdrawn by verbal or physical conduct that a reasonable person would understand to indicate a desire to stop or not engage in the sexual conduct at issue.
- While consent can be withdrawn, a withdrawal of consent operates going forward. It does not change the consensual nature of sexual activity that has already occurred.
- Being in a romantic relationship with someone does not imply consent to any form of sexual activity.

Dating Violence: Dating violence is violence committed by a person who is or has been in a “relationship of a romantic or intimate nature [with the complainant that is] characterized by the expectation of affectionate or sexual involvement by either party.” Ala. Code § 13A-6-130(a)(2). Alabama law does not specifically define dating violence, but conduct of this nature is covered by the definitions of dating relationship and domestic violence found in Alabama Code §§ 13A-6-130 -- 13A-6-132. Dating violence does not depend on the gender, gender identity, gender expression, or sexual orientation of the alleged victim and the alleged perpetrator. Thus, dating violence can occur between persons who consider themselves to be of the same gender/gender identity or a different gender/gender identity. Dating violence is a crime and is prohibited by this policy, no matter the motivation. Reports of domestic violence, dating violence, and stalking will be addressed under the Complaint Resolution Procedures.

Decision Maker: A Title IX Decision Maker is also known as the Hearing Officer. The Decision Maker is

an impartial individual designated to preside over a Title IX hearing and who reviews all evidence presented during the hearing and issues a written determination, including findings of fact, conclusions about policy violations, rationale, and any disciplinary sanctions from the hearing committee.

Domestic Violence: Domestic violence is a felony or misdemeanor crime of violence committed by a current or former spouse, parent, step-parent, child, step-child, a person with whom the complainant shares a child, a present household member, or a person who has or had a dating or intimate relationship with the complainant.

Alabama law prohibits domestic violence under Alabama Code §13A-6-130 through 143. Domestic violence does not depend on the gender, gender identity, gender expression, or sexual orientation of the complainant and the alleged perpetrator. Thus, domestic violence can occur between persons who consider themselves to be of the same gender/gender identity or a different gender/gender identity.

Domestic violence is a crime and is prohibited by this policy, no matter the motivation. Reports of domestic violence, dating violence, stalking, and electronic stalking will be addressed under the Complaint Resolution Procedures.

Electronic Stalking: Electronic Stalking occurs when a person, without the consent of the owner or except as otherwise authorized by law, places any electronic tracking device on the property of another person, with or without the intent to surveil or for any other unlawful purpose. Alabama law prohibits electronic stalking under Alabama Code §13A-6-95 through § 13A-6-96.

Faculty: The term “faculty” includes full-time and part-time (i.e., those without a full-time staff appointment) University employees who teach or carry out research, including adjunct and clinical faculty, graduate teaching assistants, graduate research assistants, and administrators with faculty status.

Fondling: Fondling is the touching of the private body parts (including, but not limited to, the genitalia, anus, groin, breast, inner thigh, buttocks, etc.) of another person for sexual gratification, without the consent of that person, including instances where that person is incapable of giving consent because of his or her age or temporary or permanent mental incapacity.

Formal Complaint: A formal complaint is a document filed by a Complainant or signed by the Title IX Coordinator alleging sexual misconduct against a Respondent and requesting that the University investigate the allegation of sexual misconduct in accordance with this policy and related procedures. When filing a Formal Complaint, a Complainant must be participating in or attempting to participate in the University’s education programs and activities. A “document filed by the Complainant” means a document or electronic submission (such as an email) that contains the Complainant’s physical or electronic signature or otherwise indicates that the Complainant is the person filing the Formal Complaint.

Good Faith Reports: The University encourages the good faith reporting of sexual misconduct. However, the University will not allow this policy or the Complaint Resolution Procedures to be abused for improper means. Accordingly, the University may take disciplinary action against any person who makes a bad-faith report of sexual misconduct, and such disciplinary action will not constitute prohibited retaliation. A person makes a bad faith report of sexual misconduct if, at the time that they make the report, they know the report is false or frivolous and the person does not have a documented mental health disorder that is the direct cause, in the University’s reasonable discretion, of the false or frivolous allegations. Further, the University may take disciplinary action against any person who knowingly provides false information during the investigation or resolution of a sexual misconduct complaint, and such disciplinary action will not constitute

prohibited retaliation.

Grievance Process: The Grievance Process is the process by which complaints of Prohibited Sexual Conduct or Retaliation in violation of this Policy are made to the University and are addressed by the University through a formal or informal process (as appropriate).

Informal Resolution: Informal Resolution is an outcome of a report willingly agreed to by both parties. It is a path designed to eliminate the conduct at issue, prevent its recurrence, and remedy its effects in a manner that meets the expressed preferences of both parties and the safety and welfare of the campus community. If an Informal Resolution involves either notification to or participation by the Respondent, it is the Respondent's decision whether to accept the Informal Resolution.

Non-Faculty Employee: The term "Non-Faculty Employee" includes full and part-time staff employees, coaches, resident physicians, postdoctoral fellows, USAHCA physicians, and physicians without faculty appointments.

Quid Pro Quo Sexual Harassment: Quid pro quo sexual harassment occurs when an employee, agent, or other person authorized to provide aid, benefit, or service of the University under the University's education program or activity conditions, explicitly or implicitly, the provision of aid, benefit, or service of the University on the individual's participation in unwelcome sexual conduct.

Reasonable Person: A reasonable person exercises average care, skill, and judgment in their conduct and serves as a comparative standard for determining responsibility.

Respondent: An individual who is alleged to be the perpetrator of conduct that could constitute sexual misconduct.

Respondent Resource: The respondent resource is a designated individual who provides information and support to respondents (individuals accused of sexual misconduct) during Title IX proceedings. Respondent Resources provide respondents with emotional support and information on their rights, and help them navigate the Title IX process and access needed resources and accommodations. Respondent Resources may not always provide confidentiality; their role may involve reporting certain information to Title IX officials or authorities as required by law or institutional policy. Respondent Resources offer emotional support, assist with understanding rights and options, accompany respondents to hearings and meetings, guide responses to allegations, and connect respondents with resources such as counseling services or academic accommodations. Respondent Resources advocate for the respondent's needs and interests, ensuring they are heard, respected, and supported throughout the Title IX proceedings, and ensure fair treatment within the Title IX process.

Retaliation: Retaliation is intimidation, threats, coercion, or discrimination against any individual by the University, a student, an employee, or a person authorized by the University to provide aid, benefit, or service for the purpose of interfering with any right or privilege secured by Title IX and its implementing regulations or because an individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy and related procedures. Examples of retaliation include, but are not limited to:

- Termination of employment, demotion, denial of promotion, reduction in pay, or being "written up" because a report of sexual misconduct was made;
- Sending threatening text messages or social media messages to someone because of a report

- of sexual misconduct or because of a statement made as a witness;
- Causing physical damage to personal belongings because of a report of sexual misconduct or because of a statement made as a witness;
- Suspension from an activity or limiting involvement because of a report of sexual misconduct; or
- Publication of knowingly false information about a person because of a report of sexual misconduct.

Sex Discrimination: Sex discrimination occurs when persons are excluded from any education program or activity on the basis of their sex.

Sex discrimination includes materially adverse treatment or action based on a person's sex assigned at birth, pregnancy status, parenting status, gender, gender expression or sexual identity, and/or failure to conform to stereotypical notions of masculinity and femininity (so-called "gender stereotyping"). Specific examples of conduct that may constitute sex discrimination include, but are not limited to:

- Giving unequal pay, promotions, or other job benefits on the basis of gender;
- Allowing a person's gender to influence the grade conferred in a class;
- Denying people access to a given degree or major because of their gender;
- Requiring a pregnant student to verify pregnancy-related absences with a doctor's note when such verification is not required of students with other medical conditions;
- Unless exempt under Title IX, excluding a person from a University-sponsored group because the person has a gender identity different than the gender assigned to the person at birth; or
- Excluding a person from participation in a University-sponsored activity based on stereotypical notions of how a person of a given gender or sexual identity should look, speak, or act.

Sexual Assault: Sexual assault is any of the following conduct:

- Having carnal knowledge, or attempting to have carnal knowledge, of a person, without consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. There is "carnal knowledge" if there is the slightest penetration of the vagina or penis by the sex organ of the other person.
- Oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
- Using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An "object or instrument" is anything used by the offender other than the offender's genitalia.
- The touching of the private body parts of another for purposes of sexual gratification, without consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
- Sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by Alabama law.
- Sexual intercourse with a person who is under the statutory age of consent as defined by Alabama law.

Sexual Exploitation: Sexual Exploitation is an act attempted or committed by a person for sexual gratification, financial gain, or other advancement through the abuse or exploitation of another person's sexuality. Examples of Sexual Exploitation include, but are not limited to, non-Consensual observation of individuals who are undressed or engaging in sexual acts, non-Consensual audio- or videotaping of sexual activity, prostituting another person, allowing others to observe a personal Consensual sexual act without the knowledge or Consent of all involved parties, and knowingly exposing an individual to a sexually transmitted infection without that individual's knowledge.

Sexual Harassment: Sexual Harassment is conduct on the basis of sex that satisfies one or more of the following:

- Quid Pro Quo Sexual Harassment;
- Hostile Environment Sexual Harassment; or
- Sexual assault, dating violence, domestic violence, electronic stalking, or stalking.

Hostile Environment Sexual Harassment: Hostile Environment Sexual Harassment is unwelcome conduct of a sexual nature determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person access to the University's education programs and activities.

In determining whether unwelcome conduct of a sexual nature rises to the level of creating a hostile environment, the University will consider the totality of circumstances, including, but not limited to, (1) the degree to which the conduct affected the Complainant's ability to access the University's education program or activity; (2) the type, frequency, and duration of the conduct; (3) the parties' ages, roles within the University's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct; (4) the location of the conduct and the context in which the conduct occurred; and (5) other sex-based harassment in the University's education program or activity.

A person's adverse subjective reaction to conduct is not sufficient, in and of itself, to establish the existence of a hostile environment.

Hostile environment sexual harassment can occur between individuals of the same gender/gender identity and individuals of different gender/gender identity.

Specific examples of unwelcome conduct that may constitute hostile environment sexual harassment if unwelcome include:

- Unreasonable pressure for a dating, romantic, or intimate relationship or sexual activity;
- Kissing, hugging, rubbing, or massaging;
- Sexual innuendos, jokes, humor, or gestures;
- Displaying sexual graffiti, pictures, videos, or posters;
- Using sexually explicit profanity;
- Asking about or telling about sexual fantasies, sexual preferences, or sexual activities;
- Leering or staring at someone in a sexual way, such as staring at a person's breasts or groin;
- Calling a person derogatory epithets based on stereotypical notions of how a person of a given sex or sexual identity should look, speak, or act;
- Sending sexually explicit communications, including, but not limited to, emails, text messages, or social media posts;
- Commenting on a person's appearance or dress in a sexual manner;
- Giving unwelcome personal gifts, such as lingerie, that suggest the desire for a sexual rela-

- tionship;
- Disseminating sexual pictures or videos of another person without consent regardless of whether the pictures or videos were obtained with consent.

Sexual Misconduct: Sexual misconduct is an umbrella term that includes Sex Discrimination and Sexual Harassment. Sexual misconduct does not depend on the gender, gender identity, gender expression, or sexual orientation of the complainant and alleged perpetrator. Thus, sexual misconduct can occur between persons who consider themselves to be of the same gender/gender identity or different genders/gender identities.

Stalking: Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to (A) fear for their safety or the safety of others who may be targeted by virtue of their relationship with the person; or (B) suffer substantial emotional distress. Alabama law prohibits stalking, as set forth in Alabama Code § 13A-6-90 to 13A-6-94, inclusive.

For purposes of the definition of stalking in this policy:

- A “course of conduct” means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or other means, follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person’s property;
- “Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling; and
- Stalking can occur between persons of different genders/gender identities or the same gender/gender identity.

Support Advocate: A support advocate is an individual who provides support and guidance to Complainants of sexual misconduct throughout the Title IX process. Support advocates provide Complainants with emotional support, information on their rights and the Title IX process, and access to needed resources and accommodations. Support Advocates may not always provide confidentiality; their role may involve reporting certain information to Title IX officials or authorities as required by law or institutional policy. Support Advocates offer emotional support, assist with understanding rights and options, accompany survivors to meetings or hearings, help with safety planning, and connect survivors with resources such as counseling services, medical care, or academic accommodations. Support Advocates advocate for the Complainant’s needs and interests, ensuring they are heard, respected, and supported throughout the Title IX proceedings, and ensuring fair treatment within the Title IX process. Support Advocates have a **24-hour on-call schedule**.

4. Policy Guidelines

4.1 Introduction

This policy prohibits sexual misconduct regardless of gender, gender identity, gender expression, or sexual orientation of the complainant and the alleged perpetrator. The University’s prohibition on sexual misconduct extends to all aspects of its educational programs and activities, including, but not limited to, admissions, employment, academics, athletics, housing, and student services.

This policy applies to conduct that occurs (1) on the University's premises, (2) during or at an official University program or activity (regardless of location), or (3) off University premises when such conduct could interfere with or limit a person's ability to participate in or benefit from the University's educational programs and activities.

The University's jurisdiction over students begins when a student registers for classes or participates in orientation, whichever occurs sooner. The University's jurisdiction over students covers conduct that occurs when a student is enrolled in classes and during regular academic breaks, as well as when the student is not enrolled in classes for a particular term but nonetheless maintains a continuing relationship with the University. The University's jurisdiction remains in effect until a student's degree has been officially conferred by the University or other separation from the University occurs.

The University's jurisdiction over faculty and staff begins on the first day of employment and remains in effect until the faculty or staff member is no longer employed by the University.

4.1.1 Sexual Harassment, Freedom of Speech, and Academic Freedom:

While sexual harassment can include verbal and written conduct, the First Amendment to the U.S. Constitution and University policies establishing academic freedom provides significant space for individuals to express controversial views, teach controversial subjects, and engage in controversial research. As such, the offensiveness of a particular expression, course content, subject of academic inquiry, or research topic, as perceived by some, standing alone, is insufficient to constitute a violation of this policy. The University will apply and construe this policy consistent with the legal rights of community members under the First Amendment and University policies governing academic freedom.

Faculty members and students should be aware that conduct occurring in the context of educational instruction may exceed the protections of free speech and academic freedom if it meets the definition of sexual misconduct and is not germane to the academic subject matter, lacks a pedagogical purpose, advances the personal interest of a faculty member or student without relating to the learning process or legitimate academic objectives, causes material adverse action against a person, reveals confidential information about a person, is defamatory or libelous, threatens physical harm or imminent violence, or constitutes some other category of speech that is unprotected by the U.S. Constitution.

4.2 Reporting

4.2.1 Making a Report

4.2.1.1 Employees

Except for those Confidential Resources identified in Section 4.2.6, all University employees (including administrators, faculty, staff, and student employees) must report sexual misconduct that they observe or otherwise learn about. Absent extenuating circumstances, as determined in the University's sole discretion, employees must make their report to the Title IX Coordinator, a Deputy Title IX Coordinator, or the University Police Department within three (3) calendar days of first becoming aware of the potential sexual misconduct. The University may take disciplinary action against an employee who fails to report sexual misconduct as required by this policy, up to and including termination.

4.2.1.2 Students and Non-Employee Members of the University Community

Students and non-employee (contractors, vendors, volunteers, camp participants, visitors, etc.) members

of the University Community who wish to report sexual misconduct should file a report with the Title IX Coordinator, a Deputy Title IX Coordinator, and/or the University Police Department. Students and non-employee members of the University Community should be aware that all employees at the University, other than the Confidential Resources identified in Section 4.2.6 below, must report sexual misconduct that they observe or otherwise learn about.

At the time of filing a formal complaint, the complainant must be participating in or attempting to participate in the University's educational program or activity.

4.2.1.3 Right to Make a Report to the U.S. Department of Education

In addition to the reporting options under this policy, any person may make a report of sexual misconduct to the U.S. Department of Education's Office for Civil Rights by visiting www2.ed.gov/about/offices/list/ocr/complaintintro.html or by calling 1-800-421-3481.

4.2.2 Reporting to Law Enforcement

In addition to making a report under this policy, the University encourages anyone who believes they are the victim of a crime to make a report to law enforcement. The contact information for the University's Police Department is:

University of South Alabama Police Department

290 Stadium Blvd.

Beta Gamma Commons

Mobile, Alabama 36688-0001

Phone: (251) 460-6312

police@southalabama.edu

Tips Line: (251) 460-6667

If requested, the University will assist an individual in notifying the appropriate law enforcement authorities. If a person believes they are in imminent danger, they should dial 911. Unless there is a health or safety emergency, an articulable threat to members of the University Community, or a state law requiring reporting (such as in the case of child abuse), the University will not contact outside law enforcement without a potential complainant's permission.

4.2.3 Special Advice for Individuals Reporting Sexual Assault, Domestic Violence, or Dating Violence.

For those who believe that they are a victim of sexual assault, domestic violence, or dating violence, the University recommends the following:

- Get to a safe place as soon as possible;
- Try to preserve all physical evidence of the incident – avoid bathing, using the toilet, rinsing one's mouth, or changing clothes. If it is necessary to change clothes, put all clothing that was worn at the time of the incident in a paper bag, not a plastic one;
- Contact University police by calling (251) 460-6312 if the incident occurred on campus or the local police by calling 911 if the incident happened off campus;
- Get medical attention – all medical injuries are not immediately apparent. It is also necessary to collect evidence if the individual decides to press charges. USA Children's and Women's Hospital (identified in Section 4.2.6 of this policy) has evidence

collection kits necessary for criminal prosecution should the individual wish to pursue charges now or in the future;

- Contact a trusted person, such as a friend or family member, for support;
- 24 hours a day, seven (7) days a week. A trained Advocate will contact you to offer assistance;
- Talk with a counselor who will help explain options, give information, and provide emotional support;
- Make a report to the Title IX Coordinator or a Deputy Title IX Coordinator;
- Explore this policy and avenues for resolution under the Complaint Resolution Procedures.

It is also essential to take steps to preserve evidence in cases of stalking, to the extent such evidence exists. In cases of stalking, evidence is more likely to be in the form of letters, emails, text messages, etc., rather than evidence of physical contact and violence.

4.2.4 Limited Amnesty

The University recognizes that an individual who has been drinking alcohol or using drugs may be hesitant to report sexual misconduct arising from the same setting where the alcohol or drugs were consumed. To encourage reporting, the University will not take disciplinary action for drug or alcohol use against an individual who makes a good faith report of sexual misconduct, either as the reporter/complainant or as a witness, provided that these conduct violations did not and do not place the health or safety of any other person at risk.

The University's commitment to amnesty in these situations does not prevent action by local police or other legal authorities against an individual who has illegally consumed alcohol or drugs.

4.2.5 Confidential Resources

The University has designated a limited number of employees as Confidential Resources. These Confidential Resources do not have a duty to report sexual misconduct to the Title IX Coordinator. They will not disclose identifying information provided to them in their professional capacities unless a specific law requires them to do so, such as laws requiring reporting child abuse. Confidential Resources have received training about the policy, will provide the contact information of the Title IX Coordinator, and will report sexual misconduct to the University or law enforcement voluntarily.

4.2.5.1 The University's Confidential Resources are:

4.3 Evaluation of the Report and Engagement with the Parties

4.3.1 Initial Evaluation of the Report

After the University receives a report of sexual misconduct, the Title IX Coordinator will conduct an initial evaluation of the report to determine whether the conduct alleged, if true, could reasonably constitute a violation of this policy.

If the conduct as alleged could not constitute a violation of the policy, the Title IX Coordinator may refer the report to be addressed under any other applicable University policy or close the matter without further investigation. However, the report will not be further addressed under this policy or the Complaint Resolution Procedures.

If the Title IX Coordinator determines that the alleged conduct could constitute a violation of this policy, the Title IX Coordinator will attempt to contact the potential complainant. If the reporting party is not also the potential complainant, the reporting party may have no further involvement in the process.

4.3.2 Contact with the Parties

The Title IX Coordinator and the Title IX Support Advocate will contact the potential complainant of the conduct reported. The Title IX Coordinator will advise the potential complainant of their options under the policy and otherwise, including:

- Voluntarily contacting parents or a relative;
- Seeking legal advice;
- Seeking personal counseling through the University's counseling center;
- Contacting law enforcement with the University's assistance;
- Requesting an investigation and making a formal complaint under the Complaint Resolution Procedures;
- Requesting that no further action be taken and that the potential complainant's identity not be disclosed; and/or
- Seeking interim measures, such as housing or academic assistance.

The Title IX Coordinator will provide the potential complainant with information about their options and contact information for community resources.

If a formal complaint is filed, the Title IX Coordinator will contact the respondent about the reported conduct and advise the respondent of the process and options under the policy. Pending the outcome of the process, there is a presumption that the respondent is not responsible for the reported conduct.

4.3.3 Support Measures

Support measures are short-term and temporary measures put in place to ensure equal and continuing access to University programs and activities and the safety of the University community. These are offered to both parties. They do not constitute a finding of responsibility and may be removed if a report or complaint

is not substantiated or if the support measures are being misused or abused, as determined in the discretion of the Title IX Coordinator.

After receiving a report and during any investigation under the Complaint Resolution Procedures, the Title IX Coordinator will implement any support measures necessary to protect the involved parties from further sexual misconduct, to separate the parties, to protect witnesses, and/or to support the parties pending resolution. These interim measures may include, but are not limited to, the provision of counseling or support services; reasonable changes in academic, living, transportation, or work arrangements; and/or entry of a mutual “no contact” order or similar order to ensure separation of the parties (and in some cases, non-parties). Either the complainant or the respondent may request support measures. Support measures may not unduly burden either party or non-parties. Any non-party issued a “no contact” order may make a written request to the Dean of Students at any time to have the order terminated. The decision of the Dean of Students is final.

In cases where an individualized risk assessment indicates there is reasonable cause to believe the respondent poses an imminent and serious threat to the health or safety of any student or other individual arising from the allegations of sexual misconduct, the University may issue a full or partial suspension, on an interim basis, until the matter is resolved through the Complaint Resolution Procedures.

A student suspended or trespassed on an interim basis shall be given a prompt opportunity to appear before the Dean of Students, or their designee, and the University Behavioral Assessment Team in order to discuss only the reliability of the information concerning the student’s conduct, including the matter of his or her identity, or whether the conduct and surrounding circumstances reasonably indicate that the continued presence of the student on University premises poses a substantial and immediate threat. This opportunity should be offered within seventy-two (72) hours of the interim suspension/trespass being issued.

If a complainant or potential complainant has obtained an ex parte order of protection (i.e., a temporary order for shelter and protection against someone who is a danger to another person), a full order of protection, or any other temporary restraining order or no contact order against the alleged perpetrator from a criminal, civil, or tribal court, they should provide such information to the Title IX Coordinator so that the University can take all reasonable and legal action to implement the order concerning those persons and areas the University controls.

Support measures may be requested by any party at any time. Any person who believes support measures are being violated should report the alleged violation in the same manner as reporting sexual misconduct, as outlined in Section 4.2.

4.3.4 Decision on How to Proceed

If a formal complaint is filed under the Complaint Resolution Procedures, the Title IX Coordinator will appoint an Investigator, and the complaint will be investigated and resolved per the Complaint Resolution Procedures. The University will make all reasonable and appropriate efforts to preserve the potential complainant’s privacy and conduct any investigation and resolution with discretion. However, the University cannot guarantee complete confidentiality due to state and federal laws governing the reporting of certain types of misconduct and the necessity for information to be disclosed to the respondent and others involved in the investigation.

If the complainant wishes to pursue a formal complaint under the Complaint Resolution Procedures, the potential complainant must reduce the complaint to writing or describe the complaint so that the Title IX

Coordinator can document it in writing. The written complaint shall include the following:

- The name of the complainant;
- The name of the respondent;
- The details of the alleged sexual misconduct;
- The names of any persons believed by the complainant to have relevant information; and
- Any other information the complainant believes is pertinent to the alleged sexual misconduct.

The written complaint will be provided to the Title IX Investigator (the “TIX Investigator”), as specified in the Complaint Resolution Procedures. If the potential complainant requests that the report not be investigated and/or is unwilling to make a formal complaint under the Complaint Resolution Procedures, the University will take all reasonable steps to address the report in a manner consistent with the request. However, the University’s ability to address the reported misconduct may be limited.

The University reserves the right to initiate or continue proceedings under the Complaint Resolution Procedures, despite the potential complainant’s wishes to the contrary, when, considering the totality of circumstances, the University determines that not initiating proceedings would present an ongoing danger to the complainant or the University community. This may occur when a report involves serious or repeated conduct or where the alleged perpetrator may pose a continuing threat to the University Community. In such a case, the Title IX Coordinator may sign a formal complaint to initiate proceedings against a respondent.

