Why TEAM Metrowest Has Become
A Great, Leading Real Estate Team in Metrowest Boston***

If I could give more than 5 stars, I would give 10 and continue counting! Robin and Nicole have engineered four sales for our family in the past three years. All fabulous. Getting top dollar for what we sold and negotiating a good price for what we bought. After carting our daughter all over Middlesex County on numerous "house adventures", 2 year old Finn's term, she found the perfect house for their family both now and to grow into. And then, overnight, sold their house for, what daughter said, was beyond belief what their home was worth. We had to organize our purchase from 5000 miles away. Not only did Robin find and sell us our new home she organized and set up all we needed to do to transition into it-including changing the flooring. They know what sells and they take care of everything! Very easy to work with and they have a raft of good people to help. Recently, we needed that help as we had to declutter a house I had inherited from two serious hoarders. They found us the right company to help us. And then after the open house, had six offers way over asking price. And then she went back and she pushed the offers up. We spoke at length, and they helped us figure the best, most reliable one and took us through the process.

They are special people as well as outstanding realtors-who will go above and beyond, meeting needs, both logistical and emotional.

Edward Moore, Buyer, Stow and Seller, Lynne

The legit best in the business. Extremely knowledgeable, responsive and professional. They are also your biggest advocates in the process. If you are first time home buyer I highly recommend. They make a huge difference in the experience and make it fun and enjoyable.

Robert Morsi, Buyer, Westwood

We recently moved to MA from the West Coast and were expecting our newborn in a couple of months. Not wanting to have our baby while still staying at a hotel, connecting

with Robin and Nicole was the relief we needed. Robin and Nicole started off by understanding our needs and budget. They made the whole process about us and incorporated our feedback in finding and closing our dream home in an incredible neighborhood, at a well negotiated price - and most importantly, just in time to welcome our newborn. Robin and Nicole were kind, honest and meticulous throughout the process. While my wife and I were certainly impressed with Robin's and Nicole's efficiency, and extensive knowledge of (and contacts in) the MA housing market, it was their amazing personalities that we admired most. They effortlessly bridged the gap between the human and housing components of the process with a penchant for asking thought-provoking questions, being flexible and on time, and constantly keeping us informed. Moving to MA, we sought for a quality realtor - in Robin and Nicole, we found that and a network worth keeping. I highly recommend Robin's and Nicole's services for your real estate needs. You'll thank me later!

Bernie Fosu, Buyer, Sturbridge

Amazing team to work with! Especially being first time home buyers. They made the process smooth and as simple as possible to get us our dream home!

Greg Jain, Buyer, North Reading

Surpassed our expectations! We had to sell a family home after more than 60 years. Robin and Nicole guided us every step of the way through multiple remodeling projects and the emotional struggle of letting go. They were unfailingly patient, compassionate, and provided excellent advice and contractor referrals. We ended up with multiple offers and were very happy with the outcome. Robin and Nicole are wonderful human beings as well as top notch realtors.

Jane Ruoff, Seller, Framingham

My husband and I worked with Team Metrowest to buy our first home this year and we had a great experience! Once we reached out to Robin and Nicole, they got back to us within 24 hours and were so helpful in getting the daunting process started. We really appreciated how honest Robin was about locations, homes, and listing agents. Both Robin and Nicole responded to emails promptly and outside of normal business hours. Team Metrowest made buying our first home less stressful and we'd recommend them to anyone.

Allison Badia, Buyer, Townsend

Nicole and Robin were so great to work with and we highly recommend them! They guided us through the entire process, from the time we first met until after we closed on our home. They made it so easy!

Leslie Baldi, Seller, Upton

My family and I had the pleasure of working with Robin and Nicole at TEAM Metrowest as our real estate agents when we purchased our first home and, years later, when we sold that home. We cannot express how grateful we are for their outstanding service. From the moment we met them, we knew they were the right people for us; friendly and knowledgeable, instantly putting us at ease during the often-overwhelming processes of buying & selling our first home. They were amazing advocates for us throughout the entire

journey.

Robin and Nicole were readily available to answer our questions and address any concerns we had. They guided us through each step, providing valuable advice and ensuring that we felt confident and always informed. Their professionalism and expertise were unmatched.

What made working with TEAM Metrowest even more special was their genuine care for our family's well-being, becoming people we consider not only our real estate agents, but also friends. Their personalized approach made us feel like we were their top priority, and we never felt rushed or pressured.

We wholeheartedly recommend Robin and Nicole to anyone in need of exceptional real estate agents. Their dedication, integrity, and unwavering commitment to client satisfaction are truly admirable. Buying and selling our first home was made infinitely easier and more enjoyable thanks to their expertise and warm personalities, and we are confident they will provide the same exceptional service to anyone fortunate enough to work with them.

Thank you, Robin and Nicole, for all of your help over the years! We are forever grateful for your invaluable assistance! If we ever move back to the area, we will know exactly who to call!

Ernest Huntley, Buyer and Seller, Blackstone

Wow! Robin and Nicole made buying a house such a breeze! We are new home owners thanks to them :) With the many unanswered questions we had going into owning a house, Nicole and Robin explained everything in a way that was easy to understand! Very honest, experienced, professional, and always happy to help. They are the best!!!! Thank you again :)

Julie Tetreault, Buyer,

It was a pleasure working with Robin and Nicole to navigate our first home-buying process! They both made it easier than we ever could have imagined, especially given the housing market. We were repeatedly impressed by their diligence, thoughtfulness, and responsiveness (even emailing after 9PM on the day we were scrambling to lock in our rate!). We would highly recommend working with Robin and Nicole at TEAM Metrowest to anyone looking to buy a house!

Alicia Nakashian, Buyer, Framingham

Robin and Nicole, at TEAM Metrowest Natick MA, assisted my husband and I with the sale of our home of 20+ years in Upton MA. Robin and Nicole are confident, willing to listen to your wants, needs and concerns, and their genuine and upbeat personalities make them a pleasure to work with. But most of all their professional integrity, is why we wanted them to represent us.

