

# EXPRESSIVE ACTIVITY POLICIES

---

Students are free to exhibit [expressive activity \(/dean-of-students/support/expressive-activity.html\)](/dean-of-students/support/expressive-activity.html) in an orderly and peaceful manner. Picketing or demonstrating must not interfere with the normal flow of pedestrian or vehicular traffic or with the entrances to buildings and must not interfere with the normal functioning of the University. Sticks, or other objects that may prove to be dangerous in a crowd, are not permitted for use in support of signs or banners or for other purposes. [Rules for the Maintenance of Public Order \(/student-handbook/policies/maint-public-order.html\)](/student-handbook/policies/maint-public-order.html) may be used if necessary.

Individuals wishing to organize a demonstration on campus should follow the normal space reservation procedures which can be found on the [B There Portal \(https://bthere.binghamton.edu/portal/\)](https://bthere.binghamton.edu/portal/).

From time to time, campus organizations sponsor events that generate a great deal of controversy within the community. These situations often require special attention, not only from the sponsor, but from the University, since these programs may create an environment that may threaten the safety of those attending and/or involved.