If a complainant initiates a formal complaint under the Complaint Resolution Procedures but then elects to withdraw it, the University may also proceed with resolving the formal complaint at its discretion, depending upon the facts and circumstances of the incident. Additionally, the University may consolidate multiple formal complaints involving different persons arising from the same facts or circumstances.

If the University initiates a formal complaint or continues proceedings under the Complaint Resolution Procedures contrary to the potential complainant’s wishes, the University must treat the non-participating complainant as a party and notify them throughout the complaint resolution process. This requirement is intended to preserve the non-participating complainant’s right to choose to participate, not to pressure the non-participating complainant into participating.

The University may dismiss a formal complaint at any time if the complainant would like to withdraw it, the respondent is no longer enrolled or employed by the University; or specific circumstances prevent the University from gathering evidence sufficient to reach a determination. Should the University dismiss the claim, it will provide simultaneous notice to the parties of the dismissal and the reasons therefor.

4.4 Investigation and Resolution

4.4.1 Complaint Resolution Procedures

All formal complaints of sexual misconduct will be investigated and resolved under the Complaint Resolution Procedures, which, along with this policy, are the exclusive means of resolving formal complaints of sexual misconduct. However, if a formal complaint is dismissed, the University may refer the matter for resolution under other policies or procedures, where permitted by law. To the extent this policy and/or the Complaint Resolution Procedures conflict with any other University policy, this policy, and/or the Complaint Resolution Procedures, as the case may be, will control the investigation. Under the Complaint Resolution Procedures, the party making a formal complaint is referred to as the “complainant,” and the person

accused of misconduct is referred to as the “respondent.”

4.4.2 Support Persons

At each stage of the Complaint Resolution Procedures (interviews, meetings, hearings, etc.), a support person may accompany the complainant and respondent. The support person’s role is to provide support and private counsel to the party. The support person is expected to be discreet with the information they receive during the process, and they will not be permitted to attend, present information, argue, or actively participate in the proceedings unless the support person has also been designated as a party’s advisor. The University reserves the right to dismiss a support person who fails to follow this policy and applicable provisions of the Complaint Resolution Procedures, in which case the party will be allowed to select a different support person.

The University’s Advocate Program offers trained Support Advocates who are available to serve as support persons for complainants. The Advocates have received in-depth training regarding this policy and the Conflict Resolution Procedure and can provide support and assistance in understanding and navigating the process. Any complainant wishing to utilize a Support Advocate should make a request with the Title IX Coordinator.

Similarly, the University has a pool of trained support persons, referred to as Respondent Resources, who can serve as support persons for respondents. These Respondent Resources have received in-depth training regarding this policy and the Complaint Resolution Procedures and can assist a respondent in understanding and navigating this policy and the Complaint Resolution Procedures. A respondent wishing to utilize a Respondent Resource should make a request with the Title IX Coordinator.

Each party is also entitled to an advisor of their choice to conduct a cross-examination for the party during any hearing. An Advisor may be an attorney; however, when serving in the role of Advisor under the Title IX grievance process, the attorney must adhere to the parameters and procedures established by Title IX and this policy, rather than the rules and practices of a court of law. Advisors who engage in conduct inconsistent with the defined role of an Advisor, or who attempt to operate outside the scope permitted under Title IX, may be subject to reassignment by the Title IX Coordinator or their designee.

If a party does not have an advisor, the University will provide one free of charge. A support person may also serve as an advisor, either by choice of the party or by designation of the University.

4.4.3 General Principles Applicable to the Investigation and Resolution Process

In conducting its investigation and resolution under the Complaint Resolution Procedures, the University will:

- Make reasonable and appropriate efforts to preserve the privacy of the parties involved while recognizing that absolute confidentiality is not possible;
- Provide equal information to all parties about the investigation and resolution process;
- Conduct a thorough, fair, and impartial investigation that provides the parties with an equal opportunity to present information and equivalent procedural safeguards;
- Allow all parties to be accompanied to the hearing (if applicable) by an advisor of their choice;
- Keep the parties apprised of the progress of the investigation and the anticipated time to resolution;
- Provide the parties an equal opportunity to meet with the TIX Investigator and to be

- present and testify (if applicable) at any hearing required by the Complaint Resolution Procedures, though not during the deliberative process;
- Provide the parties an equal opportunity to comment on the information developed during the investigation;
- Complete various phases of the process in a reasonably prompt time frame, and in the event of any delays, which may only be for good cause, provide written notice to the parties;
- Avoid conflicts of interest that could call into question the integrity of the process;
- Provide simultaneous written notice to the parties of the outcome of a formal complaint and the outcome of any appeal; and
- If a formal complaint of sexual misconduct is substantiated, take appropriate corrective, disciplinary, and remedial action intended to prevent the recurrence of the conduct and correct its discriminatory effects.

At any point during the investigation, if the University determines that the conduct alleged in the formal complaint

- Does not constitute sexual harassment;
- Did not occur in the University's education program or activity; or
- Did not occur against a person in the United States;

then the University must dismiss the complaint for purposes of this policy.

The University may have the discretion to address such conduct under another policy, such as the Student Code of Conduct, Faculty Handbook, or staff employee handbook.

4.4.4 Sharing of Information

As a general rule, the University will share information about a report or formal complaint and information received during any investigation only with those persons who have a need to know and those whose participation is necessary to ensure a full and fair investigation and resolution under this policy and the Complaint Resolution Procedures. However, once a report is made to anyone other than a Confidential Resource, absolute confidentiality cannot be guaranteed. Further, while the outcome of a particular complaint and any related discipline and remedial steps will generally be shared only with the parties, the University reserves the right to share the outcome of a particular complaint more broadly, to the extent such disclosure is permitted by applicable laws, including the Family Educational Rights and Privacy Act (FERPA) and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, as amended by the Campus Save Act.

4.5 Education

Because the University recognizes that the prevention of sexual misconduct is important, all employees are required to complete annual Title IX training on sexual misconduct and timely notification through the Title IX Office. The University will take disciplinary action against an employee who fails to complete this annual training as required by this policy, up to and including termination.

The Title IX Office will also offer a variety of educational programming, including primary prevention and awareness training for students and ongoing awareness programs for all members of the University Community.

Information on specific education programs and training is available from the Title IX Coordinator and is published on the Title IX website: <https://www.southalabama.edu/departments/studentaffairs/titlenine/>. Education materials and information regarding upcoming workshops and training can be requested via email at titleix@southalabama.edu.

4.6 Policy Review

This policy is maintained by the University's Title IX Coordinator. The Title IX Coordinator will review this policy annually, with the assistance of the University's Title IX Executive Committee. The review will capture evolving legal requirements, evaluate the support and resources available to the parties, and assess the effectiveness of the Complaint Resolution Procedures. The review will incorporate an aggregate view of reports, resolution, and climate.

4.7 Distribution

This policy will be disseminated widely to the University Community through email communication, the University's website, inclusion in orientation programs for new employees and new students, and other appropriate channels of communication.

5. Procedures

5.1 General Principles

5.1.1 Applicability

These Complaint Resolution Procedures apply to the resolution of all formal complaints under the Sexual Misconduct Policy. They apply to the resolution of formal complaints against all members of the University Community, and they are the exclusive means of resolving formal complaints of sexual misconduct.

For employees: Consequences for employees found in violation of University policy, based on the clear and convincing standard, can range from a written warning to suspension up to termination of employment.

5.1.2 Definitions

"TIX Investigator" means the individual(s) designated by the Title IX Coordinator to investigate a particular formal complaint and administer relevant provisions of these Complaint Resolution Procedures. The TIX Investigator may consult with other University administrators and counsel as needed. The TIX Investigator may be a third-party investigator or attorney retained for that purpose by the University. The TIX Investigator will also be trained on issues of relevance to creating an investigative report that fairly summarizes relevant evidence. The training is free of sex stereotypes and promotes impartial investigations.

5.1.3 Promptness, Fairness, and Impartiality

These procedures provide for prompt, fair, and impartial investigations and resolutions. All University employees involved in the investigation and resolution process shall discharge their obligations under these Complaint Resolution Procedures fairly and impartially. If an involved University employee is unable to apply these procedures fairly and impartially because of the identity of a complainant, respondent, or witness, or due to any other conflict of interest, another suitable individual will be designated by the Title IX Coordinator or the Associate Title IX Coordinator to fill the role.

5.1.4 Training

These procedures will be implemented by University employees who receive training on issues related to sexual misconduct. The Title IX Coordinator, Deputy Title IX Coordinators, TIX Investigator (s), Title IX Specialist, Decision-Maker(s), Advisors, Support Advocates, Respondent Resources, the University Disciplinary Committee (UDC), Sexual Harassment and Sexual Violence Resolution Committee (SHSVRC), and the Human Resources Hearing Committee (HRHC) have all been trained on the various relevant aspects of the University's Sexual Misconduct Policy and Complaint Resolution Procedures.

The training includes conducting investigations, hearings, appeals, and informal resolutions, as well as serving impartially, including avoiding prejudgment of the facts at issue and conflicts of interest and bias. The training is free of sex stereotypes and promotes impartial investigations.

Additionally, decision-makers receive training on relevant technology used at any live hearing, relevance, and the permissible use of sexual history during a live hearing.

5.1.5 Participation in Investigations

All members of the University Community are encouraged and expected to fully cooperate with any investigation and resolution under this Complaint Resolution Procedure. If a complainant refuses to participate under these Complaint Resolution Procedures, the Title IX Coordinator may sign a formal complaint to initiate proceedings against a respondent under the circumstances specified in Section 4.3.4 of this policy. If a respondent refuses to participate, the Complaint Resolution Procedures will be completed despite the respondent's lack of participation and may result in a finding of misconduct in absentia.

5.1.6 Virtual Process

To the extent that the parties are conducting meetings, the University can accommodate virtual processes with consent from all parties. At the request of any party, any hearing (if applicable) may be held via virtual platforms, provided that the virtual platform enables the decision maker and parties to simultaneously see and hear the party or witness while that person is speaking.

5.2 Timing, Notification, and Initiation of Process

5.2.1 Timing of Investigation and Resolution

The University will endeavor to conclude its investigation and resolution of the formal complaint promptly. The complainant (including a complainant who elected not to proceed with filing a formal complaint and a complainant who filed a formal complaint and subsequently withdrew) and the respondent will be given periodic updates regarding the status of the investigation. If the complainant or respondent needs additional time to prepare or gather their witnesses or information, they shall notify the TIX Investigator in writing, explaining how much additional time is needed and why it is needed. The TIX Investigator shall respond to any such request promptly.

Some instances of sexual misconduct may also constitute criminal conduct. If alleged criminal conduct has also been reported to law enforcement, the University may temporarily delay its investigation of the complaint where necessary to avoid interfering with law enforcement. However, the pendency of a criminal investigation does not serve as a substitute for these procedures, and the investigation and resolution process will commence promptly once, in the University's sole discretion, interference is no longer a concern. In addition, because the University's process is separate and distinct from any criminal prosecution, the

University's determination will not be held in abeyance due to the pendency of a criminal trial.

5.2.2 Complaints Involving Multiple Parties

In most cases, a formal complaint will involve a single complainant and a single respondent. To the extent multiple complainants are making formal complaints against a single respondent, or a single complainant is making formal complaints against multiple respondents, each formal complaint will be addressed separately under this Complaint Resolution Procedure unless the formal complaints arise out of the same facts or circumstances.

To the extent multiple formal complaints arise out of the same facts or circumstances, the TIX Investigator, in consultation with the Title IX Coordinator, may merge the formal complaints into a single investigation and resolution process.

Similarly, where the respondent makes a reciprocal allegation of sexual misconduct or where the complainant later makes additional allegations that relate to the original formal complaint, the TIX Investigator, in consultation with the Title IX Coordinator, may combine all related and relevant allegations of sexual misconduct into one investigation and resolution process.

5.2.3 Notification of the Respondent and Selection of Process

Once a formal complaint is received by the Title IX Coordinator, the Title IX Coordinator will notify the respondent, if any, assign a Respondent Resource to the case, if applicable, provide the respondent with the opportunity to review a copy of the written formal complaint, and provide resources and support measures if needed.

Additionally, the TIX Investigator will provide written notice to both parties that contains:

- The University's process for resolving the formal complaint, including the informal resolution process;
- The specific allegations of sexual misconduct, including sufficient details known at the time to allow the parties to prepare a response before any initial interview by the TIX Investigator, which includes, but are not limited to, the identity of the parties involved, the conduct allegedly constituting sexual misconduct, and the date and location of the alleged incident, if known;
- A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made after the grievance process;
- Prior to any determination of responsibility, the parties will have an opportunity to present relevant and not otherwise impermissible evidence to a trained, impartial decision-maker;
- Each party may have an advisor of their choice who may be, but is not required to be, an attorney;
- All parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence or an investigative report that accurately summarizes the evidence, and if the University provides access to an investigative report, each party is entitled to an equal opportunity to access to the relevant and not otherwise impermissible evidence upon request; and
- All parties may inspect and review evidence; and
- Any provisions in the University's Student Code of Conduct, or applicable faculty or staff handbook, that prohibit knowingly making false statements or knowingly submitting false information during the grievance process.

The TIX Investigator will then communicate with each party separately to discuss the pertinent avenues for resolution as set forth below. If the parties provide written consent to informal resolution, the TIX Investigator, in consultation with the Title IX Coordinator, will determine whether informal resolution is an appropriate means to resolve the formal complaint, instead of the formal process. The TIX Investigator will then notify the parties of the specific resolution process to be used. If any students are parties, the Title IX Coordinator shall also be notified.

If the scope of the investigation expands, the University will issue a supplemental written notice providing additional details to all parties.

5.3 Informal Resolution

5.3.1 Nature of Informal Resolution

Informal resolution is a process by which the Title IX Coordinator or TIX Investigator, working alone or in concert with other appropriate University administrators (such as a supervisor if the parties are employees), attempts to resolve a formal complaint to the mutual satisfaction of all parties. Informal resolution may include, but is not limited to, mediation, agreed separation of the parties, referral of the parties to their respective counseling programs, agreed upon educational or training programs for one or more of the parties, and/or the agreement of a party to apologize for their conduct. Other agreed remedial measures may include agreed-upon forms of discipline.

Although informal resolution may involve some investigation by the TIX Investigator to understand the background of the complaint, informal resolution is not intended to reach a formal determination as to whether or not sexual misconduct occurred, unless the respondent admits to the conduct at issue.

5.3.2 When Informal Resolution May Be Used

Informal resolution is intended to resolve complaints quickly and collaboratively. However, the Title IX Coordinator may determine that informal resolution is not appropriate in certain circumstances, such as where informal resolution has failed between the same parties in the past, where the resolution sought by one party is of a type that cannot be achieved through informal resolution, where the conduct is particularly serious, or where the respondent is accused of a pattern of misconduct.

All parties must agree in writing to use informal resolution. If any party does not wish to use informal resolution, formal resolution will be used. Any party has the right to end informal resolution at any time before forming an agreement on a resolution and insisting upon a formal resolution. Similarly, the Title IX Coordinator has the discretion to convert the matter to a formal resolution, irrespective of the parties' wishes. Informal resolution will generally not be utilized in any case in which an employee is accused of sexual misconduct involving a student, provided that the Title IX Coordinator shall retain authority to allow such cases to utilize informal resolution when the nature and severity of the allegations, in the Title IX Coordinator's sole discretion, so warrant.

Before initiation of informal resolution, the University must provide notice to the parties that explain the following:

- The allegations;
- The requirements of the informal resolution process;
- That, prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and to initiate or resume the University's grievance procedures;

- That the parties' agreement to a resolution at the conclusion of the informal resolution process precludes the parties from initiating or resuming grievance procedures arising from the same allegations;
- The potential terms that may be requested or offered in an informal resolution agreement, including notice that an informal resolution agreement is binding only on the parties; and
- What information the University will maintain and whether and how the University could disclose such information for use in further grievance procedures if grievance procedures are initiated or resumed.

5.3.3 Documentation of Informal Resolution

If the parties reach an agreement on an informal resolution, the TIX Investigator will consult with the Title IX Coordinator and other appropriate University administrators. This group will review the resolution and may reject it, approve it, or require modifications before approval. If the resolution is approved, the Title IX Coordinator or TIX Investigator will prepare a written memorandum setting forth the terms of the resolution. The Title IX Coordinator or TIX Investigator will present the written memorandum to the parties for their review and signature. Both parties will be provided with a simultaneous written notification that the case has been resolved under informal resolution. The Title IX Coordinator may transmit a copy of the written memorandum to other University administrators or employees whose involvement is necessary to effectuate the resolution and/or for inclusion in appropriate personnel files.

5.3.4 Monitoring of Implementation

Because it is collaborative and must be agreed to by all parties, there is no right to appeal the terms of an informal resolution. If the terms of an informal resolution require future action or inaction, the Title IX Coordinator may monitor the implementation of the informal resolution and maintain jurisdiction over a particular complaint until the terms of the informal resolution are satisfied. If the terms of the informal resolution are not satisfied, the Title IX Coordinator may reactivate the formal complaint and immediately commence its resolution under the formal process.

5.4 Formal Resolution

5.4.1 Nature of Formal Resolution

Formal resolution is a process by which a formal determination is made as to whether sexual misconduct occurred. If a finding is made that sexual misconduct occurred, the formal resolution will also result in a decision regarding disciplinary action to be taken against the perpetrator, as well as remedial measures that may be necessary to remedy the effect of the sexual misconduct on the complainant. Unlike informal resolution, formal resolution involves an in-depth investigation and determination of facts under a clear and convincing evidence standard. The formal resolution process varies depending on whether the alleged perpetrator is a student, faculty member, or non-faculty employee/other member of the University Community.

5.4.2 Rules of Evidence

Formal rules of evidence do not apply in any of the formal resolution processes specified below. Nonetheless, the information presented that is irrelevant or whose prejudicial effect substantially outweighs its probative value may be excluded from consideration. A complainant's irrelevant sexual history will be excluded from consideration.

5.4.3 Time Frames

The University will endeavor to conduct the formal resolution process within a reasonable time frame. However, the time that it takes to complete the process will be affected by circumstances such as the availability of parties or witnesses, scheduling conflicts, intervening breaks, prior attempts at informal resolution, the complexity of a case, and the need to avoid interference with a pending law enforcement investigation. The parties will receive written notification if extenuating circumstances are anticipated to result in lengthy delays.

5.5 Formal Resolution Processes

5.5.1 Investigator

Complaints under this process will be investigated by the TIX Investigator unless the TIX Investigator is the respondent, in which case the investigator will be appointed by the Title IX Coordinator.

5.5.2 Investigation

Once the case is identified for formal resolution, the TIX Investigator will investigate to gather information and statements from witnesses and other sources for eventual review and consideration at a hearing.

The investigation will involve interviews with the complainant, respondent, and witnesses and the collection of non-testimonial information and/or materials, such as emails, text messages, security camera footage, and the like. Witnesses and information and/or materials may be identified and/or submitted by the parties or independently gathered by the TIX Investigator. Both parties will have equal opportunity to present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. The TIX Investigator may decline to interview witnesses or collect information that the TIX Investigator deems irrelevant. The scope of the investigation shall be at the discretion of the TIX Investigator.

Before completion of the investigative report, the TIX Investigator will send to each party and the party's advisor the evidence collected for review in an electronic format or a hard copy. The parties shall have ten (10) days to submit a written response to the TIX Investigator, which the TIX Investigator will consider before completion of the investigative report. Throughout the investigation, the parties will have those rights specified in Section 4.4 of this policy.

The TIX Investigator will complete the investigation report. Before any hearing, the TIX Investigator will submit the investigation report and any appended information to the Title IX Coordinator, for review. At least ten (10) business days before the hearing, the TIX Investigator shall send to each party, the party's advisor, and the appropriate University administrator the investigative report in an electronic format or a hard copy for their review.

5.5.3 Hearing Committee

Complaints are assigned to committees for adjudication based on the relationship of the respondent to the University.

5.5.3.1 University Disciplinary Committee

The University Disciplinary Committee (UDC) shall adjudicate complaints proceeding to a hearing against any University student, including graduate students and College of Medicine students. The UDC consists of two to five students and two to four faculty or staff/administrators and is chaired by a designee of the

Dean of Students. The Decision Maker will preside over the hearing. In complaints involving a respondent who is a College of Medicine student or a graduate student, one member of the UDC must be a College of Medicine student or graduate student, respectively.

5.5.3.2 Sexual Harassment and Sexual Violence Resolution Committee

The Sexual Harassment and Sexual Violence Resolution Committee (SHSVRC) will be appointed by the President of the University, or his or her designee, and shall adjudicate complaints proceeding to a hearing against any University faculty member. The SHSVRC consists of three (3) members from departments other than those of the respondent: (1) a department chair; (2) a tenured member of the faculty or the rank of professor or associate professor; and (3) the Vice President for Student Affairs or Dean of Students, or a designee of the same, if the complainant is a student; if the complainant is not a student, another faculty member meeting the above description will be appointed to the SHSVRC. A chair will be selected by the SHSVRC. The Title IX Decision Maker will preside over the hearing.

5.5.3.3 Human Resources Hearing Committee

The Human Resources Hearing Committee (HRHC) shall adjudicate complaints proceeding to a hearing against any University administrator, non-faculty employee, contractor, or third party. If the respondent is employed by the General Division (Campus) the HRHC will consist of the Sr. Director Benefits, EEO/Employee Relations, the Associate VP, Finance & Administration/CHRO, and the respondent's department head. If the respondent is employed in the USA Health system (including, but not limited to, USAHCA and USAHCM), the HRHC will consist of the Director, HS Employee Relations, a USA Health administrator, and the respondent's department head. The HRHC will select a chair. If any of the individuals in the above-named positions are unable to serve on the HRHC, he or she may designate a properly trained designee to serve in his or her place. The Title IX Decision Maker will preside over the hearing.

5.5.4 Waiver of Right to Hearing

After the investigation, the respondent may accept responsibility for the sexual misconduct and waive the right to a hearing. If the respondent accepts responsibility and waives the right to a hearing, appropriate discipline shall be determined, in consultation with University administrators, by the SCA, SHSVRC, and or HRHC, as the case may be, who will then provide simultaneous written notification of the same to the parties. Either party who disagrees with the discipline imposed has the right to appeal pursuant to Section 5.1.7.

5.5.5 Hearing

In the event the respondent does not accept responsibility after the investigation, the case shall proceed to a hearing. The procedures for the hearing are as follows:

- The parties will have a pre-hearing meeting with the Decision Maker and/or the Title IX Coordinator to receive an explanation of the hearing process and answers to questions about the process, to discuss options for participation in the hearing, and to coordinate possible hearing dates;
- The parties will receive written notice from the Decision Maker of the scheduled hearing at least ten (10) business days in advance unless otherwise agreed in writing by the parties;
- The parties are expected to provide all relevant information and/or materials to the TIX Investigator during the investigation and are expected to immediately deliver any relevant information discovered after the investigation to the TIX Investigator for delivery to all rel-

evant parties.

- At least ten (10) business days before the hearing, the Title IX Investigator shall send to each party, the party's advisor, Title IX Coordinator, and the Decision Maker the investigation report in an electronic format or a hard copy, for their review. The Decision Makers shall send a copy of the investigation report to the members of the adjudicating committee;
- During the hearing, to the extent any party so requests, the parties will be separated by a divider or curtain or placed in separate rooms with the use of technology, or another similar arrangement, provided that arrangements will be made so that the parties can simultaneously see and hear the party or the witness answering questions;
- The Title IX Coordinator may attend the hearing but will have no formal role;
- Each party's advisor may ask any other party or witnesses all relevant and follow-up questions, including those bearing on credibility, provided any such questioning or cross-examination is conducted directly, orally, and in real-time;
- No one other than a party's advisor or a member of the adjudicating committee may direct questions to parties or witnesses.
- All parties and witnesses are expected to cooperate and provide truthful information;
- At the close of the hearing, the adjudicating committee will retire for deliberation. During deliberation, the adjudicating committee shall apply a clear and convincing standard to determine what conduct occurred and whether such conduct constitutes sexual misconduct;
- The University must make an audio or video recording of the hearing, or a transcript, but not of the deliberations, and make it available to the parties for inspection and review;
- The adjudicating committee will issue a written decision of finding(s) determined by the majority, under a clear and convincing standard. The written decision will include an identification of the allegations at issue, a description of the procedural steps taken throughout the case, findings of fact supporting the determination, conclusions regarding the application of the Sexual Misconduct Policy, a statement and rationale as to the determination for each allegation, a statement of any disciplinary sanctions and whether any remedies will be provided to the complainant, and a description of the procedures and permissible grounds for appeal;
- The Decision Maker will, within seven (7) business days of receiving the adjudicating committee's written decision, to provide written notification to the Title IX Coordinator and provide simultaneous written notification to the parties of the adjudicating committee's written decision;
- The Title IX Coordinator shall separately notify the complainant, in writing, of any non-disciplinary remedial measures that will be offered for the complainant's benefit;
- After the hearing process specified by these Complaint Resolution Procedures, including the determination of all appeals provided for hereunder or the expiration of any appeal deadlines without an appeal being filed, each party and its advisor shall return to the TIX Investigator the investigative report and all appended information. Failure to do so by a party or their advisor may be punishable under the Student Code of Conduct, Faculty Handbook, and/or Staff and Employee Handbook, as applicable.