This was our 1st experience of selling a home, so we were looking for a team with years of experience, excellent market knowledge, amazing work ethic and a confident attitude. They advised us that we had a very short window of time to put the house on the market and therefor set realistic goals/tasks for us to complete asap. In the meanwhile, Robin--dxswaq scheduled everything else (photographer, interior designer, marketing materials, MLS listing, reaching out to our lawyer etc.) all to meet the timeline of putting the house on the market within 1.5 weeks.

Once the sign was in front of our home, they were in charge and at decision-making time,

they negotiated effectively on our behalf to ensure our needs were met. The house was sold within 3 days.

We were told that selling your home can be emotionally draining and taxing on your relationship. We cannot stress enough that Robin and Nicole made the entire experience as easy, flawless, and as stress free as possible

Without any hesitation we recommend Robin and Nicole for your consideration as your real estate professional in the future.

GCP Orders, Seller, Upton

Robin and Nicole were wonderful, true professionals. They were thorough, patient and managed the whole buying process beautifully for me. By far, the best real estate transaction experience I have had! Strongly recommend them.

Brian Carolan, Buyer, Natick

A family member recommended Nicole and Robin to me, and I am so glad they did, because they are an exceptional team, and even more exceptional realtors. They took the time to sit down and explain the process to me and genuinely listened to the vision I had and allowed me to do things at my pace. They were so accommodating to my needs, and ALWAYS so quick to answer every question, large or small. They are professional and accessible. I felt so informed every step of the way because of how clear and strong of a communicator they are. My home was marketed in so many different ways, and I was under contract in just two weeks. I would recommend them without reservation, in fact, I can't see why anyone would want to work with any other!!!!

Rachel Loulache, Seller, Grafton

House hunting in the spring of 2022 was extremely competitive and overwhelming at times. The market was totally out of control, but Nicole and Robin made the process so easy and enjoyable. Their professionalism is remarkable, but what really separates them from the rest is their kindness. They truly want what is best for their clients and approach each situation with warmth and grace. We cannot recommend working with TEAM Metrowest enough! We are thrilled with our new home in Natick.

Melissa Colcord, Buyer, Natick

Great Team! Very experienced and dedicated team! Always have coverage regardless if it was a weekend or holidays! Real time update and market analysis, always provided objective and realistic advice. Very responsive and responsible until final close. Could not have asked for a better agent! Very grateful for the help both ladies provided to us throughout the process!

ZJ Li, Seller, Sudbury

I recently worked with Nicole and Robin to find me new condo and they were very knowledgeable about real estate and professional in their communication. They were also extremely patient with me and I never felt as though I was being pushed into buying just any home. Nicole and Robin work very hard to find the right home. I would highly recommend them to anyone looking for amazing real estate agents!

Julie Distler, Buyer, Northborough

Finding Robin & Nicole from TEAM Metrowest was the best decision I have made in a few years for me and my family. As a first-time home buyer, all I did was google realtors in Natick and their bright sunny and warm smiles somehow told me they were perfect for us- and they were. Having never gone through this experience before (and only hearing horror stories), I was very nervous and scared from the beginning. Of course, after our first zoom call they calmed me down, explained the process and told me that there are no stupid questions (this really stuck out for me because I knew I'd have many). Every time I sent a text or wanted to see a house or asked a question, they were always, ALWAYS on top of it-at times I remember thinking "I feel like I'm their only customer." My family and I will always be so thankful to them! Even now, after we have our home, if I have a question they still answer. They are like family to us now and we will always, and forever be grateful to them and their hard work for helping make our families dream come true. I couldn't have even dreamed of having a better experience through this whole process than the one I had with them. EVERYONE should go to them.

Yaniz Dasilva, Buyer, Holliston

Nicole and Robin were phenomenal to work with when purchasing our first home. They were professional, incredibly knowledgeable, and flexible with our tricky schedules to get us the perfect home. We could not have asked for a better experience and would recommend them ten times over!

Steph Coulombre, Buyer, Norfolk

Robin and Nicole are an incredible team, and we highly recommend them! Searching for our first home in the middle of the craziest housing market, while 6 months pregnant with our first child - all during the peak of Covid - seemed insane and near impossible. Robin made our whole experience comfortable, exciting, and fun! Robin and Nicole are kind, optimistic, accommodating and extremely knowledgeable. We are so grateful to have worked with them.

Samantha Buckley, Buyer, Hudson

Nicole and Robin are the best! I can't imagine our home sale having gone any better. From the first meeting they were super professional and knowledgeable about our market but also easy going and fun to chat with. They recommended the perfect time to list, closely followed the comps, provided a professional stager, photographer, and all the best available marketing tools. Once offers came in they compared them all with us not just price-wise but the pros and cons of all the other aspects and suggested the best offer that would smoothly get us to closing. Once we accepted an offer they provided so much information and reminders of what we needed to get done before closing day. The whole process was made simple. They also gave us advice on the private purchase of our new home which was above and beyond. It was such a pleasure to work with them and we will continue to stay in touch and without a doubt would recommend them to a friend. The best!

Autumn Herman, Seller, Ashland

We absolutely loved working with Robin & Nicole! They make the home buying process so easy while being incredibly professional, kind, friendly, and responsive. It's clear that they truly care about their clients & will do anything to help find what they are looking for. They helped us find our forever home, but if we ever need to move again I would reach out to them in a heartbeat! Not enough positive things to say about this duo!

Kimberly Sullivan, Buyer, Franklin

We really enjoyed working with the Metrowest team. Especially during times of COVID (and international relocation) working with a trustful and responsible team is imperative. Thank you Robin and Nicole for taking such great care of us during the whole process.

Timothy Radstake, Buyer, Carlisle

Robin & Nicole are the best real estate agents in Massachusetts. I spent months with several other agents but they did not compare to them! Their responsiveness and attention to detail is unmatched, no matter the time or day they had an answer for us. They are extremely professional, and are very passionate about what they do.

Dan Cuddy, Buyer, South Boston

Robin and Nicole will answer when you call, and always show up when you need them! They made my first home buying experience painless and I can not thank them enough for it. If you are in the market for an agent, Robin and Nicole are a no brainer to go with! You know, when it was time to sell our home we had no idea who to call for a realtor—no connections...starting from scratch. I interviewed three over the phone, but when I spoke with Robin, I knew immediately. She was refreshingly easy to talk with—had a way of simplifying a complicated process.

