Board of Trustees

May 27, 2026

This letter confirms that Barnard College has been operating under the Chicago Principles since December 2023. This letter further confirms that, on December 9, 2025, the Barnard Board of Trustees adopted a resolution reaffirming that Barnard College will continue to be governed by the Chicago Principles until the President and Provost, working with faculty committees and the Barnard Board of Trustees, develop Barnard-specific guidelines governing freedom of expression that are ultimately approved by the Barnard Board of Trustees.

Sincerely,

Tali Chazan

Assistant Vice President and Secretary to the Board of Trustees