5.5.6 Sanctions

If the adjudicating committee finds the respondent responsible for violating this policy, or if the respondent accepts responsibility and waives his or her right to a hearing, appropriate discipline shall be determined, in consultation with University administrators, by the UDC, SHSVRC, or HRHC, as the case may be, who will then provide simultaneous written notification of the same to the parties. Sanctions may range from remedial education and training to removal from the University Community (i.e., dismissal or termination

of employment), or any combination of the same.

5.5.6.1 Faculty

If the SHSVRC recommends termination as a sanction, the recommendation will be referred to the Office of Academic Affairs for handling through the appropriate process as outlined by the Faculty Handbook.

5.5.7 Appeal of the Adjudicating Committee's Written Determination

Each party has the right to appeal the written determination of the adjudicating committee on the grounds set forth below.

The grounds for appeal are limited to the following:

- Material and prejudicial violation of procedural rights that affected the outcome of the hearing;
- New information, not reasonably available at the time of the hearing, that affected the outcome;
- The discipline imposed is too severe or too lenient; and/or
- Conflict of interest or bias by the Title IX Coordinator, TIX Investigator, or other Decision Maker that affected the outcome.

To appeal, the aggrieved party must submit a written statement of appeal within five (5) business days of being notified of the outcome of the hearing to the appropriate University official designated below. The written statement must include the grounds for appeal and describe the basis for it in detail. In the event the written statement of appeal fails to state a permissible ground for appeal and/or does not describe the basis for the appeal, the appeal may be summarily dismissed.

5.5.7.1 Appeals from Complaints Against Students

Appeals from complaints against students must be directed to the Dean of Students. Within five (5) business days of receiving a valid appeal, the Dean of Students, or a designee, will provide a copy of the written statement of appeal to the other party. Thereafter, the party so notified will have five (5) business days to submit a written response to the appeal.

The Dean of Students, or a designee, shall deliver simultaneous written notification of the outcome of the appeal and the rationale for the result to the parties within fifteen (15) business days after the deadline for submission of any written response to the appeal. The written determination becomes final upon the earlier of when: (i) the parties are notified of the determination on appeal; or (ii) the time to file an appeal has passed with neither party appealing.

The decision of the Dean of Students is final.

5.5.7.2 Appeals from Complaints Against Faculty.

5.5.7.2.1 Faculty with USA Health.

Appeals from complaints against such faculty must be directed to the Vice President for Medical Affairs, Dean of the College of Medicine. Within five (5) business days of receiving a valid appeal, the Vice President for Medical Affairs, Dean of the College of Medicine, or a designee, will provide a copy of the writ-

ten statement of appeal to the other party. Thereafter, the party so notified will have five (5) business days to submit a written response to the appeal. The Vice President for Medical Affairs, Dean of the College of Medicine, or a designee, shall deliver simultaneous written notification of the outcome of the appeal and the rationale for the result to the parties within fifteen (15) business days after the deadline for submission of any written response to the appeal. The written determination becomes final upon the earlier of when: (i) the parties are notified of the determination on appeal, or (ii) the time to file an appeal has passed with neither party appealing.

The decision of the Vice President for Medical Affairs, Dean of the College of Medicine, or his or her designee, is final.

5.5.7.2.2 Faculty with the University – General Division.

Appeals from complaints against such faculty must be directed to the Provost. Within five (5) business days of receiving a valid appeal, the Provost, or a designee, will provide a copy of the written statement of appeal to the other party. Thereafter, the party so notified will have five (5) business days to submit a written response to the appeal. The Provost, or a designee, shall deliver simultaneous written notification of the outcome of the appeal and the rationale for the result to the parties within fifteen (15) business days after the deadline for submission of any written response to the appeal. The written determination becomes final upon the earlier of when: (i) the parties are notified of the determination on appeal, or (ii) the time to file an appeal has passed with neither party appealing.

The decision of the Provost, or his or her designee, is final.

5.5.7.3 Appeals from Complaints Against Administrators, Non-Faculty Employees, Contractors, and Third Parties

Appeals from complaints against administrators, non-faculty employees, contractors, and third parties must be directed to the Chief Administration Officer. Upon receipt, the Chief Administration Officer shall notify the President, who will constitute the Sexual Misconduct Appeals Committee within five (5) business days of his receipt of the notice. The Sexual Misconduct Appeals Committee shall be a three-member panel designated by the President, or his or her designee, for the specific case appealed. No member of the Sexual Misconduct Appeals Committee shall be from the same division as the complainant or respondent or will have previously been involved with the case for which they are appointed.

The Chief Administrative Officer will provide the written statement of appeal to the Sexual Misconduct Appeals Committee within five (5) business days of its formation. The Chief Administrative Officer will also send a copy of the written statement of appeal to the non-appealing party, who will have within five (5) business days to submit a written response to the appeal to the Chief Administrative Officer, who will promptly provide the written response to the Sexual Misconduct Appeals Committee.

After receipt of the written response by the non-appealing party (or the passing of the deadline for receipt of such response), the Sexual Misconduct Appeals Committee shall convene to review the written statement of appeal, any response, the investigation report (including its appendices), and the written determination of the HRHC. Within fifteen (15) business days of receiving the written response from the non-appealing party (or from the time for filing a written response expires if no response is submitted), the Sexual Misconduct Appeals Committee will provide simultaneous written notification to the parties of the outcome of the appeal and the rationale for the result. The written determination becomes final when: (i) the parties are notified of the determination on appeal, or (ii) the time to file an appeal has passed with neither party appealing.

The decision of the Sexual Misconduct Appeals Committee is final.

5.5.8 Violations of Other University Policies by Employees.

The adjudicating committee may determine that a violation of this policy did not occur (or was not proven to the required evidentiary standard) but that the behavior that occurred was unacceptable in the employment context. If the adjudicating committee makes such a finding, the respondent shall be referred to as set forth below for proceedings or additional action as warranted by this or any other University policy, which may result in remediation or disciplinary action up to and including termination.

5.5.8.1 Violations by Faculty with USA Health.

Any referrals of faculty with USA Health under Section 5.5.8 shall be directed to the Office of Academic Affairs for a determination regarding the discipline of the respondent. The University will provide written notification to the parties of the outcome of any matter referred to the Office of Academic Affairs, but the complainant will only be notified of sanctions that directly relate to the complainant. The University shall separately notify the complainant, in writing, of any non-disciplinary remedial measures that will be offered for the complainant's benefit. Unless specifically required by law, neither the complainant, respondent, nor any witness will be allowed to review or appeal the Office of Academic Affairs' written determination.

5.5.8.2 Violations by Administrators or Non-Faculty Employees.

Any referrals of administrators or non-faculty employees under Section 5.5.8 shall be directed to the Associate VP, Finance & Administration/CHRO for General Division Employees (Campus) and to the USA Health Chief Human Resources Officer for USA Health Employees. The CHRO will decide regarding the discipline of the respondent and any necessary remedial steps to be taken for the complainant. The CHRO will provide written notification to the parties of the outcome of any matter referred to the CHRO, but the complainant will only be notified of sanctions that directly relate to the complainant. The CHRO shall separately notify the complainant, in writing, of any non-disciplinary remedial measures offered for the complainant's benefit. Unless specifically required by law, neither the complainant, respondent, nor any witness will be allowed to review or appeal the written determination of the CHRO.

5.5.9 Records

All official records created during the formal resolution of a complaint shall be maintained by the University for a period of seven years, including informal resolution records.

5.5.9.1 Complaints Against Students and Faculty

Records relating to complaints against students and faculty shall be maintained by the Title IX Office and Deputy Title IX Coordinator for Academic Affairs.

5.5.9.2 Complaints Against Faculty with USA Health.

Records relating to complaints against faculty with USA Health shall be maintained by the Title IX Coordinator for USA Health. Where such a faculty member is found to have engaged in sexual misconduct, a letter will be placed in the faculty member's personnel file indicating that the Title IX Coordinator for USA Health maintains records of the sexual misconduct complaint.

5.5.9.3 Complaints Against Administrators, Non-Faculty Employees, Contractors, and Third

Parties.

Records relating to complaints against administrators, non-faculty employees, contractors, and third parties shall be maintained by Title IX Office and the Equal Employment Opportunity (EEO) Manager in Human Resources. When a party is found to have engaged in sexual misconduct, a letter will be placed in the party's personnel file indicating that the EEO Manager maintains records of the sexual misconduct complaint.

5.6 Special Procedures for Educational Participants at USA Health Facilities

Notwithstanding any other provision of this policy to the contrary, this policy and its procedures shall govern the investigation and resolution of sexual misconduct occurring in USA Health's operations only to the extent such sexual misconduct occurs in the context of an education program, such as a clinical experience for, or activity of USA Health, such as clinical experiences for health profession students (i.e. medical student, nursing student, physician assistant student, etc). Sexual misconduct that occurs elsewhere in USA Health's operations is outside the scope of this policy and subject to resolution under other policies and procedures of USA Health unless the sexual misconduct implicates an education program or activity of the University itself.

If the respondent is a non-faculty employee, patient, guest, contractor, or other person affiliated with USA Health, and the alleged sexual misconduct occurred in an education program or activity of USA Health, the following procedures shall apply instead of those outlined in Section 5.5.3.3 with:

5.6.1 Investigator

Complaints under this process will be investigated by the TIX Investigator unless the TIX Investigator is the respondent, in which case the Title IX Coordinator will appoint someone else to investigate.

5.6.2 Investigation

Once the case is identified for formal resolution, the TIX Investigator will investigate to gather information and statements from witnesses and other sources for eventual review and consideration.

The investigation will involve interviews with the complainant, respondent, and witnesses and the collection of non-testimonial information and/or materials, such as emails, text messages, security camera footage, and the like. Witness information and/or materials may be identified and/or submitted by the parties or independently gathered by the TIX Investigator. Both parties will have equal opportunity to present witnesses, including both fact and expert witnesses, if permitted, together with other inculpatory and exculpatory evidence. The TIX Investigator may decline to interview witnesses or collect information that the TIX Investigator deems irrelevant. The scope of the investigation shall be at the discretion of the TIX Investigator.

Before completion of the investigative report, the TIX Investigator will send the evidence collected for review in an electronic or hard copy format to each party and the party's advisor. The parties shall have ten (10) days to submit a written response to the TIX Investigator, which the TIX Investigator will consider before completion of the investigative report.

Throughout the investigation, the parties will have those rights specified in Section 4.4 of this policy.

Within ten (10) business days of the deadline for receipt by the TIX Investigator of written responses from the parties, the TIX Investigator will complete the investigation report and submit the final investigation

report and any appended information to each party and the party's advisor in an electronic format or a hard copy for their review.

Upon transmittal of the final investigation report by the TIX Investigator, the parties shall have five (5) business days to submit written questions that each respective party wants to be asked of any party or witness. The TIX Investigator will pose any questions to the other party or witness, as the case may be, and will provide each party with the answers. Each party will then be provided within three (3) business days to submit any follow-up questions, which the investigator will pose to the other party or witness, as the case may be. All questions must be relevant to the allegations being investigated. Questions about the sexual history of the Complainant are generally impermissible and will be excluded under Section 5.4.2. The TIX Investigator will provide a written explanation to the appropriate party of any decision to exclude a question.

After any relevant follow-up questions have been posed and answered, the TIX Investigator will provide the final investigation report, together with any questions and answers posed by the parties, to the Chief Human Resources Officer of USA Health, or their designee, with a copy to the Title IX Coordinator. Upon receipt of the final investigation report, the Title IX Coordinator shall notify the parties of an expected decision date. While the University endeavors to conduct the formal resolution process within a reasonable time frame, the time that it takes to complete the process will be affected by circumstances such as the availability of parties or witnesses, scheduling conflicts, intervening breaks, prior attempts at informal resolution, the complexity of the case, and/or the need to avoid interference with a pending law enforcement investigation. The parties will receive written notification if extenuating circumstances are anticipated to result in lengthy delays.

The Chief Human Resources Officer of USA Health shall then identify an appropriate administrator with supervisory authority over the respondent. Together, the Chief Human Resources Officer and appropriate administrator will review the final investigation report and questions and answers from the parties and issue a written decision of the findings. There will be no live hearing.

The written decision of findings shall include identification of the allegations at issue, description of the procedural steps taken throughout the case, findings of fact supporting the determination, conclusions regarding the application of the Sexual Misconduct Policy, a statement and rationale as to the determination of each allegation, a statement of any disciplinary sanctions and whether any remedies will be provided to the complainant, and a description of the procedures and permissible grounds for appeal.

Sanctions may range from remedial education and training to removal from the University Community (i.e., dismissal or termination of employment), or any combination of the same.

5.6.3 Appeal of the Written Determination

Either party has the right to appeal the written decision of findings based only on the following grounds:

- Material and prejudicial violation of procedural rights that affected the outcome of the hearing;
- New information, not reasonably available before the decision, that could have affected the outcome;
- The discipline imposed is too severe or too lenient; and/or
- Conflict of interest or bias by the Title IX Coordinator, TIX Investigator, or other decision-makers that affected the outcome.

To appeal, the aggrieved party must submit a written statement of appeal within five (5) business days of being notified of the decision to the Chief Executive Officer, the Chief Operating Officer, or their designee, of USA Health. The written statement of appeal must include the grounds for appeal and describe the basis for the appeal in detail. In the event the written statement of appeal fails to state a permissible ground for appeal and/or does not describe the basis for the appeal, the appeal may be summarily dismissed. Within five (5) business days of receiving a valid appeal, the Chief Operating Officer, or a designee, will provide a copy of the written statement of appeal to the other party. Thereafter, the party so notified will have five (5) business days to submit a written response to the appeal.

The Chief Executive Officer, the Chief Operating Officer, or their designee, shall deliver simultaneous written notification of the outcome of the appeal and the rationale for the result to the parties within fifteen (15) business days after the deadline for submission of any written response to the appeal. The written determination becomes final upon the earlier of when: (i) the parties are notified of the determination on appeal, or (ii) the time to file an appeal has passed with neither party appealing.

The decision of the Chief Executive Officer, the Chief Operating Officer, or their designee, as applicable, is final.

5.6.4 Violations of Other University Policies

The Chief Human Resources Officer may determine that a violation of this policy did not occur (or was not proven to the required evidentiary standard) but that the behavior that occurred was unacceptable in the employment context. If the Chief Human Resources Officer and appropriate administrator make such a finding, the respondent shall be referred for proceedings or additional action as warranted by this or

any other University or USA Health policy, which may result in remediation or disciplinary action up to and including termination.

5.6.5 Records

All official records created during the formal resolution of a complaint shall be maintained by the University for a period of seven (7) years, including informal resolution records.

5.7 Special Procedures for Complaints Against the University President

If a complaint involves alleged sexual misconduct on the part of the University's President, the TIX Investigator will investigate to gather testimony and other information for eventual review and consideration by the University Board of Trustees (Board) Vice Chair or a designee.

Any investigation, hearing, or appeal of alleged sexual misconduct involving the University President shall proceed in the manner set forth above for University administrators, except that the Board Vice Chair or a designee shall serve in the role of the HRHC and the Chair pro tempore or a designee shall serve in the role of the Sexual Misconduct Appeals Committee.

5.8 Special Procedures for Complaints Against the Title IX Coordinator

Any complaint involving allegations of sexual misconduct on the part of the Title IX Coordinator will be handled by this policy, except that any duties ordinarily performed by the Title IX Coordinator will instead be performed by a Deputy Title IX Coordinator appointed by the University President.

5.9 Special Procedures for Complaints Against the TIX Investigator

The University has a TIX Investigator who will normally conduct all required investigations by this policy, regardless of the classification of the respondent. However, if a complaint involves allegations of sexual misconduct on the part of the TIX Investigator, the Title IX Coordinator shall appoint an investigator to investigate the allegations. Otherwise, such complaints will follow the process for employees.

5.10 Objections to Process

Parties are expected to raise any objections, concerns, or complaints about the investigation, adjudication, and appeals process promptly so that the University may evaluate the matter and address it, as appropriate.

5.11 Vendors, Contractors, and Third Parties

The University does business with various vendors, contractors, and other third parties who are not students or employees of the University. Notwithstanding any rights that a given vendor, contractor, or third-party respondent may have under these procedures, the University retains all rights it enjoys by contract or law to modify or terminate its relationship with any vendor, contractor, or third-party irrespective of the outcome under this process. Where this policy specifies a period of days by which some act must be performed, the relevant period will be calculated as follows:

- Exclude the day of the event that triggers the period;
- Count every day, including intermediate Saturdays, Sundays, and legal holidays recognized by the federal government; and
- Include the last day of the period until 5:00 p.m. central time, but if the last day is a Saturday, Sunday, or legal holiday recognized by the federal government, the period continues to run until 5:00 p.m. central time on the next day that is not a Saturday, Sunday, or legal holiday recognized by the federal government.

All deadlines and other periods specified in this policy are subject to modification by the University where, in the University's sole discretion, good cause exists.

The parties will be provided written notice of the modification of any deadline or period specified in this policy, along with the reasons for the modification.

Where this policy refers to notice being given to parties "simultaneously," notice will be deemed simultaneous if it is provided in relative proximity on the same day. That notice doesn't need to be provided at the same hour and minute.

Unless otherwise specified in this policy, the default method of transmission for all notices, reports, responses, and other forms of communication specified in this policy will be emailed using University email addresses. If a party does not have a University email address or wishes to use a personal email address instead of the University email address, the party must notify the Title IX Coordinator. The University is not responsible for outages, technical errors, or other features of a private email account that may interfere with a person's receipt of the email. Therefore, a party is deemed to have received notice upon transmission of an email to their email account.

Any notice inviting or requiring a party or witness to attend a meeting, interview, or hearing will be provided with sufficient time for the party to prepare for the meeting, interview, or hearing as the case may be,

and will include relevant details such as the date, time, location, purpose, and participants. Unless a specific number of days is specified elsewhere in this policy, the sufficient time to be provided will be determined at the sole discretion of the University, considering all the facts and circumstances, including, but not limited to, the nature of the meeting, interview, or hearing; the nature and complexity of the allegations at issue; the schedules of relevant University officials; approaching holidays or closures; and the number and length of extensions already granted.

6. Enforcement

Individuals found to violate this policy will be subject to disciplinary actions by the University. The discipline imposed will depend on all the facts and circumstances and may include, but not be limited to, one or more of the following: a requirement not to repeat the conduct at issue, requiring training, written or verbal warning/reprimand, demotion, transfer or reassignment, denial of pay increases, probation, suspension (with or without pay and for varying lengths of time), limitation on participation in particular programs and activities, limitation on access to campus, expulsion, dismissal, or termination. Under certain circumstances, acts of sexual misconduct may also result in criminal and/or civil penalties.

7. Related Documents

7.1 Pregnant and Parenting Students

Title IX protects against discrimination related to pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery from any of these conditions. It prohibits a school from applying any rule related to a student's parental, family, or marital status that treats students differently based on their sex. Title IX also ensures the right to take medically necessary leave and to be free of harassment, intimidation, or other discrimination because of pregnancy or parenting-related conditions.

The University of South Alabama is dedicated to creating an environment that is welcoming, accessible, and inclusive for pregnant and parenting students. Students may request reasonable accommodations for pregnancy and parenting-related conditions through the Title IX Office or <https://www.southalabama.edu/departments/studentaffairs/titlenine/pregnancy-parenting.html>.

Those requesting a pregnancy and parenting-related accommodation can contact the Title IX office for reasonable accommodations, including, but not limited to:

- Providing seating and/or desk accommodations;
- Allowing the student to sit or stand as needed;
- Recording lectures;
- Frequent bathroom breaks;
- Taking extra time to take tests, quizzes, and/or to complete in-class assignments;
- Excusing class absences;
- Making up missed assignments, tests, exams, or quizzes;
- Extending assignment deadlines; and
- Virtual class options;

Students are allowed to take time off from school for pregnancy, childbirth, miscarriage, termination of

pregnancy, and/or recovery for as long as their licensed healthcare provider says is medically necessary. This also includes the father if he is a student here as well. This rule applies even if taking medically necessary leave would require an absence for longer than the school's leave policy ordinarily allows. Students cannot be penalized for taking leave, and must be able to return to school in the same status they held before taking leave. For more information, please contact the Title IX Office at (251)460-7280 or <https://www.southalabama.edu/departments/studentaffairs/titlenine/>

7.2 Campus SaVE Act

The Campus Sexual Violence Elimination Act, or Campus SaVE Act, is a federal law that promises prompt and effective responses by higher education institutions to incidents of sexual violence. At its core, the Campus SaVE Act increases transparency about incidents of sexual violence, guarantees complainants' rights, sets standards for campus disciplinary proceedings, and requires campus-wide prevention education programs.

To understand the Campus SaVE Act, it's important to first know a little about laws and the judicial process. Every state in the United States has laws against sexual assault, domestic violence, dating violence, and stalking. To find out what the sexual violence laws are in the state where you attend college, check out womenslaw.org.

Additionally, all colleges and universities have a judicial process for sexual misconduct that functions independently from state laws. While laws and judicial processes vary by state, by school, and by crime, the Campus SaVE Act, enforced as of March 2014, represents improvements to the handling of sexual misconduct on every U.S. college and university campus.

7.3 The Lowdown: A Student Handbook

The University is committed to informing its student population, as well as faculty and staff, of the University's expectations and resources. This item can be found at the following link:

<https://www.southalabama.edu/departments/studentaffairs/lowdown/>

7.4 Discretion in Application

The University retains discretion to interpret and apply this policy in a manner that is not unreasonable, even if the University's interpretation or application differs from the interpretation of the parties.

Despite the University's reasonable efforts to anticipate all potential circumstances in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the University retains the discretion to respond to the unanticipated or extraordinary circumstance in a way that is not unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right or as part of any other express or implied contract. Accordingly, the University retains discretion to revise this policy at any time and for any reason. The University may apply policy revisions to an active case provided that doing so is not unreasonable and does not unduly prejudice the parties.

Student Record Policy

The University of South Alabama maintains records and data relative to the individual student to facilitate the educational process of the student and to assist in the administration of student needs by the University. The University of South Alabama complies with the rights of privacy and access to student education records as set forth in the Family Educational Rights and Privacy Act (FERPA) of 1974. The University of South Alabama has formulated the following policies and procedures in accordance with the Act:

I. General Policy

No information from records, files, or data, directly related to a student other than that defined as “directory information” shall be disclosed or released to any individual or agency outside the University without the prior written consent of the student, except according to lawful subpoena or court orders, or except in the case of need by other educational agencies or governmental agencies. Information will be available to University personnel and faculty only for legitimate educational purposes. The student shall have the right of access to and to review of all such information with those exceptions that are defined within this policy statement.

II. Definition of Student

Under the University policy of student records, a student is defined as an individual who is attending or has attended the University of South Alabama. It does not include applicants for admission or prospective students.

III. Definition of Education Records

The University recognizes that education records are any records, files, documents, memoranda, notes, or other material containing information directly related to a student that are maintained by the University of South Alabama. Personal notes, which are in the sole possession of the individual faculty or staff member who has made the notes and which are not revealed to other individuals, are specifically excluded under the Act from the definition of education records. Records that are used only for treatment purposes and that are created by physicians, psychiatrists, or other similar professionals or para-professionals, are specifically excluded from the definition of education records under the Act; however, such records are available for review by another physician or appropriate professional of the student’s choice if requested. Other records excluded are law enforcement unit records, employment records and alumni records of previous students.

IV. Directory Information

FERPA provides that a university regularly and routinely may release information, defined as directory information, to individuals and agencies outside the university. The following types of information may be disclosed by the University of South Alabama as directory information: student’s name, address, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and, to honorary societies affiliated with the University, the cumulative grade-point average of a student who is being considered for eligibility in same.

Any student may request that his/her directory information not be released, by completing a “Request to Prevent Disclosure of Directory Information” form in the Registrar’s Office

and returning it to that office.

This request is valid until the student rescinds the request of nondisclosure.

V. Record Retention Location

The following University officials are designated as those individuals who have responsibility for student records within their respective areas: (1) the Associate Dean of the particular college in which the individual student is enrolled, (2) the Vice President of Student Affairs, for all other records pertaining to students, excluding the College of Medicine, (3) the Director of Career Development relative to student records maintained in that office, (4) the Associate Dean for Academic Affairs, College of Medicine, (5) the Director of Military Services relative to student records obtained in that office, and (6) the University Registrar for official academic records or transcripts.

Within the context of this policy relative to student records, these individuals designated as record officials maintain a listing of those student records within such record officials' responsibility. Any request made by the student relative to review of or disclosure of the student records, including requests that public information not be disclosed, requests for disclosure to third parties, and requests for access by the student should be directed to the particular official. The only exception to this policy is when the student requests an official transcript from the University to be sent to a third party, that request should be directed to the Office of the Registrar. When content of a record is challenged under these procedures, the record official will be the hearing officer for that area of records over which he or she has responsibility.