Both Robin and Nicole made us feel like we were their only clients—during the wildest housing market. They never once made us feel silly for asking questions or like we were bothering them. They were literally on-call seven days a week—all hours.

We have a realtor for life: Team Metrowest.

Highly recommend.

Pat Clark, Buyers and Sellers, Bolton and Groton

Robin and Nicole are simply the best at what they do!! They are both incredibly kind, patient, professional, and so, so helpful with every part of our house buying process. They were so quick to set up showings, always came with us to see the homes, and were so efficient and thorough about sending us comps and helping us to put offers together. As first time home buyers, we were brand new with this process. Robin and Nicole could not have been more patient with us - explaining how the process works, so quickly and thoroughly responding to our many emails, and so patient with us (we saw many homes over about a 5 month process!!). We could not more highly recommend this team and we are so happy in our first home!!

Molly Horan, Buyer, Hudson

I would want anyone else to handle something as important and emotional as the buying or selling of my home. Above and beyond, kind, supportive, so knowledgeable, couldn't be in better hands

Tara McDonald, Seller, Natick

If you are looking to buy or sell a house you have to use Nicole and Robin! They are the absolute best! They genuinely have the best interest at heart for their clients, and they go above and beyond expectations to make sure you are informed and comfortable with every step of the process. Their experience and education in the industry will already have you a step ahead of other buyers in any competitive market. We can honestly not put into words how much we enjoyed working with them, and we are extremely grateful that we did!

Jessica Colcord, Buyer, Medway

Robin and Nicole are a joy to work with and made the process of buying our first home an enjoyable and mostly stress free experience. Can't recommend them more!!

Joe Chinni, Buyer, Wrentham

TEAM Metrowest (Robin and Nicole) are THE BEST!!! They helped us sell our condo in 2013 and then recently helped us buy a house in 2021. They are our realtors for life! They are a perfect team - kind, responsive, patient, advocates on either side of the deal, knowledgeable...There are not enough glowing things I could say about them. Wherever you are buying or selling, they will be on your side every step of the way.

Kristin Dzialo, Buyer, Quincy

As first-time homebuyers, my fiancé Sam and I didn't know much about the real estate process. But after our first (video) call with Nicole and Robin, that all changed. Their answers helped us feel confident and excited about buying a home and, with the market being as crazy as it was (and still is!), that is truly saying something about their skills as real estate pros. When it came time to make an offer on a home we loved, TEAM Metrowest showed why they're some of the best in the area. Everything seemed to click into place, and we were able to make a strong, confident, and ultimately successful offer on a beautiful house that we now proudly call home. We couldn't have done it without Nicole and Robin in our corner. Thank you so much! -- Jack&Sam

Jack Loftus, Buyer, Franklin

I had the pleasure of getting know to Nicole and Robin earlier this year. Although I was a first time homebuyer, they walked me through the daunting process with great professionalism & ease. I cannot imagine working with any other realtors!

Khang Tran, Buyer, Quincy

Robin and Nicole (TEAM Metrowest) define professionalism. Their expertise, patience, and attention to detail are exemplary. They were our partners throughout the process and there was never a moment where we felt like we were just another client. In fact, it felt like

finding and buying our home was the single most important task they had on any given day. That level of attention is very rare — I wouldn't do it with anyone else.

Andrew Miller, Buyer, Sudbury

*If you're in the market for a new home, look no further than Team MetroWest! My husband and I were first-time home buyers with lots of trepidation about taking the plunge into home ownership. Nicole and Robin walked us through every step of the process, offering the priceless insights of locals who have been in the business for a long time. They really listened to our preferences and sent us listings that met our criteria as soon as the houses went on the market, yet they didn't overwhelm us and were patient when we weren't quite ready to buy. Cheerful and down to earth, they made house-shopping fun. Their responsiveness during the whole process was truly amazing. They seemed to respond to emails and phone calls (and there were many) in milliseconds! Even after the sale was complete and we were living in our home for a few months, they got back to us on *Christmas Day* when we had a question. Thank you, Nicole and Robin!*

Erin Battat, Buyer, Natick

My wife and I are so thankful to have worked with Nicole and Robin. They guided us through the entire home buying process with professionalism and attention to detail. They were always available to answer questions and address concerns. Moving here from out of state, they made our whole transition easier and less stressful. They will be our agents of choice for all of our future real estate endeavors!

Dennis Sun, Buyer, Groton

Robin and Nicole are the absolute best! We purchased our first home a few years ago, and they were a godsend in helping us navigate the confusing and emotional home buying process. They were unbelievably responsive, always had our back, and explained everything really well. We found a gorgeous home, but if we ever needed to move we would go back to them in a heartbeat.

Emma Johnson, Buyer, Hopkinton

Nicole and Robin did a great job helping me sell my house. They were always readily available to answer questions and give advice. Confident and knowledgeable, they set my mind at ease and took care of all the details. They helped me get in touch with trusted contractors, lawyers, lenders, and a home stager. I had a great experience! Thank you both for your hard work and support.

Ellen Sullivan, Seller, Franklin

TEAM Metrowest are the greatest. We have worked with Robin and Nicole buying and selling, and each experience was better than the previous. They are extremely patient, very responsive, and always respect your views and questions to help make the best decisions possible. Very professional, very knowledgeable, and very easy to work with. I would not hesitate for a second to use them again.

Michael Baldner, Buyer and Sellers, Medway and Worcester

Nicole and Robin were such a help during the process of purchasing our house in Acton, MA. It's delightful to find professionals so responsive to your needs. Kelly Chuett, Buyer, Acton

TEAM Metrowest are fantastic. Robin and Nicole ushered us through our first home buying experience and we were endlessly grateful for their help. They educated us on the process and were always willing to answer any questions. There was never any pressure. It truly felt like they were on our team and wanted to do whatever they could to find us our perfect first home. Our friends and family have used them after our experience and have had only positive things to say. I look forward to working with them again someday.

Katie Ingalls, Buyer, Norwood

Robin and Nicole are fabulous. They helped me with the purchase of my home, and I could not have been more pleased. They are extremely professional and knowledgeable, and they were there for me every step of the way. Robin and Nicole truly go above and beyond. I wouldn't trust anyone else to help me purchase or sell a home.

