RECOMMENDED ADHESIVE: 100221354 H160 PARQUET 21KG

This material may contain some pieces with sapwood. For a better use of wood, any natural wood order may contain a percentage of half boards, between 15% and 30%, depending on the model. Although the tone of the skirting boards, profiles and stair nosings may vary, depending on the model, the color will be as similar as possible to that of the wood floor.
