3 Keys to “Right Sizing” Your Next Move

Tailored to the senior clients of attorneys, accountants, financial planners, healthcare advocates, as well as empty nesters and retirees.

Is it Time for You to Make a Real Estate Move?

This program is for the 50+ population who find themselves in transition with their living space.

Transition can result from divorce, death of a partner, or children that have grown up and moved out. It can also occur when adult children are searching for a better-suited living situation for an elder parent.

After this program, you will:

1. Be more equipped emotionally and intellectually to make your “right size” decision.
2. Learn if what you want is feasible.
3. Know if, and when, it is the right time to start your process.