Lisa DiRuscio, Buyer, Natick

Paul Colonnelli, Buyer and Seller, Marlborough and Southborough

Robin & Nicole are the best team! They had so much fun helping us find our dream home with our unique wish list of things. We ended up closing on Halloween and they made sure we had candy for the neighborhood! They really listen to their clients and I would absolutely use them again if we ever decide to pick up and move!

Carolyn McTague, Colleague, Natick

When we decided to buy our first house, finding a great broker was the first step. Fortunately, we met Robin & Nicole of Team MetroWest right away, and it made a huge difference. We had an immediate rapport with both Nicole & Robin. They are personable, knowledgeable, and extremely responsive. Having our own Dynamic Duo of brokers made it easy to schedule showings and get email replies very quickly. They answered our countless questions, and were happy to help with the seemingly silly ones that must be common to first-time buyers. They never pushed us to make a decision, and more than once made a good case for really considering a house before making an emotional decision. "We want you to get the house you'll love and not overpay" is truly their mantra. They helped us get a great price on the house we bought, and worked with the seller's agent to address any issues or concerns. Nicole & Robin were extremely conscientious about masks and Covid protocols, making the challenge of buying a house during Covid a little easier. At our pre-close walk-through with Nicole, they gave us a wonderfully thoughtful and personal housewarming gift that we will use and cherish for years. After our experience with Team MetroWest, we would gladly recommend Robin & Nicole to anyone in the market, and we would use them again if we decided to sell or buy a home.

Gregg Snider, Buyer, Bellingham

I was a nervous seller and had to do a quick turnaround due to an immediate relocation. TEAM Metrowest dealt with my concerns and worries almost instantly and truly helped my husband and I navigate a very crazy time in our life. I would recommend them to anyone!

Caitlin Lefchak, Buyer, Maynard

Great professional service. Highly recommended to any person looking to purchase a home.

Aytac Kiran, Buyer, Framingham

Very responsive and professional. These two ladies care about their customers and work hard for YOU. I would utilize their services again for sure.

Mary Blanchette, Buyer, Maynard

Questions or concerns were addressed immediately. This was a long-distance move and Robin was always available. It was a pleasure to work with Robin and Nicole -- they made a potentially stressful process run smoothly from beginning to end.

Elisa, Buyer, Natick

Robin and Nicole are excellent to work with. I would highly recommend them to anyone. Our house sold in 6 hours over asking!

Brett Chase, Seller, Natick

Robin and Nicole helped make the process of selling my home of 52 years so much easier than I had anticipated. They were professional, friendly, and answered all my questions about the sale. They also helped me find the perfect place for this stage of my life. I will recommend Team Metrowest to everyone.

Mary Kendall, Seller, Acton

"It doesn't get much better than Robin & Nicole. We met them at an open house in 2015, and once we left the home, my wife and I looked at each other and said "Well they seem like rock stars..." So it obviously came as no surprise that we walked back into the home and asked them if they would represent us in the search for our new home. Although they are called Team "Metrowest" they were complete pros in the buying and selling of our home in Reading. When we first sat down with them, they said they'd like to list our home for 20-30K more than my wife and I were imagining. We thought they were crazy! But of course, leave it to the pros, we got exactly what they promised, and we couldn't be happier. Nicole and Robin are super personable, easy to get along with, yet are tough and willing to fight for what you need. We highly recommend Team Metrowest!"

Dave and Erica Gutierrez, Seller, Reading

"Nicole and Robin can do it all. They know the Framingham area. They understood the market. They helped us submit a couple offers. They were at the inspection and knew all the questions to ask. We got a great home and we couldn't have done it without them. Very responsive. Highly recommended. "

Samantha and Drew Rautenberg, Buyers, Framingham

Selling your home is very personal, stressful event, but Team Metrowest really simplified this process for us with a professional, comprehensive approach. We sold our home in the first week of it being listed, at our asking price, which was 10% higher than any other home had sold for in our sub-division. I can't say how grateful we are for the support we received and the end result. I can't speak highly enough of the attention to detail, excellent communication, and overall care shown by Nicole and Robin. Even when tensions built at the 11th hour Team Metrowest stayed calm and bridged the gaps between us and our buyers to keep everything on track. I want to take this opportunity to say thank you Nicole and Robin for being fantastic to work with and helping us sell our home in Shrewsbury, MA to allow us to complete our relocation to Texas. Forever grateful,

The Barnes family. Michael Barnes, Seller, Shrewsbury

We asked a bunch of friends and co-workers for recommendations and literally everyone we asked recommended Team Metrowest! We made an offer on the first house we viewed, and ended up getting into a small bidding war with another buyer on a Friday night. Robin did an amazing job helping us through this process: looking up comps, advising us

on making counter-offers, providing context and insight without pressuring us in any way. Robin and Nicole are an incredible team to work with. They're knowledgeable, friendly, and professional. MynMom is planning to move to the area soon, and we plan to work with them again!

Erich Matthes, Buyer, Natick

Robin and Nicole were fantastic to work with! They were incredibly responsive even on nights and weekends. They knew the Natick area really well and were able to help with price comparisons for different parts of town as we were exploring the different areas. It took us six months before we found our home, and they met with us for house tours nearly every week when new houses came on the market we were interested in. During the closing process Nicole was involved in every step of the way and continued to check in with us on outstanding items to make sure everything was organized and finalized in time for our quick closing period. We would definitely recommend working with Team Metrowest!

Rachel and Ben, Buyer, Natick

This recommendation is long overdue. We first met the Nicole & Robin duo 3 years ago at an open house that they had listed in Natick. We liked both so much that we ended having them represent us to buy a different property instead. As others surely will attest to this as well, Nicole and Robin are both extremely responsive and professional. If one was not available, the other could take over and make sure all our questions and concerns were answered. This worked out very well when one was away on vacation the other would be available to help the transactions move along. All told, we have gone with this wonderful team for 8 separate transactions in the past 3 years, both buying and selling. Their thoroughness and ability to stay on top of all the paperwork helped ease our stress levels when going through each real estate transaction. There were times when I thought the process was too much or the negotiation was not going well, they were there to take the brunt of the unpleasanties and smooth things over. Whether it's a single family home, a condo buying, or conversion and selling, Nicole and Robin were able to help us through each and every one of them. Their local expertise is around the Metrowest area but they are more than willing to do other areas in and around Boston as well, as most of our previous transactions ended up being outside of Metrowest. We can always count on Nicole and Robin to help us navigate through the real estate buying/selling process. Highly recommend!