VI. Right of Access and Review by Student of His/Her Education Record

A student has the right of access to any education record in accordance with FERPA which is maintained by the University and which is directly related to that student. The right of access to education records includes the right to inspect, review, and see education records (the cost of any copying to be paid by the student); and the right of hearing in the event that the student wishes to challenge the accuracy or appropriateness of the record. In order for the student to inspect a file or document maintained as an education record, the student should make this request in the office of the appropriate records official. The request must be initiated in writing on the forms maintained by the record official. In the event that the student cannot personally appear for such requests, the student may request a form through the record official in writing and that form must be returned to the record official notarized. The request for inspection will be granted within forty-five (45) days after the date of the request.

FERPA specifically excludes from review by the student the following types of education records: financial records or any information contained within the financial records of parents of the student; any confidential letters or statements of recommendation which were placed in the education records of the student prior to January 1, 1975, and which are used only for purposes for which intended letters of recommendation associated with admission to educational institutions, application for employment, and receipt of honor or recognition, if the student has signed a waiver of rights of access to said records of recommendation. Nondisclosure of such records to the student also applies to those items excluded from the definition of education records since those documents are not considered to be education records as defined under FERPA.

VII. The Student's Right to Challenge the Content of the Education Record

The University of South Alabama recognizes that the student, after reviewing the education record, has a right to challenge the content of that record, relative to the possibility of the record being misleading, inaccurate or inappropriate. However, under the Act, a student does not have a right to challenge the numerical or letter grade given by the instructor.

If a student wishes to challenge a record, the student should make that request for challenge of the record known to the record official. The student will be required to complete a form in which the student specifies on the form the nature of the challenge, that is whether the record is misleading inaccurate, inappropriate, etc. If the record official agrees that the record is inaccurate, misleading or inappropriate, the record will be amended and the student will be notified in writing. If the record official does not agree with the student's challenge, the student will be so informed and advised of the right to a hearing. The record official will act as the hearing officer and will designate a date, time, and place for the hearing. The hearing will be held within a reasonable period of time following the request to the record officer. The student will have an opportunity to present information relative to his/her challenge. The record official will have an opportunity to inspect the education record relative to the content of that record and to request information from the student and from the maker of the education record or that portion which is challenged. A decision from the record official, acting as a hearing officer, will be returned to the student within ten (10) University working days following the conclusion of the hearing. If the record official does not allow the requested amendment, the student will be advised that he/she may place a written statement in the file commenting on the contested information and/or stating the nature of the disagreement. The student has the right to file a complaint with the U.S. Department of Education's Family Policy Compliance Office.

VIII. Waiver of Student Right to Review and Inspect Education Records

The University of South Alabama, pursuant to FERPA, provides for waivers of the student's right to review and inspect regarding the following education records: letters or statements of recommendation associated with application, admission, receipt of honors or other recognition. The University of South Alabama retains the right to request such waivers of students and prospective applicants. If a student receives a request for waiver, the student may either sign and return the waiver, or may request a list of the names of the individuals who will be contacted for recommendations before signing the request, or may refuse to waive the right of access.

A WAIVER SHALL NEVER BE A CONDITION OF ADMISSION, FINANCIAL AID, OR OTHER BENEFIT BY THE UNIVERSITY OF SOUTH ALABAMA.

IX. Releasing Education Records to Third Parties

It is the general policy of the University of South Alabama that the University does not release education records or information relating to a student, to individuals or agencies outside of the University of South Alabama. However, the student may request the release of education records to individuals or agencies outside of the University of South Alabama. In the event that the individual does so request such education records to be released, a written request/authorization from the student must be directed to the proper records official, specifying the records to be released, the reason for the release, the person to whom records are to be released, and a request by the student for copies of the records that are

released if the student so desires. The student has the responsibility of sending a statement to the University, signed by the party who is receiving the information, that the information that is granted to the third party will not be transferred to other individuals or agencies without the student's prior consent. These guidelines must be met prior to the release of education records by the University of South Alabama.

The University of South Alabama, following a request/authorization, will grant access or will release the education records to the third party. The cost of copying or reproducing education records will be assessed against the student/third party so requesting.

Student records may be released, without prior student authorization, to certain designated classes of individuals, agencies, or institutions, which include but are not limited to the following and which are in accordance with FERPA:

1. Any University officials, including members of the faculty and staff, who have a legitimate educational interest.
2. Officials of institutions in which the student submits his or her desire to enroll. The student will be notified of the transfer of this information. The student will be sent a copy of the record, upon the student's request, and will be granted an opportunity to challenge the content of the record.
3. Certain representatives of Federal departments or agencies or State educational authorities for purposes of audits, evaluative studies, etc. The data that will be collected by these agencies will be protected in a way that prevents personal identification except when specifically authorized by Federal law. Also, the information will be destroyed once it is no longer needed.
4. Financial Aid Officers.
5. Accrediting agencies.
6. Organizations conducting studies for administrative evaluation tests, etc.
7. In accordance with judicial orders or lawfully issued subpoenas.
8. Appropriate individuals, agencies, and institutions in case of an emergency or to protect the health or safety of the student or others.

For all of the above requests, excluding number one, the following information will be placed in the education record of the student: a record of request for access, the legitimate interest involved, and action taken relative to the request.

- X. This policy statement is subject to change and revision as the experience with the law and institutional policy changes.**

2025-2026 Personnel Policy for Undergraduate and Graduate Student Employees at the University of South Alabama

The following is the updated 2025-2026 Personnel Policy for Undergraduate and Graduate Student Employees of the University of South Alabama. This policy has been established for undergraduate and graduate student employees **only** and does **not** apply to Graduate Assistantships. The Deans of the Graduate School maintains the Graduate Assistantship Policy. Contact the Dean of the Graduate School at 460-6310 or view the graduate assistantship policy at <https://www.southalabama.edu/graduatemajors/graduateschool>.

I. Introduction

Student employment at the University of South Alabama is educational in nature and as such should afford students opportunities to use and further develop their skills, creativity, sense of awareness, and responsibilities while earning a portion of their educational costs. Student employees do not come under the umbrella of regular staff employees. Student employees are defined as those students who are employed as student assistants, have a paid internship through the University of South Alabama or employed in the Work-Study program. Nursing and Allied Health students employed by the University of South Alabama's hospitals as part of their training, elected SGA student officials, and Resident Assistants are not a part of this definition.

It is the responsibility of supervisors to give new student employees the proper orientation, counseling, and supervision that is needed to develop healthy attitudes toward their jobs. Students are to supplement rather than replace University of South Alabama staff. Any questions or concerns related to the guidelines should be forward to the Associate Vice President for Enrollment Services.

II. The Meaning of "Hourly Employment"

Students are employed under "an hour's pay for an hour's work" arrangement. However, a department should not deny payments to students for brief interruptions in their daily schedules, such as rest periods or coffee breaks, if it is the department's policy and practice to permit such interruptions for its regular hourly employees. Students are not compensated under a salary, commission, or fee arrangement. In addition, fringe benefits such as paid sick leave, vacation pay, and holiday pay, which are provided benefits to eligible regular employees, do not apply to student employment. Student assistants are not covered by Social Security as long as they are enrolled at least half-time and regularly attending classes. Student employees are not covered by Workers' Compensation insurance. This should be explained to students when hired.

Student employees are free to apply for Unemployment Compensation at www.labor.alabama.gov. When a student employee separates from employment, for any reason, the student employee's department must provide the Notice of Availability of Unemployment Compensation to individuals who separate from employment. The Notice of Availability of Unemployment Compensation may be in the form of a letter, email, text message, or flyer given or sent to each individual undergoing separation. The notice may be found here:

[southalabama.edu/departments/enrollmentservices/resources/noticeofavailabilityofunemploymentcompensation.pdf](https://www.southalabama.edu/departments/enrollmentservices/resources/noticeofavailabilityofunemploymentcompensation.pdf)

The decision regarding eligibility for Unemployment Compensation is made solely by the Alabama Department of Labor.

III. Hourly Wage Rates

Wages paid to students working under the student employee program must be paid the minimum wage (**\$7.25/hour**); however, said hourly wage should not exceed **\$5.75** per hour over the minimum wage for undergraduate student employees and **\$10.25** per hour over minimum wage for graduate student employees without permission from the Associate Vice President for Enrollment Services. A written justification along with the Student Personnel Action form **MUST** be sent to the Office of Enrollment Services **first** for hourly wages exceeding **\$13.00** for undergraduate student employees and **\$17.50** for graduate student employees. **A paper student personnel action form needs to be completed when requesting a student to be paid over the allowed amount with written justification.** Once the written justification and student personnel action form has been approved by the appropriate office (Provost and Executive Vice President, VP for Student Affairs, or VP for Health Sciences), Enrollment Services will deliver directly to the Payroll Office.

Medical Affairs and Dean of the College of Medicine, Enrollment Services will deliver directly to the Payroll Office.

Wages under \$13.00/hour for undergraduate employees and under \$17.50 for graduate employees can be sent directly from the departments to the Payroll Office as long as it does not require a signature by the Grants and Contracts Office (**Student Personnel Action Forms with FUND # beginning with 2**). Signature is required for all grants except Federal Work Study.

Students employed under the Work-Study program will be paid at least minimum wage as required under the federal guidelines to participate in the program. Employment under the Work-Study program is determined by the financial need of the family. The University of South Alabama is an equal opportunity employer and shall not discriminate on the basis of race, age, color, religion, national origin, disability, disabled veteran, Vietnam Era Veteran status, or sex.

IV. Mandatory Direct Deposit of Paychecks

All newly hired and current student employees will be required by the University to be paid by direct deposit. Student employees who are not already enrolled in direct deposit of paychecks will be required to do through PAWS. If a student employee is unable to secure an account at an eligible financial institution they can establish an account at the USA Federal Credit Union. There will be a one-time \$25 share deposit required for opening the account. **STUDENTS SHOULD UNDERSTAND THIS REQUIREMENT BEFORE HIRING.**

Failure to establish a direct deposit account will result in termination of the student appointment.

***NOTE: While direct deposit participation expedites payments and is encouraged for all student employees, Work-Study student employee participation, by law, is optional. If a Work-Study student employee chooses to participate, the participation may be cancelled at any time by indicating such cancellation on the form referred to in the link above.

V. Appointments

Each department should have on file a job description for each student employee position, including Work-Study. For student employees, the rate of pay can be based on job requirements and skills needed, but should not normally exceed minimum wage by more than **\$5.75** per hour for

undergraduate student employees and should not exceed **\$10.25** per hour over minimum wage for graduate student employees. **ALL STUDENT PERSONNEL ACTION FORMS MUST REFLECT THE STUDENT I.D. NUMBER. The effective date on the Student Personnel Action Form should be the first day the student actually starts to work.**

At the time of appointment, the student employee must:

- Be enrolled at least half-time (**undergraduate 6 hours, and graduate 3 hours**)
NOTE: Summer semester includes credit hours taken during the May semester and summer semester (June-July).
- Be a degree seeking student
- Have completed I-9 (refer to section **VIII**)

Work-Study student employees must be enrolled half-time (6+ credit hours as undergraduate student and 3+ hours as a graduate student.

If a graduate student employee is in their final semester, they may continue employment as long as they are registered in a minimum of 1 credit hour.

Student employees currently hired in a department have the option not to enroll for one semester each academic year (fall-summer). During this time, student employees may work up to a maximum of 56 hours per pay period with an average of 28 hours per week during the pay period. *This does not apply to students who have not been enrolled for two consecutive semesters.

- **Example: A student was not enrolled in spring semester or summer semester but wishes to use the following fall for their semester to opt out of enrollment.**

A student must be enrolled in the prior semester and registered for the upcoming semester before they are allowed to opt out a semester of being enrolled.

*For enrollment and employment requirements related to a student who is **NOT** a US citizen or a Legal Permanent Resident of the US please review the employment limitations below in Section VII.

Students admitted and registered to attend the University of South Alabama for the first time are not eligible to work as student employees until the first day of the semester.

Returning students who have applied for readmission and students who withdrew during a semester cannot begin working for the upcoming semester until the student has registered for classes for the upcoming semester. The student may not begin work until the first day of classes.

- **Example 1:** Student withdraws during spring semester and has to cease work immediately. Student registers for classes for summer semester but cannot begin working until after spring exams are over and until the first day of the semester.
- **Example 2:** Student has not been enrolled for several semesters and has applied for readmission and registered for classes for summer semester. The student cannot begin working until **after exams are over** for spring semester and until the first day of the semester.

It is recommended that student employees work no more than eight hours per day. Under special circumstances the supervisor may allow students to exceed the eight-hour limit. The maximum

number of hours a student employee is allowed to work is 20 hours per week when classes are meeting. If a student holds more than **one** student employee job, the maximum combined hours a student may work between the jobs is **still** 20 hours per week, not to exceed 40 hours per pay period. If a department feels it is necessary to have a student work more than 20 hours per week or more than 40 hours per pay period, written approval must be granted in advance by the Provost and Executive President or their Vice President.

If approved, the student may work up to a maximum of 28 hours per week or a maximum of 56 hours per pay period. A list of students with their JAG numbers and copy of written approval must be submitted to the Office of Enrollment Services.

Student employees may **work up to a maximum of 56 hours per pay period with an average of not more than 28 hours per week during the pay period between semesters and during fall and spring breaks.** If a student enrolls for the May semester or summer semester and only take classes for one term, the student is allowed to work 20 hours while taking classes and allowed to work 28 hours when not taking classes during the summer. Students **must** wait until the final exams are completed for **all** students before they can begin working 28 hours per week. Students are not allowed to work more than 56 hours per pay period under any circumstance without permission from the Provost and Executive Vice President or their Vice President. If approved, a list of the students with their JAG numbers must be submitted to the Office of Enrollment Services.

Students who are participating in a paid internship program through the University of South Alabama while taking classes are allowed to work up to 20 hours per week or 40 hours per pay period. However, students who are participating in an internship program through the University of South Alabama and are not enrolled in any other classes may work up to 28 hours per week or 56 hour per pay period.

Work-Study student employees are allowed to work a maximum of twenty hours per week. International student employee limitations are defined in Section VII.

Work-Study student employees generally are not allowed to work between semester or other periods of non-enrollment.

Student employees, if they desire, may work during official University of South Alabama holidays if the office in which they are hired remains open during the holidays. Students cannot be required to work during official University of South Alabama holidays.

Students holding both a part-time staff position and a student employee position may work no more than 20 hours in their student appointment with the combined total hours worked not to exceed 56 hours per pay period with an average of 28 per week during the pay period.

Students who are enrolled in on-line classes are only allowed to work 20 hours per week not to exceed 40 hours per pay period. Students who enroll in less than 6 hours for undergraduate or 3 hours for graduate on-line or campus classes must have written approval in advance by the Provost and Executive Vice President or their Vice President. If approved, the student may work up to a maximum of 28 hours per week or a maximum of 56 hours per pay period.

A list of students with their JAG numbers and a copy of the written approval must be submitted to the Office of Enrollment Services.

Students who completely withdraw during a semester or who are suspended should cease working immediately.

Students **may not** continue to work after they graduate.

Each department must submit a new Student Personnel Action appointment form when a student is hired. The student employment date will only be required at time of termination unless the student is a work study student, in which case an end date is required for each year. See Section VIII for instructions on the mandatory I-9 policy. In addition, Payroll must be notified (for FICA withholding purposes) when a student employee is not enrolled. The original or a copy of the social security card must be presented to the Payroll Office for social security number and name verification. When employment ends for the student a termination PA must be completed. (See Section XIII)

Changes to a current student employee's PA (i.e. current student employee hired at pay rate of \$7.25 per hour and you wish to increase the rate of pay to \$9.40 per hour) should be made effective with the beginning of a pay period. A link to USA's biweekly payroll calendar is on the website at www.southalabama.edu/financialaffairs/payrollaccounting/calendar.html.

Departments and divisions should observe the University and state laws regarding **nepotism**. Students who have a relative working in the same department **cannot** be supervised or take directions from their relative. Refer to Section 2.1.4 of the Staff Employee Handbook for more information.

VI. Breaks and Lunch

When working conditions warrant and the student employee's supervisor agrees, a student employee may take the following:

- A one 15-minute unpaid break if the student assistant works at least a 4-hour shift.
- Two 15-minute unpaid breaks if the student assistant works a full 8-hour shift.

A student assistant who works a full 8-hour shift may be provided an unpaid meal period. Length of meal periods is at the discretion of the supervisor.

VII. International Student employment

United States immigration regulation **8 CFR 214.2(f)(9)(i)** limits the employment eligibility of international students. International students who maintain their F-1 or J-1 immigration status are eligible to work part-time on the premises of the institution that issued their current, valid I-20 or DS-2019. On- or off-campus employment must be "incident to status" and cannot affect the international student's course work or studies. F-1 students do not require authorization or updates to their SEVIS record (I-20) from the Office of Immigration prior to accepting on-campus employment. However, J-1 students require authorization and updates to their SEVIS record (DS-2019) from the Office of Immigration prior to accepting on-campus employment. International students may only work "on campus" (academic department, bookstore, cafeteria, Aramark, Starbucks, etc.) a maximum of 20 hours per week while school is in session. According to University of South Alabama policy, on-campus student employees may work up to a maximum of 56 hours per pay period with an average of not more than 28 hours per week during the pay period between semesters and during fall and spring breaks as long as students who eligible and demonstrate an intent

to register for the subsequent academic semester. For any international student awarded a scholarship, fellowship, or assistantship, there is **no exception** to the overall 20 hours per week cap for on- or off-campus employment. International students may be subject to U.S. tax withholdings and should speak with USA Tax Accounting to discuss their requirements. International students with questions regarding their eligibility for on- or off-campus employment should be referred to the Office of Immigration.

On-campus employment must be performed on the school's premises (including on-campus commercial firms that provide services for students on campus, such as, the bookstore or cafeteria), or at **off-campus** locations that are approved by the Associate Vice President for Enrollment Services as educationally affiliated with the University of South Alabama. Employment with privately-owned sporting camps operated on the university premises as coach-owned LLC do not constitute eligible on-campus employment.

VIII. Mandatory I-9 Policy

All new hire employees are required by federal law (IRCA) to complete a government Form I-9 to verify their identity and authorization to work in the U.S. It is a federal requirement, due at the start of employment within strict deadlines in order to continue employment. Noncompliance of completion requirements is a violation of federal law and subject to federal fines for the University. Noncompliance by hiring managers is subject to disciplinary action.

1. The hiring manager or designee must instruct their new hire student employee - regardless of other current student positions the new hire has - to report to the Human Resources Office **before or on their first day of employment (official hire date)** prior to reporting to his/her work location. Student nurses/workers located at the hospitals may go to USA Health Human Resources. **The student employee is not allowed to begin work until they provide the hiring department with an I-9 status receipt issued to them by Human Resources.**
2. Upon completion of Section 1 (or Sections 1 & 2) the new hire student employee will be given an I-9 status receipt to provide to the hiring department, indicating their I-9 status as either partially or fully complete. **The student employee is not allowed to begin work until they provide the hiring department with an I-9 status receipt issued by Human Resources.**
3. All new hire employees must provide acceptable documentation to complete Section 2 of the I-9. Those who did not provide the required documentation by the first day of employment (official hire date) when completing Section 1, must provide acceptable documentation in person no later than three business days following their first day of employment (official hire date), to complete Section 2 and continue employment.

Per federal policy, failure to provide acceptable documentation for Section 2 by the deadline requires immediate termination of employment; the student employee cannot report to work for a fourth working day. The Human Resources Office will notify hiring manager/designees of any student employees who fail to comply within federal completion deadlines and advise the department that the new hire is to be terminated immediately.

IX. On-the-Job Injury (OJI)

The University of South Alabama strives to protect its employees from undue financial hardship resulting from qualified job-related injuries. Student employees are eligible for benefits provided by the OJI program. The injury must occur in the course and scope of duties as a University employee. For additional information and instructions on how to apply, please visit the University's Accidents While on the Worksite website at <https://www.southalabama.edu/departments/financialaffairs/hr/accidents.html>.

X. FICA Taxes

The IRS has announced through a private letter ruling that student employees who are enrolled less than half-time (less than three hours graduate or six hours undergraduate) are subject to FICA taxes. To comply with this ruling, student employees' enrollment status will be verified each payroll period.

XI. Graduation

A student employee cannot work after they graduate from the University of South Alabama. Students must cease employment on the last day of finals during the student's last semester. If a student chooses to continue their education at the University of South Alabama, they must be degree-seeking and cannot begin employment until the first day of classes.

XII. Voluntary Services

Student employees will be allowed to participate in voluntary services under the following conditions:

- The volunteer service is not something in which the department would have otherwise paid an employee or student worker.
- The volunteer service is not something an employee or student employee is normally paid to perform.
- The volunteer service is not related to the student worker's job duties.
- The volunteer service does not conflict with the student employee's job.

XIII. Pay Policy and Procedure

Student employees must be paid through normal student personnel/payroll procedures initiated by completing an Electronic Personnel Action Form (EPAF). A paper personnel action form must be used if an EPAF is not submitted and approved before the pay period deadline.

A Termination/Resignation Student Personnel Action Form must be completed and submitted to the Payroll Office when a student is no longer employed with the University of South Alabama or has graduated.

Students should not be paid by a requisition. Exceptions to this policy must be approved by the Associate Vice President for Enrollment Services.

Students are paid every two weeks. Payroll authorization (electronic time sheets) must be approved by the student and supervisor (except for off-campus work-study STAY students) and received by the Payroll Office before 9:00 a.m. on Monday before payday. Changes to the timesheet deadline will be posted on the Payroll website www.southalabama.edu/financialaffairs/payrollaccounting/calendar.html. Student employees must have direct deposit and check stubs can be accessed through their PAWS account.

If the hiring department fails to meet deadlines for the Electronic Personnel Action Forms (EPAFs) and/or timesheets, the student employees' pay will be deferred to the following pay date. No manual checks will be issues.

Student employees must complete their electronic time on Web Time by the Payroll deadlines. Non-compliance of student regulations may result in termination of the student appointment.

See Section IV for the mandatory direct deposit for paychecks requirement.

Students unable to work because of a natural disaster or other causes beyond their control **will not** be paid for lost work. The students may be allowed to make up the lost work during the semester at the discretion of the supervisor.

XIV. Supervision

The employing department must provide sufficient staff to adequately supervise the work performed by student employees, set work schedules including and ending time, arrange for absences when necessary, see that pay procedures are followed, and in general ensure that a reasonable work relationship is developed and maintained between the student employee and the department. Student employees are not allowed to work at home. **All work must be conducted under departmental supervision.**

XV. Grievances

Student employees may use the grievance procedure to seek redress of grievances arising out of terms or conditions of student employment. A student employee having a complaint or grievance should first discuss the matter orally with the immediate supervisor within ten working days after the incident. The supervisor should consider the grievant's request and render an oral decision with five working days of the discussion. Failing satisfactory adjustment from the supervisor, the aggrieved student employee shall, within five working days following receipt of the supervisor's decision, reduce the grievance to writing stating (1) the facts of the case, (2) the nature of the complaint, and (3) the adjustment desired. The written grievance shall be presented to the department head who shall give a written response to the grievant with five working days. (NOTE: if the department head is the immediate supervisor, initial grievance may be oral, followed by a written grievance to the dean or director).

Failing satisfactory adjustment from the department head, the aggrieved employee shall, within five working days after receipt of the department head's response, present the written grievance to the appropriate dean or director who shall render a written statement to the grievant within five working days. If satisfactory adjustment is not forthcoming from the dean or director, the grievant shall, within five working days after receiving the dean's or director's response, submit the grievance to the Vice President for Student Affairs. The Vice President for Student Affairs shall thoroughly investigate the case and render a written answer within ten working days.

Work-Study student employees should follow the same grievance procedure as student assistants. Rather than submit the grievance to the Vice President for Student Affairs, the grievance should first be presented to the coordinator of the Work-Study program. The case shall be investigated thoroughly and presented to the chief student personnel officer. A written answer shall be rendered to the aggrieved employee within ten working days.

XVI. Terminations

Student employees are considered to serve at the pleasure of the University of South Alabama and are “at will” employees.

Ending Employment:

The following constitute ending employment with the University of South Alabama:

- The student graduates
- The student is no longer enrolled
- The student resigns from employment
- The department no longer needs the student’s services

A termination/resignation student personnel action form SPAF must be completed for the above occurrences.

<https://www.southalabama.edu/departments/eforms/enrollmentservices/studentpaform.pdf>

Disciplinary:

In the event that need arises to terminate a student employee, the supervisor should discuss with the student the on-the-job problem and corrective action necessary to maintain job and appropriate time-line to correct problems before termination. Proper documentation supporting any or all disciplinary actions should be maintained by the department. Their employment must not violate Affirmative Action/Equal Employment Opportunity laws and regulations. The filing and resolution of grievances shall be done in accordance with the terms of Section XV of this policy.

