WOOD-LOOK TILES

A Classic Look, Making a Comeback

Combining the natural warmth and character of wood with the exceptional durability of ceramics, these tiles create inviting, sophisticated spaces with a distinctly intimate feel. Designed for kitchens, bathrooms, bedrooms, and beyond, these wood-look ceramic tiles complement a wide range of spaces while enhancing the sense of natural light and openness. Their versatility makes them an ideal choice for both residential and commercial environments.

The **ELEGANCE** of Wood.
The **PERFORMANCE** of Porcelain.

Engineered for lasting performance, this material withstands impacts, sunlight and harmful UV rays, chemical agents, and extreme temperature fluctuations without compromising its appearance or integrity. Easy to clean and requiring no specialized care or maintenance, it offers the beauty of wood with the practicality of porcelain, making it a durable and low-maintenance solution for expansive interior and exterior applications.

PORCELANOSA eco

Porcelanosa's commitment to sustainability goes far beyond products. Across our seven brands, we've built a model of circular design, where innovation, efficiency, and respect for the environment guide every decision.

Zero Waste Production	Over 90% of our industrial waste is reused, recycled, or recovered, certified by SGS Zero Waste since 2019.
Circular Economy	We reintroduce ceramic waste back into production – creating tiles with up to 95% recycled content.
Water Recirculation	5 state-of-the-art treatment plants purify and reuse nearly 100% of our process water, ensuring zero discharge.
Renewable Energy	More than 90% of our energy comes from renewable sources, including 6,500 MWh of solar power generated annually.
Decarbonization Goals	Electrification of thermal processes, research in green hydrogen, and investment in biogas help cut CO_2 emissions every year.
Biodiversity Protection	Since 2021, over 24,000 trees have been planted, offsetting more than 3,000 tons of CO_2 and restoring over 15 hectares of land.
Sustainability Mobility	From EV charging stations to carpooling initiatives, Porcelanosa fosters responsible commuting practices.
Eco-Certified Products	Our materials contribute to LEED, BREEAM, and VERDE green building certifications.
Sustainable Materials	From Gamadecor's 100% FSC-certified wood to Krion® Shell®, our collections embrace renewable, low-impact resources.