Duc Ngyuen, Buyer & Seller, Needham, Boston, Watertown and Canton

We chose Nicole and Robin based on going to their open house at another house we made an offer on. They did a terrific job and we thought their knowledge of the local market would be beneficial in getting our dream home. We were 100% correct! They were absolutely INCREDIBLE to work with and we have no doubt we wouldn't have gotten our house without their help. We would absolutely love to work with them again should we look to move. We will definitely be referring them to any of our friends and relatives that may be looking in the future. Thank you again, Nicole and Robin! You were awesome to work with!

Drew Picconi, Buyer, Framingham

Team Metrowest showed care, compassion, advocated for my best interests and genuinely demonstrated to me that they were going to do the best they could in my behalf. Loved the constant communication and keeping me updated on every detail. These ladies just get it. They know exactly what they are doing. I suppose that's why they are the best :)

Yara Hentz, Buyer & Seller Northbridge

Nicole and Robin were wonderful to work with. They made us feel confident and informed about every step of the process, even though we were first-time home buyers. They are great communicators and always responded to our questions promptly and professionally. They were especially helpful to us in navigating the process of making an offer, keeping in close contact with the Sellers' agent and giving us great advice about how much to offer and what contingencies and requests to make. I would strongly recommend them to family and friends—actually I already have!

Angela Bahns, Buyer, Natick

"Nicole and Robin of TEAM Metrowest helped make our dreams a reality! After deciding to sell our home on short notice, a friend recommended that we call TEAM Metrowest. Nicole and Robin quickly developed a winning sales strategy and took care of EVERYTHING - brought in an interior designer to help us with staging for the open house, developed a customized floor plan and hired a photographer that made our house shine online! We had an incredible turnout at the open house, received multiple offers and sold our house within 3 days of listing. TEAM Metrowest was incredibly responsive and Nicole and Robin were always there to help or answer any questions along the way, day or night. I have already recommended TEAM Metrowest to friends that are thinking about selling and will continue to do so in the future. Any seller would benefit greatly from TEAM Metrowest's experience, attention to detail and client-focused approach."

Phillip Nanoff, Buyer & Seller, Ashland

"Robin and Nicole from TEAM Metrowest were absolutely amazing! We selected TEAM Metrowest because they were very knowledgeable of the Metrowest region. As first-time homebuyers, it was incredibly important that we worked with agents that were available, communicative, and knowledgeable. We would ask a lot of questions and all of them were answered almost immediately. They were even well-prepared with materials to educate us on the process and what we needed to do during closing. Given their connection to the community, they had great recommends for real estate attorneys, insurance companies, and contractors. We also loved that we worked with BOTH Robin and Nicole - a great sense of belonging and that they were there to take care of us. We even had some issues with the other listing agent and they were more than accommodating on their behalf. We couldn't have asked for better agents - especially a kickass all-woman team! We will be using them again and recommending to any co-workers, friends, or family. "

Nick Degraan-Weber, Buyer Marlborough

"Robin and Nicole are the best team around! We have bought and sold several houses with them over the years, and they have always gone above and beyond. Our most recent purchase really highlighted their dedication and professionalism. They were with us every step of the way through a 7 month ordeal from offer to closing. They spent countless hours on this transaction, and yet they were always responsive, advocating on our behalf, and positive about managing through the challenging negotiations. They also had excellent recommendations for an attorney, as well as an inspector and architect with expertise for our unique farm property. We highly recommend TEAM Metrowest!"

Kristina Coppola, Buyer & Seller, Abington, East Bridgewater and Ashby

We have been so pleased working with Nicole and Robin. When looking for an investment property, we followed their advice when placing an offer on a "hot" property and I am confident had we not done so, our offer would NOT have been the one that was accepted. They have been fun and easy to work with, they are always quick to respond, they are very knowledgeable, and the closing process has been easy. We have happily referred TEAM Metrowest and will continue to do so.

Erin & Chris, Ashland, Buyer & Seller, Westborough

Team Metrowest did a great job finding me the home I was looking for. Being available to show me the home when I needed to keep looking at it. The hard work they did finding the much needed information and getting the answer so this sale would go through. I highly recommend Team Metrowest and look forward to working with them again and again.

Wayne Andrews, Buyer & Seller, West Boylston

In my opinion Robin and Nicole are the best in the business. They both love their job and that shows in everything they do. They are trustworthy, responsive and completely dedicated to meeting the needs of their customers. My husband and I had a short timeline to identify an investment property that was the right fit for our portfolio. They both get a A for their patience with my husband :). All kidding aside they were extremely professional through every step of the process. In the end we found exactly what we needed and they worked tirelessly until closing. I would absolutely recommend TEAM Metrowest they really listen to their clients in order to find the right fit.

Kristin Hubley, Buyer, Northbridge

Team METROWEST was outstanding as usual, this is the 4th home this year they have sold for me, with many more to come, I wouldn't change a thing!

JADOMI PROPERTIES LLC, Buyer & Seller, Shrewsbury and Framingham

Nicole and Robin have been my realtors for the sale of two homes and the purchase of two homes. I don't know if I would have made it through the process without them. From the moment you get excited about looking at potential homes, they are right there meeting your requests to go see them. When you are ready to sell your home, they do a thorough market analysis and give you honest feedback that is in your best interest while always working to meet your requests/needs. Their marketing materials are top notch and they take the added step of helping you stage your home for beautiful showings. They work

hard to make showings convenient to your schedule. When you get to the point of making and accepting offers, they are right there to walk you through every step of the process. I'm not going to say that buying/selling/moving is fun because it is tedious but Nicole and Robin know how to make it manageable. They are attentive to every detail, quick to respond to questions and requests, and always professional. They are truly excellent in their work. I recommended Nicole and Robin to a neighbor after first working with them. My neighbor was thrilled that her home was sold within days of going on the market and thankful for the service she received. I am adamant about never moving again but if I ever did, Nicole and Robin would be my first call. They're the best!