Grounds for immediate termination would include, but not be limited to

- Student who falsifies their time sheet.
- Theft or misuse of university property.
- Disclosure of confidential records which the student may be privileged to in the scope of their student employment

In cases involving student misconduct, the matter will be referred to the University Disciplinary Committee for adjudication as outlined in the Student Handbook. The University reserves the right to suspend the student employee job related activity without pay pending the outcome of the University Disciplinary Committee hearing process.

In terminations involving students on the Work-Study program, the supervisor will complete the evaluation sheet to be returned with the termination papers.

XVII. Child Labor

All departments hiring student employees must post the following script regarding Child Labor. A printable copy is available at www.southalabama.edu/departments/enrollmentservices/student-

Per Alabama child labor laws: Workers under 18 cannot do the following: work in or around steam boilers; operate any power-driven woodworking, bakery, or paper- products machinery; operate any paper cutting, stapling, corrugating or punching machines; operate any stamping machines use in sheet metal or tin ware, or in paper or leather manufacturing or washer or nut factories; operate any power-driven metal forming, cutting, straightening, drawing, punching or shearing machines; assemble, adjust, clean, oil or service machinery in motion or serve as a model in a nude or nearly nude condition (as defined by Alabama law). Certain time and hour restrictions apply to any models under age 18.

The sale of academic materials, including texts, supplementary texts and other supplementary materials directly to students by either an individual faculty member or staff employee or by the academic department is prohibited. All academic materials as indicated above must be sold through the Bookstore.

State law requires that outside college bookstore retailers be informed of required and optional textbooks and any other academic materials sold to students such as custom published and supplementary academic learning materials (course packs). The University Bookstore will be responsible for preparing a list of these and will make such lists available to off-campus retailers and/or their representatives no more than two (2) working days from the time they are established. Also, all off-campus retailers will be allowed to purchase the items on the list from the Bookstore at a discount, if a margin is added, or at cost if no margin is used, provided the copyright agreement legally covers such a sale.

Copyright Policy for Students

Sponsored or Externally Contracted Works: Ownership shall be in accordance with the section of this policy on sponsored or externally contracted works made by faculty or other exempt employees.

Works for Hire: Student Works created by students in the course of their employment with the University shall be considered to fall within the scope of Work for Hire in accordance with the section of this policy on

Speech, Expressive Activities, and Use of University Space, Facilities, and Grounds

1. Purpose

The purpose of this policy is to promote the free exchange of ideas and the safe and efficient operation of the University.

2. Applicability

Access and use of facilities managed by USA Health or University of South Alabama Health Care Authority are addressed elsewhere in USA Health policies.

3. Definitions

Expressive activities: does not include expression that relates solely to the economic interests of the speaker and its audience and proposes an economic transaction. It includes, but is not limited to:

- Meetings and other group activities of registered USA student organizations;
- Speeches, performances, demonstrations, peaceful assemblies, rallies, vigils, and other similar events by students, employees, and visitors;
- Carrying signs or hanging posters;
- Circulating petitions;
- Distribution of literature, such as leafleting and pamphleting; and
- Any other expression protected by the First Amendment to the U.S. Constitution and applicable state law.

4. Policy Guidelines

4.1 Non-Interference with Expressive Activities

The University shall not permit members of the campus community to engage in conduct that materially and substantially disrupts another person's protected expressive activity or infringes on the rights of others to engage in or listen to a protected expressive activity that is occurring in a location that has been reserved for that protected expressive activity. "Material and substantial" disruption occurs when a person:

- Significantly hinders the protected expressive activity of another person or group, prevents the communication of a message of another person or group, or prevents the transaction of the business of a lawful meeting, gathering, or procession by engaging in fighting, violence, or other unlawful behavior; and
- Physically blocks or uses threats of violence to prevent any person from attending, listening to, viewing, or otherwise participating in a protected expressive activity. Conduct protected under the First Amendment to the United States Constitution or Article

I, Section 4 of the Constitution of Alabama of 1901, including, but not limited to, lawful protests and counter-protests occurring in outdoor areas of campus generally accessible to members of the public, are not considered material and substantial disruptions except during times when those areas have been reserved in advance for other events.

Likewise, minor, brief, or fleeting nonviolent disruptions of events that are isolated and short in duration are not considered material and substantial disruptions. Any member of the campus community who materially and substantially disrupts the free expression of others on campus may be subject to disciplinary action, up to and including removal from the University community and/or termination of employment.

4.2 Anti-Harassment Statement

The University shall prohibit any expression that is so severe, pervasive, and objectively offensive as to effectively deny a student, administrator, faculty, or staff member access to an educational opportunity or benefit provided by the University.

4.3 University Neutrality

The University supports free association and will not deny a student organization any benefit or privilege available to any other student organization or otherwise discriminate against an organization based on the expression of the organization. University students, administrators, faculty, and staff are free to take positions on public controversies and to engage in protected expressive activity in outdoor areas of the campus, and to spontaneously and contemporaneously assemble, speak, and distribute literature. The University will not require students, administrators, faculty, or staff to publicly express a given view of a public controversy. The University will also not create free speech zones or other designated outdoor areas of campus in an effort to limit or prohibit protected expressive activities by campus community members.

The University shall be open to any speaker whom the University's student organizations or faculty have invited, and the University will make all reasonable efforts to make available all reasonable resources to ensure the safety of the campus community. The University will not charge security fees based on the protected expressive activity of any member of the campus community or the member's organization, the content of the invited guest's speech, or the anticipated reaction or opposition of the listeners to the speech.

5. Procedures

5.1 General Requirements

5.1.1 Indoor Expressive Activities

5.1.1.1 Non-Members of the Campus Community

Pursuant to the University's Community Reservations Policy, non-members of the campus community may use or reserve only those indoor facilities of the University that are specifically identified in the Community Reservations Policy as available for use. Non-members of the campus community may not use or reserve any other University indoor facility.

5.1.1.2 Members of the Campus Community

Members of the campus community and registered student organizations must schedule all non-academic events to be held inside University facilities through the events management software (EMS) system.

5.1.2 Procedures/Deposits

Any procedures, deposits, forms, etc., that are required by the building requested must be completed at least five (5) working days prior to the event. The event must be listed on the University Calendar through the Office of Special Events. Only University-sponsored events may be advertised in University publications without charge.

5.1.3 Sound Equipment and Amplification

No musical instrument or sound amplification equipment of any kind, including stereo turntables, stationary, or mobile public address systems, are allowed on concourses, streets, or in areas adjacent to occupied buildings or around the Student Center unless otherwise allowed by the Dean of Students or a person designated by the Vice President for Student Affairs.

5.1.4 Litter

Any litter generated by any material being distributed must be collected and properly disposed of by the person or organization distributing the material. Failure to do so may result in charges to the responsible organization or department for the cleaning services. Placement of printed materials on motor vehicles is prohibited.

5.1.5 Interference with University Operations and Traffic and Protection of University Buildings and Property

All persons engaging in activities on University property are subject to and must comply with all University policies and procedures. Any individuals engaging in activities in University spaces may not block or otherwise interfere with the free flow of vehicular, bicycle, or pedestrian traffic. The right of way on streets and sidewalks must be maintained. Persons may not block or interfere with entrances and exits to campus buildings, and shall not prevent, obstruct, or interfere with regular academic, administrative, student, employee, or other approved activities at the University. University property must be protected, and any alteration, damage, or destruction of University facilities, property, or outdoor landscaping is strictly prohibited. Open flames, fires, or pyrotechnics are not permitted on any University property unless previously approved by the University Fire Marshal.

The safety and well-being of members of the campus community and visitors to the University must be protected at all times. All persons engaging in activities on University property shall not engage in physically abusive or threatening conduct toward any person or group and shall always comply with the directions of the University of South Alabama Police Department. The University reserves the right to impose reasonable restrictions on events occurring on campus to ensure the safety of the University, including the use of security for campus events and modifications to the time, place, or manner of campus events to ensure the safety of the participants and of the campus as a whole.

5.1.7 Outdoor Expressive Activities

5.1.7.1 Non-Members of the Campus Community

Expressive activity by individuals or groups who are not members of the campus community may only be held around the Student Center. Reservations are not required, but priority for use of the space will be given, first to those with reservations and then on a first-come, first-serve basis for those without reservations. A limit of time may be imposed if a reservation has been previously made by another individual or organization. Reservations may be requested for same-day expressive activity, but more advanced notice is recommended due to demand for the space.

Reservations may be made with the Director of the Student Center. The Director of the Student

Center may deny a reservation for the following reasons:

- The space is already reserved for another event;
- The activity will attract a crowd larger than the venue can safely contain;
- The activity will substantially disrupt University operations (including classes);
- The activity will impede the flow of traffic;
- The activity is a clear and present danger to public safety; and
- The activity is unlawful.

5.1.7.2 Members of the Campus Community

Guests may not be left unattended in a room without prior written permission from the Residence Life Coordinator. Guests who violate visitation hours or other applicable policies may be subject to trespass warrants or other action taken by the USA Police Department. Guests may also lose the privilege of visiting University housing. USA Housing reserves the right to limit or revoke visitation within each residential community.

Those who violate the community standard for harassment in the residential community may be immediately administratively relocated or removed from the residential community pending a student conduct meeting or referral to the [Office of Student Conduct](#). Sanctions for violating this standard include, but are not limited to, financial restitution, relocation, and removal from the University residential communities.

VI. NOISE

All persons who are present in University housing should conduct themselves in such a manner as to allow others the quiet enjoyment of the residence halls.

- Standard Daily Quiet Hours: Students are expected to uphold and support daily Quiet Hours between the hours of 8:00 PM and 8:00 AM (7 days a week). During this period, students and visitors are expected to keep noise levels at a minimum and respect the rights of others.
- Final Exam Quiet Hours: Each residential community endorses and affirms 24-hour Quiet Hours beginning on the last day of classes through the last day of finals.
- Courtesy Hours: Courtesy Hours require that all sound be kept to a reasonable level in an effort to avoid disturbance of other residential community members and ensure a pleasant living environment for all residents, free from unnecessary distractions or disturbance. For this purpose, 24-hour Courtesy Hours will be enforced daily throughout the entire academic term. Please note that you may be asked to use a headset or to remove stereos, TVs or musical instruments from the room if the use of such equipment is causing a disturbance to other members of the community. Any student hosting individual(s) with alcohol/drugs/paraphernalia in their room or visiting another room with alcohol/drugs/paraphernalia in the visiting room may be held responsible for the possession of alcohol/drugs/paraphernalia. See above III.I 'Alcoholic Beverages' and III.II 'Drug Use' for more details.

IV. Respect for Health, Safety, and Welfare

I. CLEANLINESS

Each student is responsible for the cleanliness of their own room or apartment. Residents are required to maintain a reasonably clean room and shared common spaces including routinely emptying trash, cleaning floors, showers, sinks/vanities, and toilets. USA Housing staff will conduct monthly Health & Safety checks of rooms to verify compliance. Rooms must be left reasonably clean upon check-out; failure to do so will result in assessment of a cleaning fee (see IV.5. 'Health & Safety Inspections' for more details).

II. CONFISCATION OF PROPERTY

If USA Housing staff or other University officials view an item in a resident's room that violates USA Housing community standards or other University policies or applicable laws, an incident report will be submitted to authorities. Depending on the nature of the violation, the item may be confiscated, the student may be obligated to remove the item immediately, the student may be subject to the Housing Student Conduct Process, and/or the student may be referred to the [Dean of Students Office](#) or other appropriate authorities. These items include, but are not limited to, alcohol and/or empty alcoholic beverage containers; candles; unauthorized appliances; weapons, toy weapons, or replicas of weapons; and/or illegal

substances or paraphernalia. Weapons or illegal substances or paraphernalia will be turned over to USAPD.

III. FIRE AND SAFETY EQUIPMENT

The misuse or vandalism of any fire safety equipment or devices is a violation of state and local law. Use of fire alarms and/or fire extinguishers at unauthorized times is prohibited. In addition, smoke detectors are located in every room for your protection. Occasionally, the smoke detectors are activated by interior or exterior room conditions. Although the alarms are sometimes an inconvenience, the value of the system to human life is immeasurable. Do not attempt to tamper, disconnect, or vandalize the smoke detectors or sprinklers; students found responsible for such tampering will be subject to the Housing Student Conduct Process. Please report any problems or concerns regarding fire safety equipment to the [Community Desk/Office](#) as needed. The cost of damages and repairs due to misuse and/or vandalism of fire safety equipment (i.e., smoke detectors, fire extinguishers, etc.) will be charged to the responsible student. Also, the cost of damages and repairs due to careless acts and/or community standard violations will be charged to the responsible student. Please also refer to the Code of Student Conduct, 'Prohibited Conduct,' in The Lowdown.

In the event of a fire alarm or drill, all persons in the building must evacuate immediately to the designated location. Failure to comply with Housing or University officials will result in disciplinary action. Space heaters, halogen lamps, extension cords, and live-cut trees are not permitted in students' rooms, suites, apartments or common area spaces. Laptop/Notebook computers should not be left unattended when charging the batteries; unplug when charging is complete. Candles, candle/wax/oil warmers, incense, charcoal, or any other flammable materials are also not permitted in University housing. Unlit candles used as room decorations are not permitted and must be removed immediately. Burning substances, in any form, create both a fire and health hazard for you and the other residents. All students must adhere to the state fire code as well as all Housing and University fire policies. It is vital to keep doors, windows, walkways, and chase ways clear of items that may block your escape route in an emergency; failure to do so may result in disciplinary action.

IV. HOVERBOARDS/ELECTRIC SCOOTERS/E-BICYCLES

Hoverboards, electric scooters, e-bicycles and other similar devices are not allowed in USA owned or leased housing facilities. Charging of hoverboards electric scooters, e-bicycles, or similar devices and also the storage of any in any hoverboards electric scooters, e-bicycles, or similar devices within any University facility is also prohibited. Students who violate this policy will be subject to the Student Conduct Process.

For more information and additional requirements, residents should refer to the [USA PEMD Policy](#).

V. HEALTH & SAFETY INSPECTIONS

USA Housing staff will conduct Health & Safety Inspections approximately three (3) times a semester to ensure that minimum health, safety, and facilities standards are being maintained. If standards are not met, the student is required to address the concern(s) and complete corrective action within twenty-four (24) hours of notification of the violation or the student may be required to meet with a USA Housing staff member. A follow-up inspection will take place to ensure the issue has been resolved. If the issue(s) still exists, the student will be subject to the Housing Student Conduct Process. Reasonable standards of cleanliness are expected while inspecting each of the categories below; however, USA Housing staff is primarily focusing attention on facilities, health, or safety related concerns. While searching for community standard violations is NOT the goal of an inspection, violations will be addressed as they are found. Areas of inspection will include, but not be limited to, the following:

- Exterior Area / Doors
- Floors
- Windows / Blinds
- Air Conditioner / Heater
- Bathroom Sink / Counter
- Kitchen Sink / Counter
- Toilet / Tub
- Walls/Ceilings
- Closet
- Smoke Detector
- Fire Extinguisher/Sprinkler Heads
- Lights
- Dehumidifier
- Overall Condition

VI. PETS

The only pets permitted in University housing are fish that are not prohibited by law in a 20 gallon or less tank. No other pets are allowed on either a permanent or visitation basis (i.e., no cats, dogs, hamsters, reptiles, birds, rodents, amphibians, etc.). If a pet is found in University housing, it must be removed immediately. Students who need the assistance of service or emotional support animals must register with CEADR Office prior to the animal arriving on campus. Students with service animals or assistance (emotional support) animals will be required to follow the [Center of Education Accessibility & Disability \(CEADR\)](#) guidelines. Students will be held responsible for any damage caused by such animals.

USA Housing's animal policy states that residents are not permitted to keep or allow any unauthorized animals in any on-campus residence hall. This includes keeping or watching a pet for a family member or friend. This also includes animals who are 'just visiting' with the resident, regardless of the length of stay or visit. Additionally, residents are prohibited from keeping animals that are approved for a different resident. The fostering of animals is prohibited. **If an unauthorized animal is found, the resident will face a \$100.00 fee and be given 24 hours to remove the animal. If the animal is not removed within that time, the resident will be charged \$100 per day until the animal is either approved with CEADR and USA Housing or removed from campus. Upon three unique instances, or three consecutive days, of non-compliance, students will be referred to the Student Conduct Process, where sanctions may result in removal from on-campus housing, with Housing financial policies still applied. Residents are also not permitted to feed or otherwise care for stray animals near the residence halls and campus parking areas. Residents are encouraged to report stray animals to the Mobile County Animal Shelter.**

Approved animals living on-campus for CEADR-approved related needs must follow all "owner responsibilities" outlined in the [Service and Assistance Animal Policy](#). Failure to comply with outlined "owner responsibilities" may result in a \$100.00 fine, a conduct hearing, and potential removal from on-campus housing.

VII. POTENTIAL THREAT TO SELF OR OTHERS

Establishing a safe campus environment is paramount for USA Housing; therefore, if an individual engages in threatening behavior, the University reserves the right to remove that individual from Housing on a temporary or permanent basis as deemed necessary and to take other actions as USA Housing or University officials deem appropriate for the safety of the resident and the residential community.

VIII. SMOKING/TOBACCO USE

Smoking or the use of any type of pipe, cigar, cigarette, e-cig, vape pen, or similar product that creates a cloud of smoke or vapor is prohibited on all property owned (e.g., structures, land and vehicles) and/or in the possession of (e.g., leased and/or rented by) the University of South Alabama. This includes all residential areas and residence halls, both in common areas and individual rooms. If a pipe, cigar, cigarette, e-cig, vape pen, or similar product that creates a cloud of smoke or vapor is found, it is subject to confiscation. The presence of tobacco smoke, e-cig vapor, cigarette butts, ashtrays with ashes, and other remnants often associated with smoking or smokeless tobacco

COMMUNITY STANDARDS

are considered evidence that the tobacco policy is being violated in the room. Anyone present in a room when someone is smoking, or one of the above listed devices are found, will be in violation of this policy.

Note: Personally owned vehicles are excluded. This policy is applicable for all students, faculty, staff, temporary/contract employees, contractors, patients and visitors. Tobacco products include any products containing tobacco leaf, including, but not limited to, cigarettes, cigars, pipe tobacco, snuff, chewing tobacco, dipping tobacco, etc. Nicotine products include any products containing nicotine for human consumption used in any type of electronic smoking device, including, but not limited to, e-cigarettes and vaping. Also prohibited are hookah products used to produce smoke and/or vapor from the burning of tobacco, shisha and other plant matter. Smoking includes inhaling, exhaling, burning, or carrying any lighted or heated tobacco, marijuana or other plant product, whether natural or synthetic, intended for inhalation. Cessation products specifically approved by the U.S. Food and Drug Administration for use in treating nicotine or tobacco dependence are excluded. Students who violate this community standard may be subject to the Housing Student Conduct Process. You can find out more about the policy and cessation programs at this website: southalabama.edu/tobaccofree.

IX. WEAPONS

All weapons are prohibited in University housing buildings and parking lots and on University property. This includes, but is not limited to, bullets, ball bearing bullets, bullet balls, pellets, firearms, guns, knives (see below IV.10. "Knives"), paintball guns, air guns, stun guns, tasers, hunting bows, archery bows, swords, brass knuckles, martial arts weapons, and replicas of such weapons, including toy and water guns. Fireworks and pyrotechnic devices and materials are also prohibited on University property. Students who violate this community standard may be subject to the Housing Student Conduct Process. In the event that a student violates this community standard, USAPD will be contacted and may confiscate the offending item. The student may also be removed from the community and/or subject to criminal charges. Please also refer to the Code of Student Conduct, 'Prohibited Conduct,' in [The Lowdown](#). Students may register and store weapons with USAPD – please contact USAPD for more information on this process.

X. KNIVES

Kitchen knives are allowed in University housing rooms with kitchens only. Non-kitchen knives with a length of more than three (3) inches are prohibited. No decorative knives are allowed in the residential community. Also, note the following prohibited items: any blade that does not fold, automatic folding knives, box cutters, throwing stars, and butterfly knives.

XI. WINDOWS/RAILINGS/BALCONIES/ ROOFS

All residents are encouraged to keep their windows closed and locked. Sitting, standing on, climbing, or hanging from a window, ledge, railing, or roof is prohibited. Clothes, bikes, or personal items should not be hung from balconies, railings, roofs, and/or windows. Furniture is not permitted on balconies, stairways, or second floor walkways. Throwing, dropping, or pouring of anything from windows, balconies, ledges, and/or railings is prohibited. Students are responsible for damages and/or cleaning charges that result from such actions.

In Beta/Gamma, chaseway doors should not be propped open and must be closed at all times. Any chaseway door found propped open will result in a charge. For interior-style residence halls, floormats are not permitted in the hallway/doorway and are subject to confiscation due to being a tripping hazard. Exterior door decorations must be approved by USA Housing staff. Unauthorized decorations may be removed by USA Housing staff. A resident may place a message board on the exterior of their room door as long as the message board does not cause damage to the door. Posted materials, displays, or advertisements that are in conflict with University guidelines are prohibited. Inappropriate displays or materials will be subject to immediate removal.

Stairwells and hallways are not storage areas. Personal belongings may not be stored there and will be removed by USA Housing staff.

V. Cooking

I. ROOMS WITHOUT A KITCHEN/KITCHENETTE

Students assigned to a room type without a kitchen may use the following appliances so long as the appliance has an automatic shut-off feature: microwaves (800 watts or less - only one per room), pop-up toasters, crock-pots, and coffee pots.

The following appliances are prohibited from room types without a kitchen/kitchenette: air fryers, rice steamers, electric kettles, hotplates, toaster ovens, 'George Foreman-type' grills, deep fryers, or any approved appliance without an automatic shut-off feature. This includes rooms in the following residence halls:

- Azalea Hall
- Camellia Hall
- Epsilon 1-2
- Deltas 3-5
- Stokes Hall
- Gammas 0-4

COMMUNITY STANDARDS

II. ROOMS WITH A KITCHEN/ KITCHENETTE

Students assigned to a room type that includes a kitchen/ kitchenette will have “conventional cooking” privileges including toaster ovens, air/electric fryers, electric grills, and all other appliances allowed for non-kitchen room types. Do not leave items unattended on the stove or in the oven at any time. This includes rooms in the following residence halls:

- Beta 1-5
- Gamma 5-9
- Delta 6
- Traditions at South
- Fraternity & Sorority chapter houses in the kitchen facilities only*

Residents with non-permitted appliances may be subject to the Housing Student Conduct Process. The resident will be instructed to remove the item(s) immediately. Gas grills are prohibited, as is the use or possession of lighter fluid. Grills may not be stored in the rooms, chase ways, stairways, walkways, or any other interior space within University housing.

Epsilon 1 & 2 Community Kitchen Use

Residents of Epsilon 1 and 2 have access to shared community kitchens. These spaces are provided as a convenience and must be used responsibly. Hot plates are not permitted in these kitchens due to fire and safety risks. All residents are expected to clean up after themselves immediately following use—including wiping down counters, disposing of trash, and not leaving food or cookware unattended or behind. Any personal items or food left in the kitchen may be discarded by staff. USA Housing reserves the right to temporarily suspend kitchen access due to repeated misuse, safety concerns, or damage. Be courteous and help keep this space clean, safe, and usable for everyone.

VI. Respect for USA Housing

I. ABANDONMENT

Personal belongings which are left behind when a student vacates their University housing assignment are considered abandoned property and these items may be removed from University housing rooms/areas and discarded if arrangements are not made to pick them up within twenty-four (24) hours after the student vacates the USA Housing assignment. Items left at the Spring closing are discarded immediately.

II. ADMINISTRATIVE REMOVAL

A resident may be administratively removed for

reasons including, but not limited to, non-payment, non-enrollment, inappropriate behavior, violating the [University Substance Abuse Policy](#), or behavior that threatens the health or welfare of members of the University community.

If a student fails to properly check out and vacate the building within the specified timeline, the locks of the student’s room will be changed at the student’s expense. The student’s belongings in the room will be considered abandoned and will be removed and discarded unless arrangements are made to pick them up within thirty (30) business days of the lock change. The student may be charged associated fees, which may include, but are not limited to, a cancellation fee (up to \$150), lock-change fee (\$100), administrative removal fee to remove and/or store items (\$300), and any additional cleaning or damage charges.

Please Note: Failure to respond to official notices by e-mail or informal notifications by phone calls, etc., will not alleviate the student’s responsibility for compliance. Also, Administrative Removal from USA Housing does not release the student from the housing contract. All [financial policies](#) still apply.

