

Report Harassment & Discrimination

Welcome to the website on Reporting Harassment & Discrimination

UCD and UCANR takes reports of harassment, and discrimination very seriously. UC Davis and UC ANR has institutional policies and principles in place that strive to maintain a working and learning atmosphere free of discrimination, harassment, and retaliation.

It is important to note that for concerns that **are not** connected to a protected identity (e.g., race, religion, sex/gender) there are other departments to report your concerns to including but not limited to (1) [Student Conduct](#) for concerns with students, (2) [Employee and Labor Relations](#) for concerns with staff, and (3) [Academic Affairs](#) for concerns with faculty.

If you believe you have experienced or witnessed an act of [discrimination or harassment](#), please [report it](#) so the university can take appropriate action.