Karen Renaud, Buyer & Seller, Hopkinton and Mendon

A colleague of mine recommended Robin and Nicole at Team Metrowest when my husband and I seriously began looking for a house. We had several interviews set up with potential realtors, but right after meeting Nicole and Robin we cancelled them because we knew they were exactly what we were looking for! As first-time homebuyers, my husband and I felt very anxious about the process. From the very start, Robin and Nicole removed the mystery from the process and made the very complicated world of home purchasing very easy and accessible. Their responsiveness to our (many) question was almost instantaneous and thorough. Where Robin and Nicole stood apart was their commitment to being part of the process with us and they met us to look at almost every house we saw (and there were a lot!). They gave us their expert opinion without ever being pushy, and helped us navigate our initial, unsuccessful offers. When our offer was finally accepted, they worked with us on everything, from finding a lawyer, collecting documents and getting information from the town, to giving us terrific references for inspectors, utility service, handymen, etc. When it came time to fight for our asks at P&S, Robin and Nicole were tough and fair negotiators with the sellers - we could not have asked for better advocates. On a personal level, Robin and Nicole are both brilliant, funny, kind, and an absolute pleasure to work with and be around! They said at our first meeting that they would be partners with us as we started the journey of getting our first house, and as we sit sipping coffee and looking out our beautiful window, we can say with assurance that they absolutely were. We enthusiastically recommend Team Metrowest to everyone we know who is looking to buy in the Metrowest area, and know you won't be disappointed if you make the same choice we did!

Emma Johnson, Buyer, Hopkinton

We would like to Thank Nicole and Robin for finding us a great home on the lake. We love it! They work great as a team helping us through the whole process and preparing us for what was next. They have great people they work with, such as the home inspector and photographer. They were there to answer all our questions and got back to us within the hour. In a stressful time in buying a new home Nicole and Robin make the process a lot easier. If you are looking to buy a home I strongly recommend Nicole and Robin.

Mike and Karen, Buyer, Hopkinton

Robin and Nicole from Team Metrowest were wonderful to work with. We were first time buyers and they walked us through each step and gave us advice whenever we asked for it. They made a normally stressful experience feel very smooth and stress-free! We will definitely use them again and plan to in the future! Robin and Nicole are extremely

knowledgeable, friendly, and helpful. They were everything we were looking for in a Realtor and more! As a plus they were always available to answer our questions. No matter what time of day we emailed or texted them, they would respond right away – it was awesome!

Kristy L., Buyer, Blackstone

As first-time home buyers, we were looking for a realtor who could guide us through the process. Robin and Nicole were helpful and supportive throughout. They responded to calls and emails immediately and always made themselves available to answer questions and show us houses. They were patient and didn't pressure us into any deals. We highly recommend this team.

Priyanka Dayal Buyer, Framingham

Team Metrowest is the truly the best!!! This is the second transaction that Team Metrowest has assisted us with in the last 2 years. They are true professionals with a wealth of experience and local connections that ensured an extraordinarily smooth process. From negotiating the terms and price on a for sale by owner, to referrals for trusted attorney's, inspectors and other professionals needed, you simply cannot find another real estate professional that makes you feel like you are their utmost priority who keeps you informed, has a depth of knowledge for most communities in the State of MA, has great advice, asks all the right questions, advocates for your best interests and is honest and a pleasure to work with. If I ever have the fortune to purchase another property, they are the only Real Estate Professionals on my list!! Highly recommended!

Mino and Maria T, Buyer & Seller, Sudbury and Milford

Team MetroWest was nothing short of exceptional in our experience working with them to sell our home and purchase a new one. They were deeply knowledgeable about our local real estate market which helped us get the best price (and a great buyer) for our own home, and also make a successful offer on the home we wanted to purchase. When you are buying and selling a house simultaneously, there are a million moving parts, and Team Metrowest was always on-the-ball, but still gracious and professional in their interactions with everyone in what is always a stressful time. I recommend them without hesitation.

Julie Zadow, Buyer & Seller, Natick

We are first time home buyers so we were new to the process. Robin and Nicole took their time to explain everything clearly. It really helped us make our decisions with confidence. We LOVED working with Robin and Nicole and will recommend them in the future.

Claudia and Andrew Miller, Buyer, Sudbury

I met Nicole through a mutual friend. Upon meeting her, I knew immediately she was the right fit for helping me find my home. When speaking with her, she showed that she genuinely cared about helping you. I believe the most impressive quality Team Metrowest and Nicole possess was their prompt communication. If I had a question about anything through the entire buying process, they were quick to respond. Now because we met

through a friend, Nicole brought along her husband to one of the house visits. Why was this so important? Her husband is a contractor. What a BONUS! He was able to walk through the house and see how well it was built. Now should you decided to do business with Nicole and Team Metrowest, which I highly recommend, this is probably not an option. I wanted to put this information in my review because it just goes to show you how important and passionate she is to make sure nothing gets overlooked. I would highly recommend Nicole and Team Metrowest in buying or selling your next home!!

Matt Gulino, Buyer, Norton

We have worked with Team Metrowest twice now, in purchasing our own house and in purchasing a house for my sister. Nicole and Robin are amazing! They listen to what you want. They are quick to respond and easy to make appointments with. Coming from out of state, we had them running all over as we were not sure what was in the area or where we wanted to go. They were always cheerful and polite, even when we wanted to see "scary" houses. They made the entire process easy and dare I say fun. Even through the difficulties of closing they were always there working out the problems and getting it done as quickly and smoothly as possible. I have and will continue to recommend them to anyone looking for a new home!