III. NON-PAYMENT OF HOUSING AND/OR MEAL PLAN BALANCE

Failure to pay the room and/or meal plan balance in full by the University payment deadline may subject the resident to Administrative Removal (see the [Academic Calendar](#) for dates). Additionally, a resident who fails to pay the meal plan balance in full as outlined by the University payment deadline may have the meal plan suspended until full payment is made. Please note that neither Administrative Removal from USA Housing nor suspension of a meal plan due to non-payment releases the student from the obligation to pay for accrued charges. If a student has questions about housing and meal plan charges, the student should contact the USA Housing Office.

Non-Payment

Residents are strongly encouraged to participate in the [University Payment Plan](#). Residents with a Housing balance are subject to administrative removal:

- **Not Enrolled in University Payment Plan:** If the resident has a meal plan and/or housing balance, the resident will be notified of meal plan suspension within seven (7) calendar days and room removal of seven (7) calendar days to the resident’s JagMail.

COMMUNITY STANDARDS

- **Enrolled in University Payment Plan:**
If the resident has a meal plan and/or housing balance, the resident will be notified of meal plan suspension within seven (7) calendar days and room removal of fourteen (14) calendar days.

IV. NON-ENROLLED/WITHDRAWAL FROM THE UNIVERSITY

In order to be eligible for University housing, a student must be enrolled at the University of South Alabama. At the point a student is no longer enrolled (including online courses), or if a student moves in and fails to enroll by the last day to drop/add classes (see the [Academic Calendar](#) for dates), the student will have a maximum of forty-eight (48) hours from the time of notification of non-enrollment to enroll in courses at the University (if it is prior to the last day to add classes) or check out of the residence hall. The student should submit a cancellation request online as soon as the student becomes non-enrolled. Visit USA Housing's [Cancellations & Withdrawals page](#) for step-by-step instructions and more information. The student will receive notice regarding the cancellation request via JagMail. If the request is approved, the student will be charged a contract cancellation fee based upon the term of the contract and the date the request was submitted. Semester room and meal plan charges will be assessed based upon the Housing Refund Policy, which is determined by the date the request was submitted and the date the student vacates the room (i.e., room key returned and contents removed).

V. ASSIGNMENTS

All University housing residents are required to review their 'Housing Contract Terms & Conditions' carefully. Under these terms and conditions, the University will consider the information and preferences selected by the student when assigning living accommodations, but there is no guarantee of a specific assignment. The University will not alter or cancel the resident's assignment except where deemed necessary by the University for reasons including, but not limited to, disciplinary action, catastrophe, closing of facilities, consolidation of vacancies, unavailability of space, or unresolved incompatibility of roommates. In addition to the University's rights set forth elsewhere in this document or in other University policies, the University reserves the right to administratively move residents for the purpose of room, apartment, building, or area consolidations.

Residents may not change room assignments without written authorization from the Director of Housing or their designee. A resident may not occupy, store personal belongings in, or otherwise use a vacant space within a room or apartment.

A resident may not create a hostile environment to encourage a roommate to move or to discourage a new roommate from moving into the room. Any resident that creates a hostile environment for their roommate is subject to disciplinary action and may be removed from on-campus housing.

All residents are required to check out properly when they change rooms, when housing agreements end, and/or at the end of the year.

Residents are required to report broken, lost, and/or stolen keys immediately to the USA Housing Office so that new keys can be issued and the lock(s) can be changed. Lock changes cost \$75.00. However, if a key is not turned in at the time that the resident checks out of their assigned room, the resident will be charged \$100.00.

Keys and JagID cards may NOT be loaned to any other person. JagID cards and keys may not be used by anyone other than the person to which they key/card is assigned.

Students are responsible for damage to their room and/or apartment. Residents share responsibility for the damage, unless responsibility is claimed by a specific roommate in writing or can be determined by USA Housing staff. Any damage deemed as "vandalism" will be charged to the responsible party (if known) or to residents of the wing, floor, or building. Judicial action will apply when applicable.

***Room preference and/or ability to self-select a room is based on date of contract completion and space availability. The contract must be complete in order to receive/self-select a room assignment.** Students who reside in University housing in the fall semester are automatically assigned to the same room for the spring semester. Students' personal belongings can remain in the room during the winter break. Students may request a room change online during the designated reassignment period(s). Room changes are not guaranteed and will be made according to space availability and in the order that such requests are submitted. The request must be submitted by the student online in [MyUSAHousing](#) during the published period(s). Please also refer to our [First-Time Freshmen](#), [Current Residents](#), or [Upperclassmen/Transfer/Graduate](#) students pages for more assignment information.

VI. BUSINESS SERVICES

Residents are prohibited from starting, managing, or operating any kind of business enterprise inside, around, or near USA Housing facilities which involves the coming and going of customers, clients or any other persons into and out of USA Housing facilities. This includes, but is not limited to babysitting, hair-styling, and tattooing services.

VII. CANCELLATIONS & WITHDRAWAL

Any current resident who wishes to cancel their housing contract or who is considering withdrawing from classes should complete the process online in [MyUSAHousing](#) (see [Cancellations & Withdrawals page](#) for step-by-step instructions and more info) and immediately meet with their respective Residence Life Coordinator to discuss the USA Housing cancellation request (see [Community Desk/Office](#)). For any questions regarding cancellations or withdrawals, please email housing@southalabama.edu. Students must check out of their room and return their keys no more than forty-eight (48) hours after withdrawing from the University or canceling their housing. Students will be charged for housing regardless of withdrawal or approved cancellation date until the room key is returned and the resident checks out officially.

VIII. CHECK-OUT PROCEDURES

At check-out, residents have the choice to schedule an appointment with their RA a minimum of forty-eight (48) hours prior to conducting a check-out inspection, or they are completing an 'Express Check-Out.' Refer to the [Moving Out page](#) for proper move-out instructions and more information. A \$100.00 lock change charge may be assessed if the room key is not returned at check-out. Failure to follow the checkout procedures may result in a \$100.00 assessment fee for improper check-out. Moreover, the resident may be assessed fees for room damages. Students should speak with a Residence Life Coordinator if they have questions about check out.

Improper Check-Out

Residents should contact their Resident Assistant (RA) or visit their Community Desk to schedule either an in-person check-out appointment OR an express check-out appointment based on their preference. Appointments must be scheduled 48 hours in advance (minimum) to their preferred time to checkout. An improper check-out fee of \$100 may apply based on the following:

- Resident fails to check out by the official residence hall closing date and time, without an approved late stay.
- Resident does not show up to scheduled check out time with the RA (does not apply to express check out option) or fails to make an appointment with the RA.

IX. CONSOLIDATION

Housing may choose to consolidate rooms to full capacity when vacancies occur and may move residents to another University housing room when such consolidations become necessary. Under limited conditions and with written approval from the USA Housing Office, residents who have not contracted for a private room, that do not

have a roommate, and have been selected to consolidate may have the opportunity to request a roommate or room change, if the same room type is available. All room changes must be approved by the USA Housing Office. All consolidations must be completed within forty-eight (48) hours after notification of the consolidation; if not, the resident may be administratively relocated or automatically charged and held financially responsible to pay the private room rate.

X. DAMAGES/ROOM INSPECTIONS

At the time of check-in, students should complete a Room Inspection for their assigned space to indicate the current condition of their rooms. The Room Inspection should be completed by each student online in [MyUSAHousing](#) through the first week of classes. If not, students will be held responsible for the condition of the room at check-out. When residents check-out or vacate, charges will be applied for damages or losses which were not noted on the incoming Room Inspection. Repairs needed during occupancy should be submitted through a Fix-It Request online in [MyUSAHousing](#). During a student's check-out room inspection, the RA will use previous Room Inspection(s) to assess the condition of the room or apartment (see VI.6. 'Check-Out Procedures'). If unclaimed damages occur within common areas (i.e., hallways, lobby areas, etc.) all students who are found to have caused the damage or witnessed the causation of the damage and failed to report it may be subject to disciplinary action and held financially responsible for the repairs.

XI. FURNITURE

All residents are responsible for the loss of or damage to furniture and other equipment that is assigned to their room or apartment. Housing furniture must remain in the room in which it was originally placed. USA Housing does not have storage facilities for furniture. Residents must keep USA Housing furniture in their rooms at all times. Common area furniture is not permitted in the residents' rooms. Residents who violate this standard may be subject to the Housing Student Conduct Process. The resident may also be assessed a \$100.00 fine. The actual cost of replacement for broken or missing furniture (i.e., mattresses, beds, frames, chairs) will also be charged to the responsible resident(s). Any personal furniture, draperies, tapestries, etc., must be fireproof and display the manufacturer's label signifying that the material will not support flames. Cinder blocks, bed risers, lofts (other than those leased from a University approved vendor), or waterbeds are not permitted in University housing and must be removed from the room immediately.

All residence hall beds (mattresses and frames) must remain in the room or apartment. Bed frames are the only piece of provided furniture that may be disassembled. All other furniture must remain assembled as originally

COMMUNITY STANDARDS

provided with the room. Refer to our [Room Furniture page](#) for more information.

Room furniture may be rearranged with mutual agreement of both roommates, but must be returned to its original location or configuration whenever residents move out of the room and upon final departure from the space. Otherwise, charges may be applied. If a resident moves into a room that is not in the standard configuration, they must notify the Residence Life Coordinator in writing within 24 hours. Failure to do so will result in the new resident being responsible for returning the room to original configuration.

Restrictions

Due to potential damage associated with exercise poles, chin-up bars (and other equipment that attaches to walls, doors, doorways, ceilings, or floors), darts and dart boards, waterbeds, and shower and tub appliques, are not allowed in USA Housing residence halls.

XII. KEYS

Lock Out Procedures: If a student should get locked out of his or her room, they may check out a key from the [Community Desk/Office](#) during regular business hours (8:00 AM to 6:00 PM Monday – Friday). This key must be returned within twenty-four (24) hours of the time that it was checked out. If the key is not returned in the allotted time, the lock will be changed at the student's expense, which is \$75.00; the charges will be added to the student's PAWS account. If the key is not returned in the allotted time, the lock will be changed at the student's expense, which is \$75.00 for a regular key and \$50 for a Traditions key fob; the charges will be added to the student's PAWS account.

If a student should get locked out of their room after office hours, they should contact the RA On-Duty for the community. There may be a \$10.00 Lock-out fee assessed between 6:00 PM and 8:00 AM, Monday-Friday, or during the weekend, when an RA has to let a student into the student's room. Students should be prepared to show University identification or otherwise verify identity prior to being given access. Students are expected to deadbolt/lock their doors at all times. Students should always carry their room keys and their Jag Cards.

Lost Key Procedures

Each resident will be issued a key to their room. Lost or stolen keys must be reported within twenty-four (24) hours to the [Resident Assistant or Community Desk/Office](#), and USA Housing can replace it. There will be a \$75.00 cost to replace regular lost or stolen keys and a \$50.00 cost to replace lost or stolen Traditions key fobs. Students assigned to buildings with exterior door card access will receive access through their student IDs (Jag

Card). In the event your Jag Card is lost, you may sign for a temporary access card by contacting your Community Office. This temporary access card must be returned to the Community Office after receiving your replacement Jag Card. There will be a \$25.00 fee to replace lost or stolen temporary access cards. These fees will be billed through your PAWS account. There is a \$150.00 service fee for emergency lock-changes requested after hours; these charges are not refundable. It is paramount that students do not duplicate room keys or possess unauthorized keys. Please remember that it is the resident's responsibility to return the room key at the time the resident checks out of their room to the respective Community Office. Additionally, residents may not give their room key to another person. Students who violate this policy will be responsible for any damages or charges associated with providing their key to another person. Additionally, the student may be subject to criminal charges, as well as student conduct proceedings. Please note that it is imperative not to add supplementary locks to your door, as this may slow response times during an emergency and/or cause damage to a door. **USA Housing does not accept returned keys via mail; therefore, any student who does not return the key at hall closing, check-out or as otherwise required will be billed a minimum of \$100.00 for the cost of the lock change.**

XIII. REFUNDS

Within the first forty-five (45) calendar days of the published residence hall opening date each semester, housing and meals – excluding Bonus Bucks – will be prorated based on the date the student properly checks-out. No adjustment to housing and meal plan charges will be made thereafter. **If a resident cancels their Academic Year housing contract in the fall semester and enrolls in classes for the spring semester their Academic Year housing contract will be reactivated.** Proper [check-out procedures](#) can be reviewed on the Housing website. The break housing rate (currently \$25.00 per night) will be charged for periods between semesters.

Bonus Buck usage will be charged through the third week of classes. Bonus Bucks will be charged in full after the third week of classes and will be available for use until the end of the spring semester. At the point a student withdraws from the University or becomes non-enrolled, Bonus Bucks will no longer be available for use. A contract cancellation fee will be charged when applicable.

Note: If a student's University account has an outstanding balance due and the University has in its possession any funds payable to the student (from payments or credits applied to the student's account, payroll checks, and/or any other source, except federal financial aid awards), the University reserves the right to withhold the funds necessary to clear the student's outstanding balance and

COMMUNITY STANDARDS

to cover any collection costs incurred. Once those amounts are paid, any remaining funds are paid to the student.

XIV. OCCUPANCY

When one room occupant moves out, the remaining resident(s) must keep the room in the appropriate condition to accept a new roommate at any time. Students may not reject a roommate assignment. Any inappropriate behavior directed toward an assigned roommate, including, but not limited to, unsuitable room condition, discouraging communication, harassment, or intimidation will result in immediate relocation of the alleged offending resident pending the Student Conduct Process. Prior to a new roommate assignment, if the remaining resident desires to maintain a private room, they may request to contract that room at the private room rate. The request for a private room will only be granted as space is available and with written approval from the USA Housing Office. If the request is granted, the private room rate will be prorated based on the date of approval. Residents found violating the housing contract by occupying additional space in their room, suite, or apartment may have their items moved by the staff or be held financially responsible for the occupied space, as well as go through the Student Conduct process.

XV. CONTRACTUAL OBLIGATIONS

All students are obligated to the housing contract that they have signed. Students who move off campus while enrolled are still contractually and financially obligated unless otherwise provided herein. A student may request to check out of their assigned space without an approved cancellation of their housing contract, with the understanding that the contractual and financial obligation will continue. If a residential student decides that they want to move off campus and cancel their contract, they should contact the USA Housing Office. A member of USA Housing will meet with the student to better understand the reason for the request. A student who wishes to move off campus and does not meet the criteria for approved release from the Housing Contract will be held to the Terms and Conditions of the Housing Contract as long as they remain enrolled (including enrollment in online courses). Following their meeting with USA Housing, an email will be sent to the student via JagMail and a letter will be mailed to the last updated mailing address to update them on the status of their request. A resident requesting to move back into University housing should contact USA Housing by sending an email to housing@southalabama.edu.

XVI. ROOM CHANGES

Residents may not change room assignments without written authorization from the USA Housing Office. USA Housing offers various opportunities for students to request a change once they have received an assignment. Please refer to the time periods listed on the [Assignment Changes page](#) and keep the following in mind as you consider requesting a change:

- A student must be assigned before requesting a change.
- The ability to make a change is dependent upon the order in which your request is received and space availability.
- If a student wishes to make a change outside of the periods listed below, please contact our USA Housing Office (pre-move in) or your Residence Life Coordinator/Residence Life Coordinator(post-move in).

Reminder emails will be sent to all students' JagMail with additional information prior to the start of each formal request period. After the student is notified that a room change is granted, they will be required to complete the move and return the original room key to their community office within twenty-four (24) hours; failure to do this will forfeit the original room change request. Please contact your Residence Life Coordinator with any questions or concerns.

XVII. ROOM DECORATING

Students are encouraged to personalize their rooms, but painting or modification of facilities and furniture is not permitted. Decorations must be able to be removed without causing damage. Be mindful that each student will ultimately be responsible for the cost to repair any damage to their room and its furnishings.

The use of screws is prohibited in all University housing facilities. Approved decoration hangers/anchors are listed below. Decorations are not permitted within eighteen (18) inches of fire safety equipment (i.e., extinguishers, smoke detectors, and sprinkler systems). Please note that alcohol containers or paraphernalia may not be used as decorative items (see III.1 for further info).

Decorating Restrictions/Prohibited Items

- LED light strips, contact paper, stickers, and wallpaper may not be applied to walls, cabinets, closets, or furniture in any residence hall.
- Televisions and other heavy objects MAY NOT be mounted on the wall.

COMMUNITY STANDARDS

- Wood or any other flooring that uses adhesives may not be adhered to your room floors.
- Curtains may be hung with tensions rods. Curtain rods may not be attached to walls with nails, tacks, screws, or other items that damage the wall.
- No material may be placed directly on windows or between the window and the blinds/curtains (e.g., aluminum foil, newspapers, bedsheets, etc.).
- Air intake vents and air conditioner/heater vents may not be blocked, covered or removed.
- A resident may place a message board on the exterior of the door to their residence hall room as long as the message board does not cause damage to the door.
 - However, a message board on the exterior door is not considered a 'free speech area' as other members of the community do not have the option to avoid passing the board. For this reason, members of the USA Housing staff may erase or remove messages and flyers that a reasonable person would consider offensive or divisive.
- Wallpaper/Vinyl may not be applied to walls

How to hang items in your room:

In the following buildings with sheet rock walls, residents may ONLY USE small finishing nails, push pins, or picture hooks (up to 20 lbs. size) to hang items on walls. There is a limit of six (6) small holes per resident, per room. Screws, glue, "3M Command" or other adhesives are NOT permitted, in order to avoid wall damage.

- Azalea Hall
- Camellia Hall
- Stokes Hall

In the following buildings with cinder block walls, residents may ONLY USE 3M Command Strips to hang items on walls. Carefully follow product instructions for removal to avoid repair charges. Screws, nails, glue, or other adhesives are NOT permitted, in order to avoid wall damage.

JAGMART

USA Housing provides students with **24/7** access to **JagMart**, an unmanned convenience store located in the Azalea Hall Community for all on-campus residents. Students can purchase snacks, drinks, and personal care items at their convenience using **Jag Bucks** or other accepted payment methods. JagMart **is monitored at all times by security cameras**.

All students are expected to **pay for any items** before exiting the store. **Theft will not be tolerated.** Students who fail to pay for items will be referred to the **Housing Student Conduct Process** and may face **disciplinary sanctions and possible prosecution**. Access to JagMart is a privilege—please help us maintain a secure and respectful environment for all residents.

LEGAL INFORMATION

Your Housing Contract is the basic document that states the contractual obligations between you and USA Housing. The Community Standards and the Guide to Residential Living at South documents are legally binding and incorporated by reference in the Housing Contract. **You are equally responsible for complying with the rules, policies, and regulations contained herein.**

Every effort has been made to ensure the accuracy of information contained in this electronic document. Updates and corrections are made as they become necessary. Contract holders will be notified of material changes.

HOLD HARMLESS

By accepting your room key, you agree to release the University, its agents, and employees from any and all damages, liability, claims, expenses, or loss (collectively, "Claims") resulting from or arising out of your use of space within USA Housing and to indemnify and hold harmless the University, its agents, and employees from any Claims resulting from or arising out of your breach of the terms and conditions of your housing contract. You understand that by residing in USA Housing, you are assuming the risks associated with communal living and, as in any shared living environment, the potential exposure to contagious diseases.

The Registration Process

Schedule Development

The process of schedule development begins at Orientation and continues throughout your academic career. You must eventually select a major academic field or program, which will determine your degree requirements. The best source for all requirements is the Bulletin; the best resource is an Academic Advisor.

Program Requirements

You should read the following sections of the Bulletin carefully: “Academic Policies and Procedures”, “General Education”, and the “Graduation” sections, which list University requirements. The introduction to the college you have selected lists college requirements; the entire description of your major department, including courses offered; and, if applicable, the subsection “Requirements for a Minor” under the department(s) in which you have chosen to minor. Even if you enter “undecided”, you should review the requirements of possible majors and minors early so that the courses you take will count toward degree requirements in the college and field you eventually select.

The Role of Academic Advisors

Although colleges vary widely in their advising procedures, all recognize the importance of academic advising and each maintains an advising system. Information regarding the particular system is disseminated during the Orientation period and is available from the dean’s office. Academic advisors explain degree requirements and help students develop schedule projections. Their chief area of expertise is the academic program, but they also serve as general resources and refer students to other offices and services as necessary.

Students may make appointments to see advisors at any time, but it is necessary that they see them. Although progress toward a degree is basically a student responsibility, advisors do monitor that progress and will advise students as to appropriate courses and sequential order. Most advisors have model program curricula, which outline all degree requirements and are a great aid in schedule development.

Course Selection

Before meeting with advisors, you should review next semester’s Schedule of Classes through PAWS. After checking requirements in the Bulletin or Degree Works, you should select from courses offered for the coming semester. The initial selection should include alternate courses as well.

The Bulletin should be referred to carefully for course descriptions and prerequisites. Students without necessary course prerequisites will be dropped from class rolls prior to the semester beginning.

Schedule Drafts

After selecting courses, you should develop viable daily schedules using the South Scheduler/Plan Ahead tool in PAWS in the Registration tab.

Advising Session

Students should make appointments to see their academic advisors prior to registering for classes. At the advising session, students should present a list of projected classes and alternates to be sure that all selections meet degree requirements. Questions as to the

appropriateness of courses, especially electives, preparation, proper sequence, particular mix of courses, and the ability to handle the number of hours projected should be discussed. It is not appropriate to involve advisors in section selections. Instructors and times are matters of students' personal preferences. Remember, students who are prepared for advising sessions will make better use of their advisor's time and expertise.

Students are encouraged to follow their academic audit in PAWS called Degree Works. This will provide information on course selection and on degree progress.

After meeting with their academic advisor, students will receive a registration PIN for the upcoming term. This PIN is required to access the registration system, where they can add, drop, or change classes until the term's add/drop deadline.

Registration

Registration can be done through either PAWS or South Scheduler. Students will enter course information during scheduled registration hours and receive confirmation of their course selection, fee and financial aid information. Tuition and fee payments may be mailed to the Student Accounting Office or payment may be made by credit card via the web.

Registration Appointment Time

All eligible continuing and returning students may register via PAWS prior to the beginning of each semester. All new students may register via PAWS after their advising appointment and any other necessary requirements are met.

Students must access PAWS for their registration appointment times and holds. Students may not register before their time ticket opens, but may register anytime thereafter during the scheduled registration hours.

Payment of Fees

The schedule should be checked carefully for accuracy before payment is made. Registration is not completed until tuition and fees have been paid.

Students with Disabilities

USA prohibits discrimination against individuals on the basis of disability in its educational programs and activities, in accordance with ADA Amendments Act of 2008 (ADAAA) and Section 504 of the Rehabilitation Act of 1973 (Section 504). Students with qualifying disabilities, that follow the University's policy for requesting academic adjustments and auxiliary aids and services, and are approved for such adjustments and services, will be afforded reasonable accommodations for completing coursework and examinations, including oral examinations. The Center for Educational Accessibility and Disability Resources (CEADR) will certify a disability, approve academic adjustments, and advise faculty members of approved reasonable accommodations.

Students seeking academic accommodations or modifications should request certification from the Center for Educational Accessibility and Disability Resources. CEADR is located at 320 Alumni Circle, Suite 19 or via phone at 251-460-7212. Additional information regarding CEADR policies and procedures is also found on the CEADR web page: southalabama.edu/departments/ceadr/.

Adding or Dropping Courses

All changes in schedules, including changes to audit, must be made by the third day of the term,

through PAWS or South Scheduler. Students may drop courses without penalty provided the withdrawal occurs within the time limits listed in the academic calendar. The grade of “F*” or “U*” is recorded for a course abandoned without an official withdrawal. Students who drop courses after the last day for refunds may continue to attend class.

Withdrawals

Students withdrawing from all courses, even if they are registered for only one, may do so through PAWS within the time limits listed in the academic calendar. Thinking of dropping a course? Your decision could impede your progress toward finishing your degree as well as waste money spent on tuition, fees, and books.

Talk before you drop a course. Talk to your professor – you may not be doing as poorly as you think. Talk to your academic advisor – the course may be taught only once a year or only every two years. The course may be a prerequisite to a required course. You may get out of course sequence thus delaying your graduation. Talk to a financial aid representative – you may put your scholarship, grant or financial aid in jeopardy.

Talk to a Veterans Affairs representative – if receiving VA benefits, you may risk the interruption of benefit payments. Talk to us before you drop a course!

Grades

Grades are available through PAWS at the end of each semester.

Readmission to the University

Students who have previously been enrolled in the University of South Alabama, and who have been absent from USA for three consecutive semesters should comply with the instructions as follows:

1. Complete and sign the readmission application for the semester you wish to attend.
2. Return the application to the Office of Admissions for processing before posted deadlines using one of the following options:

Mail: Office of Admissions, Meisler Hall, Suite 2500, 390 Alumni Circle,

All applications and required credentials can be found at:

southalabama.edu/departments/admissions/under_readmissions.html

Student Computer Policy

USA provides student access to computer resources through the wireless and wired networks, e-mail systems, web servers, and departmental labs located throughout campus. Students using these resources must adhere to all policies of the University of South Alabama regarding the use of computers and computer networks.

Lab privileges can be denied to anyone using University equipment for illegal or unethical purposes.

Any illegal behavior observed in the labs or on University networks will be reported to appropriate University officials or law enforcement agencies. Anyone using the lab computers in this way, or any other generally inconsiderate manner, will be subject to appropriate disciplinary action. Such behaviors/activities include, but are not necessarily limited to, the following:

Illegal Activity

Uploading or downloading copyrighted material, violating the intellectual property rights of others, or illegally sharing trade secrets.

Accessing, downloading, or printing articles solely for educational and research purposes, however, may be permissible under the Fair Use Clause of the Copyright Law. See USA Software Policy: www.southalabama.edu/departments/csc/resources/softwarepolicy.pdf for more specific guidelines on using copyrighted software. The Federal Higher Education Opportunity Act of 2008 requires the University to provide information to its constituents regarding sharing of copyrighted material; please see:

<http://www.southalabama.edu/departments/csc/heoact2008.html> for more information.

- Illegally sharing computer software via Internet, local network, or any media.
- Copying or transmitting material contained in copyrighted databases without permission from the source.
- Buying or selling weapons or illegal substances via computer network.
- Threatening or “stalking” others via computer network.
- Knowingly replicating or transmitting computer viruses, or otherwise deliberately damaging the systems or files of other people.

Strictly Prohibited Behavior/Activities

- Trafficking in pornography of any kind via computer network. Please note that redistribution of pornography, even through web page links, is often illegal.
- Activity that violates state or federal law. This may include viewing, downloading, posting, printing or sending pornography, or other sexually explicit, profane, obscene, hostile, or blatantly offensive and intimidating material, including hate speech, threats, harassing communications (as defined by law), or information that violates any state or federal laws.

- “Spam”, the practice of indiscriminately sending unsolicited e-mail (e.g., commercial advertisements, chain mail, pornographic materials, political lobbying, hate speech, racial diatribes, and religious proselytizing) to persons who have not indicated interest in receiving such materials.
- “Hacking” or “Cracking”, i.e., deliberately invading the privacy of others by attempting to gain unauthorized access to any account or system.
- Obtaining/distributing confidential information. Deliberately and inappropriately observing, recording, accessing, using or transmitting passwords, account numbers, e-mail addresses, phone numbers or credit card numbers belonging to other people is prohibited.
- Downloading executable programs, which might interject computer viruses into lab computers, is generally prohibited. Further guidelines with regard to safe sites and appropriate downloads should be sought from the lab facilitator. (The University takes no responsibility for damage to your work or your own equipment resulting from viruses or files you might download via the Internet).
- Using University equipment, including the University’s Internet, wifi, network, labs, servers or web pages, for commercial gain or academic dishonesty including plagiarism, cheating, and misuse of academic materials.
- Unauthorized wiring, altering or damaging of University-owned computer equipment, including hardware and software.
- Tampering with lab machine settings.

Considerate Use

“Web Surfing” on lab machines for academic enrichment is permitted; however, precedence is always given to students needing access for assigned course work. Classes in the lab with a faculty member also have precedence. Otherwise, lab access is allocated on a first-come basis. Individuals who have been on a computer for more than two hours should yield if others are waiting.

Violations/Consequences

In addition to all guidelines in the policies stated here, all USA students are subject to the rules outlined in the Code of Student Conduct and the Student Academic Conduct Policy, which are both published in The Lowdown. Violations of any USA computer policies incur the same types of disciplinary measures as other University policies or state or federal laws (up to and including criminal prosecution).

Study Abroad Policies

All University of South Alabama (USA) students studying abroad or participating in an international experience, including virtual international programs, are required to register through the USA Office of International Education (OIE) in order to participate in their chosen international activity. Financial aid and scholarship disbursement, academic credit, etc. must be coordinated through OIE with the respective USA administrative units.

USA Abroad Policy: All students receiving academic credit for a study abroad, internship abroad, service-learning abroad, research abroad, independent experience abroad, or virtual international program must enroll in a USA International Education course while abroad. Please consult with OIE for information on the appropriate course and section number for your experience abroad. This includes participation in USA faculty led abroad programs as well as all other abroad or virtual abroad programs offered by international or domestic universities and third party program providers. Additionally, students on non-academic credit programs (virtual or in person) should also register and consult with OIE for information on insurance and participation requirements.

To participate in USA abroad or virtual international activities, students must be in good academic and non-academic standing at the time of participation in the program. Students who have behavioral or conduct issues are subject to USA Dean of Students review and must have approval from the USA Dean of Students prior to applying for any program. Students who are academically or otherwise suspended are not eligible for approval to study abroad.

An overall GPA of 2.25 is required; students with lower GPAs may request special consideration for participation, though many non-USA hosted programs require GPAs of 2.5 or higher. With some planning, a study abroad experience can be fully integrated into USA degree programs and applied to the core curriculum, major, minor, and elective courses. Prior knowledge of a foreign language is not required although many programs provide access to all levels of language learning.

OIE offers an array of programs with varying requirements, lengths, and costs. Opportunities abroad may last from one week to a full academic year and are available for all semesters, including summer and the May term. The USA Study Abroad website contains information on individual programs, the application procedure, and each stage of the study abroad process. All USA required study abroad application materials are online and accessible through the USA Study Abroad website. Students are encouraged to set up an appointment with a Study Abroad Advisor during the application process.

Applying through the official USA Study Abroad online application is a required step in any abroad or virtual international program (including independent study, service learning, research, and internship programs). Approval through OIE initiates the process necessary to receive academic credit for courses taken abroad. Participating in an approved program allows students to retain official full-time USA student status and apply for financial aid.

USA students who participate in a study, internship, service learning, research, or independent travel abroad activity are required to enroll in a designated USA international insurance policy that provides students with 24/7 emergency assistance abroad. OIE processes enrollment in the policy.

Some study abroad programs require enrollment in IST 300, a one credit hour global orientation course prior to program participation, and all students planning to partake in an international experience are encouraged to take the class. This course will assist students in becoming better prepared for their time abroad and is delivered mostly online with some in-person or synchronous online meetings. In addition to the pre-departure course, certain programs may hold supplemental orientations and information sessions. It is mandatory for students to attend all program orientations and meetings.

Scholarship information is available through OIE. There are internal scholarships for specific disciplines and external scholarships such as the Gilman Scholarship, the U.S. Fulbright Awards for graduating seniors, and the National Security Education Program for Undergraduates and Graduates. Please visit the USA Study Abroad website at southalabama.edu/departments/studyabroad/ or schedule an appointment for more information.

Graduate students are encouraged to incorporate international experiences in their academic program through participation in international education. For more information, contact your academic departments and the USA Study Abroad office.

Financial Aid for Study Abroad: Students wishing to use their financial aid for study abroad opportunities should contact OIE for more information. OIE will direct you to a USA Financial Aid advisor. Financial aid may be available based on student eligibility and certification of the program through OIE in collaboration with the USA Financial Aid Office.

UNIVERSITY OF SOUTH ALABAMA TRAFFIC & PARKING REGULATIONS

The Traffic and Parking Regulations of the University of South Alabama outlines the regulations and requirements for parking and operating a vehicle on university property. The University reserves the right to change any or all parts of the regulations as needed, with or without notice. All changes to the parking regulations will be posted on the Parking Services website; www.southalabama.edu/parkingservices.

Any person who owns, operates, and/or parks a motor vehicle on University of South Alabama (USA) property submits fully to all rules and regulations outlined in this document. Students and employees are responsible for any citations issued with their permit displayed regardless of who was operating the vehicle.

Faculty, staff, and students are responsible for knowing the regulations governing the operation of motor vehicles at USA as outlined in this publication. Anyone operating a vehicle in violation of the University parking policy will be held responsible for any such violation. Failure to comply may result in university disciplinary action, fines, vehicle immobilization or impounding of vehicle.

Parking Services is not responsible for incorrect information provided to drivers from other departments or individuals. Traffic and Parking Regulations apply while on campus, to all students enrolled in day, evening, weekend, online web classes, Harrison School of Pharmacy, USA Pathway, Cross Registration, Dual Enrollment, and all students with classes on the Baldwin County Campus and Dauphin Island Sea Lab. Regulations also apply to all employees, including those with offices located in Technology and Research Park and University Commons. USA Health System employees who routinely visit campus are also required to purchase a current permit and abide by the Traffic and Parking Regulations.

All vehicles operated on the USA campus must be properly registered with Parking Services and display a current USA parking permit; twenty-four (24) hours a day, and seven (7) days a week. Secondary vehicles parked on campus must also be added to the driver's current parking permit.

GENERAL INFORMATION

Parking Services is in the Beta/Gamma Commons building (USAPD), 290 Jaguar Blvd. The entrance for Parking Services is located on the south side of the building. Office hours are 7:30 A.M. - 4:30 P.M. Monday - Friday. Many parking transactions and inquiries, including permits, vehicle registration, citation payments and appeals, etc. may be found online at www.southalabama.edu/parkingservices.

The University of South Alabama assumes no liability for damages to or loss of any vehicle or vehicle contents while parked on or in operation on university property.

USA Police Officers are authorized to issue citations for traffic and parking violations. All sworn officers have completed the Minimum Standards of Peace Officers for the State of Alabama (A.P.O.S.T. certification). University Police have full arrest powers granted by the State of Alabama (Title 16-55-10). Standard rules of the road for the city, county, and state will be observed on campus.

All vehicles operated on the USA campus must be properly registered with Parking Services and display a current USA parking permit; twenty-four (24) hours a day, and seven (7) days a week. License Plate Recognition (LPR) may be used in conjunction with permits to enhance parking enforcement, requiring all vehicle license plates to be registered with Parking Services AND added to a current parking permit. **License plate numbers must be entered correctly and remain current at all times. Faculty, staff, and students are responsible for registering and adding**

any additional vehicles and license plate numbers to their parking account AND current permit.

Visitors (individuals not affiliated with the University) must obtain an official visitor parking pass from Parking Services. The pass must be displayed from the rear-view mirror with the front of the pass facing outward. The pass number must be clearly visible. **Faculty, staff, and students are responsible for providing information to their guests regarding parking on campus and may be held responsible for citations issued to visiting family members or friends.**

The speed limit on campus roadways is 20/25 MPH (as posted) and 15 MPH in parking areas.

Pedestrians and persons riding bicycles on campus will comply with Title 32 of the Alabama Code.

PARKING REGULATIONS

University parking lots are divided into zones for student parking to help alleviate traffic congestion and reduce safety hazards caused by overcrowding. The zone model helps to distribute parking more evenly and ensures that residents, commuters, faculty, and staff each have designated areas, balancing demand with lot availability.

License Plate Recognition (LPR) may be used to enforce traffic and parking regulations on campus in conjunction with parking permits. License plates and permits are used to identify drivers. Vehicle license plates must be registered with Parking Services AND added to the driver's current permit.

License plate numbers must always remain current with Parking Services. Faculty, staff, and students are responsible for registering and adding all new vehicles and license plate numbers to their parking account AND current permit. If a vehicle or license plate number changes, the information must be added to the current permit on file online immediately at www.southalabama.edu/parkingservices.

A valid USA parking permit must be affixed to the **FRONT** windshield, lower driver's side corner, with the **PERMIT NUMBER FACING OUTWARD**, twenty-four (24) hours a day, seven (7) days a week. Failure to obtain a parking permit, improper display, or failure to display a parking permit is considered a parking violation and will result in a "no permit visible" and a "zone violation" citation. No individual shall display more than one USA parking permit on any one vehicle.

A parking permit, real or virtual, serves as permission to park and does not guarantee a parking space at any given time. It only gives the opportunity to park within a specified area(s). Registration is no guarantee of a parking space near the place where one works or attends class. The responsibility of finding a legal parking space rests with the vehicle operator. Parking is on a "first-come, first-served" basis only. A lack of space where one would like to park is not a valid excuse for violating any parking regulation.

If a vehicle is sold, traded, or involved in an accident/totaled, it is the owner/driver's responsibility to update vehicle and license plate information online at www.southalabama.edu/parkingservices. REMOVE parking permit from windshield prior to selling or trading vehicle and from any wrecked vehicle or damaged windshield. REMOVE parking permit prior to replacing a windshield. If you are unable to retain your permit, there is a \$40 lost/replacement fee.

Student parking spaces are designated with white lines. Student commuter zones (North, South, East, Central,) are enforced Monday-Friday, 7:00 am-3:45 pm, after which time student vehicles registered with Parking Services may park in any commuter student space. Residential, Beta/Gamma, Traditions, and Central House lots are enforced 24/7. Students may not park in a faculty/staff parking space.

Faculty/staff parking spaces are designated with blue lines, except handicap parking spaces which are clearly marked with signs and/or pavement symbols. Faculty/staff parking spaces are enforced between the hours of 7:00 a.m. – 5:00 p.m. Monday through Friday, EXCEPT in the Residential parking lots which are enforced 24 hours a day, 7 days a week.

Vehicles are to be parked in a designated parking space only (within lined parking spaces).

Yellow lined areas, hashed areas and curbs are considered no parking zones.

Hazard lights or an occupied vehicle does not exempt the operator from complying with the parking regulations or prevent enforcement.

Vehicles are not to travel on or be parked on sidewalks, JagTran paths, lawns, grassed/landscaped areas, curbs or any other area not designated for vehicular traffic or parking unless authorized by University Police, Parking Services or the university department having authority over that area such as JagTran, Facilities or Grounds and Landscaping.

Vehicles are not to be parked within 15 feet of designated fire exits, fire department connections, or fire hydrants. Red curbs and/or red lined areas are fire lanes and must not be blocked at any time for any reason. Any street or roadway on campus where vehicles operate is considered a fire lane. Regulations affecting fire lanes are always in effect. Vehicles parked in fire lanes may be towed or wheel locked without notice day or night and charged an impounding/immobilizing fee in addition to the parking violation fine.

Student employees and graduate assistants, by virtue of their work for the university, are not exempt from parking rules and regulations during enforceable hours. Student employees and graduate assistants are not permitted to park in a faculty/staff parking space and are not eligible for a faculty/staff parking permit or pass.

University employees, faculty, staff, or designated guests may not give students or employees permission to park in an unauthorized parking space, nor may they appeal on the student's or employee's behalf. Citations issued in these cases are the driver's responsibility.

Students are prohibited from the use of, or possession of, a faculty/staff parking permit, retiree permit, visitor parking pass, patient parking pass or any pass/permit other than his or her registered student parking permit. Unauthorized possession OR use of a faculty/staff parking permit, retiree permit, alumni sticker, or any form of non-affiliate parking pass by a student will result in disciplinary action, fines, and vehicle immobilization. Registering another student's vehicle is not permitted and doing so will result in university disciplinary action, fines, and vehicle immobilization.

Faculty/staff and designated guests are prohibited from purchasing a faculty/staff permit or registering a vehicle for ANY students, student family member, student assistant, graduate assistant, or any other person. Unauthorized possession OR use of a faculty/staff permit by a student will result in university disciplinary action (student and employee), fines, and vehicle immobilization.

Use or possession of a reported lost, stolen, altered, or counterfeit parking permit or parking pass will result in university disciplinary action, fines, and vehicle immobilization. Switching license plates and

registering another student or employee's vehicle is not permitted.

STUDENT ZONED PARKING REGULATIONS

1. University parking lots are divided into eight (8) zones: Resident, Beta/Gamma, Central House, Traditions, North, South, East, and Central. **Zone parking is in effect Monday – Friday, 7:00 a.m. – 3:45 p.m.** during fall and spring semesters with the exception of Residential, Beta/Gamma, Traditions and Central House, where zone parking is enforced 24 hours a day/7 days a week. **AFTER 3:45 p.m.**, students may park a registered vehicle in a student parking space (white lines only) in any zone except Residential, Beta/Gamma, Central House and Traditions. Although zoned parking enforcement ends at 3:45p.m. for the commuter zones (North, South, East, Central), **ALL other regulations are enforced 24/7.**
2. Zone parking is not enforced during the summer semester. **Students must park in a student parking space (white lines only) and a current permit must be displayed in the vehicle.** *ALL regulations, except for zone parking, are enforced during May and Summer Semesters and parking tickets are issued for such violations.* Parking permits ordered in the fall and spring semesters are valid through the summer semester and expire on July 31st.
3. Zoned lots are reserved for permit holders with the corresponding zoned parking permit properly displayed in their vehicle. **Removing a permit to park out of zone, failure to register a vehicle for a permit, or failure to display the correct permit or any permit, will result in a zone violation AND a no current permit visible citation.**
4. Commuter student vehicles must remain parked in the zone designated by their chosen commuter parking permit, 7:00 a.m.-3:45 p.m., Monday-Friday.
5. Students living on campus including Residential, Beta/Gamma, Traditions, and Central House residents must remain parked at their residence during the time of enforcement, 7:00 a.m.-3:45 p.m., Monday-Friday. Beta/Gamma student vehicles parking along Jaguar Blvd., must park north of the four-way stop.
6. Central House on Stadium residents must register their vehicle online with Parking Services AND order a USA Central House parking permit. This is in addition to any permit issued by Central House. Residents of Central House must stay parked at their respective residence during the hours of zoned parking (7:00 a.m. -3:45 p.m, Monday- Friday). Visitors to Central House must abide by Central House parking guidelines.
7. Student parking spaces are designated with white lines. Students are not permitted to park in a faculty/staff parking space which are designated with blue lines.
8. Faculty/staff parking spaces are designated with blue lines, except handicap parking spaces which are clearly marked with signs and/or pavement symbols. Students are not permitted to park in a faculty/staff, blue lined parking space. Faculty/staff parking spaces are enforced between the hours of 7:00 a.m. – 5:00 p.m. Monday through Friday, except in the residential parking lots which are enforced 24 hours a day. This means that students are prohibited from parking in a designated faculty/staff space overnight. Students or visitors may be towed at owner's expense in addition to being issued a citation.
9. Parking permits are required twenty-four (24) hours a day, seven (7) days a week. Parking permits must be affixed to the **FRONT** windshield, lower driver's side corner, with the **PERMIT NUMBER FACING OUTWARD**. The permit number must be clearly visible and not covered or obstructed in any way. Displaying it in any other location or in any other manner is considered a violation (*No Parking Permit Visible*).

10. Parking permits are non-transferable between individuals. Do not share a permit with any one or register another student or employee's vehicle. The registered permit owner is responsible for any fines incurred when the permit is displayed in a vehicle, regardless if the permit holder is the owner of the vehicle.
11. Expired permits must be removed from motor vehicles and destroyed. Expired permits are not valid and if displayed in a vehicle, a citation will be written for no current parking permit visible and zone violation.

PARKING PERMITS AND VEHICLE REGISTRATION

Parking registration is an individual responsibility. Parking permits, virtual or real, are assigned to individuals and ownership of permits is non-transferable. Parking permits may not be used by anyone other than the registered permit owner. DO NOT share permits with anyone. The registered permit owner is responsible for any fines incurred. It is imperative to immediately report any lost or stolen permit to Parking Services and to immediately destroy all expired permits. Only official university permits will be recognized, handwritten notes, copies etc. are NOT accepted.

Vehicles parked on campus must be registered AND linked to the vehicle driver's current parking permit. However, vehicles may only be linked to ONE permit.

Vehicles may not be registered on more than one student or employee's account or permit. Students and employees may not register another student or employee's vehicle on their own parking account or link it to their own permit.

Vehicles may be registered to the permit with the last eight of the VIN for the license plate and selecting "missing plate" for the state, ONLY IF a state license plate has not yet been issued to the vehicle. CITATION APPEAL POLICY

1. Any person who receives a University parking citation and believes there are valid reasons to appeal the citation, may file a written appeal online within twenty (20) calendar days of issuance at www.southalabama.edu/parkingservices. Verbal parking appeals are not accepted by telephone or in person at the Parking Services window. 3. If citations are paid during the appeals process, the appeal will be cancelled. The individual accepts responsibility for the citation when a payment is made.
4. Employees do not have the authority to request tickets be voided for any student or employee. Students and employees must appeal their own citations online via their own parking account.
5. Employees should never file an appeal online through their own account for any other employee, student, or visitor. Appeals received from an employee on behalf of another person will not be accepted.

Verbal parking appeals are only accepted by visitors (non-affiliates of USA). Visitors may also file a written appeal online within twenty (20) calendar days of issuance online at:

www.southalabama.edu/parkingservices.

10. If a student believes the SGA has made an error in the appeals process, they may submit a second appeal within ten (10) calendar days of the result of the first appeal by contacting the SGA at (251) 460-7191.
11. If a faculty, staff, or designated guest believes the USA Traffic Appeals Committee has made an error in the appeals process, they may submit a second appeal within ten (10) calendar days of the result of the first appeal by sending an email to parkingservices@southalabama.edu.
12. Second appeal decisions are final.
13. The following reasons to appeal a citation are not considered valid. These include, but are not limited to:

 - g. No permit displayed/failure to obtain proper permit.
 - h. Failure to register vehicle with Parking Services.
 - i. Permit, plate, or vehicle used by another person.
 - j. One has not been cited for similar offense in the past.
 - k. Disagreement with the Traffic and Parking Regulations.
 - l. Forgot/failed to appeal within the prescribed time frame.
 - m. Someone (other than Parking Services office personnel) told me to park there – faculty and staff may not give a student or another employee permission to park against these regulations.

PEDESTRIANS

Pedestrians must cross roadways within a marked crosswalk. Motorists must yield the right-of-way to pedestrians within a crosswalk. However, this does not relieve the pedestrian of their responsibility to observe traffic and ensure a vehicle's operator has observed the waiting pedestrian and is yielding. If the crosswalk is controlled, pedestrians only have the right of way when the WALK sign is illuminated. Pedestrians must press the "Push to Walk" button and wait for the WALK sign to illuminate and ensure traffic has stopped before safely crossing the street.

Alabama Law on Pedestrians Right of Way: Sections 32-5A-211, 212

- a. When traffic-control signals are not in place or not in operation the driver of a vehicle shall yield the right-of-way, slowing down or stopping, if need be, to so yield, to a pedestrian crossing the roadway within a crosswalk when the pedestrian is upon the half of the roadway upon which the vehicle is traveling, or when the pedestrian is approaching so closely from the opposite half of the roadway as to be in danger.
- b. No pedestrian shall suddenly leave a curb or other place of safety and walk or run into the path of a vehicle which is so close as to constitute an immediate hazard.
- c. Whenever any vehicle is stopped at a marked crosswalk or at any unmarked crosswalk at an intersection to permit a pedestrian to cross the roadway, the driver of any other vehicle approaching from the rear shall not overtake and pass such stopped vehicle.

- d. Between adjacent intersections at which traffic-control signals are in operation pedestrians shall not cross at any place except in a marked crosswalk.

BICYCLES

Bicycles are permitted on campus and cyclists are encouraged to register their bicycles with USAPD online at www.southalabama.edu/police.

Alabama Law on Bicycles-Summarized: Sections 32-5A-260, 263, 265, 82, 282

- a. Cyclists have the same rights and duties of motorists on the roadway (with a few limited exceptions).
- b. Cyclists are to ride as near to the right side of the roadway as practicable, exercising due care when passing a standing vehicle or one proceeding in the same direction.
- c. Cyclists are not to ride more than two abreast except on paths or parts of roadways set aside for the exclusive use of bicycles. Wherever a usable path for bicycles has been provided adjacent to a roadway, cyclists are to use such path, not the roadway.
- d. A person riding a bicycle may give a hand signal for a right turn by extending his or her right arm and hand horizontally on the right side of the bicycle.
- e. Bicycles used at night time must have a front headlight which emits a white light visible from at least 500 feet to the front and a red reflector on the rear which is visible from 100 feet to 600 feet to the rear when directly in front of lawful lower beams of head lamps on a motor vehicle.
- f. Motorists overtaking and passing a bicycle shall give a safe distance of at least 3 feet on a roadway with a marked bicycle lane or all other roadways with a speed limit of 45 mph or less and the roadway does not have a double yellow line.
- g. Persons under 16 riding a bicycle on a public roadway must wear a bicycle helmet.

Personal Electric Mobility Devices (PEMDs)

1. Purpose

This policy establishes rules and standards for the safe operation, use, storage, charging, and parking of electric scooters, electric bicycles, electric skateboards, electric hoverboards, and other personal mobility devices, hereafter PEMDs, on the University of South Alabama campus. The purpose of this policy is to promote safety on the University campus while permitting the use of these devices by students, faculty, staff, and visitors. *PEMD users assume all risks associated with the operation of these devices on the University campus.*

2. Applicability

This policy applies to all students, faculty, staff, visitors and to privately owned PEMDs. Geographically, the policy applies to the University's main campus. This policy does not apply to PEMDs designed for and used to accommodate persons with mobility restrictions. For instance, self-propelled wheelchairs or an electric mobility device, specifically designed for and used by an individual with a mobility-related disability, are exempt.