RM Goodwin, Buyer & Seller, Northborough and Grafton

Robin and Nicole were recommended to us by a work colleague, and we knew after meeting them in person that they we would be in good hands with them. We were selling our house in Framingham and ended up buying a new house in Natick. We could not have been happier with their work. We can not overstate how organized, communicative, knowledgeable, and personable they are. It might be easy to overlook the behind-the-scenes work that goes into the buying and selling of homes, but we were always conscious of their commitment to helping us through this process and making sure everything ran smoothly for us. And it did! Our house went over asking and we had an accepted offer on our new place in a short amount of time. Even when there were small hiccups here and there with the purchase of our new home, Robin and Nicole put a lot of time and effort into helping us navigate these. It was such a pleasure to work with them, and to have all the advantages that come with two people who work so well together and who have lots of experience in the business and knowledge of the Metrowest area. We will be enthusiastically recommending them to anyone in need of a realtor.

Anne Brubaker, Buyer & Seller, Natick and Framingham

Team Metrowest knew the market and the area. They nailed the open house and everything associated with selling the home. They're the only ones I will use going forward, honest, straight forward and I felt they had my back at all times. I had no worries at all when it came time to sell, I knew they would get it done!!

JADOMI Properties, Buyer & Seller, Hopkinton, Dudley, Franklin

Having gone with a different agent selling my home in Upton and being very unhappy with that person I knew that, having met both Nicole and Robin, they were going to be a perfect fit for getting me through the process of finding/advising/buying my next home.

Again...I cannot say enough about Nicole and Robin. They answered all my questions (and I had them) and always made me feel comfortable enough to continue bringing questions to them. They went above and beyond at every turn.

Lindy Johnson, Buyer, Whitinsville

Thanks Robin and Nicole! We are looking forward to living in our new home!

Gale Davis & Ernie Frohring, Buyer & Seller, Natick and Westford

Robin and Nicole of TEAM Metrowest were a pleasure to work with. They were always accessible and willing to educate and help at every step in the process. I highly recommend them!

Tom and Jill Olsen, Buyer, Natick

Perfect job from start to finish!

Brian Odhiambo, Buyer, Ashland

I cannot say enough about how great it is to have worked with Robin and Nicole. To selling our townhouse in two days, to finding the perfect home for our family. It was not easy as we had to buy and sell on the same day. They provided us recommendations as to contact for inspections, movers, as well as for private well companies which made our transition a seamless one. We looked at many houses in all different areas, and they were always able to show us properties whenever we needed. Every single question or concern we had was answered crystal clear. Our custom gift for our new home was also a very nice surprise and we could not have done this without their assistance every step of the way. If anybody is looking for a Realtor, look no further than Team Metrowest!

The Tirro family, Buyer & Seller, Marlboro and Sterling

Robin and Nicole are true professionals that understand the motivation behind a buyer and seller. Robin and Nicole made the entire process easier as they made recommendations along that way that saved me time and money. Great team!

Doria Sforza, Buyer & Seller, Natick

I chose 4 brokers a somewhat random Internet search. After meeting Robin and Nicole, I cancelled my appointments with the other three agents. I trusted Robin and Nicole to help me sell my house, and they did... In 4 days!

Cindy Bair, Seller, Marlborough

Robin Tamburrini and Nicole Willey, who comprise Team Metrowest, recently helped my wife and I sell our condo. Since we were novices at selling a home, we weren't sure what to expect or how best to negotiate the unfamiliar and, at times, turbulent waters. Both of these brokers have very professional demeanor and demonstrated knowledge of the industry. We were most impressed with their responsiveness. It didn't seem to matter that

our property's selling price was well below the median home price for the area, which meant a lower commission for the sale. As a tag team, they provided ample coverage in timely fashion. They also brought a flexible approach and took the initiative to find a win-win solution for buyer and seller when the buyer's financing needs threatened to drag out or derail the process. We would engage these two again in a heartbeat! Thank you Nicole and Robin for your excellent service and caring approach.

Tim Bishop, Seller, Thompson's Station, TN, formerly of Marlborough

I initially met Nicole Willey while attending an open house. TEAM MetroWest had presented the property beautifully and provided a brochure with clear information and lovely photos. Nicole impressed me with her outgoing, professional approach and obvious knowledge of the area. Our first meeting with Robin Tamburrini proved immediately that she was of the same caliber. Robin and Nicole provided a comprehensive plan including accurate 'comps,' information regarding strategy and provided vetted referrals as requested for other aspects of both our sale and our purchase. TEAM MetroWest demonstrated superior presentation and negotiation skills regarding both our sale and the purchase of our new home. We sincerely believe that we owe the success of this process to Nicole and Robin and highly recommend their services.

Kate Bailey, Buyer & Seller, Shrewsbury

I cannot say enough about Robin and Nicole. I have dealt with many many professionals in my days, being a professional myself but they truly represent the true work of being professionals.

Anthony and Anne Ranucci, Seller, Maynard

It was an absolute pleasure working with TEAM Metrowest during this process.

Joe and Heather Langdon, Buyer, Upton

Nicole and Robin are incredibly kind, intelligent, and understanding individuals. They were consistently and emotional supportive throughout the whole transition. They are complete rock stars!

Christine Walsh and Brad Karalius, Buyer & Seller, Framingham, and Sherborn

Robin and Nicole were extremely helpful and always available ... whether it was 8 AM or 8 PM! Buying our first house could have been extremely stressful, yet they kept our interests at heart and did everything they could to make it a successful purchase. Thanks so much for everything, ladies. We really appreciate it!

Kerry and Kevin Graves, Buyer, Medway

Nicole and Robin were extremely pleasant to work with. As a first-time home buyer, they were involved, and went out of their way to promptly iron out any snags that popped up unexpectedly. I now have a place to call home. Special thanks to them!

Betty Chan, Buyer, Harvard

As stressful as purchasing a home can be, both Nicole and Robin were incredibly supportive and helpful throughout the process. Whether it was arranging another home viewing or running around to pick up/finalize paperwork, they were always there for us. Although we'd like to think our new home is our forever home, we would love to recommend Team Metrowest to all our family and friends!

Kyle and Charlotte Fugere, Buyer, Natick

Robin and Nicole were great to work with. They were on top of things without being overbearing. They addressed any concerns we had throughout the process, no matter how trivial. They were happy to recommend mortgage contacts, etc. but perfectly happy to work with those we chose as well. They accommodated our schedule transaction without any push back. In my opinion they went beyond the call of duty to make sure that completely aware and comfortable with everything as it was happening. Working with them as a pair each other updated. I would recommend them without hesitation.

Rachel Crocker Ford and Ivor Ford, Buyer, Natick

We had a great experience working with Robin and Nicole. As first-time buyers, their team approach really worked well in the way they shared their knowledge in answering questions and providing insight into the process of home buying.

Sarah Whitten and Ben Davis, Buyer, Natick

Though we are experienced buyers, Nicole & Robin followed every step of our way to close the deal. It was a better buying experience then we had in our previous purchases. Their knowledge of good contacts with other businesses that you need in the process was also extremely helpful. We definitely will recommend to all our friends in need.

Suresh & Bhuvana Rajakumar, Buyer, Natick and Ashland

I really can't express enough how GREAT you two were during our whole house hunting process. We were pretty lucky!! You two stuck by us for six months before we were actually ready. Many realtors would not do that! Not to mention your 24/7 availability to answer any questions and being happy to deal with a house search traditionally outside of your market area. We wish you continued success.

Laura Grasso & Dan Feeney, Buyer, Tewksbury

Nicole and Robin are extremely professional, reliable, diligent, and personal - no matter what is asked of them. My wife Amanda and I worked with Robin and Nicole for several months and never felt rushed or unimportant as their clients. On the contrary, Robin and Nicole gave us 100% of their time. Their responses to our questions were prompt, thorough and efficient. We even decided to withdraw from a home we thought was the "one" and Robin and Nicole diligently called and emailed the other realtor daily. Our entire experience with both of these skilled professionals was exceptional. That is comforting as a

client. I would recommend their service without any reservations. How many, after work is done, ask if you're satisfied? Nicole and Robin will give you this type of service. Look no further. Robin and Nicole are the utmost professionals.

Nick and Amanda Pezotte, Buyer & Seller, Northbridge & Hudson

Team Metrowest was great to work with. They provided us with accurate and practical advice on how to best market and sell our unique house in such a difficult market. We had a viable offer in under a week leading to the sale, which can be fully attributed to their hard work. I would highly recommend Team Metrowest to anyone buying or selling their home and I will surely use them in the future.

Laura and Bryon Brandow, Seller, Natick

We are extremely happy with the service we received from TEAM Metrowest. They made the buying process very easy for us, especially since we have never lived in the Northeast and moving from the Midwest.

Joe Burgoni, Buyer, Franklin

Nicole and Robin were fantastic to work with during the entire selling process. We were extremely happy with everything they did in regards to selling our home. They were excellent about explaining everything and keeping us posted on what was happening. They marketed our house well and also gave us some great referrals once the house sold. We had friends selling their house at the same time as ours and our friends would comment to us that their Realtors weren't doing nearly as good a job as Nicole and Robin. Thanks for everything!

Kristi & EJ Zanchi, Buyer & Seller, Upton

Robin and Nicole were great to work with, they know their business and know what needs to be done. It's refreshing to get the combination of extremely competent with being friendly and a pleasure to work with. Two thumbs up!

Scott & Kathy Neuman, Seller, Natick

Nicole and Robin were terrific, I would use them again in a heartbeat and would recommend them to any and all of my friends/family/strangers seeking advice. Thanks Robin and Nicole!

Paul Colonnelli, Buyer & Seller, Framingham & Marlborough

We could not be any happier with our new home and experience with purchasing and selling our homes. I have always recommended Robin and Nicole to friends, family etc. and my sister purchased a home with them.

Jay and Andrea DiRusico, Buyer, Natick

Nicole and Robin were extremely responsive to our need and their knowledge and

professionalism put us at ease.

Jackie Dias and Albertino Costa, Buyer, Milford

We dealt with a different broker at the beginning who seemed uninterested in the home searching process. We ended up switching because Robin and Nicole were so much easier to work with and came across as warm and committed to helping us find a home. We had an excellent experience, Robin and Nicole were very easy to work with.

Vedrana Cirkovic, Buyer, Framingham

Because Nicole and Robin took the time to get to know our family and what we were looking for, they were very effective at helping us read the market as we looked for a home in Natick. They each know the area very well and their team-based approach delivers a high degree of flexibility, something we really appreciated when it came to scheduling showings, sometimes on short notice. They gave good advice and helped us find a great home for our family.

Christina and Jim Hughes, Buyers & Sellers, Natick

Nicole and Robin were a pleasure to work with. They were responsive, kept on top of details, very available and always kept our goals the priority. They helped us to sell our house in record time for a price we were happy with! Nicole and Robin were very supportive and helped us to find additional resources like contractors, inspectors, and cleaners. If I am ever in the market again to buy or sell - I want Nicole and Robin with me!

Tova Garcia, Buyers, Natick

We feel so fortunate to have listed our home with Nicole and Robin (Team Metrowest). We have moved several times due to job transfers and never worked with such professional, efficient, knowledgeable, and nice agents. From day one they were personally invested in the sale of our home and communicated with us on a regular basis. Our house sold in two weeks at the price we were hoping to get in a very difficult market. We wish all of our real estate experiences could be as satisfying and stress free as Nicole and Robin made it for our family!

Matt Ruffing, Seller, Westborough

Robin and Nicole were wonderful to work with every step of the way. They were patient, immediately responsive, and incredibly nice, even though our situation was a bit difficult at times. They made sure all of our questions got answered, and they knew exactly what type of home we were looking for. They never pressured us. In fact, Robin and Nicole celebrated with us when we found our home and were genuinely happy for us. They were more friends than realtors by the end of the process. We feel lucky to have found them.

Kurt and Mica Moellering, Buyer, Natick

I wanted to thank you for making the task of finding a new place to live pleasant and easy! Sending me listings as they arose, assisting with any questions I might have, and setting

appointments for viewing the homes. Team Metrowest took the time to understand my needs and as a result I was able to find my home pretty quickly. I would highly recommend Team Metrowest to anyone looking to purchase a home in the area!

Jon Duby, Buyer & Seller, Marlborough

As 1st time home buyers, we could not have asked for better realtors! Robin and Nicole gave us the guidance, information and quick responses we needed. They both made themselves available when we needed and went above and beyond to help get us into the home we love. We strongly suggest Robin and Nicole to everyone and anyone that needs to sell or purchase a home!

Jackie and Terry O'Neil, Buyer, Natick