3. Definitions

University of South Alabama campus: includes any property owned, leased, or controlled by the University, including sidewalks, walkways, buildings, grounds, parking lots, structures, athletic and recreation facilities, and streets - as well as streets and roads adjacent to any property owned, leased, or controlled by the University. The main campus does not include any property managed by USA Health or University of South Alabama Health Care Authority.

Personal Electric Mobility Devices (PEMD): electric or motorized scooters, electric skateboards, electric hoverboards, and other electric mobility devices used for personal transportation.

University Building: includes all academic, administrative, residential, and athletic facilities located on the University of South Alabama main campus.

4. Policy Guidelines

Use of PEMDs is permitted on the University campus subject to Alabama law and the following:

4.1 Registration

4.1.1 PEMD operators are encouraged to register their device with the University of South Alabama Police Department (USAPD). PEMD registration may be completed

online without charge by clicking [HERE](#). Students will be contacted once the permit sticker is ready for pick-up and should display the permit sticker on the PEMD in a clearly visible location. Registration is valid from the first official day of the Fall semester to the day before the first official day of the following Fall semester and should be renewed each year the PEMD is to be operated on the University main campus.

4.2 Operations

4.2.1 PEMDs must be operated in a safe and courteous manner. Operators are subject to citations if operated in a manner determined to be reckless.

4.2.2 PEMDs should operate within bike lanes when available, on streets on the right side of the roadway, and campus sidewalks or shared-use paths. Operators must stay to the right on all roadways, crosswalks, pathways, and sidewalks. Operators must ride with the flow of traffic. Do not travel opposite the flow of traffic in a bike lane or on a street.

4.2.3 PEMDs should be operated at a low speed in the presence of pedestrians. Pedestrians always have the right of way.

4.2.4 PEMD operators must obey traffic and bike rules on campus, including stopping at traffic lights and stop signs.

4.2.5 PEMD operators must dismount PEMDs at crosswalks in order to be afforded pedestrian rights.

4.2.6 PEMD operators are encouraged to wear a helmet when riding.

4.2.7 The owner and/or operator of a PEMD is liable for any injuries or damages arising out of the presence, operation, or use of the PEMD while on the University main campus.

4.3 Parking and Charging

4.3.1 PEMDs should be parked in designated bike racks or designated parking spaces/ areas only. PEMDs may not be parked in a manner that obstructs Americans with Disabilities Act (ADA) access or parking, parked in doorways, or parked so as to block exterior building ramps and stairways. An operator may bring a PEMD inside a University building temporarily (e.g., when attending class, eating at a dining location, etc.), but the PEMD must fold up into a carrying case and cannot obstruct foot traffic. No PEMDs are allowed inside any University building or residence hall for overnight storage.

4.3.2 PEMDs may not be parked in University academic or administrative buildings or athletic facilities, on a sidewalk, on turf or flowerbeds, or tied to trees, or in a manner that causes damage to University property or facilities.

4.3.3 PEMDs should be parked upright or folded on hard outdoor surfaces and, when possible, attached to bike racks.

4.3.4 The charging of PEMDs is not permitted inside University buildings or University residence halls. PEMDs may be charged at designated exterior charging stations or exterior wall-mounted outlets as long as the charging area does not obstruct pedestrian traffic.

4.3.5 To minimize the risk of personal injury and property damage, PEMDs shall not be used, possessed, charged, and/or stored anywhere on the University campus unless they bear the seal of an independent testing laboratory accredited by the Consumer Product Safety Commission.

4.4 Prohibitions

4.4.1 PEMDs may not be operated or stored inside any University building or University residence hall (with the exception of situations listed in section 4.3.1).

4.4.2 PEMDs are to be used for mobility purposes only. Racing, stunt, and trick riding are prohibited. Tandem riding is also prohibited.

4.4.3 PEMD operators shall not operate the device while under the influence of alcohol and/or controlled substances. Violators are subject to the University Student Conduct Process and/or Alabama state law.

4.5 Additional Restrictions

The University reserves the right to further limit or prohibit the use of PEMDs in order to preserve the safety of the University community.

5. Procedures

6.4 Impoundment of any unattended PEMD may occur immediately without notice if the PEMD presents a safety hazard or impedes traffic. The University is not responsible for damage to a PEMD that occurs during impoundment and has no responsibility or liability to replace or make compensation for PEMDs. Impounded PEMDs must be collected by the owner within ninety (90) days. After ninety (90) days, impounded PEMDS will be deemed abandoned and disposed of by the University. Fees may be required to retrieve an impounded PEMD.

STUDENT GRIEVANCES

Student Complaint Guidelines and Contact Information

The University of South Alabama has written policies and procedures governing student complaints. The following information details internal procedures for filing different types of complaints. Students are encouraged to follow these procedures. In the event that a student complaint cannot be resolved internally, contact information is provided for the Alabama Commission on Higher Education and the Southern Association of Colleges and Schools Commission on Colleges.

- General Complaints
- Sexual Harassment and Sexual Violence Complaints
- Final Grade Grievances
- Student Academic Conduct Policy

Distance Education Students

Students enrolled in distance education courses may address unresolved complaints to Alabama's State Portal Entity.

Please note that complaints must first go through USA's grievance procedures. If a student has not utilized all available administrative procedures, the student will be referred back to the institution to complete the process.

General Complaints

If a student has a complaint, they must provide a written description of the complaint, including the date and time of the event, the person or group with whom the student has the complaint, and the names of any witnesses. The written complaint must be submitted to the Office of the Vice President for Student Affairs and Dean of Students within 30 days of the event. Complaints about academic matters also may be submitted to the deans and department chairs.

The Vice President for Student Affairs and Dean of Students or his designee will then meet with the grievant to review the complaint, after which the Vice President for Student Affairs and Dean of Students will determine if the complaint can be handled by that office or needs to be referred to other university officials. Examples of grievances that will be referred to other University officials include discrimination or sexual harassment complaints against faculty, which are referred to the Provost and Senior Vice President of Academic Affairs or

Vice President for Medical Affairs and Dean of the College of Medicine, as appropriate, and complaints against University staff, including but not limited to discrimination or sexual harassment, which are referred to Human Resources.

Once it is determined that the Office of Vice President for Student Affairs and Dean of Students is the appropriate forum for the resolution of the grievance, the Vice President for Student Affairs and Dean of Students will contact the accused. At this point, every effort will be made to resolve the complaint through informal discussion with the parties.

Should informal discussion with the parties fail, and the grievant desires a hearing, the Vice President for Student Affairs and Dean of Students will appoint an ad hoc group with two administrators, two faculty, and one student to hear the case and render a decision and recommend a remedy to the complaint. Members of the University Disciplinary Committee may be used on the committee. The ad hoc committee will meet within five (5) working days of the request for a hearing.

Should the grievance be determined by the committee to have merit, an appropriate remedy will be decided upon by the Vice President for Student Affairs and Dean of Students and the accused's supervisor. The accused shall have the right to appeal the decision to an administrator appointed by the Vice President for Student Affairs and Dean of Students within seven (7) working days of the decision. The appointed administrator will render a decision on the appeal within seven (7) working days from receipt of the appeal. The decision is final.

For those complaints related to violations of the Code of Student Conduct, which are taken to the Vice President for Student Affairs and Dean of Students, please refer to the policy in The Lowdown Code of Student Conduct for procedural steps that will be followed. If such a violation is not the basis of the complaint, the Vice President for Student Affairs and Dean of Students will work with the complainant toward a resolution of the complainant's issue, which may include Aid, referral to the Office of Student Disability Services, etc.

Sexual Harassment and Sexual Violence Complaints

Students are protected by the University of South Alabama's Sexual Harassment and Sexual Violence Policy. Students may submit a written complaint to the compliance officer as described above or to the Vice President for Student Affairs and Dean of Students. Again, please refer to the specific procedures outlined in The Lowdown, The Faculty Handbook, or Staff Employee Handbook for complaints regarding sexual harassment or sexual violence.

Final Grade Grievances

A final grade grievance is defined as a student complaint regarding an academic action taken by instructional personnel in assigning a final grade for a course, qualifying exam or comprehensive exam. In addition to complaints against a particular instructor, students may also file complaints against a committee concerning academic evaluations that adversely affect them (i.e., the grade given on a comprehensive examination or a thesis or dissertation final oral exam.) Normally, such complaints can be resolved quickly through discussions with the faculty member involved. In some situations the matter cannot be satisfactorily resolved at that level. For such cases, a student may file a formal final grade grievance using the procedures specified below. (Note that while a grievance may be filed against a committee, the term "instructor" is used throughout the following description of procedure to refer to the person or entity against whom the grievance is brought.)

For a complaint about a final course grade or other academic evaluation to be considered, the complaint must be based on one or more of the following grounds and upon allegation that the ground(s) cited influenced the grade assignment to the student's detriment:

1. Arithmetical or clerical error
2. Arbitrary or capricious evaluation on the part of the instructor
3. Substantial failure on the part of an instructor to follow the course syllabus or other announced grading policies
4. Extraordinary mitigating circumstances beyond the student's control.

Students may not file a grade grievance until a final grade is received in a course. This procedure may not be used to complain about an instructor's grading policy, assignments, the difficulty of a course, or other comparable matters. Finally, students may not file a grievance about a final course grade that was assigned as the result of an academic misconduct procedure.

A Final Course Grade Grievance must be filed no later than 20 class days into the succeeding semester to include summer term if the student is enrolled. Note: the term "class day" as used in this document means any weekday (Monday-Friday) during which the official University of South Alabama calendar indicates that classes are in session.

Meet with Instructor

As a prerequisite to filing a grievance and within the time frame allowed for filing a formal grade grievance (no later than 20 class days into the succeeding semester to include the summer term only if the student is enrolled), the student must attempt to resolve the matter with the instructor. In some cases, the student may make reasonable attempts to contact the instructor and be unsuccessful. If the student is unable to contact the instructor, this should be documented in writing by the student and the student must submit the written documentation to the instructor's department chair (or dean if the department chair is either the party to the grievance or unavailable). In the absence of the instructor, the department chair/dean will act in the instructor's stead.

Filing the Grievance Form

A Final Grade Grievance Form must be filed by the student no later than 20 class days into the succeeding semester (including summer if enrolled.) A blank Final Grade Grievance Form may be obtained on the University's website southalabama.edu, or from any departmental office, any college dean's office, or the Office of Student Affairs. Page One of the Final Grade Grievance Form must be completely filled out and turned into the chair of the department in which the course is taught or the academic evaluation took place. The form will be dated and signed by both the department chair and the student and a copy given to the student.

If the department chair is the party against whom the grievance is being brought, the student should submit the Final Grade Grievance Form to the dean of the college in which the course is taught or the academic evaluation took place. In the event that the grievance is against the dean who is the instructor, the student should submit the Final Grade Grievance Form to the Provost and Senior Vice President for Academic Affairs.

Grievance Facilitator

The department chair will facilitate the grievance process unless replaced as follows:

- If the department chair is the party against whom the grievance is being brought, the dean

will then appoint another department chair to facilitate the grievance process.

- If the dean is the party against whom the grievance is being brought, the Provost and Senior Vice President for Academic Affairs or Vice President for Medical Affairs and Dean of the College of Medicine will appoint an individual to facilitate the grievance process.

Initial Grievance Review

The department chair will arrange a conference with the student and the instructor to attempt resolution within ten (10) University class days of receipt of the Final Grade Grievance Form. For grievances filed during the summer term, instructors on nine-month contracts may not be available for a conference. In these circumstances, the department chair may schedule the conference during the following fall semester, unless the delay would unfairly penalize the student's progress in the program.

Prior to the conference, the facilitator will ensure that both the student and instructor involved have copies of the grievance procedure. The instructor will be given a copy of the Final Grade Grievance Form filed by the student and will be allowed to examine any supporting documentation. Both parties will be informed that the purpose of the meeting is to attempt to resolve the grievance.

If a mutually satisfactory resolution is achieved during the conference, the process will end and no further action will be taken. A record of the outcome of the conference will be filed along with the Final Grade Grievance Form in the department chair's office and the dean's office.

If a successful resolution is not achieved at the conference, the department chair will conclude at the conference. The department chair will advise the student that he or she has the right to accept the original grade given or to request a hearing before the College Grade Grievance Committee. The student must request a hearing at the conclusion of the conference, otherwise the final course grade will stand and the student will forfeit the opportunity to appeal the grade to the Final Grade Grievance Committee. The student's decision should be noted on the Final Grade Grievance Form. If the student accepts the grade at that point, the process ends and the form will serve as a record of that acceptance.

If the student requests a hearing, the department chair will notify the dean's office who will convene the appropriate College Grade Grievance Committee within three (3) class days of the conclusion of the conference.

College Grade Grievance Committees

The dean of each College/school will appoint annually an Undergraduate and a Graduate Grade Grievance Committee. The Undergraduate Grade Grievance Committee will hear grade grievances of undergraduate students and the Graduate Grade Grievance Committee will hear grade grievances from graduate students.

A minimum of five faculty members and one alternate member shall be appointed from the full time faculty to each College Grade Grievance Committee. Faculty members must serve if appointed. Faculty appointed to the Graduate Grade Grievance Committee must hold graduate faculty status. A minimum of two students from the College will also be appointed by the Dean of the College to each committee. Students appointed to the Undergraduate Grade Grievance Committee will be undergraduate students. Students appointed to the Graduate Grade Grievance Committee will be graduate students.

The Dean will review the Grade Grievance Committee membership prior to a hearing to determine members who may have a conflict of interest. No member of the instructor's department shall serve on the committee. Likewise, should a member of the Committee be a party to the grievance to be heard, an alternate should serve in their stead and they should absent themselves from any discussion of the grievance in which they are involved.

The Dean will appoint the chair and vice chair of the Grade Grievance Committee and will convene the appropriate Committee prior to a hearing to review the grade grievance process and answer any questions regarding the policy. Four faculty members and one student will constitute a quorum. The vice chair will preside in the absence of the chair.

Majority rule will apply to decisions, with the student members having full voice and vote.

Grade Grievance Committee Hearing

Upon receipt of the materials and request for a hearing, the Chair of the Grade Grievance Committee will conduct a hearing within ten (10) class days of receipt of the request. The College Grade Grievance Committee hearing process will afford both parties the right to submit any documentation, supporting witnesses, or relevant information at the hearing. Legal representation at the hearing is prohibited. The Committee will review the evidence presented by both parties, interview both parties, and make a decision in the grade grievance.

Decisions may: uphold the grade given or academic action taken, or find the grievance is valid and assign a new final course grade or impose another appropriate action. The student, instructor, department chair, and dean will be notified in writing of the Committee's decision within three (3) class days of the conclusion of the hearing.

Appeal

The only grounds for an appeal of the Dean are violation of due process or rendering a decision in conflict with University policy. Either the student or the instructor may appeal the Committee's decision to the dean of the college in which the course is taught or the academic evaluation took place. The appeal must be in writing and must be made within ten (10) University class days of notification of the grade Grievance Committee's decision. The dean will review the evidence presented to ensure that the Grade Grievance Policy was followed, that due process was provided, and that the decision of the committee is consistent with University policies. If the dean determines errors were made in the process or the decision rendered is inconsistent with University policies, the decision will be rescinded and the grievance will be sent back to the committee for corrective action.

The student, instructor, and department chair will be notified in writing of the dean's decision regarding the appeal within ten (10) class days following receipt of the appeal. The dean's decision is final and no further appeal is allowed.

Implementation of Grievance Outcome

The department chair will implement the outcome(s) of the grievance conference or appeal, as required, at the conclusion of the grievance procedure.

Confidentiality

Throughout the entire procedure, from filing of a formal complaint to final resolution, all information related to the grievance must be kept confidential. Once a final decision has been made and implemented, the original copy of the completed Final Grade Grievance Form and

related Grievance documentation will be placed in the official confidential Grievance File of the department or other academic unit in which the grievance was recorded, for a minimum of five (5) years.

Summary

The following summarizes the timeline and procedures for a Final Grade Grievance.

1. A final course grade grievance cannot be filed until a grade has been received in a course. A Final Grade Grievance Form must be filed by the student no later than 20 class days into the succeeding semester to include summer term if the student is enrolled.
2. Prior to filing a grade grievance, the student must meet with the instructor to attempt resolution. If the instructor is unavailable, the student documents the attempts to contact the instructor in writing. The student contacts the instructor's department chair in the event a meeting with the instructor cannot be arranged. If there is no resolution, proceed to step 4.
3. The student completes a Final Grade Grievance Form, files the form with the department chair within the required time frame.
4. A facilitated grievance conference with both the student and instructor present is conducted by the department chair within 10 class days of receipt of the Final Grade Grievance Form.
5. If a resolution is reached in the grievance conference, resolution will be noted and the process ends.
6. If the student requests review by the College Grade Grievance Committee, the department chair will forward all materials within three (3) days of the request to the dean's office. The dean will convene the appropriate College Grade Grievance Committee (i.e. the Undergraduate Grade Grievance Committee if the student is an undergraduate student or the Graduate Grade Grievance Committee if the student is a graduate student).
7. The Grade Grievance Committee holds a hearing within ten (10) days of receiving the request from the dean. The student and the instructor will be provided opportunity to present evidence and supporting materials.
8. The Committee's written notification of their decision is made within three (3) class days to the student, instructor, department chair, and dean. The department chair will implement the decision if there is no appeal.
9. The student or instructor may appeal the Committee's decision to the Dean within ten (10) class days. The only ground for an appeal are violation of due process or the rendering of a decision that conflicts with University policy. The decision of the Dean regarding the appeal is final and the process will end.

Student Academic Conduct Policy

(Policy effective for alleged misconduct occurring after August 15, 2018.)

OVERVIEW

As a community of students and scholars, the University strives to maintain the highest standards of academic integrity. All members of the community are expected to exhibit honesty and integrity in their academic work. This responsibility can be met only through earnest and continuing effort on the part of all students and faculty. Faculty, students, and staff are responsible for acquainting themselves with, adhering to, and promoting policies governing academic conduct.

Any dishonesty related to academic work or records constitutes academic misconduct. This includes --- but is not limited to --- activities such as giving or receiving unauthorized aid in tests and examinations; improperly obtaining a copy of an examination; plagiarism; unauthorized submission of the same work in separate courses; misrepresentation of information; and the alteration of transcripts or university records.

All matters related to academic misconduct are the responsibility of the academic units involved and the Office of the Provost and Senior Vice President for Academic Affairs. Faculty are expected to report suspected cases of academic misconduct. These matters will be resolved through procedures defined herein for both undergraduate and graduate students (except those in the College of Medicine).

DEFINITIONS

- The term “student” is used in this policy to refer to one or more students as appropriate to the case.
- The terms “writing” and “written” refer to communications delivered either on paper or electronically.
- The term “Academic Misconduct Penalty Record” (or “AMPR”) refers to the official case record, whether generated using paper documentation or an electronic reporting system.

COMMITTEES

1. University Academic Integrity Review Board (UAIRB)

The University Academic Integrity Review Board is comprised of faculty and students from each college, and serves as the pool from which Academic Integrity Review Panels are drawn. The UAIRB shall be appointed each Fall Semester by the Office of the Provost (or at other times as required in order to replace members or supplement the UAIRB).

2. Academic Integrity Review Panel (AIRP)

In cases of academic misconduct that warrant a panel review, an Academic Integrity Review Panel will be constituted. These panels will be comprised of five (5) faculty members and two (2) student members. In cases involving graduate students, faculty panelists should be graduate faculty and student panelists should be graduate students. In cases involving undergraduate students, the student panelists should be undergraduates.

a. Home-college cases

When misconduct is alleged to have occurred within the student's home college, a majority of faculty panelists and both student panelists should be from that college.

b. Cross-college cases

When misconduct is alleged to have occurred in a college other than the student's home college, a majority of faculty panelists should be from the college in which the infraction occurred. A minority of faculty panelists and both student panelists should be from the student's home college.

3. Panel Authority

Panels may prescribe penalties, sustain penalties, reduce penalties (including reduction to no penalty), or dismiss charges, as appropriate to the case. In subsequent-offense cases, as well as those involving alleged academic misconduct beyond the scope of a specific class and/or instructor, the panel may prescribe dismissal from a program, college, or the University. In first-offense cases limited to a specific class and/or instructor, however, a panel should not typically increase the severity of the previously prescribed penalty.

PROCEDURES

1. Initial Reporting

When evidence suggests that academic misconduct has occurred, the instructor of record will assign a penalty, and the involved student will be informed. The incident and the assigned penalty will be reported into the official case record by the initial reporter. In most cases, the initial reporter will be the instructor of record, although department chairs, deans, or other involved parties may also do so.

a. The initial reporter should gather and submit into the official case record all material related to the case, including the course syllabus, the work in question, and any other documentation.

b. The initial reporter should clearly detail the alleged offense and any prescribed penalties.

c. Upon receiving the initial report, the College in which the offense is alleged to have occurred is responsible for processing the incident. Notification will then be sent to the student, instructing the student to access the charges. Notification will also be sent to involved instructors, department chairs, deans, and the Office of the Provost.

d. A hold will be placed on the student's account, preventing withdrawal from the course(s) in question. If the charges are dismissed at any point, the hold will be lifted.

e. Once the charges have been accessed, a student who wishes to dispute an academic misconduct charge has seventy-two (72) hours to submit a written response. Failure to respond within seventy-two (72) hours will be considered agreement with the charge, acceptance of the penalty, and forfeiture of the right of appeal.

f. If the student has not accessed the charges within seventy-two (72) hours of the initial notification being sent, a second notification will be sent. The student has an additional seventy-two (72) hours to access the charges. Thereafter, failure to access the charges will be considered agreement with the charge, acceptance of the

penalty, and forfeiture of the right of appeal.

2. Departmental Conference

On receipt of a student's written response, the chair of the department in which the infraction is alleged to have occurred will arrange for a conference, the purpose of which is to seek a mutually satisfactory resolution. The chair should schedule and hold the conference as soon as practicable, ensuring there is no delay that might unfairly penalize the student.

a. The conference, which should include a review of the allegations of the case and the student's response, is to be conducted by the department chair and must include both the student and the involved instructor. (Should the involved instructor be unavailable, the dean shall delegate an appropriate proxy.)

b. At the conclusion of the conference, the chair shall submit a report for inclusion in the student's AMPR. This report should detail the results of the conference, including the penalty to be enforced (if any).

c. Notification of the outcome of the conference will be delivered electronically to the student, as well as involved instructors, department chairs, deans, and the Office of the Provost.

d. A student who is unsatisfied with the outcome of the departmental conference has seventy-two (72) hours from delivery of the notification to submit a written response and thereby request an Academic Integrity Review. Failure to respond within seventy-two (72) hours will be considered agreement with the charge, acceptance of the penalty, and forfeiture of the right of appeal.

3. Academic Integrity Review

Academic Integrity Review is the University's review and appeal process for cases of alleged academic misconduct, and is coordinated and overseen by the Office of the Provost.

a. Administrative Review

In a first-offense case, if a student appeals the result of the departmental conference, the Office of the Provost will conduct an administrative review of the Academic Misconduct Penalty Record (AMPR). After considering the relevant materials, the Office of the Provost may either uphold the departmental recommendation or refer the case to an Academic Integrity Review Panel (AIRP). When an administrative review upholds the departmental recommendation, the ruling is subject to no further appeal.

b. Panel Review

Academic Integrity Review Panels (AIRPs) will review first-offense cases that have been referred by the Office of the Provost. In addition, the Office of the Provost will ensure that AIRPs review all subsequent-offense cases in which the charges have not been dismissed, as well as those involving alleged academic misconduct beyond the scope of a specific class and/or instructor; in such cases, the Office of the Provost must solicit a penalty recommendation from the dean of the student's home college.

i. AIRPs are constituted on an ad-hoc basis and drawn from the UAIRB.

An AIRP can be empaneled to hear a single case or a docket of separate cases, as circumstances dictate. The Office of the Provost will endeavor to schedule reviews in a

timely fashion, ensuring there is no delay that might unfairly penalize the student.

- ii. Once an AIRP has been empaneled and given its charge by the Office of the Provost, a faculty panelist shall be elected chair. The chair shall maintain complete, confidential records of all proceedings, including minutes of all meetings; these will become part of the AMPR. However, neither minutes nor recordings will be made of meetings when deliberations occur.
- iii. The AIRP will meet to conduct its review, interviewing both parties and any witnesses it chooses. Other than the members of the AIRP, only the involved student, faculty member (and/or administrators), and presenting witnesses should be in attendance. Both parties shall have opportunities to present all relevant information and witnesses. Legal counsel or other representatives are not permitted.
- iv. Following the review meeting, the AIRP will reconvene to deliberate and confirm its decision by majority vote. The vote will be conducted by secret ballot, and the chair of the panel will not vote except in case of a tie. The decision will then be submitted to the Office of the Provost.
- v. The Office of the Provost will review the AIRP's decision to ensure that proper procedure has been followed throughout the process, certify the decision, and notify the student. When certified by the Office of the Provost, the decision of the AIRP is considered final and is not subject to further appeal.
